(vii) all proceeds of the items set forth in **subparagraphs (i-vi)** immediately above, subject to the provisions set forth in this Mortgage, including, without limitation, all judgments, awards of damages and settlements hereafter made resulting from condemnation proceedings or the taking of the Development, or any portion of it, under the power of eminent domain, any proceeds of any policies of insurance maintained with respect to the Development or proceeds of any sale, option or contract to sell the Development or any portion of it. Mortgagor authorizes, directs and empowers Mortgagee, at Mortgagee's option, on behalf of Mortgagor or the successors or assigns of Mortgagor, to adjust, compromise, claim, collect and receive such proceeds, to give proper receipts and acquittances for them, and, after deducting all costs and expenses of collection, to apply the net proceeds as a credit upon any portion, as selected by Mortgagee, of the Secured Indebtedness, notwithstanding the fact that it may not then be due and payable or is otherwise adequately secured.

TO HAVE AND TO HOLD the Development, with the aforementioned buildings, improvements, fixtures, appurtenances, apparatus, equipment and personal property, and with all the rights and privileges in connection with them, to Mortgagee, its successors and assigns forever, for the uses set forth in this Mortgage, free from all rights and benefits under the homestead exemption and valuation laws of any state, which rights and benefits Mortgagor releases and waives to the extent not prohibited by applicable law.

PROVIDED, NEVERTHELESS, that if Mortgagor pays in full when due the Secured Indebtedness and duly, completely and timely performs and observes all of the terms, provisions and agreements in this Mortgage and the Note to be performed and observed by the Mortgagor, then this Mortgage and the estate, right and interest of Mortgagee in the Development shall cease and become void and of no effect.

MORTGAGOR FURTHER AGREES AS FOLLOWS.

1. **Incorporation of Recitals.** The foregoing recitals are incorporated into and made a part of this Mortgage.

2. **Indebtedness, Covenants and Future Advances.**

A. **Payment of Indebtedness and Performance of Covenants.** Mortgagor shall (a) pay when due the Secured Indebtedness and (b) duly, completely and punctually perform and observe all of the terms, provisions, conditions, and agreements on Mortgagor's part to be performed or observed as provided in the Note, this Mortgage and all of the other Loan Documents. The maturity date and interest rate of the loan are stated in the Note, with the maturity date scheduled to be September 1, 2053 and the interest rate initially stated in the Note at 4.572%

B. **Obligatory Advances.** It is specifically understood and agreed that all funds furnished by Mortgagee and used in performance of the obligations of Mortgagor under this Mortgage shall be deemed advanced by Mortgagee under an obligation to do so regardless of (i) the identity of the persons or entities to whom such funds are furnished and (ii) whether certain conditions must be satisfied before Mortgagee is actually obligated to do so. Funds advanced by

Mortgagee in the exercise of its judgment that they are needed to complete the Development or to protect Mortgagee's security are to be deemed obligatory advances under this Mortgage and are to be added to the total indebtedness evidenced by the Note and secured by the Mortgage.

C. Adjustment of Loan Amount. If HUD, in its sole discretion, elects at any time to reduce the amount of Mortgage Insurance applicable to the Loan, Mortgagor shall pay to Mortgagee, within five (5) days after written notice from Mortgagee, the amount of the outstanding principal balance of the Loan, if any, in excess of the amount insured by Mortgage Insurance (the "Adjustment Amount"). If such reduction occurs at a time when the proceeds of the Loan have not been fully disbursed, the amount of any pending advance shall be adjusted so that the sum of such pending advance and all advances previously made shall not exceed the amount of Mortgage Insurance as adjusted or reduced by HUD.

3. Additional Agreements of Mortgagor.

A. Purpose of Loan; Single Asset Mortgagor. Mortgagor understands and agrees that Mortgagee is making the Loan to Mortgagor for the purpose of rehabilitating and permanently financing the Development. The Development is to be used to provide at least sixty-six (66) income restricted units (as set forth in the Regulatory Agreement) in accordance with the provisions of the Credit Advantage Program, the FFB Risk Share Program and Mortgagee's statutory purpose, as set forth in the Act, and the Development shall continue to be used exclusively for such purposes for the term of the Loan. Mortgagor shall not permit any non-residential use of the Development except as approved by Mortgagee in writing. Mortgagor further agrees that it shall be a single asset mortgagor; the only interest in real estate to which the Mortgagor shall hold legal title shall be the Development, and Mortgagor shall not be the fee owner of any other real estate, and shall not hold the beneficial interest in any land trust.

B. Maintenance, Repair and Management of Development. Mortgagor shall (a) promptly repair, restore, replace or rebuild any portion of the Development that may become damaged or be destroyed; (b) after rehabilitation of the Development, keep the Development and all portions of it in good condition and repair (ordinary wear and tear excepted), free from waste; (c) cause to be paid all operating costs of the Development; (d) promptly complete the construction of the Development in accordance with the terms and conditions of the Loan Agreement; (e) comply in all material respects with all federal, state and local laws affecting the Development; (f) refrain from any action and promptly correct any condition that could increase the risk of fire or other hazard to the Development or any portion of it; (g) comply with all restrictions and covenants of record with respect to the Development and its use, and observe and comply with any conditions and requirements necessary to preserve and extend any and all rights, licenses, permits (including, without limitation, zoning variances, special exceptions and nonconforming uses), privileges, franchises and concessions that are applicable to the Development or its use and occupancy; (h) cause the Development to be managed in a competent and professional manner by a management agent approved by Mortgagee; and (i) pay, when due, as provided in this Mortgage, any indebtedness that may be secured by a lien or charge on the Development, including other liens approved by Mortgagee as permitted exceptions (including any encumbrances or restrictions on the Development set forth in the Title Policy, the "Permitted Exceptions"), and exhibit to the Mortgagee satisfactory evidence of full payment of it within five (5) business days after such

payment. Without the prior written consent of Mortgagee, Mortgagor shall not cause, suffer or permit any (A) alterations of the Development, or the Plans and Specifications (as defined in the Loan Agreement), except as required or permitted to be made by and pursuant to the terms of the Loan Agreement; (B) change in the intended use or occupancy of the Development, including, without limitation, any change that could increase any risk of fire or other hazard; (C) unlawful use of, or nuisance to exist upon, the Development; (D) grant of any easements, licenses, covenants, restrictions, conditions or declarations of use against the Development, other than as a multifamily housing development containing at least sixty-six (66) income restricted units (as set forth in the Regulatory Agreement) and subject only to the Permitted Exceptions; or (E) action or omission that will result in the waste or diminution in value of the Development, or any portion of it, or that will impair Mortgagee's security under this Mortgage. Mortgagor shall not seek or cause any zoning reclassification with respect to the Development without Mortgagee's prior written consent, which consent may be withheld for any reason in Mortgagee's sole discretion.

C. Act and Regulations. Mortgagor agrees that at all times its acts regarding the Development shall be in conformance with the Act, the rules promulgated under the Act (the "Rules") and the regulations, policies and procedures of Mortgagee, and any applicable amendments to them; and the Housing and Community Development Act of 1992, as amended, and the Regulations. Mortgagor agrees that if there is a conflict between the Regulations and (i) the Rules, (ii) the Loan Documents or (iii) any requirements of the Risk Sharing Program, the Regulations shall control.

D. Representations, Warranties, and Agreements. Mortgagor agrees, warrants and represents to Mortgagee as follows:

(i) Mortgagor now has and hereafter shall maintain the standing, capacity, right, power and lawful authority to own the Development, to carry on the business of and operate the Development, to enter into, execute and deliver the Loan Documents to Mortgagee, to encumber the Development to Mortgagee as provided in this Mortgage and in the Loan Documents and to perform all of Mortgagor's obligations and consummate all of the transactions described in or contemplated by the Loan Documents.

(ii) The execution and delivery of, and performance by Mortgagor under, this Mortgage and the other Loan Documents does not and will not constitute a violation of any federal, state or local laws and does not and will not conflict with or result in a default, breach or acceleration of any obligation arising, existing or created by or under any agreement, instrument, document, mortgage, deed, trust deed, note, judgment, order, award, decree or other restriction to which Mortgagor, or any part of the Development, is a party, or by which Mortgagor or any of the Development is bound, or any law or regulatory provision affecting Mortgagor or any part of the Development.

(iii) The various data and information relating to the Development and its operation and business, General Partner, the Manager and Mortgagor, including, without limitation, the Construction Budget (as defined in the Loan Agreement), financial statements, books and records and operating statements, previously and from time to time hereafter delivered

by or for Mortgagor to Mortgagee pursuant to the Loan Agreement or otherwise, are and shall be correct, complete and accurate in all material respects as of the date so delivered.

(iv) Mortgagor, General Partner, and the Manager have timely filed, and at all times hereafter shall continue to timely file, all federal, state and other governmental tax and similar returns that they are required by any and all laws to file with respect to Mortgagor, General Partner, Manager and the Development and its operation and business; all taxes and other sums that are shown to be due and payable under such returns as of the date this Mortgage have been fully paid, and, for such future returns, shall be fully paid when due and payable.

(v) There are no suits, actions or proceedings at law or in equity or before any governmental instrumentality or agency now pending or, to the best of Mortgagor's knowledge after due and diligent inquiry, threatened in writing against Mortgagor, General Partner, the Manager, any of their respective assets, or the Development, that if determined adversely would materially impact the performance of the Mortgagor's, General Partner's or Manager's obligations under the Loan Documents.

(vi) Mortgagor now possesses and holds, and at all times hereafter shall maintain, adequate properties, interests in properties, leases, licenses, franchises, rights and governmental and other permits, certificates, consents and approvals to conduct and operate the business of the Development as presently conducted on or as represented to Mortgagee by Mortgagor in the Loan Documents, and none of the foregoing contains or shall contain any term or condition materially burdensome or materially different than those possessed or held by other parties conducting or operating a similar business.

(vii) No default or breach has occurred and at all times hereafter no default or breach will occur under any agreement, instrument or document for borrowed money by which either Mortgagor or the Development are or will be bound or obligated, that has not or will not be cured within the time specified for its cure.

(viii) The Development will be rehabilitated in accordance with the Plans and Specifications as approved by Mortgagee, and is in full compliance with all zoning requirements (including as legally non-conforming) of the locality in which it is constructed (or will be once the rehabilitation is completed).

(ix) The location, existence and use of all of the Development is, and shall remain in, compliance with all applicable federal, state and local laws, and the Development is, and shall be, in compliance with all other laws, rules, ordinances and regulations, including, but not limited to, building, zoning (including legally non-conforming if applicable), health, safety, OSHA, fire and environmental laws and all covenants and restrictions of record affecting the Development in all material respects; in addition, the Development is not in a flood risk or flood plain area or in a federally designated flood hazard area.

(x) Except as disclosed by Mortgagor to Mortgagee in writing prior to the date of this Mortgage, the Leases are, and at all times hereafter shall remain, genuine and in all

FFBA Project No. 471-98066

respects what they purport to be, free of set-offs by tenants or defaults by the landlord, and all of the Leases are valid and enforceable in accordance with their terms. Except as previously disclosed to and approved in writing by Mortgagee, no payments under the Leases have been made or are permitted to be made more than thirty (30) days in advance. The landlord and, to the best knowledge of Mortgagor after due and diligent inquiry, all of the tenants have the legal capacity to contract under the Leases. The Leases described on the rent roll heretofore delivered by Mortgagor to Mortgagee and certified by Mortgagor as of the date of this Mortgage (the "Rent Roll") are the only agreements permitting the occupancy of any portion of the Development.

(xi) The Loan, the interest payable under the Note and interest rate on the Note, together with any and all fees, charges and other payments under this Mortgage, the Note and all other of the Loan Documents, are not in violation of any applicable statutes, case law, rules, regulations, ordinances or other governmental requirements, including, without limitation, applicable usury laws.

(xii) The Development shall be managed and operated at all times by Mortgagor or a management company approved in writing by Mortgagee. Mortgagor shall have no right to terminate any contract with any management company without first obtaining the prior written approval of Mortgagee, except as provided in the management agreement approved by Mortgagee.

(xiii) Mortgagor shall (A) take all actions within its control to keep in place the Mortgage Insurance provided by HUD under the Risk Sharing Program, (B) pay the mortgage insurance premiums for the Development in a timely manner, as provided in the Note and the Regulatory Agreement, and (C) deliver to Mortgagee such certifications and information as may be required under the Regulations.

(xiv) Mortgagor, the General Partner and the Manager shall indemnify and hold Mortgagee harmless, to the full extent allowed by law, from and against any and all damages, losses, costs and expenses, including, but not limited to, reasonable attorneys' fees, costs and expenses, incurred by reason of or arising from or on account of or in connection with (A) any claims for brokerage commissions or finder's fees arising out of Mortgagor's conduct or alleged conduct or (B) any suit or proceeding, threatened, filed or pending, in or to which Mortgagee is or may become or may have to become a party by reason of or arising out of or on account of or in connection with the Secured Indebtedness, the Development or any of the Loan Documents; however, Mortgagor, the General Partner and the Manager shall not be required to either indemnify or hold Mortgagee harmless for any damages, losses, costs or expenses of Mortgagee solely arising due to and only to the extent resulting from the gross negligence or willful misconduct of Mortgagee. Upon demand by Mortgagee, Mortgagor, the General Partner and the Manager shall also defend Mortgagee in a matter set forth above with counsel either selected by Mortgagee or proposed by Mortgagor and approved in writing by Mortgagee.

(xv) Any and all improvements, fixtures, equipment and facilities comprising the Development are, and at all times hereafter Mortgagor shall maintain them, in good

IHA Project No. 071-98066

operating condition and repair in accordance with the Loan Documents and anticipated rehabilitation of the Development.

(xvi) Mortgagor will provide or cause to be provided such information concerning the Development, the financial condition of the Development, Mortgagor, the General Partner, and the Manager, as Mortgagee or HUD may request in writing from time to time, including, but not limited to, the information set forth in the Loan Agreement.

(xvii) Without limiting the effect of any of the foregoing, the covenants, representations, and warranties set forth in this Mortgage shall be continuing and shall remain true and correct until the lien of this Mortgage is released.

4. Liens.

A. Prohibition. Subject to the provisions of **Paragraph 9** hereof, Mortgagor shall not, without the prior written consent of the Mortgagee, create or suffer or permit any encumbrances on the Development, excepting only (a) liens securing the Secured Indebtedness, (b) the lien of real estate taxes and assessments not due and payable and (c) the Permitted Exceptions.

B. Contest of Mechanic's Lien Claims. Notwithstanding the foregoing prohibition against liens, Mortgagor, or any party obligated to Mortgagor to do so, may in good faith and with reasonable diligence contest the validity or amount of any mechanic's lien and defer its payment and discharge of any such mechanic's lien during the pendency of such contest, so long as: (i) such contest has the effect of preventing the sale or forfeiture of the Development or any part of or interest in it, to satisfy such mechanic's lien, (ii) within ten (10) days after Mortgagor has notice of the filing of such mechanic's lien, Mortgagor has notified Mortgagee in writing of Mortgagor's intention to contest, or to cause another party to contest, it; and (iii) Mortgagor has obtained a title insurance endorsement or bond over such mechanic's lien insuring Mortgagee against loss or damage in connection with it.

5. Taxes, Liens, Insurance--Coverage, Premiums and Deposits

A. Payment. Mortgagor shall (i) pay or cause to be paid when due, and before any penalty attaches, all general and special taxes, assessments, water charges, sewer charges, and other fees, taxes, charges and assessments of every kind and nature whatsoever levied or assessed against the Development or any part of or any interest in it, or any obligation or instrument secured by this Mortgage; and all installments of such fees, charges, taxes and assessments (collectively, "Taxes"), whether or not assessed against Mortgagor. Mortgagor shall furnish to Mortgagee paid receipts evidencing payment in full of such Taxes without demand or further request on or before the date they are due; and (ii) discharge any claim or lien relating to such Taxes upon the Development. Nothing in this section shall require Mortgagor to pay any income, franchise, or excise tax imposed upon the Mortgagee, excepting any such tax which may be levied against such income expressly as and for a specific substitute, in whole or in part, for Taxes, and then only in an amount computed as if the Mortgagee derived no income from any source other than its interest under this Mortgage.

FHA Project No. 47-98066

B. Contest. Mortgagor may, in good faith and with reasonable diligence, contest or cause to be contested the validity or amount of any Taxes, provided that:

(i) such contest shall have the effect of preventing the collection of the Taxes so contested and the sale or forfeiture of the Development, or any part of or interest in it, to satisfy such taxes;

(ii) Mortgagor has notified Mortgagee in writing of its intention to contest such Taxes, or to cause them to be contested, before any Tax has been increased by any interest, penalties or costs; and

(iii) Mortgagor has deposited, or caused to be deposited, with either (a) the title insurance company that has issued the Title Policy (the "Title Company"), or (b) Mortgagee, at such place as Mortgagee may from time to time in writing designate, a sum of money, bond, letter of credit or other security that, when added to the monies or other security, if any, deposited with the Title Company or Mortgagee, is sufficient, in Mortgagee's judgment, to pay in full such contested Taxes and all penalties and interest that might become due on them; Mortgagor shall keep on deposit an amount sufficient, in Mortgagee's judgment, to pay in full such contested Taxes, increasing such amount to cover additional penalties and interest whenever, in Mortgagee's judgment, such increase is advisable.

If Mortgagor fails to prosecute such contest with reasonable diligence or fails to maintain sufficient funds on deposit as provided in this **Paragraph 5.B**, Mortgagee may, at its option and without prior notice to Mortgagor, apply the monies so deposited and liquidate any securities deposited with Mortgagee or the Title Company in payment of, or on account of, such Taxes, or any portion of them then unpaid, including all penalties and interest. If the amount of the money and any such security so deposited is insufficient for the payment in full of such Taxes, together with all penalties and interest on them, Mortgagor shall immediately, upon demand by Mortgagee, either (i) deposit with Mortgagee a sum that, when added to other funds then on deposit for the same purpose, is sufficient to make such payment in full; or (ii) if Mortgagee has applied funds on deposit on account of such Taxes, restore such deposit to an amount satisfactory to Mortgagee. Provided that no Default (as defined in **Paragraph 12** hereof) occurs or then exists, Mortgagee shall, if so requested in writing by Mortgagor, after final disposition of such contest and upon Mortgagor's delivery to Mortgagee of an official bill for such Taxes, apply or cause to be applied the money so deposited in full payment of such Taxes or that part of them then unpaid, together with all penalties and interest. If any of the funds deposited with Mortgagee or the Title Company remain after full and complete resolution of such contest and the payment of such Taxes, penalties and interest, and any costs of Mortgagee or the Title Company incurred in connection with such Taxes, such remaining funds shall be returned to Mortgagor if no Default occurs or then exists.

C. Change in Tax Laws. If, by the laws of the United States of America, or of any state or municipality having jurisdiction over Mortgagee, Mortgagor or the Development, any tax is imposed or becomes due in respect of the issuance of the Note or the recording of this Mortgage or any of the other Loan Documents, Mortgagor shall pay such tax in the manner

UNOFFICIAL COPY

IHA Project No. 071-98066

required by such law. If any law, statute, rule, regulation, order or court decree has the effect of (i) imposing upon Mortgagee the payment of the whole or any part of the taxes required to be paid by the Mortgagor or (ii) changing in any way the laws relating to the taxation of mortgages or debts secured by mortgages or the interest of Mortgagee in the Development, or the manner of collection of taxes, so as to affect this Mortgage, the Secured Indebtedness, Mortgagee or any of the other Loan Documents; then, and in any such event, Mortgagor, upon demand by Mortgagee, shall either pay such taxes or reimburse Mortgagee for them on demand. However, if Mortgagee determines, in Mortgagee's reasonable judgment, that such payment or reimbursement by Mortgagor is unlawful, the Secured Indebtedness shall be due and payable within thirty (30) days after written demand by Mortgagee to Mortgagor.

D. Insurance Coverage. Mortgagor shall insure the Development against such perils and hazards, and in such amounts and with such limits, as Mortgagee may from time to time require, including without limitation, comprehensive public liability, hazard, builder's risk, rent loss, business interruption, steam boiler, machinery and flood insurance (if applicable); Mortgagor shall continuously maintain such insurance policies, to the extent such insurance policies are, in Mortgagee's judgment, reasonably applicable to the character of the Development. Mortgagee may, at any time upon written notice to Mortgagor, require that Mortgagor procure substitutes for any and all of such insurance policies, such other or additional insurance policies, in such amounts, and carried in such companies, as are reasonably acceptable to Mortgagee. If Mortgagor fails to procure such acceptable substitutes within five (5) business days after Mortgagee's written demand, Mortgagee may procure substitutes itself, and all fees, costs and expenses incurred by Mortgagee in connection such procurement shall be paid, upon demand, by Mortgagor, together with interest on such payments at the Default Rate (as defined in the Note).

E. Insurance Policies. All insurance policies shall conform to the standards set forth in this Mortgage and the Loan Agreement and shall be in such form and amounts, and written by such insurance companies, as are satisfactory to Mortgagee. All insurance policies insuring against casualty, rent loss and business interruption and other appropriate policies shall include non-contributing mortgage endorsements in favor of and with loss payable to Mortgagee, as its interest may appear as the holder of this Mortgage, as well as standard waiver of subrogation endorsements. All of such insurance policies shall provide that the coverage shall not be terminated or materially modified without thirty (30) days' advance written notice to Mortgagee and shall provide that all claims shall be paid to Mortgagee. Mortgagor shall deliver all insurance policies (or certified copies of them), premiums prepaid for a minimum term of one (1) year from their date, to Mortgagee and, in case of insurance policies about to expire, Mortgagor shall deliver renewal or replacement policies not less than thirty (30) days prior to their date of expiration, exclusive of any grace period provided in the policy or by law. The requirements of the preceding sentence shall apply to any separate policies of insurance taken out by Mortgagor concurrent in form, or contributing in the event of loss, with the previously mentioned insurance policies.

F. Deposits for Taxes and Insurance Premiums. To assure the payment of Taxes and premiums for insurance policies as and when they become due and payable:

- (i) On or before the Final Closing Date, Borrower shall deposit with the Lender the sum of (i) No Dollars (\$0.00) for payment of real estate taxes on the Development and (ii)

Fifty-Six Thousand Seven Hundred and No/100 Dollars (\$56,700.00) payment of insurance policies, which the Lender shall deposit in the tax and insurance reserve account for the Development (the "Tax and Insurance Reserve Account"). Commencing on the first day of the first month after the Final Closing Date, Borrower shall pay to the Lender, for deposit into the Tax and Insurance Reserve Account monthly payments in an amount sufficient so that (i) as of the first (1st) day of the month before each installment of real estate taxes is due, there shall be on deposit in the Tax and Insurance Reserve Account for real estate taxes an amount equal to one half (1/2) of one hundred ten percent (110%) of the real estate tax bill for the Development for the previous calendar year, or such other amount as the Lender shall determine, in its reasonable discretion; and (ii) as of the first (1st) day of the month before the insurance bill is due, there shall be on deposit in the Tax and Insurance Reserve Account for insurance an amount equal one hundred five percent (105%) of the insurance bill for the Development for the previous calendar year, or such other amount as the Lender shall determine, in its reasonable discretion. If Borrower provides the Authority with evidence, satisfactory to the Authority, in its sole discretion, that the Development is approved for a real estate tax exemption, then all sums paid into and remaining in the Tax and Insurance Account under (i) only (i.e., as related to the payment of real estate taxes), shall be returned to the Borrower and going forward, the Borrower will not pay into the Tax and Insurance Reserve Account under (i) only (i.e., as related to the payment of real estate taxes), for as long as the real estate tax exemption remains in effect.

(ii) Mortgagee, upon the presentation to Mortgagee of (a) the bills for the Taxes, will pay them out of the Tax and Insurance Reserve Account, provided that the Tax and Insurance Deposits are sufficient to pay such amounts, and (b) the receipted bills for the insurance premiums, will reimburse Mortgagor for such payments made by Mortgagor. If the amount of the Tax and Insurance Deposits on hand is not sufficient to pay or reimburse all of the Taxes when they become due, then Mortgagor shall pay to Mortgagee, on demand, the amount necessary to make up the deficiency.

(iii) Upon the occurrence and continuance of a Default, Mortgagee may, at its option, without being required so to do, apply any funds in the Tax and Insurance Reserve Account on hand to any of the Secured Indebtedness, in such order and manner as Mortgagee may elect. All funds in the Tax and Insurance Reserve Account are pledged as additional security for the Secured Indebtedness (and for such purpose, Mortgagor grants to Mortgagee a security interest in them), and shall be held by Mortgagee, and shall not be subject to the direction or control of Mortgagor.

(iv) Notwithstanding anything contained in this Mortgage to the contrary, Mortgagee, or its successors and assigns, shall not be liable for any failure to apply the Tax and Insurance Deposits unless Mortgagor, while no Default exists, has requested Mortgagee in writing to apply such Tax and Insurance Deposits on hand to the payment of the Taxes, accompanied by the bills for such Taxes.

FHA Project No. 471-98066

(v) The provisions of this Mortgage are solely for the benefit of Mortgagee, and its successors and assigns and the holders of the indebtedness for the payment of which this Mortgage is pledged as security. No provision of this Mortgage shall be construed as creating in any party other than Mortgagor, Mortgagee, its successors and assigns, and such holders any rights in and to funds in the Tax and Insurance Reserve Account or any rights to have funds in the Tax and Insurance Reserve Account applied to payment of the Taxes and insurance premiums. Mortgagee shall have no obligation or duty to any third party to collect Tax and Insurance Deposits.

G. Application of Proceeds of Insurance. In the case of loss or damage by fire or other casualty, Mortgagor is authorized to settle and adjust any claim under insurance policies that insure against such risks, subject to the approval of Mortgagee. If at the time of loss or damage there exists a Default, or a default that, with the passage of any applicable cure or grace period, would become a Default, Mortgagee is authorized to settle and adjust any claim under insurance policies that insure against such risks. Mortgagee is authorized to collect and issue a receipt for any such insurance money. Such insurance proceeds shall be held by Mortgagee and may be used in Mortgagee's sole and absolute discretion to pay the outstanding balance of any amounts due to Mortgagee or to pay directly or reimburse Mortgagor for the cost of the rebuilding of buildings or improvements on the Development at Mortgagee's sole discretion; provided, however, Mortgagee shall not exercise its discretion to apply insurance proceeds to the payment of the outstanding principal balance of the Loan if all of the following conditions are met: (i) no Default (or any event which, with the giving of notice or the passage of time, or both, would constitute a Default) has occurred and is continuing; (ii) Mortgagee determines, in its reasonable discretion, that there will be sufficient funds to complete the rebuilding (and complete rehabilitation of the Project in accordance with the Loan Agreement and the Plans and Specifications, as defined therein, if such construction has not been completed at such time); (iii) Mortgagee determines, in its discretion, that the net operating income generated by the Development after completion of the restoration, repair or rebuilding of the Development will be sufficient to meet all operating costs and other expenses, Reserve Accounts, deposits to reserves and loan repayment obligations relating to the Development; (iv) Mortgagee determines, in its discretion, that the Restoration will be completed before the earlier of (A) after the Final Closing Date, one year before the maturity date of the Note or (B) one year after the date of the loss or casualty; and (v) upon Mortgagee's request, Mortgagor provides Mortgagee evidence of the availability, during and after the restoration, repair or rebuilding of the Development, of the insurance required to be maintained pursuant to this Mortgage. If such proceeds are used to rebuild the buildings or improvements, whether or not such insurance proceeds are adequate for such purpose or allowed for such purpose, the Development shall be restored, repaired or rebuilt by Mortgagor so as to be of at least equal value and substantially the same character as prior to such damage or destruction. If the estimated or actual cost of completion exceeds the amount of the insurance proceeds available, Mortgagor shall, within ten (10) days following written demand of Mortgagee, deposit with Mortgagee in cash the amount of such estimated excess cost. If the cost of rebuilding, repairing or restoring the Development can reasonably be expected to exceed the sum of Fifty Thousand and No/100 Dollars (\$50,000.00), then Mortgagor shall obtain the written consent of Mortgagee to the plans and specifications of such work before such work is begun. In any case where the insurance proceeds are made available for restoration, repairing and rebuilding, such proceeds shall be disbursed in the manner and under the conditions that Mortgagee may require, provided Mortgagee is furnished

UNOFFICIAL COPY

FHA Project No. 471-98066

with (i) satisfactory evidence of the estimated cost of completion of such work and (ii) architect's certificates, waivers of lien, contractor's and subcontractors' sworn statements and other evidence of cost and payments so that Mortgagee can verify that the amounts disbursed in connection with such work are free and clear of mechanics' lien or other lien claims, other than those contested in accordance with this Mortgage. No payment made prior to the final completion of the work performed shall exceed ninety percent (90%) of the value of the work performed from time to time, and at all times, the undisbursed balance of such proceeds remaining in the hands of Mortgagee shall be at least sufficient to pay for the cost of completion of the work, free and clear of any liens. Any surplus that may remain out of the insurance proceeds after payment of costs of rebuilding, repairing or restoring the Development shall, at the option of Mortgagee, be applied toward the Secured Indebtedness or be paid to any party entitled to it, without interest. Any additional monies advanced by Mortgagee to Mortgagor for the repairing, rebuilding or restoring of the Development shall be added to the Secured Indebtedness and shall be secured by this Mortgage.

6. Condemnation and Eminent Domain.

Mortgagor shall give Mortgagee immediate notice of the actual or written threatened commencement of any condemnation or eminent domain proceedings ("Proceedings") affecting all or any part of the Development and shall deliver to Mortgagee copies of any and all papers served in connection with any such Proceedings. Mortgagor further agrees to make, execute and deliver to Mortgagee, at any time upon request, free, clear and discharged of any encumbrance of any kind whatsoever, any and all further assignments and other instruments deemed necessary by Mortgagee for the purpose of validly and sufficiently assigning all awards (individually, "Award") and other compensation previously and hereafter made to Mortgagor for any taking, either permanent or temporary, under any such Proceeding. If any portion of or interest in the Development is taken by condemnation or eminent domain, either temporarily or permanently, and the remaining portion of the Development is not, in the judgment of Mortgagee, a complete economic unit having substantially equivalent value to the Development as it existed prior to the taking, then, at the option of Mortgagee, the entire Secured Indebtedness shall immediately become due and payable. If, in Mortgagee's judgment, any temporary or partial taking of the Development, or any interest in it, leaves the Development as a complete economic unit having substantially equivalent value to the Development as it existed prior to the taking, then the Award shall be applied in the same order and manner as insurance proceeds.

7. Prepayment. Until the tenth (10th) anniversary of the Commencement of Amortization Date (as defined in the Note; the "Lockout Date") (which is scheduled to occur on September 1, 2028), the Loan shall not be prepayable in whole or in part, except for any prepayment as a result of casualty or condemnation proceeds or due to the Adjustment Amount. After such Lockout Date, the Loan shall be prepayable in whole only (except for any partial repayment as a result of casualty/condemnation proceeds not used for rebuilding or due to the Adjustment Amount). In the event of any prepayment, Mortgagor shall provide written notice to the Mortgagee at least forty-five (45) days in advance of the proposed prepayment date and must make such prepayment with interest through the last day of the month. Further, in the event of any prepayment, Mortgagor shall comply with Section 8.1 of the Act and the Rules. Notwithstanding the foregoing, Mortgagor may prepay the Loan prior to the Lockout Date, if at the time of the prepayment, Mortgagor is not in default under any of the Loan Documents and Mortgagor pays

Mortgagee the Prepayment Premium, if any, as provided in the Note.

8. Mortgagee's Performance of Mortgagor's Obligations.

If a Default occurs and continues, Mortgagee, either before or after acceleration of the Secured Indebtedness or the foreclosure of the lien of this Mortgage, and during the period of redemption, if any, may, but shall not be required to, make any payment or perform any act required of Mortgagor under this Mortgage in any form and manner deemed reasonably expedient to Mortgagee. Mortgagee may, but shall not be required to, rent, operate, and manage the Development and pay operating costs and expenses, including management fees, of every kind and nature in connection with the Development, so that the Development is operational and usable for its intended purposes. All such monies paid by Mortgagee, and all expenses paid or incurred by Mortgagee, including reasonable attorneys' fees to the extent permitted by applicable law, and other monies advanced by Mortgagee to protect the Development and the lien of this Mortgage, or to complete the rehabilitation, furnishing and equipping of, to rent, operate or manage the Development, to pay any such operating costs and expenses or to keep the Development operational and usable for its intended purposes, shall be so much additional Secured Indebtedness, whether or not the Secured Indebtedness, as a result of such payments, exceeds the face amount of the Note. All such payments shall become immediately due and payable on demand, and shall bear interest at the Default Rate. Inaction of Mortgagee shall never be considered as a waiver of any right accruing to it on account of any Default, nor shall the provisions of this **Paragraph 8** or any exercise by Mortgagee of its rights under this **Paragraph 8** prevent any default from constituting a Default. Mortgagee, in making any payment authorized by this **Paragraph 8 (a)** relating to Taxes, may do so according to any bill, statement or estimate, without inquiry into the validity of any tax, assessment, sale, forfeiture, tax lien or title or claim; (b) for the purchase, discharge, compromise or settlement of any lien, may do so without inquiry as to the validity or amount of any claim for lien which may be asserted; or (c) in connection with the completion of the rehabilitation, furnishing or equipping of the Development or the rental, operation, management or payment of operating costs and expenses of the Development, may do so in such amounts and to such persons as Mortgagee may deem appropriate, subject to the terms and conditions of the Loan Agreement. Nothing contained in this Mortgage shall be construed to require Mortgagee to advance or expend monies for any purpose mentioned in this **Paragraph 8**.

9. Security Agreement.

Mortgagor and Mortgagee agree that this Mortgage shall constitute a security agreement within the meaning of the Code with respect to (i) any and all sums at any time on deposit for the benefit of, or held by, Mortgagee (whether deposited by or on behalf of Mortgagor or anyone else) pursuant to any of the provisions of this Mortgage and (ii) any personal property included in the granting clauses of this Mortgage that may not be deemed to be affixed to the Development or that may not constitute a "fixture" within the meaning of Section 9-102(a)(41) of the Code, and all replacements, additions to and proceeds of such property (all of such property, the replacements, substitutions and additions to it and the proceeds of it are sometimes collectively referred to in this Mortgage as the "Collateral"). Mortgagor grants a security interest in and to the Collateral to Mortgagee, and assigns all of its rights, title and interest in it to Mortgagee to secure payment of the Secured Indebtedness. To the extent permitted by applicable law and in accordance with the

UNOFFICIAL COPY

FFBA Project No. 471-98066

provisions set forth below, the security interests created by this **Paragraph 9** are specifically intended to cover and include all of the Leases and the rents due under them, including, without limitation, all extensions, amendments, renewals or replacement of them, together with all of the rights, title and interest of Mortgagor, as lessor under the Leases. Such rights, title and interest shall include, without limitation, the present and continuing right to (i) make claim for, (ii) bring actions and proceedings for the enforcement of, and (iii) collect, receive and receipt for any and all of, the rents, income, revenues, issues, profits, monies payable as damages, monies payable in place of the rent, monies payable as the purchase price of the Development or any part of any of the foregoing, and all awards and other claims for money and other sums of money payable or receivable under any of the Leases or with respect to the Development and (iv) the right to do any and all things that Mortgagor or any lessor is or may become entitled to do under the Leases. All of the terms, provisions, conditions and agreements contained in this Mortgage pertain and apply to the Collateral as fully and to the same extent as to any other property comprising the Development; the following provisions of this **Paragraph 9** shall be in addition to, and shall not limit the applicability of any other provision of, this Mortgage:

(a) The terms and provisions contained in this **Paragraph 9** shall, unless the context otherwise requires, have the meanings and be construed as provided in the Code;

(b) Mortgagor (the "Debtor," as that term is used in the Code) is and will be the true and lawful owner of the Collateral, subject to no liens, charges or encumbrances other than the lien of this Mortgage and the Permitted Exceptions;

(c) The Collateral is to be used by Mortgagor solely for business purposes;

(d) The Collateral will be kept at the Development, and, except for obsolete Collateral, will not be removed from the Development without the consent of Mortgagee (the "Secured Party," as that term is used in the Code). The Collateral may be affixed to the Real Estate but shall not be affixed to any other real estate;

(e) The only person or entity presently having any security interest in the Development and the Collateral is Mortgagee and the holders of other liens approved as Permitted Exceptions;

(f) No financing statement (other than financing statements (i) showing Mortgagee as the secured party, or (ii) with respect to liens or encumbrances, if any, resulting from the Permitted Exceptions covering any of the Collateral or any proceeds of it) is on file in any public office except pursuant to this Mortgage. Mortgagor shall, at its own cost and expense, (i) upon demand, furnish to Mortgagee such further information, (ii) execute and deliver to Mortgagee such financing statements and other documents, in form satisfactory to Mortgagee and (iii) do all such acts and things, all as Mortgagee may at any time and from time to time request, or as may be necessary or appropriate, in the discretion of Mortgagee, to establish and maintain a perfected security interest in the Collateral as security for the Secured Indebtedness, subject to no other liens or encumbrances except the Permitted Exceptions. Mortgagor shall pay the cost of filing or recording such financing statements or other documents and this Mortgage in all public offices wherever filing or recording is deemed by Mortgagee to be necessary or desirable;

FHA Project No. 071-98066

(g) Upon the occurrence and continuance of a Default, Mortgagee shall have the remedies of a secured party under the Code, including, without limitation, the right to take immediate and exclusive possession of the Collateral or any part of it, and for that purpose may, so far as Mortgagor can give authority for such actions, with or without judicial process, enter (if this can be done without breach of the peace) upon any place where the Collateral or any part of it may be situated and remove it (provided that if the Collateral is affixed to real estate, such removal shall be subject to the conditions stated in the Code); and Mortgagee shall be entitled to hold, maintain, preserve and prepare the Collateral for sale until disposed of, or may propose to retain the Collateral subject to Mortgagor's right of redemption in satisfaction of Mortgagor's obligations, as provided in the Code. Mortgagee may (i) render the Collateral unusable without removal, (ii) dispose of the Collateral on the Development or (iii) require Mortgagor to make it available to Mortgagee for its possession at a place to be designated by Mortgagee that is reasonably convenient to both parties. Mortgagee will give Mortgagor at least ten (10) days notice of the time and place of any public sale of the Collateral or of the time after which any private sale or any other intended disposition of it is made. The requirements of reasonable notice shall be met if such notice is mailed, by certified United States mail or its equivalent, postage prepaid, to the address of Mortgagor set forth in Exhibit B hereof at least ten (10) days before the time of the sale or disposition. Mortgagee may buy the Collateral at any public sale and, if the Collateral is of a type customarily sold in a recognized market or is of a type that is the subject of widely distributed standard price quotations, may buy it at any private sale. Any such sale may be held as part of and in conjunction with any foreclosure sale of the Development; and the Development, including the Collateral, may be sold as one lot if Mortgagee so elects. The net proceeds realized upon any such disposition, after deduction for the expenses of retaking, holding, preparing for sale, selling or the like and the legal expenses and reasonable attorneys' fees incurred by Mortgagee, shall be applied against the Secured Indebtedness in such order or manner as Mortgagee may elect. Mortgagee will account to Mortgagor for any surplus realized on such disposition; and

(h) This Mortgage is intended to be a financing statement within the purview of the Code with respect to both the Collateral and the other property described in this Mortgage that are or may become fixtures relating to the Development. The addresses of Mortgagor (Debtor) and Mortgagee (Secured Party) are set forth in this Mortgage. This Mortgage is to be filed for record with the Recorder of Deeds of the county in which the Development is located. Mortgagor is the record owner of the Real Estate.

10. Limitations on Sale, Assignments, Transfers, Encumbrances and Control.

(a) Mortgagor acknowledges and agrees that in determining whether or not to make the Loan, Mortgagee evaluated the background and experience of Mortgagor in owning and operating property such as the Development, found them acceptable and relied and continues to rely upon them as the means of maintaining the value of the Development, which is Mortgagee's primary security for the Note. Mortgagor is experienced in borrowing money and owning and operating property such as the Development, has been ably represented by a licensed attorney at law in the negotiation and documentation of the Loan and bargained at arm's length and without duress of any kind for all of the terms and conditions of the Loan, including the provisions of this **Paragraph 10**. Mortgagee is entitled to keep its loan portfolio at current interest rates, by, among other things,

UNOFFICIAL COPY

IHA Project No. 071-98066

making new loans at such rates. Mortgagor further recognizes that any further financing placed upon the Development, other than the Construction Loans, (i) could divert funds that would otherwise be used to pay the Secured Indebtedness, (ii) could result in acceleration and foreclosure of such further encumbrance, which would force Mortgagee to take measures and incur expenses to protect its security under this Mortgage, the Loan Documents or otherwise, (iii) would detract from the value of the Development should Mortgagee come into possession of it with the intention of selling it and (iv) would impair Mortgagee's right to accept a deed in lieu of foreclosure, because a foreclosure by Mortgagee would be necessary to clear the title to the Development.

In accordance with the foregoing and for the purposes of (i) protecting Mortgagee's security for the repayment of the Loan, the value of the Development, the payment of the Secured Indebtedness and the performance of Mortgagor's obligations under the Loan Documents; (ii) giving Mortgagee the full benefit of its bargain and contract with Mortgagor; and (iii) keeping the Development free of subordinate financing liens, other than the Permitted Exceptions, Mortgagor agrees that if this **Paragraph 10** is deemed a restraint on alienation, it is a reasonable one. Mortgagor shall not, without the prior written consent of Mortgagee, create, effect, consent to, suffer or permit any "Prohibited Transfer" (as hereinafter defined). A "Prohibited Transfer" shall include any sale or other conveyance, transfer, lease or sublease, mortgage, refinancing, assignment, pledge, grant of a security interest, grant of any easement, license, or right-of-way affecting the Development, any hypothecation or any other encumbrance of the Development, any interest in the Development, or any interest in Mortgagor's interest in the Development, or any interest in Mortgagor, in each case whether any such Prohibited Transfer is effected directly, indirectly, voluntarily or involuntarily, by operation of law or otherwise, including, but not limited to, the entering into of any contract of sale, installment sale or sale under articles of agreement, the placement or granting of liens or the placement or granting of chattel mortgages, conditional sales contracts, financing or security agreements that would be, or could create, a lien, the placement or granting of a mortgage commonly known as a "wrap around" mortgage or an improvement loan, on any of the following properties, rights or interests without the prior written consent of Mortgagee. However, Mortgagor may, without the prior written approval of Mortgagee:

- (i) grant easements, licenses or rights-of-way over, under or upon the Development, so long as such easements, licenses or rights-of-way do not materially diminish the value or usefulness of the Development;
- (ii) when and to the extent authorized by law, lease the Development, or a portion of it, to a third party for the purposes of operating it; any such lease shall be subject to all of the terms, provisions and limitations of this Mortgage relating to the Development;
- (iii) sell or exchange any portion of the Real Estate not required for the Development, provided that the proceeds derived by Mortgagor from the sale of any such Real Estate shall be, at the option of Mortgagee, paid over to Mortgagee and applied by Mortgagee to reduce the Secured Indebtedness;

UNOFFICIAL COPY

FHA Project No. 47-98066

- (iv) sell, transfer or exchange any of the partnership interest of the Mortgagor or any of the membership interest of the General Partner that is not or does not have a general partnership or management interest and which does not have a control over the Mortgagor or the General Partner; and
- (v) sell, transfer or exchange any of the partnership or membership interest of the Mortgagor or the General Partner to a member of the General Partner or to a trust for estate planning purposes to an entity or trust that is controlled by and owned by the Manager and such entity or trust agrees in writing to prohibit any changes in ownership or control without prior written consent of IHDA, which shall not be unreasonably withheld, and except as permitted in the Loan Documents.

Mortgagee's written approval as required in this **subparagraph 10(a)** shall be granted, conditioned or withheld as Mortgagee alone shall determine. The burden of proof concerning reasonableness or delay shall be on Mortgagor.

(b) In addition to the matters set forth above, any sale, conveyance, assignment, pledge, hypothecation or other transfer of all or any part of:

(i) any right to manage or receive the rents and profits from the Development; or

(ii) any general partnership, managing membership, stock ownership interest or other interest in an entity or person comprising Mortgagor under this Mortgage (other than Mortgagor's non-managing, non-controlling limited partners), and including, but not limited to the General Partner and the Manager; except for a sale or transfer of any non-managing, non-controlling interest in such entity or the removal of the General Partner for cause in accordance with Mortgagor's Amended and Restated Limited Partnership Agreement ("Partnership Agreement"), provided Mortgagor send Mortgagee written notice of such removal; further provided that Mortgagor shall obtain the prior written consent of Mortgagee to any replacement General Partner removed in accordance with the foregoing provision, which consent shall not be unreasonably withheld, provided that Stratford Bethel Terrace Investors Limited Partnership ("Investor Limited Partner") or an entity owned or controlled by, or under common control with the Investor Limited Partner may act as a temporary replacement General Partner during any interim period between removal of the General Partner and approval of a permanent replacement General Partner by Mortgagee, provided any such interim period shall not exceed ninety (90) days, and further provided that a new guarantor satisfactory to the Mortgagee is provided.

shall be deemed a sale, conveyance, assignment, hypothecation or other transfer for the purposes of the restrictions imposed by the foregoing **subparagraph 10(a)**. Furthermore, Mortgagor shall

UNOFFICIAL COPY

FHA Project No. 471-98066

not, without the prior written consent of Mortgagee, permit the transfer of "control" of the Development to any other person or legal entity. For the purposes of the foregoing sentence, the term "control" shall mean the power to direct or cause the direction of the management and policies of the Development by the voting of securities or by contract.

Notwithstanding anything in this Mortgage to the contrary, Mortgagor shall have the right, subject to Mortgagee's prior written approval, which shall not be unreasonably withheld, to sell the Development and assign this Mortgage and Mortgagor's right, title and interest in the other Loan Documents to another owner-mortgagor of the Development (including the General Partner), but subject to any restrictions, limitations and/or requirements under the Regulations or other applicable laws, statutes, orders, rules and regulations that govern the Development, as applicable. In the event of a sale or other transfer of the Development, all of the duties, obligations, undertakings and liabilities of Mortgagor or other transferor (the "Transferor") under the terms of this Mortgage shall hereafter cease and terminate as to the Transferor, except as to any acts or omissions or obligations to be paid or performed by the Transferor that occurred or arose prior to such sale or transfer. As a condition precedent to the termination of the liability of the Transferor under this Mortgage, the transferee of the Development (a "New Mortgagor"), as a condition precedent to its admission as a New Mortgagor, shall assume in writing, on the same terms and conditions as apply to the Transferor, all of the duties and obligations of the Transferor arising under this Mortgage from and after the date of such sale or transfer. Such assumption shall be in form and substance acceptable to the Mortgagee. Any such New Mortgagor shall not be obligated with respect to matters or events that occur or arise before its admission as a New Mortgagor. The assumption transaction and any documents pertaining to it deemed necessary by Mortgagee shall be in form and substance satisfactory to Mortgagee.

The provisions of this **Paragraph 10** shall not apply to (i) the liens of the Construction Loans' mortgages and their respective Restrictive Agreements (as defined in the Regulatory Agreement) during the term of such loans, (ii) the lien of current taxes and assessments not yet due or payable, (iii) liens or encumbrances specifically permitted by, or contested in accordance with, the terms of this Mortgage, (iv) residential leases of individual units of the Development entered into in the ordinary course of business, if such leases have been entered into in conformity with the Regulatory Agreement and leasing of the commercial space of the Development if such lease has been approved by Mortgagor in writing, (v) the exceptions set forth on Schedule B to the Title Policy approved by Mortgagee, and (vi) that certain Low Income Housing Tax Credit Extended Use Agreement executed by and between Mortgagor and Mortgagee in connection with the allocation of low-income housing tax credits to the Development by Mortgagee in its capacity as the State Housing Credit Agency, is permitted under this Mortgage and said documents shall be deemed Permitted Exceptions hereunder. If Mortgagee consents to a transfer that, without such consent, would be a Prohibited Transfer, as a condition to such consent, the transferee must have obtained the approval of HUD (so-called "2530 clearance") and shall assume, in writing, each and every of the Loan Documents and each and every of the obligations under them that are to be performed and observed by Mortgagor. The foregoing assumption shall be accomplished with such documentation as may be reasonably required by Mortgagee and shall, if required by Mortgagee, be in recordable form. Any consent by Mortgagee or any waiver of any condition or Default under this **Paragraph 10** shall not constitute a consent to, or waiver of, any right, remedy or power of Mortgagee upon a subsequent Default. Mortgagor acknowledges that any agreements,

UNOFFICIAL COPY

FHA Project No. 07-98066

liens or encumbrances created in violation of the provisions of this **Paragraph 10** shall, at the option of Mortgagee, constitute a Default, and be voidable, and if Mortgagee exercises its option to void such agreement, lien or encumbrance, it shall be void ab initio and be of no further force or effect; to the extent the provisions of this **Paragraph 10** conflict with or are inconsistent with similar provisions of the Note or any of the other Loan Documents, the provisions of this **Paragraph 10** shall govern and control.

10A. Acknowledgment of Secured Indebtedness.

Mortgagor, within five (5) business days from the receipt of written notice from Mortgagee, shall furnish to Mortgagee a written statement, duly acknowledged, of the amount advanced to it which is secured by this Mortgage, and the amount due to Mortgagee in order to release this Mortgage, and whether any offsets or defenses exist against the Secured Indebtedness.

10B. Assignment of Rents and Leases.

As additional security for the payment of the Note, and for the faithful performance of the terms and conditions of this Mortgage, Mortgagor assigns to Mortgagee all of its right, title and interest as landlord in all current and future leases of the Development (the "Leases") and to any rents due and Mortgagor's rights in all security deposits (held by Mortgagor) under the Leases (the "Assignment"). Notwithstanding anything in this Mortgage to the contrary, so long as there exists no Default, Mortgagor shall have the right to collect all rents, security deposits, income and profits from the Development and to retain, use and enjoy them.

Nothing in this Mortgage or any of the other Loan Documents shall be construed to obligate Mortgagee, expressly or by implication, to perform any of the covenants of any landlord under any of the Leases (except and until Mortgagee exercises its rights to enter onto and take possession of the Development), or to pay any sum of money or damages that the Leases require the landlord to pay. Mortgagor agrees to perform and pay each and all of such covenants and payments.

From and after a Default, Mortgagee, in addition to the remedies set forth in **Paragraph 11** hereof, is vested with full power to use all measures, legal and equitable, it deems necessary or proper to enforce this Assignment and to collect the rents, income and profits assigned under this Mortgage. Such power shall include the right of Mortgagee or its designee to enter upon the Development, or any part of it, with power to eject or dispossess tenants, subject to applicable law, and to rent or lease any portion of the Development on any terms approved by Mortgagee, and take possession of all or any part of the Development together with all personal property, fixtures, documents, books, records, papers and accounts of Mortgagor relating to it, and to exclude Mortgagor, its agents, and servants, wholly from it. Mortgagor grants full power and authority to Mortgagee to exercise all rights, privileges and powers granted by this Assignment at any and all times from and after such Default, with full power to use and apply all of the rents and other income granted by this Assignment to the payment of the costs of managing and operating the Development and of any indebtedness or liability of Mortgagor to Mortgagee. Such costs shall include, but are not limited to, the payment of taxes, special assessments, insurance premiums, damage claims, the costs of maintaining, repairing, rebuilding and restoring the Development or of making it rentable, reasonable attorneys' fees incurred in connection with the enforcement of

this Mortgage, and of principal and interest payments due from Mortgagor to Mortgagee on the Note and the Mortgage, all in such order as Mortgagee may determine. Mortgagee shall be under no obligation to exercise or prosecute any of the rights or claims assigned to it under this **Paragraph 10B** or to perform or carry out any of the obligations of the landlord under any of the Leases, and Mortgagee does not assume any of the liabilities in connection with or arising or growing out of the covenants and agreements of Mortgagor in the Leases until Mortgagee forecloses the Mortgage, or acquires title to the Development through deed in lieu of foreclosure, and takes physical possession of the Development. Mortgagor agrees to indemnify Mortgagee and to hold it harmless from any liability, loss or damage, including, without limitation, reasonable attorneys' fees, that Mortgagee may incur under the Leases or by reason of this Assignment and from any and all claims and demands whatsoever that may be asserted against Mortgagee by reason of any alleged obligations or undertakings on its part to perform or discharge any of the terms, covenants or agreements contained in any of the Leases, except for those liabilities, losses or damages that occur solely arising due to and only to the extent resulting from Mortgagee's gross negligence or willful misconduct, or in connection with Leases entered into by Mortgagee. Mortgagee shall not be responsible for the control, care, management or repair of the Development, or parts of it, nor shall Mortgagee be liable for the performance of any of the terms and conditions of any of the Leases, or for any waste of the Development by any tenant under any of the Leases or by any other person, or for any dangerous or defective condition of the Development or for any negligence in the management, upkeep, repair or control of the Development resulting in loss or injury or death to any lessee, licensee, employee or stranger until such time as Mortgagee forecloses the Mortgage and takes physical possession of the Development, or unless arising solely as a direct result of and only to the extent from Mortgagee's gross negligence or willful misconduct. Mortgagee shall be responsible and liable only for its own actions or omissions occurring after such foreclosure and possession.

11. Defaults.

An event of default (individually, a "Default") shall be deemed to have occurred and exist if one or more of the following events occurs, and is not cured within any applicable cure or grace period:

A. Mortgagor fails to pay any installment of interest or principal on the Note within five (5) days of the date such payment is due (including any prepayment by acceleration or otherwise) or Mortgagor fails to pay any other amount due pursuant to this Mortgage or any of the other Loan Documents as and when such amounts become due and payable, including, without limitation, any installment of (i) Mortgagee's servicing fee payable under the Note (as such amount is included in the Interest Rate), (ii) the mortgage insurance premiums payable under the Risk Sharing Program (as such amount is included in the Interest Rate) and (iii) the Adjustment Amount;

B. Any other event of default occurs under any of the Loan Documents (as set forth and defined in such Loan Document) that is not cured as provided in such Loan Document; however, for non-monetary defaults under the Loan Documents, where a grace or cure period is not otherwise provided or prohibited, Mortgagor shall have thirty (30) days after written notice of such default to cure such defaults, or such other period as Mortgagee may permit in writing, in its

sole discretion; however, if such default is incapable of being cured within such thirty (30) days, Mortgagor shall have up to one hundred twenty (120) additional days to cure such default, in the sole discretion of Mortgagee, so long as (i) that cure is commenced within such thirty (30) day period, (ii) Mortgagor continues to diligently pursue such cure in good faith and (iii) Mortgagee's security for the Loan is not, in the sole judgment of Mortgagee, impaired as a result of the existence of such default;

C. Mortgagor, General Partner, or the Manager fail to comply with, keep or perform any of their respective terms, obligations, agreements, undertakings, covenants, conditions or warranties under the terms of this Mortgage, the Note, the Loan Agreement, the other Loan Documents, or any of them, or any other document or instrument executed and delivered by the General Partner, the Manager, or Mortgagor in connection with the Loan and such failure continues after required notice, if any, and the expiration of any applicable grace or cure period. If such failure (i) is a failure to keep or perform any of Mortgagor's or Guarantor's non-monetary obligations, agreements, undertakings, covenants or conditions under this Mortgage, (ii) continues for thirty (30) days after written notice of it to Mortgagor, General Partner or Manager, as the case may be, and (iii) is incapable of being cured within such thirty (30) days, Mortgagor or the Guarantor, as the case may be, shall have one hundred twenty (120) additional days to cure such default so long as Mortgagor or Guarantor, as the case may be, begins such cure within thirty (30) days, so long as (i) that cure is commenced within such thirty (30) day period, (ii) Mortgagor or Guarantor, as the case may be, continues to diligently pursue such cure in good faith and (iii) Mortgagee's security for the Loan is not, in the sole judgment of Mortgagee, impaired as a result of the existence of such failure. Upon the expiration of such thirty (30) day or one hundred twenty (120) day period, as applicable, a Default shall exist.

D. Mortgagor fails to comply with (or to bond or indemnify Mortgagee to its satisfaction with regard to) any requirement of any governmental authority having jurisdiction over the Development (including, without limitation, compliance with all applicable zoning (or is legally non-conforming if applicable), building, health, fire, flood, and environmental laws, statutes, orders, rules, regulations and ordinances) within thirty (30) days after Mortgagor has notice of such requirement, or earlier if required by such governmental authority, or to contest the governmental authority's action in good faith;

E. If any representation, warranty, covenant, or statement made by or on behalf of Mortgagor, General Partner or Manager, as the case may be, in the Mortgage, in any other Loan Document, or in any other document or instrument furnished in connection with, pertaining to, or evidencing or securing the Loan shall prove, in Mortgagee's reasonable judgment, to be false or misleading in any material adverse respect when made or deemed remade;

F. The occurrence of a Prohibited Transfer;

G. If:

(i) Mortgagor, General Partner or Manager, either files a voluntary petition in bankruptcy or for arrangement, reorganization or other relief under any chapter of the federal Bankruptcy Code or any similar law, state or federal, now or hereafter in effect; or

FHA Project No. 07-98066

admits or files an answer or other pleading in any proceeding admitting insolvency, bankruptcy, or inability to pay its debts as they mature; or is adjudicated bankrupt or shall have an order for relief entered in respect of such party by any bankruptcy court; or makes an assignment for the benefit of creditors or admits in writing its inability to pay its debts generally as they become due or consents to the appointment to a custodian, receiver or trustee or liquidator of all or the major part of its property or the Development;

(ii) within sixty (60) days after the filing against any of Mortgagor, General Partner or Manager, of any involuntary proceeding under the federal Bankruptcy Code or similar law, state or federal, now or hereafter in effect, such proceedings have not been dismissed; or

(iii) all or a substantial part of the assets of any of Mortgagor, General Partner or Manager are attached, seized, subjected to a writ or distress warrant, or are levied upon, and such attachment, seizure, writ, warrant or levy is not vacated within sixty (60) days; or any order appointing a custodian, receiver, trustee or liquidator of any of Mortgagor, General Partner or Manager on all or a major part of any of their respective property or the Development is not vacated within sixty (60) days; or

(iv) Mortgagee deems itself insecure in its reasonable discretion, in good faith, by reason of the occurrence of an adverse change in the financial condition of any of Mortgagor, General Partner, Manager, or Guarantors or otherwise, which change, in Mortgagee's reasonable judgment, may materially adversely affect the ability of any of them to perform their respective obligations under this Mortgage and the other Loan Documents;

H. Mortgagor or Guarantor fails to deposit, within the time period specified, or if no time period is specified, within ten (10) days of receipt of Mortgagee's request, funds or other security required by Mortgagee as mortgagee under the terms of the Mortgage or pursuant to the Loan Agreement, the Regulatory Agreement or any other of the Loan Documents;

I. Mortgagor or a Guarantor (i) commits a breach or defaults under any contract or agreement with a third party in connection with the operation, rehabilitation, or maintenance of the Development, (ii) such breach or default is not cured within the applicable grace or cure period, if any, and (iii) such breach or default, if uncured, materially and adversely affects the value of the Development or Mortgagor's or Guarantor's performance of its obligations under the Mortgage, the Note, the other Loan Documents or any of the Leases; however, if (x) the continued operation or safety of the Development, or (y) the priority, enforceability, or validity of the Mortgage or the lien of the Mortgage or any other security granted by Mortgagor to Mortgagee under the Loan Documents or (z) the value of any of the Development is immediately threatened or jeopardized, in Mortgagee's reasonable judgment, by reason of such breach or default, Guarantor or Mortgagor, shall not be entitled to such grace or cure period and a Default shall be deemed to have immediately occurred;

J. The dissolution of any of the Mortgagor, General Partner, Manager or Guarantor; provided the death or dissolution of a General Partner, Manager or Guarantor shall not

UNOFFICIAL COPY

IHA Project No. 671-98066

be considered a Default under this Mortgage or a default under the other Loan Documents unless there is already a Default under this Mortgage or unless, within ninety (90) days of such death or dissolution, Mortgagor does not provide Mortgagee with a substitute general partner, manager or guarantor acceptable in Mortgagee's reasonable discretion;

K. There exists or comes to exist any pending or threatened in writing litigation, proceedings, or judgments pertaining to, involving, or which would likely have a material adverse effect on, (i) the Development or its construction, operation, or maintenance, (ii) the interest of General Partner or Manager, or of Mortgagor in the Development, or (iii) Mortgagor's ability to pay the Loan or (iv) Mortgagor's, the General Partner's, Manager's or a Guarantor's ability to perform their respective obligations under the Loan Documents;

L. Any of Mortgagor, General Partner or Manager fails to execute, within five (5) business days after presentation, all documents that Mortgagee, in its sole discretion, deems necessary to correct any typographical or clerical errors in the Note, any other Loan Document or any other document delivered or to be delivered in connection with the Loan;

M. Failure to comply with the Act, the Rules, the Regulations (all as the same may be amended and supplemented from time to time), or any other rules, policies and procedures and regulations duly promulgated from time to time by Mortgagee, where Mortgagor does not contest such failure in good faith, and within thirty (30) days after Mortgagee gives Mortgagor notice of such failure; provided, however, that if any such failure is not reasonably curable despite Mortgagor's diligent efforts to cure it within such thirty (30) days, Mortgagor shall have one hundred twenty (120) additional days to cure such failure so long as (i) that cure is commenced within such thirty (30) day period, (ii) Mortgagor continues to diligently pursue such cure in good faith and (iii) Mortgagee's security for the Loan is not, in the sole judgment of Mortgagee, impaired as a result of the existence of such failure; provided, however, that in no event shall Mortgagor have more than one hundred twenty (120) days to cure such failure.

N. A default has occurred under any other loan or grant made to Mortgagor by Mortgagee, or any other party affiliated with Mortgagor, that is not cured within the time allowed under the terms of that loan or grant, or where such default materially diminishes Mortgagor's ability to perform under the Loan Documents.

The Mortgagee hereby agrees that any cure made or tendered by the Investor Limited Partner shall be accepted or rejected by the Mortgagee on the same basis and within the same time periods as if such cure were made or tendered by the Mortgagor and if such default is cured by such party, such cure shall be deemed to be a cure by the Mortgagor.

12. Remedies.

If a Default occurs and continues, Mortgagee is authorized and empowered, at its option and without affecting the lien created by this Mortgage or its priority, or any other right of Mortgagee under this Mortgage, to declare, without further notice, all Secured Indebtedness to be immediately due and payable with interest on it at the Default Rate, whether or not such Default is thereafter remedied by Mortgagor, and Mortgagee may immediately, proceed to foreclose this

Mortgage and to exercise any right, power or remedy provided by this Mortgage, the Note or any other Loan Document, or that Mortgagee may have at law or in equity. Mortgagee, in its sole and absolute discretion, may apply funds in any account held by Mortgagee, including, but not limited to the Residual Receipts Account, to the Secured Indebtedness. At any time after the occurrence of a Default, and so long as such Default is continuing, Mortgagee, in its sole discretion, may (i) notify any person obligated to Mortgagor under or with respect to any contract for sale or any contract for construction affecting or related to the Development, of the existence of a Default, (ii) require that performance of any such contract be made directly to the Mortgagee at Mortgagor's expense and (iii) advance such sums as are necessary or appropriate to satisfy Mortgagor's obligations under such contract. Mortgagor agrees to cooperate with Mortgagee in all ways reasonably requested by Mortgagee (including the giving of any notices requested by Mortgagee or joining in any notices given by Mortgagee) to accomplish the foregoing provisions of this **Paragraph 12**, and grants to Mortgagee or Mortgagee's designee a security interest in its rights under such contracts for the purpose of securing all of the Secured Indebtedness and Mortgagor's obligations secured by this Mortgage and the other Loan Documents. The granting of a grace or cure period in this Mortgage and the granting of a grace or cure period with respect to the same matters in any other Loan Document shall not be construed to have the effect of extending or replicating the grace or cure period relating to such matters.

13. Foreclosure.

Upon the occurrence or existence of a Default, Mortgagee shall have the right to foreclose the lien of this Mortgage in accordance with the laws of the State of Illinois and to exercise any other remedies of Mortgagee that are provided in the Note, this Mortgage or any of the other Loan Documents, or that Mortgagee may have at law, at equity or otherwise. In any suit to foreclose the lien of this Mortgage, there shall be allowed and included as additional Secured Indebtedness in the decree of sale all expenditures and expenses that may be paid or incurred by or on behalf of Mortgagee for reasonable attorneys' fees (to the extent permitted by applicable law), appraisers' fees, outlays for documentary and expert evidence, stenographer's charges, publication costs and costs (which may be estimated as to items to be expended after entry of the decree) of procuring all such abstracts of title, title searches and examinations, title insurance policies, and similar data and assurance with respect to title as Mortgagee may reasonably deem necessary either to prosecute such suit or to evidence to bidders at sales that may be had pursuant to such decree the true condition of the title to or the value of the Development. All expenditures and expenses of the nature mentioned in this **Paragraph 13**, and such other expenses and fees as may be incurred in the protection of the Development, the rents and income from it and the maintenance of the lien of this Mortgage, including the fees of any attorneys employed by Mortgagee in any litigation or proceedings affecting this Mortgage, the Note or the Development, including probate and bankruptcy proceedings, or in preparation of, the commencement or defense of any proceedings or threatened suit or proceeding, or otherwise, in dealing specifically with the Development, shall be so much additional Secured Indebtedness and shall be immediately due and payable by Mortgagor with interest on such payments at the Default Rate until paid.

14. Additional Rights upon Foreclosure.

If any provision of this Mortgage restricts Mortgagee's rights under the Illinois Mortgage

Foreclosure Law (735 ILCS 5/15-1101 *et seq.*) (the "Foreclosure Law"), as amended from time to time, or this Mortgage otherwise does not grant Mortgagee the full advantage, rights or remedies of the Foreclosure Law, Mortgagee shall be vested with the rights, powers, and remedies of the Foreclosure Law to the full extent permitted by law.

15. Certain Rights of the Holder of the Note.

Upon any sale of the Development, if the holder of the Note is a purchaser at such sale, it shall be entitled to use and apply all or any portion of the Secured Indebtedness for or in settlement or payment of all or any portion of the purchase price of the property purchased, and, in such case, this Mortgage, the Note and documents evidencing expenditures secured by this Mortgage shall be presented to the person conducting the sale in order that the amount of such indebtedness so used or applied may be credited as having been paid.

16. Right of Possession.

Upon the occurrence or existence of a Default, and after the expiration of any applicable cure period, Mortgagor shall, immediately upon demand of Mortgagee, surrender to Mortgagee, and Mortgagee shall, to the extent not prohibited by applicable law, be entitled to take actual possession of the Development or any part of it, personally or by its agent or attorneys, and, in its discretion, may enter upon and take possession of the Development and exclude the Mortgagor or the then owner of the Development and any of their agents or servants wholly from the Development. Whether or not Mortgagee takes and maintains possession of all or any part of the Development, together with all documents, books, records, papers and accounts of Mortgagor or the then owner of the Development relating to it, Mortgagee may, on behalf of Mortgagor or such owner, or in its own name as Mortgagee and under the powers granted in this Mortgage:

(a) hold, operate, manage and control all or any part of the Development and conduct the business of the Development, if any, either personally or by its agents, with full power to use such measures, legal or equitable, as in its discretion may be deemed proper or necessary to enforce the payment or security of the rents, issues, deposits, profits and avails of the Development, including, without limitation, actions for recovery of rent, actions in forcible detainer and actions in distress for rent, all without notice to Mortgagor;

(b) notify any or all of the obligors under the Leases that the Leases have been assigned to Mortgagee, and Mortgagee (in its name, in the name of Mortgagor or in both names) may direct such obligors thereafter to make all payments due from them under the Leases directly to Mortgagee;

(c) cancel or terminate any Lease for any cause or on any ground that would entitle Mortgagor to cancel it;

(d) elect to disaffirm any Lease made subsequent to this Mortgage without Mortgagee's prior written consent, as provided in this Mortgage;

UNOFFICIAL COPY

FHA Project No. 871-98066

(e) extend or modify any then existing Leases and make new Leases of all or any part of the Development, which extensions, modifications and new Leases may provide for terms to expire, or for options to tenants to extend or renew terms to expire, beyond the Maturity Date (as defined in the Note) and the issuance of a deed or deeds to a purchaser or purchasers at a foreclosure sale. It is understood and agreed that any such Leases, and the options or other such provisions contained in them, shall be binding upon Mortgagor, all persons or entities whose interests in the Development are subject to the lien of the Mortgage, and the purchaser or purchasers at any foreclosure sale, notwithstanding any redemption from sale, discharge of the Secured Indebtedness, satisfaction of any foreclosure decree, or issuance of any certificate of sale or deed to any such purchaser;

(f) make all necessary or proper repairs, decorations, renewals, replacements, alterations, additions, betterments and improvements in connection with the Development as may seem judicious to Mortgagee, to insure and reinsure the Development and all risks incidental to Mortgagee's possession, operation and management of it, and to receive all rents, issues, deposits, profits and avails from it; and

(g) apply the net income, after allowing a reasonable fee for the collection of such income and for the management of the Development, to the payment of Taxes, insurance premiums and other charges applicable to the Development or to reduce the Secured Indebtedness, in such order and manner as Mortgagee shall elect.

Nothing contained in this Mortgage shall be construed as constituting Mortgagee as a mortgagee-in-possession in the absence of the actual taking of possession of the Development.

17. Receiver.

Upon the occurrence or existence of a Default, Mortgagee may apply to any court of competent jurisdiction for the appointment of a receiver for the Development. Such appointment may be made either before or after sale, upon notice, if any, required by applicable law, without regard to the solvency or insolvency of Mortgagor at the time of application for such receiver, and without regard to the then value of the Development or whether or not it is then occupied as a homestead; Mortgagee or any of its employees or agents may be appointed as such receiver. Such receiver shall have the power to collect the rents, issues and profits of the Development during the pendency of such foreclosure suit and, in case of a sale and deficiency, during the full statutory period of redemption, if any, whether there is a redemption or not, as well as during any further times when Mortgagor, except for the intervention of such receiver, would be entitled to collection of such rents, issues and profits; such receiver shall also have all other powers that may be necessary or are usual in such cases for the protection, possession, control, management and operation of the Development during the whole of such period. The court may, from time to time, authorize the receiver to apply the net income from the Development in payment, in whole or in part, of: (a) the Secured Indebtedness or the indebtedness secured by a decree foreclosing this Mortgage, or any tax, special assessment or other lien that may be or become superior to the lien of this Mortgage or of such decree, provided that such application is made prior to the foreclosure sale; or (b) the deficiency, in case of a sale and deficiency.

18. Proceeds of Sale.

The proceeds of any sale of the Development shall be distributed and applied in the following order of priority: first, on account of all costs and expenses incident to the foreclosure proceedings, including all such items mentioned in **Paragraph 12** hereof, or incident to any sale under **Paragraph 13** hereof, including, but not limited to, the expenses of sale, the reasonable attorneys' fees of Mortgagee (to the extent not prohibited by applicable law), the actual cost of providing, recording, mailing and posting notice, the cost of any search or other evidence of title procedures in connection with such foreclosure and sale and any transfer tax on any deed or conveyance; second, all other items that, under the terms of this Mortgage, constitute Secured Indebtedness in addition to that evidenced by the Note, with interest on such items as provided in this Mortgage; third, to interest remaining unpaid upon the Note, including interest, if any, at the Default Rate; fourth, to the principal remaining unpaid upon the Note; and fifth, the payment of surplus, if any, to any person or entity that may be lawfully entitled to receive it.

19. Insurance During Foreclosure.

In the event of an insured loss after the right to foreclose has accrued under this Mortgage, the proceeds of any insurance policy, if not applied in rebuilding or restoring the Development, as aforesaid, shall be applied in the same order and manner as sale proceeds set forth in **Paragraph 18** hereof. In the event of foreclosure of this Mortgage, the mortgagee's clause attached to each of the casualty insurance policies may be cancelled and a new loss clause may be attached to each such casualty insurance policy making the loss under such insurance policies payable to the party acquiring the Development pursuant to foreclosure or other sale; Mortgagee is authorized, without the consent of Mortgagor, to assign any and all insurance policies to the purchaser at the sale to the extent assignable pursuant to such policies, or to take such other steps as Mortgagee may deem advisable to cause the interest of such purchaser to be protected by any of the insurance policies, in either case without credit or allowance to Mortgagor for prepaid premiums on them.

20. Waiver of Right of Redemption and Other Rights.

To the fullest extent permitted by law, Mortgagor: (i) agrees that they will not at any time insist upon or plead, or in any manner whatsoever claim or take any advantage of, any stay, exemption or extension law or any so-called "Moratorium Law" now or at any time hereafter in force, (ii) agrees that it will not claim, take or insist upon any benefit or advantage of or from any law now or hereafter in force providing for the valuation or appraisal of the Development, or any part of it, prior to any sale or sales of it to be made pursuant to any provisions contained in this Mortgage, or to any decree, judgment or order of any court of competent jurisdiction; or after such sale or sales claim or exercise any rights under any statute now or hereafter in force to redeem the property so sold, or any part of it, or relating to the marshaling of it, upon the foreclosure sale or other enforcement of this Mortgage; and (iii) expressly waives any and all rights of reinstatement or redemption from sale under any order or decree of foreclosure of this Mortgage on its own behalf, on behalf of all persons claiming or having an interest (direct or indirect) by, through or under Mortgagor and on behalf of each and every person acquiring any interest in or title to the Development subsequent to the date of this Mortgage; it is the intent of this Mortgage that any and all such rights of reinstatement or redemption of Mortgagor, and all other persons, are

IHA Project No. 071-98066

and shall be deemed to be waived to the fullest extent permitted by applicable law. To the fullest extent permitted by law, Mortgagor agrees that it will not, by invoking or utilizing any applicable law or laws or otherwise, hinder, delay or impede the exercise of any right, power or remedy granted or delegated to Mortgagee in this Mortgage or otherwise, but will suffer and permit the exercise of every such right, power and remedy as though no such law or laws have been made or enacted. Mortgagor expressly waives any right that it may have to direct the order in which any of the Development shall be sold in the event of its sale pursuant to this Mortgage.

21. Rights Cumulative.

Each right, power and remedy conferred upon Mortgagee in this Mortgage is cumulative and in addition to every other right, power or remedy, express or implied, now or hereafter provided by law or in equity, and each and every right, power and remedy set forth in this Mortgage or otherwise so existing may be exercised from time to time as often and in such order as may be deemed expedient to Mortgagee. The exercise of one right, power or remedy shall not be a waiver of the right to exercise at the same time or thereafter any other right, power or remedy; and no delay or omission of Mortgagee in the exercise of any right, power or remedy accruing under this Mortgage or arising otherwise shall impair any such right, power or remedy, or be construed to be a waiver of any Default or acquiescence in it. Except as otherwise specifically required in this Mortgage, notice of the exercise of any right, remedy or power granted to Mortgagee by this Mortgage is not required to be given.

22. Successors and Assigns.

A. Holder of the Note. This Mortgage and each and every agreement and other provision of it shall be binding upon Mortgagor, and its successors and assigns (including, without limitation, each and every record owner from time to time of the Development or any other person having an interest in it), and shall inure to the benefit of Mortgagee and its successors and assigns. Wherever Mortgagee is referred to in this Mortgage, such reference shall be deemed to include the holder from time to time of the Note, whether so expressed or not; and each such holder shall have and enjoy all of the rights, privileges, powers, options and benefits afforded by and under this Mortgage, and may enforce all and every one of its terms and provisions as fully, to the same extent and with the same effect as if such holder were in this Mortgage by name specifically granted such rights, privileges, powers, options and benefits and designated Mortgagee.

B. Covenants Run With Land; Successor Owners. All of the covenants of this Mortgage shall encumber the Real Estate and be binding on any successor in interest to the obligations of the Mortgagor under this Mortgage until this Mortgage is released or foreclosed. If the ownership of the Development or any portion of it becomes vested in a person or persons other than Mortgagor, Mortgagee may, without notice to Mortgagor, deal with such successor or successors in interest to the Mortgagor with reference to this Mortgage and the Secured Indebtedness in the same manner as with Mortgagor without in any way releasing or discharging Mortgagor from their obligations under this Mortgage, unless the Development has been assigned or otherwise transferred with Mortgagee's written consent pursuant to this Mortgage. Mortgagor shall give immediate written notice to Mortgagee of any conveyance, transfer or change of ownership of the Development, but nothing in this **Paragraph 22.B** shall vary or negate the

UNOFFICIAL COPY

IHA Project No. 071-98066

provisions of **Paragraph 10** hereof.

23. Effect of Extensions and Amendments.

A. If the payment of the Secured Indebtedness, or any part of it, is extended, modified or amended, or if any part of the security or guaranties, if any, for it is released, all persons now or at any time hereafter liable for the Secured Indebtedness, or interested in the Development, shall be held to assent to such extension, modification, amendment or release, and their liability, and the lien of the Mortgage, and all of its provisions, shall continue in full force and effect. Mortgagee expressly reserves the right of recourse against all such persons, but only to the extent provided in **Paragraph 45** hereof, notwithstanding any such extension, variation or release. Any person or entity taking a junior mortgage or other lien upon the Development, or any part of or any interest in it, shall take such lien subject to the rights of Mortgagee to amend, modify, extend or release the Note, this Mortgage or any other Loan Document, in each and every case without obtaining the consent of the holder of such junior lien and without the lien of this Mortgage losing its priority over the rights of any such junior lien. Any such rights or actions of Mortgagee shall not negate the prohibition against such secondary financing contained in this Mortgage or affect the obligation of any such junior lien holder not to proceed with any action against either the Mortgagor, or the Development or both.

B. Mortgagor agrees that if it enters into a loan modification agreement with Mortgagee pursuant to which the interest rate on the Note is reduced, any rents established for units in the Development that are subsidized under Section 8 of the United States Housing Act of 1937 shall be reduced in accordance with HUD guidelines to reflect the reduction in the amount of debt service payments resulting from such lower interest rate.

24. Leases and Rents, Present Assignment.

As additional security for the repayment of the Loan and for the faithful performance of the terms and conditions contained in the Loan Documents, Mortgagor bargains, sells, transfers, assigns, conveys, sets over and delivers to Mortgagee all of its rights, title and interest as landlord in and to all Leases now existing, or that may be executed by any landlord at any time in the future, and all guaranties, amendments, extensions and renewals of such Leases. Mortgagor agrees, represents and warrants to Mortgagee as follows:

A. All Leases are and shall be subject to the criteria set forth in the Regulatory Agreement. Except with respect to any lease for actual occupancy of any dwelling unit in the Development entered into in the normal course of business and in conformity with the Regulatory Agreement, Mortgagor shall not enter into, amend, modify, extend, renew, terminate, surrender or cancel any Lease in any respect without the prior written consent of Mortgagee, which approval or consent shall not be unreasonably withheld or delayed.

B. Notwithstanding the present assignment of the rents and Leases and guaranties, if any, so long as no Default has occurred or exists, Mortgagor shall have a license to collect all of the rents arising from the Leases, or their renewals. All rents or other sums secured by Mortgagor pursuant to the Leases and guaranties, if any, after a Default shall be deemed to be

IHA Project No. 071-98066

held and maintained by Mortgagor in trust for the benefit of Mortgagee and shall be covered by **Paragraph 45(v)** hereof.

C. At all times, Mortgagee or its agent shall have the right to verify the validity, amount of or any other matter relating to any or all of the Leases, by mail, telephone, telecopy or otherwise, in the name of Mortgagor, Mortgagee, a nominee of the Mortgagee or any or all of such names.

D. Mortgagor shall inform Mortgagee, in writing, of any assertion of any material claims, offsets or counterclaims by any of the obligors under any of the Leases promptly upon its receipt or upon learning of them.

E. Within ten (10) business days after written demand by Mortgagee from time to time, Mortgagor shall deliver to Mortgagee, in form and substance acceptable to Mortgagee, a detailed certified Rent Roll, copies of all Leases and such other matters and information relating to it as Mortgagee may request.

25. Execution of Separate Security Agreements, Financing Statements, Etc.; Estoppel Letter. Mortgagor shall do, execute, acknowledge and deliver, or cause to be done, executed, acknowledged and delivered, all such further acts, conveyances, mortgages, security agreements, financing statements and assurances as Mortgagee reasonably requires for the better assuring, conveying, mortgaging, assigning and confirming unto Mortgagee all property mortgaged or intended to be so mortgaged by this Mortgage, whether now owned by Mortgagor, or hereafter acquired. Without limitation of the foregoing, Mortgagor shall assign to Mortgagee, upon request, by instruments satisfactory to Mortgagee, as further security for the Secured Indebtedness, Mortgagor's interests in all agreements, contracts, licenses and permits affecting the Development; however, no such assignment shall be construed (i) as a consent by Mortgagee to any agreement, contract, license or permit, or (ii) to impose upon Mortgagee any obligations with respect to any such agreement, contract, license or permit. From time to time, Mortgagor shall furnish, within five (5) business days after Mortgagee's request, a written and duly acknowledged statement of the amount due under the Note, this Mortgage and the other of the Loan Documents and whether, to Mortgagor's best knowledge, any alleged offsets or defenses exist against the Secured Indebtedness and whether, to Mortgagor's best knowledge, any Default on the part of Mortgagor (or events which, with the passing of time or the giving of notice, or both, would become a Default) exists under this Mortgage.

26. Subrogation.

If any part of the Secured Indebtedness is used directly or indirectly to pay off, discharge or satisfy, in whole or in part, any prior lien or encumbrance upon the Development or any part of it, then Mortgagee shall be subrogated to the rights of the holder of such other lien or encumbrance and any additional security held by such holder, and shall have the benefit of the priority of such lien or encumbrance, regardless of whether they are acquired by assignment or have been released of record by their holder upon repayment. The foregoing right of subrogation is a material inducement to Mortgagee to make the Loan, and Mortgagee expects to be benefitted by such right. Nothing in this **Paragraph 26** shall be construed as extending the benefits of any personal

FHA Project No. 67L-98066

guarantee of such prior lien or encumbrance to Mortgagee in excess of the obligations covered by the Guaranty or for different purposes than those covered by the Guaranty.

27. Option to Subordinate.

At the option of Mortgagee, this Mortgage shall become subject and subordinate, in whole or in part (but not with respect to priority of entitlement to insurance proceeds or any Award), to any and all Leases of all or any part of the Development upon the execution and recording by Mortgagee, at any time hereafter, in the Office of the Recorder of the County in which the Development is located, of a unilateral declaration to that effect.

28. Governing Law.

This Mortgage, having been negotiated, executed and delivered within the State of Illinois, shall be construed and governed by and according to the laws of that State, without reference to its conflicts of law principles.

29. Business Loan

Mortgagor represents and agrees that the proceeds of the Loan will be used for the purposes specified in 815 ILCS 205/4, Paragraph 1(c), as amended, and that the principal obligation secured by this Mortgage constitutes a business loan that comes within the purview of that Paragraph.

30. Inspection of Development and Records.

Mortgagor shall keep and maintain, or cause to be kept and maintained (by a managing agent on behalf of Mortgagor), full, complete and correct books, records and accounts showing the assets, liabilities, operations, transactions and financial condition of the Development. The books and records of Mortgagor and of the operations of the Development shall be kept in accordance with the requirements of the auditing standards of the Government Accounting Office ("GAO") issued by the Comptroller of the United States (the "GAO Standards") and Mortgagee. Mortgagor shall allow Mortgagee, or its representatives or agents, and the GAO and HUD, or their respective representatives or agents, to inspect the Development at any reasonable time, and from time to time at any time during normal business hours, access to the records and books of account related to the operation of the Development, including any supporting or related vouchers or papers, kept by or on behalf of Mortgagor and their representatives or agents; such access will include the right to make extracts or copies of them. In addition, upon request of Mortgagee, which may be made at any time and from time-to-time, Mortgagor shall deliver to Mortgagee true and complete copies of monthly operating statements of the Development. Mortgagee shall be entitled to reimbursement for its costs, reasonably incurred incident to the inspection of the Development, all of which shall be payable after written demand and if not so paid, shall be included within the Secured Indebtedness and bear interest at the Default Rate. Mortgagee, in its sole discretion reasonably exercised, will determine the necessity for and the number of inspectors required, and will determine, which inspector shall be used incident to an inspection. Except when a Default exists or has occurred, Mortgagee will give reasonable advance written notice of its intent to perform or have performed such inspections.

31. Financial Statements.

A. Mortgagor shall keep or cause to be kept accurate, full and complete books, records and accounts showing the assets, liabilities, operations, transactions and financial condition of the Development. All books, records, accounts and financial statements shall (i) be accurate and complete in all material respects, (ii) present fairly the financial position and results of the operation of the Development and (iii) be prepared in accordance with the requirements of the GAO Standards and Mortgagee.

B. Mortgagor shall furnish, or cause to be furnished, to Mortgagee such financial statements and other records of Mortgagor, General Partner, Manager and General Contractor as Mortgagee may reasonably require, each certified by the providing party as to their truth, validity and accuracy in all material respects; each such financial statement shall not contain any material omissions that would make such information incomplete. Such financial information shall be prepared according to generally accepted accounting principles, consistently applied. Mortgagor also agrees to furnish Mortgagee, such compliance audits, performance reports, annual audited financial statements (provided however General Partner and Manager are not required to provide audited financial statements, as long as they do not have separate audited financials because they are pass-through entities), and any and all other documents, information and showings requested by Mortgagee or its counsel, in their sole discretion. Such audits, reports and statements must be in form and content acceptable to Mortgagee.

32. Time of the Essence.

Time is of the essence of the Note, this Mortgage and other of the Loan Documents and any other document or instrument evidencing or securing the Secured Indebtedness.

33. Captions and Gender.

The captions and headings of the various sections of this Mortgage are for convenience only, and are not to be construed as confining or limiting in any way the scope or intent of its provisions. Whenever the context requires or permits, the singular shall include the plural, the plural shall include the singular, and the masculine, feminine and neuter shall be freely interchangeable.

34. Notices.

All notices under this Mortgage shall be given as provided in Exhibit B attached to and made a part hereof.

35. Provisions Severable.

If a court of competent jurisdiction holds any provision of this Mortgage to be illegal, unenforceable or invalid, then it is the intent of Mortgagor and Mortgagee that such provision shall

FHA Project No. 07L-98066

be given full force and effect to the fullest possible extent that is legal, valid and enforceable. It is the intent of Mortgagor and Mortgagee that the Mortgagee have a valid and enforceable lien created by this Mortgage securing each and all of the sums described in this Mortgage and that this Mortgage be construed as creating such a valid lien in favor of Mortgagee notwithstanding the unenforceability of one or more of its provisions; the unenforceability or invalidity of any provision or provisions of this Mortgage shall not render any other provision or provisions of it unenforceable or invalid.

36. Waiver of Defense.

No action for the enforcement of the lien or any provisions of this Mortgage shall be subject to any defense that would not be good and available to the party interposing it in an action at law upon the Note.

37. Further Assurances.

Mortgagor shall sign, execute, acknowledge and deliver to Mortgagee upon request such security agreements, assignments for security purposes and other documents in form and substance required by Mortgagee as Mortgagee may, in its reasonable judgment, request from time to time, to perfect, preserve, continue, extend or maintain the assignments contained in this Mortgage or the Loan Documents, the lien and security interests under this Mortgage or the other Loan Documents, and their priority.

38. Reimbursement.

If (a) Mortgagee is made a party to, or intervenes in, any action or proceeding affecting the Development, title to it or the interest of Mortgagee under this Mortgage, or (b) Mortgagee employs an attorney to collect any or all of the Secured Indebtedness or to foreclose this Mortgage by judicial proceedings or (c) Mortgagee conducts Mortgagee's sale proceedings under this Mortgage, Mortgagee shall be reimbursed by Mortgagor, immediately and without demand, for all costs, charges and reasonable attorneys' fees incurred by Mortgagee, and such costs, charges and fees shall be secured by this Mortgage as a further charge and lien upon the Development and shall bear interest at the Default Rate.

39. Further Security.

As further security for the Note and this Mortgage, Mortgagor grants Mortgagee a security interest in and to all and any property of Mortgagor of any kind or description, tangible or intangible, now or hereafter delivered, transferred, in transit to, or kept in the possession, control or custody of Mortgagee, or any agent or bailee of Mortgagee, whether expressly as collateral security or for any other property of Mortgagor now or hereafter in the possession, control or custody or assigned to Mortgagee and used or useful in connection with the Development. All of the aforesaid property is referred to collectively in this Mortgage as the "Further Collateral." Upon the occurrence or existence of any Default under this Mortgage, Mortgagee shall have the right to

exercise any rights and remedies available to it under the Code and, subject to the rights of prior lienholders, if any, shall have the right to sell any or all of the Further Collateral at public or private sale upon such terms and conditions as Mortgagee deems proper, and to apply the net proceeds of such sale, after deducting all costs, expenses and attorneys' fees incurred at any time in the collection and sale of the Further Collateral, to the payment of sums due under the Note, this Mortgage or both of them.

40. No Partnership; Joint and Several Obligations.

Nothing contained in this Mortgage, the Note or any other document or instrument evidencing or securing the Secured Indebtedness shall be deemed to create a joint venture or partnership relationship between Mortgagor and Mortgagee; the relationship between Mortgagor and Mortgagee is solely that of creditor and debtor, lender and borrower, and mortgagor and mortgagee, as the case may be. If this Mortgage is signed by more than one entity, the liability of such Mortgagor shall be joint and several in all respects.

41. No Liability.

Anything contained in this Mortgage to the contrary notwithstanding, it is expressly understood and agreed that the Mortgagee's inspection and approval of the documentation pertaining to this Mortgage and any inspection of the Development made by Mortgagee shall be solely for Mortgagee's benefit, and Mortgagee shall have no liability to Mortgagor or any other person or entity by reason of such inspection. Furthermore, notwithstanding anything contained herein, this Mortgage is only intended as security for the Secured Indebtedness hereby secured, and Mortgagee shall not be obligated to perform or discharge, and does not hereby undertake to perform or discharge, any obligation, duty or liability of Mortgagor with respect to any of the Development. No liability shall be enforced or asserted against Mortgagee in its exercise of the powers granted to it in this Mortgage, and Mortgagor expressly waives and releases Mortgagee from any such liability. Without limiting the foregoing, Mortgagee shall not be responsible for any recitals herein or for insuring the Mortgaged Premises, or for the recording, filing or refile of this Mortgage; nor shall Mortgagee be bound to ascertain or inquire as to the performance or observance of any covenants, conditions or agreements on the part of Mortgagor contained herein. Mortgagee shall not have responsibility for the control, care, management or repair of the Development, nor shall Mortgagee be responsible or liable for any negligence in the management, operation, upkeep, repair or control of the Development resulting in loss or injury or death to any licensee, employee, tenant or stranger.

42. Hazardous Material.

If any of Mortgagor, General Partner or Manager (for purposes of this **Paragraph 42** only, Mortgagor, General Partner and Manager shall collectively be referred to as the "Parties") shall receive: (a) any written notice of any violation or administrative or judicial complaint or order having been filed or about to be filed against any of the Parties alleging violations of any law requiring any of them to take any action in connection with the release at or in connection with the Development of any toxic materials or hazardous wastes, pollutants or contaminants into the environment, or (b) any written notice from any governmental agency or any other person or entity

IHA Project No. 071-98066

alleging that any of the Parties may be liable or responsible for costs associated with a response or cleanup of a release of toxic materials, hazardous wastes, pollutants or contaminants into the environment or any damages caused by such release, the Party receiving such notice shall provide Mortgagee with a copy of it promptly upon its receipt. Within five (5) days after having learned of the enactment or promulgation of any environmental law that may result in any adverse change in the condition, financial or otherwise, of any of the Parties or the Development, Mortgagor shall provide Mortgagee with notice of such law promptly upon learning of it. Mortgagor (x) shall not use, allow or suffer any part of the Development to be used as a facility for the handling, treatment, storage, or disposal of any Hazardous Materials (as defined in the Environmental Indemnity) or to be used as a landfill, without the prior written consent of Mortgagee (which consent may be granted or denied in Mortgagee's sole and absolute discretion), except for immaterial amounts of Hazardous Materials, not in violation of any Environmental Laws (as defined in the Environmental Indemnity), customarily found in construction sites and otherwise used in the daily operation of the Development, and (y) at its sole cost and expense, shall comply in all respects with the foregoing notices and in all events shall satisfy the requirements of, and maintain the Development in compliance with, all Environmental Laws.

Mortgagor represents and warrants to its knowledge that no portion of the Development has been used for or as a landfill; and that there are no known, nor have there been any, nor shall any of the Parties cause there to be any Hazardous Materials generated, released, stored, buried or deposited over, beneath, in or on (or used in the construction, rehabilitation or renovation of) the Development from any source whatsoever, except as previously disclosed in writing to Mortgagee. Mortgagor agrees to indemnify, hold harmless, and defend Mortgagee and all persons claiming by, through or under Mortgagee from any and all claims, loss, damages, response costs, clean-up costs and expenses arising out of or in any way relating to the existence at any time of any Hazardous Materials in, on, under, at or used in the construction, rehabilitation or operation of the Development, including, but not limited to: (i) claims of third parties, (including governmental agencies) for damages, penalties, response costs, clean-up costs or injunctive or other relief; (ii) costs of removal and restoration, including expert's and reasonable attorneys' fees, and costs of reporting the existence of Hazardous Materials to any governmental agency; and (iii) any and all expenses or obligations incurred at, before and after any trial or appeal from such trial, whether or not taxable as costs, including, without limitation, reasonable attorneys' fees, witness fees, deposition costs, copying and telephone charges and other expenses, all of which shall be paid by Mortgagor when incurred. The representations, warranties, covenants and agreements contained in this Paragraph 42 and the obligations of Mortgagor to indemnify, hold harmless and defend Mortgagee and all persons claiming by, through or under Mortgagee with respect to the expenses, damages, losses, costs, damages and liabilities set forth in this Paragraph 42, shall survive the repayment of all amounts due under the Note, the cancellation of the Note and the release of this Mortgage, the foreclosure of any liens on the Development by Mortgagee or a third party, or the conveyance of the Development by any power of sale, trustee's sale, deed in lieu of foreclosure or otherwise insofar as the indemnity is related to events that occurred before the conveyance, and shall not be limited to the amount of any deficiency in any foreclosure or other sale of the Development. Mortgagor agrees that Mortgagee may, in its sole discretion from time to time, retain an environmental expert at the expense of Mortgagor to perform one or more tests to determine the level, if any, of Hazardous Materials in, on or at the Development.

43. Maximum Indebtedness.

At all times, regardless of whether any Loan proceeds have been disbursed, this Mortgage secures as part of the Secured Indebtedness the payment of all loan commissions, service charges, liquidated damages, attorneys' fees, expenses and advances due to or incurred by Mortgagee in connection with the Secured Indebtedness, all in accordance with the Note and this Mortgage. In no event shall the total amount of the Secured Indebtedness, including Loan proceeds disbursed plus any additional charges, exceed three hundred percent (300%) of the face amount of the Note. All such advances are intended by the Mortgagor to be a lien on the Development pursuant to this Mortgage from the time this Mortgage is recorded, as provided in the Foreclosure Law.

44. Indemnification of the Mortgagee.

Mortgagor, General Partner and Manager agree to defend and indemnify and hold harmless Mortgagee from and against any and all damages, including, but not limited to, any past, present or future claims, actions, causes of action, suits, demands, liens, debts, judgments, losses, costs, liabilities and other expenses, including, but not limited to, reasonable attorneys' fees, costs, disbursements, and other expenses, that Mortgagee may incur or suffer by reason of or in connection with (i) the Real Estate or the Development, (ii) any and all liability, loss or damage which Mortgagee incurs under or by reason of the exercise of its rights under this Mortgage and (ii) any and all claims and demands whatsoever which may be asserted against Mortgagee by reason of any alleged obligations or undertakings on its part to perform or discharge any of the terms, covenants or agreements of Mortgagor contained herein or with respect to any of the Real Estate or Development; except where such liability, damage or loss is solely arising due to and only to the extent resulting from Mortgagee's gross negligence or willful misconduct. Mortgagor, General Partner and Manager further agree that Mortgagee if it so chooses, shall have the right to select its own counsel with respect to any such claims.

45. Nonrecourse.

Except as otherwise set forth in the Loan Agreement, Environmental Indemnity and Guaranty, Mortgagor's liability created under this Mortgage and the Loan Documents shall be non-recourse and neither Mortgagor nor the General Partner, nor the Manager, nor the Members, nor any of the limited partners, officers, employees or agents of the foregoing, shall have any personal liability for repayment of the Loan. Mortgagee shall look only to the Development and its reserves and any other funds or letters of credit relating to the Development for repayment of the Loan. The foregoing shall not limit Mortgagor's, General Partner's, Manager's and Guarantor's liability for damages to Mortgagee (excluding however, any damages solely arising due to and only to the extent resulting from Mortgagee's gross negligence or willful misconduct) as a result of (i) fraudulent acts, or willful and wanton acts or omissions in violation of the provisions of this Mortgage and the other Loan Documents; (ii) the fair market value of the personalty or fixtures removed or disposed of from the Development in violation of the terms of the Loan Documents; (iii) the misapplication, in violation of the terms of the Loan Documents, of any funds to the full extent of such misapplied funds and proceeds, including, without limitation, any funds or proceeds received under any insurance policies or awards resulting from

FHA Project No. 87L-98066

condemnation or the exercise of the power of eminent domain; (iv) any misapplication of any security deposits attributable to any leases of Units, or failure to pay interest on such security deposits as required by law; (v) waste committed on the Development to the extent that funds in the Replacement Reserve Account or otherwise available in any property account held by Mortgagor, are available to remedy such waste and Mortgagor has failed to remedy the waste despite the written instructions of Mortgagee under the control of or engaged by Mortgagor or the other such entities described herein; (vi) the occurrence of a Prohibited Transfer (as defined herein), without the prior written consent of Mortgagee; (vii) written material misrepresentation was made by Mortgagor or any party in the ownership structure of Mortgagor, or any employee or agent of Mortgagor or any other such entity or individual under the direction or control of Mortgagor or the other entities described herein; (viii) a material error or omission was made in the Ownership Structure Certificate (as defined in the Loan Agreement); and (ix) the Mortgagor has violated the single asset requirement contained herein; (x) the Mortgagor has delivered a false certification in connection with the certifications provided in connection with the Loan Documents; and (xi) amounts that Mortgagor is required to pay to Payee if HUD reduces the amount of the Mortgage Insurance. Any liability incurred pursuant to this Paragraph shall be the personal liability of the Mortgagor, the General Partner, Manager and Guarantor. The provisions of this Paragraph shall have no effect on the liabilities and obligations contained in the Guaranty or in the Loan Agreement. Notwithstanding the foregoing, during the rehabilitation of the Development and up to the Final Closing Date (as defined in the Loan Agreement), all of Mortgagor's and Guarantor's (as defined in the Guaranty) liability created under the Loan Documents, including, without limitation, the liability created pursuant to the Environmental Indemnity and Guaranty, is fully chargeable to and recoverable from Mortgagor and Guarantor, jointly and severally, and the Loan shall be the recourse obligation of Mortgagor and Guarantor in all respects.

46. Liens Absolute, Etc.

Mortgagor acknowledges and agrees that the liens and security interests hereby created are absolute and unconditional and shall not in any manner be affected or impaired by any acts or omissions whatsoever of Mortgagee or any other holder of any of the Secured Indebtedness hereby secured, and without limiting the generality of the foregoing, the lien and security hereof shall not be impaired by any acceptance by Mortgagee or any other holder of any of the Secured Indebtedness hereby secured of any other security for or guaranties upon any of the Secured Indebtedness hereby secured or by any failure, neglect or omission on the part of Mortgagee or any other holder of any of the Secured Indebtedness hereby secured to realize upon to protect any of the Secured Indebtedness hereby secured or any collateral security therefore. The lien and security hereof shall not in any manner be impaired or affected by any sale, pledge, surrender, compromise, settlement, release, renewal, extension, indulgence, alteration, substitution, exchange, change in, modification or disposition of any of the Secured Indebtedness hereby secured, or of any collateral security therefore, or of any guaranty thereof, or of any loan agreement executed in connection therewith. In order to realize hereon and to exercise the rights granted Mortgagee hereby and under applicable law, there shall be no obligation on the part of Mortgagee or any other holder of any of the Secured Indebtedness hereby secured at any time to first resort for payment to the obligor on any note or bond evidencing any of the Secured Indebtedness hereby secured or to any guaranty of any of the Secured Indebtedness hereby

secured or any part thereof or to resort to any other collateral security, property, liens or any other rights, or remedies whatsoever, and Mortgagee shall have the right to enforce this instrument irrespective of whether or not other proceedings or steps are pending seeking resort to or realization upon or from any of the foregoing.

47. Additional Governing Law.

This Mortgage, to the extent inconsistent with the Act, the Rules and the Regulations (all as the same may be amended and supplemented from time to time), shall be governed by the Act, the Rules and the Regulations (all as the same may be amended and supplemented from time to time), and the rights and obligations of the parties shall at all times be in conformance with, and governed by, the Act, the Rules and the Regulations (all as the same may be amended and supplemented from time to time).

48. Waiver of Trial by Jury.

TO THE MAXIMUM EXTENT PERMITTED UNDER APPLICABLE LAW, MORTGAGOR HEREBY VOLUNTARILY, KNOWINGLY, IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT TO HAVE A JURY PARTICIPATE IN RESOLVING ANY DISPUTE (WHETHER BASED ON CONTRACT, TORT, OR OTHERWISE) BETWEEN MORTGAGOR AND MORTGAGEE ARISING OUT OF OR IN ANY WAY RELATED TO THIS MORTGAGE OR THE OTHER LOAN DOCUMENTS.
