RE: Hold harmless agreement for 941 Beaver Lane

PIN# 05-31-323-018-0000

During the recent repairs to the roadway on Beaver Lane., it was necessary to remove the brick pavers to your driveway.

Please be advised that the Village will allow you to re-install the brick pavers within the utility easement. However, this is not a release or waiver of any rights the Village, or other utility companies, may have in or to the utility easement. This letter also does not waive any zoning or building permit requirements for this or future construction within Village right-of-way

In closing, please be aware that the Village **will not** be responsible for the replacement of, or any damages to the pavers within the utility easement, for any maintenance or installation work required. The above information is also valid for any future owners of the above said property.

Sincerely,

Mike DeBennette,
Engineering Project Manager
