PROPERTY OWNER CERTIFICATION OF THE NFR LETTER UNDER THE SITE REMEDIATION PROGRAM

Where the Remediation Applicant (RA) is not the sole owner of the remediation site, the RA shall obtain the certification by original signature of each owner, or authorized agent of the owner(s), of the remediation site or any portion thereof who is not an RA. The property owner(s), or the duly authorized agent of the owner(s) must certify, by original signature, the statement appearing below. This certification shall be recorded in accordance with Illinois Administrative Code 740.620.

Include the full legal name, title, the company, the street address, the city, the state, the ZIP code, and the telephone number of all other property owners. Include the site name, street address, city, ZIP code, county, Illinois inventory identification number and real estate tax index/parcel index number.

A duly authorized agent means a person who is authorized by written consent or by law to act on behalf of a property owner including, but not limited to:

- For corporations, a principal executive officer of at least the level of vicepresident;
- 2. For a sole proprietorship or partnership, the proprietor or a general partner, respectively; and
- 3. For a municipality, state or other public agency, the head of the agency or ranking elected official.

For multiple property owners, attack, additional sheets containing the information described above, along with a signed, dated certification for each. All property owner certifications must be recorded along with the attached NFR letter.

The Illinois EPA is authorized to require this information under Sections 415 ILCS 5/58 - 58.12 of the Environmental Protection Act and regulations promulgated thereunder. If the Remediation Applicant is not also the sole owner of the remediation site, this form must be completed by all owners of the remediation site and recorded with the NFR Letter. Failure to do so may void the NFR Letter. This form has been approved by the Forms Management Center. All information submitted to the Site Remediation Program is available to the public except when specifically designated by the Remediation Applicant to be treated confidentially as a trade secret or secret process in accordance with the Illinois Compiled Statutes, Section 7(a) of the Environmental Protection Act, applicable Rules and Regulations of the Illinois Pollution Control Board and applicable Illinois EPA rules and guidelines.

Notice to Remediation Applicant

Please follow these instructions when filing the NFR letter with the County Recorder's Office

Instructions for Filing the NFR Letter

The following documents must be filed:

- A. Body of the NFR Letter (contains appropriate terms and conditions, tables, etc.)
- B. Attachments to NFR letter
- Illinois EPA Site Remediation Program Environmental Notice (Legal Description and PIN of property)
- Maps of the site
- Table A: Regulated Substances of Concern (if applicable.)
- Property Owner Carification
- C. A copy of the ordinance, if applicable, used to address groundwater contamination
- 1. Place the Illinois EPA Site Remediation Program Environmental Notice on top of the NFR prior to giving it to the Recorder.
- 2. If you are not the owner (record title holder) of the property on the date of filing of this NFR, you must attach a **completed** owner's certification form signed by the owner of the property at the time of filing (e.g., if the property recently sold, the new owner must sign).
- 3. If any of the terms and conditions of the NFR letter references a groundwater ordinance, you must record a copy of the groundwater ordinance with the NFR letter.
- 4. If any of the terms and conditions of the NFR letter references a righway agreement, you must record the highway agreement if specifically required by the municipality granting the agreement, the County or the Illinois Department of Transportation.
- 5. Within thirty (30) days of this NFR Letter being recorded by the Office of the Fecorder of the County in which the property is located, a certified copy of this Letter, as recorded, shall be obtained and submitted to the Illinois EPA to:

Jim Scott
Illinois Environmental Protection Agency
Bureau of Land/RPMS
1021 North Grand Avenue East
Post Office Box 19276
Springfield, IL 62794-9276

6. Remove this page from the NFR letter, prior to recording.

If you have any questions call (217) 524-6940 and speak with the "project manager on-call" in the Site Remediation Program.

Evanston/E-Town Community Ventures LLC Site Remediation Program/Tec'ın cal Reports

No Further Remediation Letter

Dear Mr. Chefetz:

The Remedial Action Completion Report (received December 19, 2017/Log No. 17-66110), as prepared by Environmental Consulting Group (ECS), Inc. for the above referenced Remediation Site, has been reviewed and approved by the Illinois Environmental Protection Agency ("Illinois EPA"). This Report demonstrates the remediation objectives approved for the site, in accordance with 35 Illinois Administrative Code Part 742 including the indoor inhalation pathway, are above the existing concentrations of regulated substances and the remedial action was completed in accordance with the Remedial Action Plan (received March 9, 2016/Log No. 16 61659) and 35 Illinois Administrative Code Part 740.

The Remediation Site, consisting of 0.26-acres, is located at 1801-1805 Church Street, Evanston, Illinois. Pursuant to Section 58.10 of the Illinois Environmental Protection Act ("Act") (415 ILCS 5/1 et seq.), your request for a no further remediation determination is granted under the conditions and terms specified in this letter. The Remediation Applicant, as identified on the Illinois EPA's Site Remediation Program DRM-1 Form (received November 10, 2015/Log No. 15-60815), is E-Town Community Ventures, LLC.

1930906056 Page: 10 of 14

UNOFFICIAL COPY

This focused No Further Remediation Letter ("Letter") signifies a release from further responsibilities under the Act for the performance of the approved remedial action. This Letter shall be considered prima facie evidence that the Remediation Site described in the attached Illinois EPA Site Remediation Program Environmental Notice and shown in the attached Site Base Map does not constitute a threat to human health and the environment for the specified recognized environmental conditions so long as the Site is utilized in accordance with the terms of this Letter.

Conditions and Terms of Approval

Level of Remediation and Land Use Limitations

- 1) The recognized environmental conditions characterized by the focused site investigation and successfully addressed, consist of the contaminants of concern identified in the attached Table A.
- 2) The Remediation Site is approved for residential and/or industrial/commercial land use.
- 3) The land use specified in this Letter may be revised if:
 - a) Further investigation or remedial action has been conducted that documents the attainment of objectives appropriate for the new land use; and
 - b) A new Letter is obtained and recorded in accordance with Title XVII of the Act and regulations adopted thereunder.

Preventive, Engineering, and Institutional Controls

The implementation and maintenance of the following controls are required as part of the approval of the remediation objectives for this Remediation Site.

Preventive Controls:

4) At a minimum, a safety plan should be developed to address possible worker exposure in the event that any future excavation and construction activities may occur within the contaminated soil. Any excavation within the contaminated soil will require implementation of a safety plan consistent with NIOSH Occupational Safety and Health Guidance Manual for Hazardous Waste Site Activities, OSHA regulations (particularly in 29 CFR 1910 and 1926), state and local regulations, and other USEPA guidance. Soil excavated below asphalt pavement must be returned to the same depth from which it was excavated or properly managed or disposed in accordance with applicable state and federal regulations.

Engineering Controls:

5) The asphalt barrier, as shown on the attached Site Base Map, must remain over the contaminated soils. This asphalt barrier must be properly maintained as an engineered barrier to inhibit inhalation of the contaminated media.

1930906056 Page: 11 of 14

UNOFFICIAL COPY

Institutional Controls

- 6) Any future buildings constructed on the site must contain a full concrete slab-on-grade floor or full concrete basement floor and walls with no sump(s) other than in the area described in paragraph 7.
- Building Control Technology ("BCT") meeting the requirements of 35 Illinois Administrative Code Part 742 Subpart L is operational prior to human occupancy. This BCT must be properly maintained to address the indoor inhalation pathway. If the BCT becomes inoperable, the site owner/operator shall notify building occupants and workers to implement protective measures. In addition, any sump located within the building with the BCT shall be sealed with an approved cap and vent system. A caution label must be affixed to the vent pipe indicating that the system carnot be dismantled without proper consultation. A vacuum pressure gauge must be installed on the system to provide a clear indication of when the system is operating properly and when maintenance is required. The sump cover must be resealed if it is ever removed for sump pump inspection, replacement, maintenance or for any other reason. The vent system must also be correctly maintained under such circumstances. Failure to maintain the BCT or the sealed sump shall be grounds for voidance of this No Further Remediation letter.
- 8) No person shall construct, instail, maintain, or operate a well at the Remediation Site. All water supplies and water services for the Remediation Site must be obtained from a public water supply system. The provisions of this institutional control shall be applicable to all water usage (e.g., domestic, industrial/commercial uses and outdoor watering).

Other Terms

- 9) Pursuant to Section 57.10 of the Act (415 ILCS 5/57.10), all statutory and regulatory corrective action requirements applicable to the occurrence in volving Leaking UST Incident Number 20150678 have been completed. This Letter constitutes the Illinois EPA's final decision regarding the above-referenced Leaking UST incident.
- 10) Where the Remediation Applicant is <u>not</u> the sole owner of the Remediation Site, the Remediation Applicant shall complete the attached *Property Owner Certification of the No Further Remediation Letter under the Site Remediation Program* Form. This certification, by original signature of each property owner, or the authorized agent of the owner(s), of the Remediation Site or any portion thereof who is not a Remediation Applicant shall be recorded along with this Letter.
- 11) Further information regarding this Remediation Site can be obtained through a written request under the Freedom of Information Act (5 ILCS 140) to:

Illinois Environmental Protection Agency Attn: Freedom of Information Act Officer Division of Records Management #16 1021 North Grand Avenue East Post Office Box 19276 Springfield, Illinois 62794-9276

1930906056 Page: 12 of 14

- 12) Pursuant to Section 58.10(f) of the Act (415 ILCS 5/58.10(f)), should the Illinois EPA seek to void this Letter, the Illinois EPA shall provide notice to the current title holder and to the Remediation Applicant at the last known address. The notice shall specify the cause for the voidance, explain the provisions for appeal, and describe the facts in support of this cause. Specific acts or omissions that may result in the voidance of the Letter under Sections 58.10(e)(1)-(7) of the Act (415 ILCS 5/58.10(e)(1)-(7)) include, but shall not be limited to:
 - a) Any violation of institutional controls or the designated land use restrictions;
 - b) The failure to operate and maintain preventive or engineering controls or to comply with any applicable groundwater monitoring plan;
 - c) The disturbance or removal of contamination that has been left in-place in accordance with the Remedial Action Plan. Access to soil contamination may be allowed if, during and after any access, public health and the environment are protected consistent with the Remedial Action Plan;
 - d) The failure to comply with the recording requirements for this Letter;
 - e) Obtaining the Letter by fraud or misrepresentation;
 - f) Subsequent discovery of contaminants, not identified as part of the investigative or remedial activities upon which the issuance of the Letter was based, that pose a threat to human health or the environment;
 - g) The failure to pay the No Further Remediation Assessment Fee within forty-five (45) days after receiving a request for payment from the filinois EPA;
 - h) The failure to pay in full the applicable fees under the Review and Evaluation Services Agreement within forty-five (45) days after receiving a request for payment from the Illinois EPA.
- 13) Pursuant to Section 58.10(d) of the Act, this Letter shall apply in favor of the following persons:
 - a) E-Town Community Ventures, LLC;
 - b) The owner and operator of the Remediation Site;
 - c) Any parent corporation or subsidiary of the owner of the Remediation Site;
 - d) Any co-owner, either by joint-tenancy, right of survivorship, or any other party sharing a relationship with the owner of the Remediation Site;
 - e) Any holder of a beneficial interest of a land trust or inter vivos trust, whether revocable or irrevocable, involving the Remediation Site;

1930906056 Page: 13 of 14

UNOFFICIAL COPY

- f) Any mortgagee or trustee of a deed of trust of the owner of the Remediation Site or any assignee, transferee, or any successor-in-interest thereto;
- g) Any successor-in-interest of the owner of the Remediation Site;
- h) Any transferee of the owner of the Remediation Site whether the transfer was by sale, bankruptcy proceeding, partition, dissolution of marriage, settlement or adjudication of any civil action, charitable gift, or bequest;
- i) Any heir or devisee of the owner of the Remediation Site;
- j) Any financial institution, as that term is defined in Section 2 of the Illinois Banking Act and to include the Illinois Housing Development Authority, that has acquired the ownership, operation, management, or control of the Remediation Site through foreclosure or under the terms of a security interest held by the financial institution, under the terms of an extension of credit made by the financial institution, or any successor-in-interest thereto; or
- k) In the case of a fiduciary (other than a land trustee), the estate, trust estate, or other interest in property held in a fiduciary capacity, and a trustee, executor, administrator, guardian, receiver, conservator, or other person who holds the remediated site in a fiduciary capacity, or a transferee of such party.
- 14) This letter, including all attachments, must be recorded as a single instrument within forty-five (45) days of receipt with the Office of the Recorder of Cook County. For recording purposes, the Illinois EPA Site Remediation Program Environmental Notice attached to this Letter should be the first page of the instrument filed. This Letter shall not be effective until officially recorded by the Office of the Recorder of Cook County in accordance with Illinois law so that it forms a permanent part of the chain of title for the E-Town Community Ventures, LLC property.
- 15) Within thirty (30) days of this Letter being recorded by the Office of the Recorder of Cook County, a certified copy of this Letter, as recorded, shall be obtained and submitted to the Illinois EPA to:

Mr. Jim Scott Illinois Environmental Protection Agency Bureau of Land/RPMS #24 1021 North Grand Avenue East Post Office Box 19276 Springfield, Illinois 62794-9276

16) In accordance with Section 58.10(g) of the Act, a No Further Remediation Assessment Fee based on the costs incurred for the Remediation Site by the Illinois EPA for review and evaluation services will be applied in addition to the fees applicable under the Review and Evaluation Services Agreement. Request for payment of the No Further Remediation Assessment Fee will be included with the billing statement.
