RECITALS

A. On or about the date hereof, Assignor and Assignee entered into that certain Loan Agreement ("**Loan Agreement**") whereby Assignee agreed to make a loan (the "**Loan**") available to Assignor in the maximum amount of Seventeen Million and 00/100ths Dollars (\$17,000,000.00), to refinance existing debt and related closing costs for the properties located at 1101 West Fulton Street, 1144 West Fulton Street, 327 North Aberdeen and 220 North Aberdeen, together with associated parking spaces all located in the City of Chicago, Cook County, Illinois (individually and collectively referred to as the "**Project**"). The Project is legally described in Exhibits A1-A5 attached hereto and made a part hereof. Capitalized terms used and not otherwise defined herein shall have the meanings given to them in the Loan Agreement.

B. In connection with the Loan, Assignor has executed and delivered a promissory note (the "**Note**") in favor of Assignee of even date herewith in the amount of the Loan payment of which is secured by (i) a Mortgage, Assignment of Rents, Security Agreement and Fixture Filing made by Assignor in favor of Assignee on the Project (the "**Mortgage**"), and (ii) the other Loan Documents.

C. Assignor is desirous of providing further assurances to Assignee as to the performance of the terms, covenants and agreements hereof and of the Note, the Loan Agreement, the Mortgage and the other Loan Documents.

AGREEMENTS

NOW, THEREFORE, in consideration of the making of the Loan evidenced by the Note by Assignee to Assignor and for other good and valuable consideration, the receipt and legal sufficiency of which are hereby acknowledged, Assignor does hereby irrevocably, absolutely and unconditionally transfer, sell, assign, pledge and convey to Assignee, its successors and assigns, all of the right, title and interest of Assignor in and to:

(b) all issues, profits, security or other deposits, revenues, royalties, accounts, rights, benefits and income of every nature of and from the Project, including, without limitation, minimum

rents, additional rents, termination payments, bankruptcy claims, forfeited security deposits (to the extent assignable pursuant to applicable law), damages following default and all proceeds payable under any policy of insurance covering loss of rents resulting from untenability due to destruction or damage to the Project, together with the immediate and continuing right to collect and receive the same, whether now due or hereafter becoming due, and together with all rights and claims of any kind that Assignor may have against any Tenant, lessee or licensee under the Leases or against any other occupant of the Project (collectively, the "**Rents**").

TO HAVE AND TO HOLD the same unto Assignee, its successors and assigns.

IT IS AGREED that, notwithstanding that this instrument is a present, absolute and executed assignment of the Rents and of the Leases and a present, absolute and executed grant of the powers herein granted to Assignee, Assignor is hereby permitted, and is hereby granted a license by Assignee, to retain possession of the Leases and to collect and retain the Rents unless and until an "Event of Default" (as defined herein) under the terms of this Assignment or any of the other Loan Documents shall have occurred and be continuing. Upon and during the continuance of an Event of Default, the aforementioned license granted to Assignor shall automatically terminate without notice to Assignor, and Assignee may thereafter, subject to applicable law, without taking possession of the Project, take possession of the Leases and collect the Rents. Further, from and after such termination, Assignor shall be the agent of Assignee in collection of the Rents, and any Rents so collected by Assignor shall be held in trust by Assignor for the sole and exclusive benefit of Assignee and Assignor shall, within three (3) business days after receipt of any Rents, pay the same to Assignee to be applied by Assignee as hereinafter set forth. Furthermore, during the continuance of such Event of Default and termination of the aforementioned license, Assignee shall have the right and authority, without any notice whatsoever to Assignor and without regard to the adequacy of the security therefor, to: (a) make application to a court of competent jurisdiction for appointment of a receiver for all or any part of the Project, as particularly set forth in the Mortgage; (b) manage and operate the Project, with full power to employ agents to manage the same; (c) demand, collect, receive and sue for the Rents, including those past due and unpaid; and (d) do all acts relating to such management of the Project, including, but not limited to, negotiation of new Leases, making adjustments of existing Leases, contracting and paying for repairs and replacements to the Improvements and to the fixtures, equipment and personal property located in the Improvements or used in any way in the operation, use and occupancy of the Project as in the sole subjective judgment and discretion of Assignee may be necessary to maintain the same in a tenantable condition, purchasing and paying for such additional furniture and equipment as in the sole subjective judgment of Assignee may be necessary to maintain a proper rental income from the Project, employing necessary managers and other employees, purchasing fuel, providing utilities and paying for all other expenses incurred in the operation of the Project, maintaining adequate insurance coverage over hazards customarily insured against and paying the premiums therefor. Assignee shall apply the Rents received by Assignor from the Project, after deducting the actual out-of-pocket costs of collection thereof, including, without limitation, reasonable outside attorneys' fees and a management fee for any management agent so employed, against amounts expended for repairs, upkeep, maintenance, service, fuel, utilities, taxes, assessments, insurance premiums and such other expenses as Assignee incurs in connection with the operation of the Project and against interest, principal, required escrow deposits and other sums which have or which may become due, from time to time, under the terms of the Loan Documents, in such order or priority as to any of the items so mentioned as Assignee, in its sole subjective discretion, may determine. The exercise by Assignee of the rights granted Assignee in this paragraph, and the collection of, the Rents and the application thereof as herein provided, shall not be considered a waiver by Assignee of any Event of Default under the Loan Documents or prevent foreclosure of any liens on the Project nor shall such exercise make Assignee liable under any of the Leases, Assignee hereby expressly reserving all of its rights and privileges under the Mortgage and the other Loan Documents as fully as though this Assignment had not been entered into.

Without limiting the rights granted hereinabove, upon and during the continuance of an Event of Default Assignee may, but shall not be obligated to, without prior notice to or demand on Assignor, and without releasing Assignor from any obligation hereof, make or perform the same in such manner and to such extent as Assignee may deem necessary to protect its rights hereunder, including specifically, without limitation, appearing in and defending any action or proceeding purporting to affect the rights of Assignee hereunder or the rights or powers of Assignee, performing or discharging any obligation, covenant or agreement of Assignor under any of the Leases, and, in exercising any of such powers, paying all necessary costs and expenses, employing counsel and incurring and paying reasonable outside attorneys' fees. Any sum advanced or paid by Assignee for any such purpose, including, without limitation, reasonable outside attorneys' fees, together with interest thereon at the Default Rate from the date paid or advanced by Assignee until repaid by Assignor, shall immediately be due and payable to Assignee by Assignor on written demand and shall be secured by the Mortgage and by all of the other Loan Documents securing all or any part of the indebtedness evidenced by the Note.

IT IS FURTHER AGREED that this Assignment is made upon the following terms, covenants and conditions:

1. This Assignment shall not operate to place responsibility for the control, care, management or repair of the Project upon Assignee, nor for the performance of any of the terms and conditions of any of the Leases, nor shall it operate to make Assignee responsible or liable for any waste committed on the Project by any Tenant or any other party or for any dangerous or defective condition of the Project or for any negligence in the management, upkeep, repair or control of the Project, unless the same is caused by the gross negligence or willful misconduct of Assignee. Assignee shall not be liable for any loss sustained by Assignor resulting from Assignee's failure to let the Project or from any other act or omission of Assignee in managing the Project, unless the same is caused by the gross negligence or willful misconduct of Assignee. Assignor shall and does hereby indemnify and hold Assignee harmless from and against any and all liability, loss, claim, demand or damage which may or might be incurred by reason of this Assignment, including, without limitation, claims or demands for security deposits from Tenants deposited with Assignor, and from and against any and all claims and demands whatsoever which may be asserted against Assignee by reason of any alleged obligations or undertakings on its part to perform or discharge any of the terms, covenants or agreements contained in any of the Leases, unless the same is caused by the gross negligence or willful misconduct of Assignee; provided, however, that (x) in no event shall Assignor indemnify Assignee with respect to any event first arising after the date on which Assignee or a third party that is not an Affiliate of Assignor or Guarantor acquires title to the Project through foreclosure, private power of sale or the delivery of a deed in lieu of foreclosure and (y) upon tendering a deed in lieu of foreclosure to Assignee or its designee or nominee and the acceptance thereof by Assignee or its designee or nominee, Assignor shall be fully relieved from the indemnification obligation contained in this Assignment for any event or occurrence occurring from and after the date of execution and delivery of any such instrument. Should Assignee incur any liability by reason of this Assignment or in defense of any claim or demand for loss or damage as provided above, the amount thereof, including, without limitation, costs, expenses and reasonable outside attorneys' fees, together with interest thereof at the Default Rate from the date paid or incurred by Assignee until repaid by Assignor, shall be immediately due and payable to Assignee by Assignor upon written demand and shall be secured by the Mortgage and by all of the other Loan Documents securing all or any part of the indebtedness evidenced by the Note.

2. This Assignment shall not be construed as making Assignee a mortgagee in possession.

3. Assignee is obligated to account to Assignor only for such Rents as are actually collected or received by Assignee.

UNOFFICIAL COPY

4. Assignor hereby further presently and absolutely assigns to Assignee subject to the terms and provisions of this Assignment: (a) any award or other payment which Assignor may hereafter become entitled to receive with respect to any of the Leases as a result of or pursuant to any bankruptcy, insolvency or reorganization or similar proceedings involving any Tenant under such Leases; and (b) any and all payments made by or on behalf of any Tenant of any part of the Project in lieu of Rent. Upon the occurrence of and during the continuance of an Event of Default, Assignor hereby irrevocably appoints Assignee as its attorney-in-fact to appear in any such proceeding and to collect any such award or payment, which power of attorney is coupled with an interest by virtue of this Assignment and is irrevocable so long as any sums are outstanding under the Loan evidenced by the Note. All awards or payments so collected shall be applied to the indebtedness evidenced by the Note in such order as Assignee shall elect.

5. Assignor represents, warrants and covenants to and for the benefit of Assignee: (a) that Assignor now is, or with respect to any Leases not yet in existence, will be immediately upon the execution thereof, the absolute owner of the landlord's interest in the Leases, with full right and title to assign the same and the Rents due or to become due thereunder; (b) that, other than this Assignment and any assignment to Assignee pursuant to the Mortgage there are no outstanding assignments of the Leases or Rents; (c) that to the best of Assignor's knowledge, no Rents have been anticipated, discounted, released, waived, compromised or otherwise discharged except for prepayment of rent of not more than one (1) month prior to the accrual thereof; (d) Assignor has and shall duly and punctually observe and perform in all material respects all covenants, conditions and agreements in the Leases on the part of the landlord to be observed and performed thereunder and (e) that to the best of Assignor's knowledge, the Leases are in full force and effect and are the valid and binding obligations of Assignor, and, to the knowledge of Assignor, are the valid and binding obligations of each Tenant thereto.

6. Assignor covenants and agrees that Assignor shall, at its sole cost and expense, appear in and defend any action or proceeding arising under, growing out of, or in any manner connected with the Leases or the obligations, duties or liabilities of the landlord or any Tenant thereunder, and shall pay on demand all actual out-of-pocket costs and expenses, including, without limitation, reasonable outside attorneys' fees, which Assignee may incur in connection with Assignee's appearance, voluntary or otherwise, in any such action or proceeding, together with interest thereon at the Default Rate from the date incurred by Assignee until repaid by Assignor.

7. At any time, Assignee may, at its option, notify any Tenant or other parties of the existence of this Assignment. Assignor does hereby specifically authorize, instruct and direct each and every present and future Tenant, lessee and licensee of the whole or any part of the Project to pay upon and during the continuance of an Event of Default all unpaid and future Rents to Assignee upon receipt of written demand from Assignee to so pay the same and Assignor hereby agrees that (i) each such present and future Tenant, lessee and licensee may rely upon such written demand from Assignee to so pay said Rents without any inquiry into whether there exists an Event of Default hereunder or under the other Loan Documents or whether Assignee is otherwise entitled to said Rents and (ii) no such written demand shall be delivered unless an Event of Default then exists. Assignor hereby waives any right, claim or demand which Assignor may now or hereafter have against any present or future Tenant, lessee or licensee by reason of such payment of Rents to Assignee, in accordance with this Section 7, and any such payment shall discharge such Tenant's, lessee's or licensee's obligation to make such payment to Assignor.

8. Assignee may take or release any security for the indebtedness evidenced by the Note, may release any party primarily or secondarily liable for the indebtedness evidenced by the Note, may grant extensions, renewals or indulgences with respect to the indebtedness evidenced by the Note and may apply any other security therefor held by it to the satisfaction of any indebtedness evidenced by the Note without prejudice to any of its rights hereunder.

UNOFFICIAL COPY

9. The acceptance of this Assignment and the collection of the Rents in the event Assignor's license is terminated, as referred to above, shall be without prejudice to Assignee. The rights of Assignee hereunder are cumulative and concurrent, may be pursued separately, successively or together and may be exercised as often as occasion therefor shall arise, it being agreed by Assignor that the exercise of any one or more of the rights provided for herein shall not be construed as a waiver of any of the other rights or remedies of Assignee, at law or in equity or otherwise, so long as any obligation under the Loan Documents remains unsatisfied.

10. All rights of Assignee hereunder shall inure to the benefit of its successors and assigns, and all obligations of Assignor shall bind its successors and assigns and any subsequent owner of the Project. All rights of Assignee in, to and under this Assignment shall pass to and may be exercised by any assignee of such rights of Assignee in accordance with the terms of the Loan Documents. Assignor hereby agrees that if Assignee gives notice to Assignor of an assignment of said rights, in accordance with the terms of the Loan Documents, upon such notice the liability of Assignor to the assignee of the Assignee shall be immediate and absolute. Assignor will not set up any claim against Assignee or any intervening assignee as a defense, counterclaim or setoff to any action brought by Assignee or any intervening assignee for any amounts due hereunder or for possession of or the exercise of rights with respect to the Leases or the Rents.

11. It shall be an "*Event of Default*" hereunder (a) if any representation or warranty made herein by Assignor is determined by Assignee to have been false or misleading in any material respect at the time made, or (b) upon any Event of Default (as defined in the Loan Agreement). Any such default not so cured shall be an "Event of Default" under each of the other Loan Documents, entitling Assignee to exercise any or all rights and remedies available to Assignee under the terms hereof or of any or all of the other Loan Documents, and any Event of Default under the other Loan Documents.

12. Failure by Assignee to exercise any right which it may have hereunder shall not be deemed a waiver thereof unless so agreed in writing by Assignee, and the waiver by Assignee of any default hereunder shall not constitute a continuing waiver or a waiver of any other default or of the same default on any future occasion. No collection by Assignee of any Rents pursuant to this Assignment shall constitute or result in a waiver of any Event of Default then existing hereunder or under any of the other Loan Documents.

13. If any provision under this Assignment or the application thereof to any entity, person or circumstance shall be invalid, illegal or unenforceable to any extent, the remainder of this Assignment and the application of the provisions hereof to other entities, persons or circumstances shall not be affected thereby and shall be enforced to the fullest extent permitted by law.

14. This Assignment may not be amended, modified or otherwise changed except by a written instrument duly executed by Assignor and Assignee.

15. This Assignment shall be in full force and effect continuously from the date hereof to and until the payment, discharge, and performance of any and all indebtedness and obligations evidenced by the Note or secured or guaranteed by any of the Loan Documents, and the release of the Mortgage shall, for all purposes, automatically terminate this Assignment and render this Assignment null and void and of no effect whatsoever.

16. In the event of any inconsistency between this Assignment and the Loan Agreement, the terms hereof shall be controlling as necessary to assign the leases in accordance with this Assignment; otherwise the provisions of the Loan Agreement shall be controlling.

UNOFFICIAL COPY

17. All notices, demands, requests or other communications to be sent by one party to the other hereunder or required by law shall be given and become effective as provided in the Loan Agreement.

18. This Assignment shall be governed by and construed in accordance with the laws of the State of Illinois.

20. This Assignment may be executed in any number of counterparts, each of which shall be effective only upon delivery and thereafter shall be deemed an original, and all of which shall be taken to be one and the same instrument, for the same effect as if all parties hereto had signed the same signature page. Any signature page of this Assignment may be detached from any counterpart of this Assignment without impairing the legal effect of any signatures thereon and may be attached to another counterpart of this Assignment identical in form hereto but having attached to it one or more additional signature pages.

21. [Intentionally deleted].

22. Assignor hereby covenants and agrees that Assignee shall be entitled to all of the rights, remedies and benefits available by statute, at law, in equity upon and during the continuance of an Event of Default, or as a matter of practice for the enforcement and perfection of the intents and purposes hereof. Upon and during the continuance of an Event of Default, Assignee shall, as a matter of absolute right, be entitled, upon application to a court of applicable jurisdiction, and without notice to Assignor, to the appointment of a receiver to obtain and secure the rights of Assignee hereunder and the benefits intended to be provided to Assignee hereunder.
