7.22 The Tenant shall allow the Landlord and/or any prospective tenant or purchaser to view the exterior and interior of the Premises during reasonable hours, provided a prior appointment to do so has been made with the Tenant.

7.23 The Tenant must regularly test the smoke detectors to ensure that they are working effectively. Batteries may not be removed except to replace them. It is a duty of the Tenant to inform the Landlord in writing of any defect or malfunction of smoke detectors.

7.24 The Tenant agrees that no materials of dangerous, inflammable, or explosive nature will be used at or stored in the Premises. Dangerous materials constitute anything that might unreasonably endanger the Premises and may be deemed hazardous or extra hazardous by an insurance company.

7.26 The Tenant shall notify the Landlord in writing within four (4) days of moving out of a forwarding address. Failing to do so will relieve the Landlord of sending the Tenant a list of damages against the security deposit.

7.27 The Tenant undertakes to keep the swimming pool clean and free from dust, algae, and other deleterious substances; to use the correct and sufficient chemicals as indicated by the Landlord or a pool company nominated by the Landlord; and generally to maintain the pool, filter, and motor in properly working order at the Tenant's expense. Any automatic pool cleaner which may be supplied by the Landlord shall be maintained and repaired by the Tenant at his/her own cost and expense. If, for any reason, the Tenant shall have cause to leave the Premises unoccupied for seven (7) days, he/she will ensure that he/she continues to maintain the pool in accordance with the aforesaid obligations. (This paragraph shall only apply if there is a swimming pool included in the premises.)

8. LANDLORD OBLIGATIONS:

Should the destruction be due to the default or negligence of the Tenant, his/her family, servants, or persons occupying the Premises under him/her, the Landlord shall under these circumstances be entitled to claim payment of such damages as the Landlord may have suffered. If in any event the damage suffered to the Premises result in that the Premises is not suitable for the purpose for which it has been leased, it shall constitute a ground for the Tenant or the Landlord to cancel this Lease.

8.3 The Landlord shall be liable to pay all rates and taxes, levies payable in respect of the Premises to the local authority, and home owner's association concerns.

8.4 The Landlord, upon receipt of the rental amount by Tenant, shall allow the Tenant to peacefully and quietly have, hold, and enjoy the Premises for the term of this Lease.

8.5 The Landlord shall obtain reasonable insurance to cover fire damage to the Premises and liability insurance to cover certain personal injuries to the Tenant as outlined in and permitted by the insurance policy.

8.6 The Landlord may post a "For Sale" or "For Rent" or "Vacancy" sign on the Premises within the 20 final days of this Lease. The Landlord also may show the Premises to prospective purchasers or tenants during this time period after providing reasonable notice to the Tenant.

8.7 If Landlord has additional rules and regulations, which may be modified from time to time for reasonable purposes and without modifying Tenant's rights substantially, Tenant shall sign such additional documents. The Landlord shall provide Tenant at least two (2) weeks notice of any changes to the rules and regulations.

8.8 This Lease and the Tenant's interest hereunder are and shall be subject, subordinate, and inferior to any liens or encumbrances now or hereafter placed on the Premises by the Landlord, all advances made under any such liens or encumbrances, the interest payable on any such liens or encumbrances, and any and all renewals or extensions of such liens or encumbrances.

8.9 The Landlord shall have the right to enter the Premises upon abandonment of the Premises by the Tenant. The Landlord will not be prosecuted for entry, and will not be liable for any damages or for any payment of any kind, and may determine to re-let the Premises for any part of the then unexpired term of this Lease. The Landlord also retains the option to collect any losses incurred due to the difference between the rental amount actually paid by the Tenant and the total rental amount that would have been payable under this Lease, as well as and in addition to

UNOFFICIAL COPY

any costs incurred by any actions taken by the Landlord to mitigate said losses. Any personal property remaining at the Premises following abandonment may be disposed of by the Landlord in a manner deemed proper and the Landlord is relieved of all liability for doing so.

9.2 If any portion of this Lease shall be held to be invalid or unenforceable for any reason, the remaining provisions shall continue to be valid and enforceable. If a court finds that any provision of this Lease is invalid or unenforceable, but that by limiting such provision it would become valid and enforceable, then such provision shall be deemed to be written, construed, and enforced as so limited.
