(f) Assignor shall not, without the written consent of Assignee, which consent will not be unreasonably withheld, delayed or conditioned, accept a surrender of any Lease or convey or transfer, or suffer or permit a conveyance or transfer, of the premises demised under any Lease or of any interest in any Lease so as to effect, directly or indirectly, proximately or remotely, a merger of the estates and rights of, or a termination or diminution of the obligations of, any Tenant thereunder; any termination fees payable under a Lease for the early termination or surrender thereof shall be paid jointly to Assignor and Assignee;

(g) Assignor shall not alter, modify or change the terms of any guaranty of any Lease, or cancel or terminate any such guaranty or do or permit to be done anything which would terminate any such guaranty as a matter of law, without the prior written consent of Assignee;

(h) Assignor shall not waive or excuse the obligation to pay rent under any Lease;

(i) Assignor shall, at its sole cost and expense, appear in and defend any and all actions and proceedings arising under, relating to or in any manner connected with any Lease or the obligations, duties or liabilities of the lessor or any Tenant or guarantor thereunder, and shall pay all costs and expenses of Assignee, including court costs and reasonable attorneys' fees, in any such action or proceeding in which Assignee may appear;

(j) Assignor shall give prompt notice to Assignee of any notice of any default by the lessor under any Lease received from any Tenant or guarantor thereunder;

(l) Assignor shall not permit any Lease to become subordinate to any lien or liens other than liens securing the indebtedness secured hereby or liens for general real estate taxes not delinquent;

(n) If any tenant under any Lease is or becomes the subject of any proceeding under the Federal Bankruptcy Code, as amended from time to time, or any other federal, state or local statute which provides for the possible termination or rejection of the Leases assigned hereby, Assignor covenants and agrees that if any such Lease is so terminated or rejected, no settlement for damages shall be made without the prior written consent of Assignee, and any check in payment of damages for termination or rejection of any such Lease will be made payable both to Assignor and Assignee. and further covenants and agrees that upon the request of Assignee, it will duly endorse to the order of Assignee any such check, the proceeds of which shall be applied in accordance with the provisions of Section 7 below

4. **Rights Prior to Default.** Until an Event of Default (as defined in Section 5) shall occur, Assignor shall have the right and license to collect, at the time (but in no event more than thirty (30) days in advance) provided for the payment thereof, all rents, issues, income and profits assigned hereunder, and to retain, use and enjoy the same subject to the terms of the Loan Agreement. Upon the occurrence of an Event of Default, Assignor's right to collect such rents, issues, income and profits or to prosecute and collect under any guaranty of a Lease shall immediately terminate without further notice thereof to Assignor. Assignee shall have the right to notify the Tenants under the Leases of the existence of this Assignment at any time.

5. **Events of Default.** An "Event of Default" shall occur under this Assignment upon the occurrence of (a) a breach by Assignor of any of the covenants, agreements, representations, warranties or other provisions hereof which is not cured or waived within the applicable grace or cure period, if any, set forth in the Mortgage, or (b) any other Event of Default described in the Note, the Mortgage or any of the other Loan Documents.

6. **Rights and Remedies Upon Default.** At any time upon or following the occurrence of any Event of Default, Assignee, at its option, may exercise any one or more of the following rights and remedies without any obligation to do so, without in any way waiving such Event of Default, without further notice or demand on Assignor, without regard to the adequacy of the security for the obligations secured hereby, without releasing Assignor or any guarantor of the Note from any obligation, and with or without bringing any action or proceeding to foreclose the Mortgage or any other lien or security interest granted by the Loan Documents:

(a) Declare the unpaid balance of the principal sum of the Note, together with all accrued and unpaid interest thereon, immediately due and payable;

(b) Enter upon and take possession of the Premises, either in person or by agent or by a receiver appointed by a court, and have, hold, manage, lease and operate the same on such terms and for such period of time as Assignee may deem necessary or proper, with full power to make from time to time all alterations, renovations, repairs or replacements thereto or thereof as may seem proper to Assignee, to make, enforce, modify and accept the surrender of Leases, to obtain and evict Tenants, to fix or modify rents, and to do any other act which Assignee deems necessary or proper;

(c) Either with or without taking possession of the Premises, demand, sue for, settle, compromise, collect, and give acquittances for all rents, issues, income and profits of and from the Premises and pursue all remedies for enforcement of the Leases and all the lessor's rights therein and thereunder, including under any guaranty of a Lease. This Assignment shall constitute an authorization and direction to the Tenants under the Leases and any guarantor to pay all rents and other amounts payable under the Leases to Assignee, without proof of default hereunder, upon receipt from Assignee of written notice to thereafter pay all such rents and other amounts to Assignee and to comply with any notice or demand by Assignee for observance or performance of any of the covenants, terms, conditions and agreements contained in the Leases

and/or any guaranty of a Lease to be observed or performed by the obligors thereunder, and Assignor shall facilitate in all reasonable ways Assignee's collection of such rents, issues, income and profits, and upon request will execute written notices to the Tenants under the Leases or any guarantor to thereafter pay all such rents and other amounts to Assignee; and

(d) Make any payment or do any act required herein of Assignor in such manner and to such extent as Assignee may deem necessary, and any amount so paid by Assignee shall become immediately due and payable by Assignor with interest thereon until paid at the Default Rate and shall be secured by this Assignment.

7. **Application of Proceeds.** All sums collected and received by Assignee out of the rents, issues, income and profits of the Premises following the occurrence of any one or more Events of Default shall be applied in accordance with the Illinois Mortgage Foreclosure Law and, unless otherwise specified in such act, in such order as set forth in the Note.

8. **Limitation of Assignee's Liability.** Assignee shall not be liable for any loss sustained by Assignor resulting from Assignee's failure to let the Premises or from any other act or omission of Assignee in managing, operating or maintaining the Premises following the occurrence of an Event of Default. Assignee shall not be obligated to observe, perform or discharge, nor does Assignee hereby undertake to observe, perform or discharge any covenant, term, condition or agreement contained in any Lease to be observed or performed by the lessor thereunder, or any obligation, duty or liability of Assignor under or by reason of this Assignment. Assignor shall and does hereby agree to indemnify, defend (using counsel reasonably satisfactory to Assignee) and hold Assignee harmless from and against any and all liability, loss or damage which Assignee may incur under any Lease or under or by reason of this Assignment and of and from any and all claims and demands whatsoever which may be asserted against Assignee by reason of any alleged obligation or undertaking on its part to observe or perform any of the covenants, terms, conditions and agreements contained in any Lease; provided, however, in no event shall Assignor be liable for any liability, loss or damage which Assignee incurs as a result of Assignee's gross negligence or willful misconduct. Should Assignee incur any such liability, loss or damage under any Lease or under or by reason of this Assignment, or in the defense of any such claim or demand, the amount thereof, including costs, expenses and reasonable attorneys' fees, shall become immediately due and payable by Assignor with interest thereon at the Default Rate and shall be secured by this Assignment. This Assignment shall not operate to place responsibility upon Assignee for the care, control, management or repair of the Premises or for the carrying out of any of the covenants, terms, conditions and agreements contained in any Lease, nor shall it operate to make Assignee responsible or liable for any waste committed upon the Premises by any Tenant, occupant or other party, or for any dangerous or defective condition of the Premises, or for any negligence in the management, upkeep, repair or control of the Premises resulting in loss or injury or death to any Tenant, occupant, licensee, employee or stranger. Nothing set forth herein or in the Mortgage, and no exercise by Assignee of any of the rights set forth herein or in the Mortgage shall constitute or be construed as constituting Assignee a "mortgagee in possession" of the Premises, in the absence of the taking of actual possession of the Premises by Assignee pursuant to the provisions hereof or of the Mortgage. Assignor agrees that it will not assert any claim against Assignee or any other person indemnified under this Assignment on any theory of liability for special, indirect, consequential, incidental or punitive damages.

9. **No Waiver.** Nothing contained in this Assignment and no act done or omitted to be done by Assignee pursuant to the rights and powers granted to it hereunder shall be deemed to be a waiver by Assignee of its rights and remedies under any of the Loan Documents. This Assignment is made and accepted without prejudice to any of the rights and remedies of Assignee under the terms and provisions of such instruments, and Assignee may exercise any of its rights and remedies under the terms and provisions of such instruments either prior to, simultaneously with, or subsequent to any action taken by it hereunder. Assignee may take or release any other security for the performance of the obligations secured hereby, may release any party primarily or secondarily liable therefor, and may apply any other security held by it for the satisfaction of the obligations secured hereby without prejudice to any of its rights and powers hereunder.

10. **Further Assurances.** Assignor shall execute or cause to be executed such additional instruments (including, but not limited to, general or specific assignments of such Leases as Assignee may designate) and shall do or cause to be done such further acts, as Assignee may request, in order to permit Assignee to perfect, protect, preserve and maintain the assignment made to Assignee by this Assignment.

11. **Security Deposits.** Assignor acknowledges that Assignee has not received for its own account any security deposited by any Tenant pursuant to the terms of the Leases and that Assignee assumes no responsibility or liability for any security so deposited.

12. **Severability.** If any provision of this Assignment is deemed to be invalid by reason of the operation of law, or by reason of the interpretation placed thereon by any administrative agency or any court, Assignee and Assignor shall negotiate an equitable adjustment in the provisions of the same in order to effect, to the maximum extent permitted by law, the purpose of this Assignment and the validity and enforceability of the remaining provisions, or portions or applications thereof, shall not be affected thereby and shall remain in full force and effect.

13. **Successors and Assigns.** This Assignment is binding upon Assignor and its legal representatives, successors and assigns, and the rights, powers and remedies of Assignee under this Assignment shall inure to the benefit of Assignee and its successors and assigns.

14. **Written Modifications.** This Assignment shall not be amended, modified or supplemented without the written agreement of Assignor and Assignee at the time of such amendment, modification or supplement.

15. **Duration.** This Assignment shall become null and void at such time as Assignor shall have paid the principal sum of the Note, together with all interest thereon, and shall have fully paid and performed all of the other obligations secured hereby and by the other Loan Documents.

16. **Governing Law.** This Assignment shall be governed by and construed in accordance with the laws of the State of Illinois.

17. **Notices.** All notices, demands, requests and other correspondence which are required or permitted to be given hereunder shall be deemed sufficiently given when delivered or
