**1. Declaration, Section 11:**

(q) ~~Each Unit Owner of a "B" second level or "C" top level unit must install and at all times maintain wall-to-wall carpeting, with appropriate carpet padding on the surface of all floors, except for the floor surfaces in the bathroom, pantry, linen and utility closets. For "B" second level units and "C" top level units, no hard surface flooring (e.g., wood, marble, tile, etc....) shall be installed in any part of the Unit (excluding bathroom, pantry, kitchen and utility closets) unless such flooring is installed over an underlayment, pursuant to specifications in Rules adopted by the Board.~~

Prior to installation: (i) the Unit Owner must submit to the Board/Management written certification from the Unit Owner's designer, architect or contractor stating that the proposed hard surface flooring installation will meet or exceed the requirements of the Association's Rules, (ii) the Association's architectural representative shall inspect the installed underlayment and final installation, and (iii) the Unit Owner shall obtain written approval from the Board/Management to proceed with the installation.

In addition, the owner or occupant of any Unit located immediately below a Unit having hard surface flooring may, by written notice to the Board of Directors, request that the compliance of such flooring be investigated.

Unless the Board determines that the flooring's underlayment has previously been tested pursuant to the Association's Rules and found to be in compliance with such Rules, the Board

shall request that the complaining owner or occupant deposit with the Association an amount equal to 100% of the estimated cost of testing such underlayment of the flooring.

Upon receipt of such deposit, the Board shall engage an independent acoustical consultant to test the underlayment of the flooring, and the complaining owner/occupant of the unit containing the hard surface flooring shall cooperate fully with such consultant in the testing. The determination of the consultant shall be final and conclusive on all parties.

If the underlayment of the flooring is found by the consultant to be in compliance with the Association's Rules, then the full cost of the testing shall be borne by the complaining owner or occupant out of the deposit held by the Association. If the testing is found by the consultant **not** to be in compliance with these rules, then the complaining owner or occupant's deposit shall be fully refunded; the owner of the non-complying unit shall pay the full cost of the testing; the owner of the non-complying unit shall pay a fine as determined by the Board; and the owner of the non-complying unit shall bring the unit into compliance with these rules within thirty (30) days of the issuance of the test results or be subject to fines and further legal action by the Association.

## **2. By-Laws, Article VI, Section 5(a):**

(a) On or before the 1<sup>st</sup> day of April of each calendar year commencing 1998, the Association shall supply to all Unit Owners an itemized accounting of the Common Expenses for the preceding calendar year actually incurred and paid together with an indication of which portions of the Annual Budget were for capital expenditures or repairs or payment of real estate taxes and with a tabulation of the amounts collected pursuant to the budget or assessment, and showing the net excess or deficit of income over expenditures plus Reserves. Any amount accumulated in excess of the amount required for actual expenses and Reserves shall be credited according to each Unit Owner's percentage of ownership in the Common Elements to the next monthly installments due from Unit Owners under the current year's Annual Budget, until exhausted, and any net shortage shall be added, according to each Unit Owner's percentage of ownership of the Common Elements, to the installments due in the succeeding six months after rendering of the accounting. In the Board's discretion, any excess or surplus funds may be: (i) transferred to the Association's reserve fund, (ii) maintained in the operating account, in which case the funds shall be applied as a credit when calculating the following year's annual budget, or (iii) used for any other purpose deemed appropriate by the Board.

**This Amendment shall be effective upon recordation in the Office of the Recorder of Deeds of Cook County, Illinois.**

**Except to the extent expressly set forth hereinabove, the remaining provisions of the Declaration shall continue in effect without change.**
