Date"), Borrower still owes amounts under the Note and the Security Instrument, as amended by this Agreement, Borrower will pay these amounts in full on the Maturity Date.

3. If all or any part of the Property or any interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by the Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by the Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by the Security Instrument without further notice or demand on Borrower.

4. Borrower also will comply with all other covenants, agreements, and requirements of the Security Instrument, including without limitation, Borrower's covenants and agreements to make all payments of taxes, insurance premiums, assessments, escrow items, impounds, and all other payments that Borrower is obligated to make under the Security Instrument; however, the following terms and provisions are forever canceled, null and void, as of the date specified in paragraph No. 1 above.

- (a) all terms and provisions of the Note and Security Instrument (if any) providing for, implementing, or relating to, any change or adjustment in the rate of interest payable under the Note; and
- (b) all terms and provisions of any adjustable rate rider, or other instrument or document that is affixed to, wholly or partially incorporated into, or is part of, the Note or Security Instrument and that contains any such terms and provisions as those referred to in (a) above.

5. Borrower understands and agrees that:

- (a) All the rights and remedies, stipulations, and conditions contained in the Security Instrument relating to default in the making of payments under the Security Instrument shall also apply to default in the making of the modified payments hereunder.
- (b) All covenants, agreements, stipulations, and conditions in the Note and Security Instrument shall be and remain in full force and effect, except as herein modified, and none of the Borrower's obligations or liabilities under the Note and Security Instrument shall be diminished or released by any provisions hereof, nor shall this Agreement in any way impair, diminish, or affect any of Lender's rights under or remedies on the Note and Security Instrument, whether such rights or remedies arise thereunder or by operation of law. Also, all rights of recourse to which Lender is presently entitled against any property or any other persons in any way obligated for, or liable on, the Note and Security Instrument are expressly reserved by Lender.
- (c) Nothing in this Agreement shall be understood or construed to be a satisfaction or release in whole or in part of the Note and Security Instrument.

- (d) All costs and expenses incurred by Lender in connection with this Agreement, including recording fees, title examination, and attorney's fees, shall be paid by the Borrower and shall be secured by the Security Instrument, unless stipulated otherwise by Lender.
- (e) Borrower agrees to make and execute such other documents or papers as may be necessary or required to effectuate the terms and conditions of this Agreement which, if approved and accepted by Lender, shall bind and inure to the heirs, executors, administrators, and assigns of the Borrower.
- (f) Borrower authorizes Lender, and Lender's successors and assigns, to share Borrower information including, but not limited to (i) name, address, and telephone number, (ii) Social Security Number, (iii) credit score, (iv) income, (v) payment history, (vi) account balances and activity, including information about any modification or foreclosure relief programs, with Third Parties that can assist Lender and Borrower in obtaining a foreclosure prevention alternative, or otherwise provide support services related to Borrower's loan. For purposes of this section, Third Parties include a counseling agency, state or local Housing Finance Agency or similar entity, any insurer, guarantor, or servicer that insures, guarantees, or services Borrower's loan or any other mortgage loan secured by the Property on which Borrower is obligated, or to any companies that perform support services to them in connection with Borrower's loan.

Borrower consents to being contacted by Lender or Third Parties concerning mortgage assistance relating to Borrower's loan including the trial period plan to modify Borrower's loan, at any telephone number, including mobile telephone number, or email address Borrower has provided to Lender or Third Parties.

By checking this box, Borrower also consents to being contacted by text messaging [].

- 6. Notwithstanding anything to the contrary contained in this Agreement, if a discharge has been granted, Borrower and Lender acknowledge the effect of a discharge in bankruptcy that has been granted to Borrower prior to the execution of this Agreement and that Lender may not pursue Borrower for personal liability. However, Borrower acknowledges that Lender retains certain rights, including but not limited to the right to foreclose its lien evidenced by the Security Instrument under appropriate circumstances. The parties agree that the consideration for this Agreement is Lender's forbearance from presently exercising its rights and pursuing its remedies under the Security Instrument as a result of Borrower's default thereunder. Nothing in this Agreement shall be construed to be an attempt to collect against Borrower personally or an attempt to revive personal liability.
- 7. This Agreement modifies an obligation secured by an existing security instrument recorded in COOK County, IL, upon which all recordation taxes have been paid. As of the date of this agreement, the unpaid principal balance of the original obligation secured by the existing security instrument is \$315,678.91. The principal balance secured by the existing security instrument as a result of this Agreement is \$442,679.09, which amount represents the unpaid principal balance of this original obligation.
