to any other person by any instrument now in force. To the extent that Grantor has employed a manager or agent to collect the Rents, Grantor shall immediately inform such manager or agent of this assignment and such manager or agent shall attorn to the rights of Lender hereunder.

(d) No Further Transfer. Grantor will not sell, assign, encumber, or otherwise dispose of any of Grantor's rights in the Rents except as otherwise provided in this Assignment.

2.2 Survival of Representations and Warranties. Grantor understands and agrees that Lender is relying upon the above representations and warranties in making the loans under the Loan Agreement and Note. Grantor agrees that the foregoing representations and warranties shall be continuing in nature and shall remain in full force and effect until, unless otherwise specified herein, such time as the Indebtedness shall be paid in full, or until this Assignment shall be released, whichever is the last to occur.

SECTION 3: PERFORMANCE; AGREEMENTS REGARDING RENTS

3.1 Payment and Performance. Except as otherwise provided in this Assignment, Grantor shall pay to Lender all amounts secured by this Assignment as they become due, and shall strictly perform all of Grantor's obligations under this Assignment. Unless and until Lender exercises its right to collect the Rents as provided below and so long as there is no Event of Default under this Assignment, Grantor may remain in possession and control of and operate and manage the Property and collect the Rents, provided that the granting of the right to collect the Rents shall not constitute Lender's consent to the use of cash collateral in a bankruptcy proceeding.

3.2 Lender's Right to Collect Rents. Lender shall have the right at any time after an Event of Default shall have occurred under this Assignment (subject to any applicable notice or cure periods), to collect and receive the Rents. For this purpose, Lender is hereby given and granted the following rights, powers, and authority after the occurrence of an Event of Default (subject to any applicable notice and cure period):

(a) Notice to Tenants. Lender may send notices to any and all tenants of the Property advising them of this Assignment and directing all Rents to be paid directly to Lender or Lender's agent.

(b) Enter the Property. Lender may enter upon and take possession of the Property; demand, collect and receive from the tenants or from any other persons liable therefor, all of the Rents; institute and carry on all legal proceedings necessary for the protection of the Property, including such proceedings as may be necessary to recover possession of the Property; and remove any tenant or tenants or other persons from the Property.

(c) Maintain the Property. Lender may enter upon the Property to maintain the Property and keep the same in repair; to pay the costs thereof and of all services of all employees, including their equipment, and of all continuing costs and expenses of maintaining the Property in proper repair and condition; and to pay all taxes, assessments and water utilities, and the premiums on fire and other insurance effected by Lender on the Property.

- (d) Compliance with Laws.** Lender may do any and all things to execute and comply with the laws of the State of Illinois and also all other laws, rules, orders, ordinances and requirements of all other governmental agencies affecting the Property.
- (e) Lease the Property.** Lender may rent or lease the whole or any part of the Property for such term or terms and on such conditions as Lender may deem appropriate.
- (f) Employ Agents.** Lender may engage such agent or agents as Lender may deem appropriate, either in Lender's name or in Grantor's name, to rent and manage the Property, including the collection and application of Rents.
- (g) Other Acts.** Lender may do all such other things and acts with respect to the Property as Lender may deem appropriate and may act exclusively and solely in the place and stead of Grantor and to have all of the powers of Grantor for the purposes stated above.
- (h) No Requirement to Act.** Lender shall not be required to do any of the foregoing acts or things, and the fact that Lender shall have performed one or more of the foregoing acts or things shall not require Lender to do any other specific act or thing.

3.3 Application of Rents. All costs and expenses actually incurred by Lender in connection with the Property shall be for Grantor's account and Lender may pay such costs and expenses from the Rents. Lender shall determine the application of any and all Rents received by it; however, any such Rents received by Lender which are not applied to such costs and expenses shall be applied to the Indebtedness. All expenditures made by Lender under this Assignment and not reimbursed from the Rents shall become a part of the Indebtedness secured by this Assignment, and shall be payable on demand, with interest at the Default Rate charged under the Note from date of expenditure until paid.

3.4 Full Performance. If Grantor pays all of the Indebtedness when due and otherwise performs all the obligations imposed upon Grantor under this Assignment, the Loan Agreement, and the Related Documents, Lender shall execute and deliver to Grantor a suitable satisfaction of this Assignment and suitable statements of termination of any financing statement or file evidencing Lender's interest in the Rents and the Property. Grantor will pay, if permitted by applicable law, any reasonable termination fee as determined by Lender from time to time.

3.5 Expenditures by Lender. If Grantor fails to comply with any provision of this Assignment, or if any action or proceeding is commenced that adversely affects Lender's interests in the Property, Lender on Grantor's behalf may, but shall not be required to, take any action that Lender deems appropriate. Any amount that Lender expends in so doing will bear interest at the Default Rate charged under the Note from the date incurred or paid by Lender to the date of repayment by Grantor. All such expenses, at Lender's option, will (a) be payable on demand, (b) be added to the balance of the Note and be apportioned among and be payable with any installment payments to become due during the remaining term of the Note, or (c) be treated as a balloon payment which will be due and payable at the Note's maturity. This Assignment also will secure payment of these amounts. The rights provided for in this section shall be in addition to any other rights or any remedies to which Lender may be entitled on account of an Event of Default. Any

such action by Lender shall not be construed as curing the Event of Default so as to bar Lender from any remedy that it otherwise would have had.

SECTION 4: EVENTS OF DEFAULT; REMEDIES

4.1 Events of Default. A default in the performance of any obligation hereunder or any Event of Default under the Loan Agreement shall constitute an Event of Default hereunder.

4.2 Rights and Remedies. Upon the occurrence of any Event of Default that remains continuing, Lender may, at its option, exercise any one or more of the following rights and remedies, in addition to any other rights or remedies provided at law or in equity:

(a) **Accelerate Indebtedness.** Lender shall have the right without notice to Grantor to declare the entire Indebtedness immediately due and payable, including any prepayment fee which Grantor would be required to pay.

(b) **UCC Remedies.** Lender shall have all the rights and remedies of a secured party under the Uniform Commercial Code.

(c) **Collect Rents.** Lender shall have the right, without notice to Grantor, to take possession of the Property and collect the Rents, including amounts past due and unpaid, and apply the net proceeds, over and above Lender's costs, against the Indebtedness. In furtherance of this right, Lender may require any tenant or other user of the Property to make payments of rent or use fees directly to Lender. If Lender collects the Rents, then Grantor irrevocably designates Lender as Grantor's attorney-in-fact to endorse instruments received in payment thereof in the name of Grantor and to negotiate the same and collect the proceeds. Payments by tenants or other users to Lender in response to Lender's demand shall satisfy the obligations for which the payments are made, whether or not any proper grounds for the demand existed. Lender may exercise its rights under this subsection either in person, by agent, or through a receiver.

(d) **Mortgagee in Possession and Receiver.** Lender shall have the right to be placed as mortgagee in possession or to have a receiver appointed to take possession of all or any part of the Property, with the power to protect and preserve the Property, to operate the Property preceding foreclosure or sale, and to collect the Rents from the Property and apply the proceeds, over and above the cost of the receivership, against the Indebtedness. The mortgagee in possession or receiver may serve without bond if permitted by law. Lender's right to the appointment of a receiver shall exist whether or not the apparent value of the Property exceeds the Indebtedness by a substantial amount. Employment by Lender shall not disqualify a person from serving as a receiver.

(e) **Other Rights and Remedies.** Lender shall have all other rights and remedies provided in this Assignment, the Loan Agreement or available at law or in equity.

4.3 Election of Remedies. Election by Lender to pursue any remedy shall not exclude pursuit of any other remedy, and an election to make expenditures or take action to perform an

UNOFFICIAL COPY

obligation of Grantor under this Assignment after failure of Grantor to perform shall not affect Lender's right to declare a default and exercise its remedies under this Assignment.

4.4 Attorneys' Fees; Expenses. If Lender institutes any suit or action to enforce any of the terms of this Assignment, Lender shall be entitled to recover attorneys' fees at trial and on any appeal. Whether or not any court action is involved, all expenses incurred by Lender that in Lender's opinion are necessary at any time for the protection of its interest or the enforcement of its rights shall become a part of the Indebtedness payable on demand and shall bear interest from the date of expenditure until repaid at the Default Rate under the Note. Expenses covered by this paragraph include, without limitation, however subject to any limits under applicable law, Lender's reasonable attorneys' fees and Lender's legal expenses whether or not there is a lawsuit, including attorneys' fees for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals and any anticipated post-judgment collection services, the cost of searching records, obtaining title reports (including foreclosure reports), surveyors' reports, and appraisal fees, and title insurance. Grantor also will pay any court costs, in addition to all other sums provided by law.
