This Assignment is made and accepted without prejudice to any of the rights and remedies of Assignee under the terms and provisions of such instruments, and Assignee may exercise any of its rights and remedies under the terms and provisions of such instruments either prior to, simultaneously with, or subsequent to any action taken by it hereunder. Assignee may take or release any other security for the performance of the obligations secured, may release any party primarily or secondarily liable, and may apply any other security held by it for the satisfaction of the obligations secured without prejudice to any of its rights and powers hereunder.

11. Further Assurances. Assignor must execute or cause to be executed such additional instruments (including, but not limited to, general or specific assignments of such Leases as Assignee may designate) and shall do or cause to be done such further acts, as Assignee may request, in order to permit Assignee to perfect, protect, preserve and maintain the assignment made to Assignee by this Assignment.
