ABSOLUTE ASSIGNMENT OF RENTS, LEASES AND OTHER BENEFITS

THIS ABSOLUTE ASSIGNMENT, made November 28, 2017, by and between MCR MT PROSPECT LLC, a Delaware limited liability company (“Assignor”) whose address for notice purposes is c/o MCR Development, LLC, 1 World Trade Center, Floor 86, New York, New York 10007, and SIMMONS BANK, whose address for notice purposes is 1800 SE Blue Parkway, Lee’s Summit, MO 64063 (hereinafter called “Assignee”).

WITNESSETH:

Assignor, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, does hereby absolutely and irrevocably bargain, sell, transfer, assign, convey, set over and deliver unto Assignee all right, title and interest of the Assignor in, to and under leases and lease guaranties together with any and all future leases and lease guaranties hereinafter entered into by Assignor relating to the premises described in **Exhibit A** attached hereto and made a part hereof (the “Premises”), and all amendments, extensions and renewals of said leases and lease guaranties and any of them, all of which are hereinafter called the “Leases”; and all rents, income and profits which may now or hereafter be or become due or owing under the Leases, and any of them; and all income, profits, revenues, royalties, bonuses, accounts, equitable and contract rights, general intangibles and benefits in any way pertaining to or on account of the use of the Premises (hereinafter called the “Property Income”).

Assignor warrants, covenants and agrees with Assignee, and its successors and assigns, as follows:

1. Assignor is the sole owner of the entire lessor’s interest in the Leases and is the sole owner of the Property Income and Assignor has not executed any other assignment of any of the Leases or the Property Income (except in favor of Assignee), and has not done and shall not do anything which would prevent Assignee from fully exercising its rights under this Assignment.

2. Assignor shall not, without the prior written consent of Assignee, (a) execute any other assignment of the Leases or the Property Income (except in favor of Assignee), (b) execute any future leases of any portion of the Premises, or (c) subject to the following sentence, materially change, amend, alter, or modify any of the Leases or any of the terms or provisions thereof, nor grant any concession in connection therewith. Assignor shall not materially amend, terminate or cancel that certain Lease Agreement between Assignor and MCR Mt Prospect Tenant LLC dated October 5, 2017 (the “Hotel Lease”) without the prior written approval of Assignee, not to be unreasonably withheld, conditioned or delayed; provided, however, Assignor shall have the right to amend the economic terms of the Hotel Lease without Assignee’s consent so long as such modification or amendment would not materially adversely impact Tenant’s or Assignor’s ability to satisfy its obligations under this Assignment or any Security Document.

3. Assignor shall and does hereby assign and transfer to Assignee any and all subsequent leases and lease guaranties upon all or any part of the Premises and shall execute and

deliver at the request of Assignee all such further assurances and assignments as Assignee shall from time to time reasonably require or deem necessary.

The parties further agree as follows:

This Assignment is absolute and effective immediately. Notwithstanding the foregoing, Assignor shall have a license to receive, collect and enjoy the Property Income accruing from the Premises unless and until an Event of Default (as defined in that certain Mortgage, Assignment of Leases and Rents, Security Agreement and Fixture Filing (hereinafter called the "Mortgage")) has occurred and is continuing; and upon such default such license shall cease automatically, without need of notice, possession, foreclosure or any other act or procedure, and all Property Income assigned hereby shall thereafter be payable directly to Assignee; except that such license shall be reinstated automatically by acceptance by Assignee of any cure of any such default by Assignor, unless Assignee shall notify Assignor that acceptance of such cure shall not reinstate such license.

Upon the occurrence and during the continuance of an Event of Default, Assignee may demand, collect, receive and give complete acquittances for any and all Property Income accruing from the Premises, and at Assignee's discretion file any claim or take any other action or proceeding and make any settlement of any claims which Assignee may deem necessary or desirable in order to collect and enforce the payment of the Property Income. Lessees of the Premises are hereby expressly authorized and directed to pay any and all amounts due Assignor pursuant to the Leases, or otherwise, to Assignee or such nominee as Assignee may designate in writing delivered to and received by such lessees who are expressly relieved of any and all duty, liability or obligation to Assignor in respect to all payments so made.

Assignee is hereby vested with full power to use all measures, legal and equitable, deemed by it necessary or proper to enforce this Assignment and to collect the Property Income assigned hereunder, including the right of Assignee or its designee to, upon the occurrence and during the continuance of an Event of Default, enter upon the Premises, or any part thereof, with or without force and with or without process of law, and take possession of all or any part of the Premises together with all personal property, fixtures, documents, books, records, papers and accounts of Assignor relating thereto, and may exclude Assignor, its agents or servants, wholly therefrom. Assignor hereby grants full power and authority to Assignee to exercise all rights, privileges and powers herein granted at any and all times during the continuance of an Event of Default, without notice to Assignor with full power to use and apply all of the Property Income herein assigned to the payment of the costs of managing and operating the Premises and of any indebtedness or liability of Assignor to Assignee, including but not limited to the payment of taxes, special assessments, insurance premiums, damage claims, the costs of maintaining, repairing, rebuilding and restoring the improvements on the Premises or of making same rentable, attorneys' fees (to the extent allowed by law) incurred in connection with the enforcement of this Assignment, and of principal and interest payments due from Assignor to Assignee on that certain Promissory Note of even date herewith in the principal sum of Nine Million Three Hundred Thirty Thousand and No/100 Dollars (\$9,230,000.00) given by Assignor to Assignee (the "Note") and the Mortgage (the Note, the Mortgage and the other loan documents given as additional security for the Note, are herein called collectively, the "Security Documents"), all in such order as Assignee may determine. Upon the occurrence and during the

continuance of an Event of Default, Assignee is granted full power and authority to create new Leases, cancel or surrender Leases, to renew, alter or amend Leases, to make concessions to lessees under the Leases, to exercise any and all landlord's liens and other rights and remedies Assignor would be entitled to under the Leases or by law, or to take any other action to enforce the terms of the Leases as provided therein or by law. Assignee shall be under no obligation to exercise or prosecute any of the rights or claims assigned to it hereunder or to perform or carry out any of the obligations of the lessor under any of the Leases and does not assume any of the liabilities in connection with or arising or growing out of the covenants and agreements of Assignor in the Leases. Assignor hereby agrees to indemnify Assignee and to hold it harmless from any liability, loss or damage including without limitation reasonable attorneys' fees which may or might be incurred by it under the Leases or by reason of this Assignment, and from any and all claims and demands whatsoever which may be asserted against Assignee by reason of any alleged obligations or undertakings on its part to perform or discharge any of the terms, covenants or agreements contained in any of the Leases. This Assignment shall not operate to place responsibility for the control, care, management or repair of the Premises, or parts thereof, upon Assignee nor shall it operate to make Assignee liable for any waste of the Premises by the lessee under any of the Leases or any other party, or for any dangerous or defective condition of the Premises or for any negligence in the management, upkeep, repair or control of the Premises resulting in loss or injury or death to any lessee, licensee, employee or stranger.

Assignee may, at its option, although it shall not be obligated so to do, perform any lease covenant for and on behalf of Assignor and, if Assignor fails to do so after written notice from Assignee and a reasonable opportunity to perform, any monies expended in so doing shall be chargeable with interest to Assignor at the Default Rate provided in the Note.

Waiver of or acquiescence by Assignee in any default by Assignor, or failure of Assignee to insist upon strict performance by Assignor of any warranties or agreements in this Assignment, shall not constitute a waiver of any subsequent or other default or failure, whether similar or dissimilar.

The rights and remedies of Assignee under this Assignment are cumulative and are not in lieu of, but are in addition to any other rights or remedies which Assignee shall have under the Note, the Mortgage or any other Security Document, or at law or in equity.

If any term of this Assignment, or the application thereof to any person or circumstances, shall, to any extent, be invalid or unenforceable, the remainder of this Assignment, or the application of such term to persons or circumstances other than those as to which it is invalid or unenforceable, shall not be affected thereby, and each term of this Assignment shall be valid and enforceable to the fullest extent permitted by law.

All notices to be given pursuant to this Assignment shall be sufficient if mailed postage prepaid, certified or registered mail, return receipt requested, or by overnight courier service to the above described addresses of the parties hereto, or to such other address as a party may request in writing. Any time period provided in the giving of any notice hereunder shall commence upon the date such notice is deposited in the mail or with an overnight courier service.

This Assignment may not be amended, modified or changed nor shall any waiver of any provision hereof be effective, except only by an instrument in writing and signed by the party against whom enforcement of any waiver, amendment, change, modification or discharge is sought.

This Assignment shall terminate automatically when the Mortgage is fully released and discharged. This Assignment shall be governed by the laws of the State of Illinois (without giving effect to the conflict of law principles thereof).
