- 1. Payment of Colebtedness. Borrower shall pay, promptly when due, all indebtedness required to be paid pursuant to the Note; all charges, fees and other sums provided in the Loan Documents; and all other amounts, obligations and indebtedness secured by this Mortgage (collectively, the "Indebtedness"), and Borrower hereby waives all rights that now or hereafter are conferred by statute or otherwise to assert, any right to any demand, counterclaim, offset, deduction or defense.

So long as any Senior Encumbrance is in effect, in the event of any conflict between the provisions of this Mortgage and the Senior Encumbrance, the provisions of the Senior Encumbrance shall prevail. Any waiver or forbearance by the beneficiary under any Senior Encumbrance shall not impair the priority of its lien under the Senior Encumbrance.

Notwithstanding any provision of this Mortgage to the contrary, Borrower may refinance any loan, including a Permitted Refinancing (as defined in Section 34) which is superior and/or subordinate to the loan secured by this Mortgage so long as (i) the principal balance of the superior and/or subordinate loan being refinanced ("New Loan") does not exceed the outstanding balance of the original superior and/or subordinate loan, as the case may be, at the time of such refinancing plus the reasonable cost of such refinancing, (ii) the maker of the New Loan is an institutional or governmental lender and (iii) the New Loan is on the then-existing market terms and conditions for loans of its type. This Mortgage shall automatically be deemed subordinated to the lien of any mortgage securing any such New Loan or any such Permitted Refinancing at the time such refinancing takes place and Lender hereby agrees, at the request of any lender making a New Loan or Permitted Refinancing, to execute at the time such refinancing takes place a subordinate agreement in recordable form to further the intent of this Section 2.

If the casualty affects only part of the Project and total rebuilding is infeasible, Borrower shall have the right to use the proceeds for partial rebuilding and partial repayment of the Loan. Subject to Lender's consent, which may be granted or denied in its reasonable discretion, the Note may be reamortized on terms acceptable to the Lender if a partial pre-payment is made from insurance proceeds received as the result of damage to or the partial destruction of the Mortgaged Property, and there is a resulting loss of income from the Mortgaged Property.

- 9. <u>Further Representations, Warranties and Coverants of Borrower</u>. To induce Lender to make any loan secured hereby, in addition to all other covenants, representations and warranties contained in this Mortgage, Borrower further represents, warrants and covenants, as of the date hereof and until the Indebtedness is paid in full and all other obligations of Borrower under this Mortgage or any of the other Loan Documents are performed in full, as follows:

In no event shall such actions by Lender be construed as a waiver of any Event of Default. The amount of all moneys paid for any of the purposes herein authorized, all expenses paid or incurred in connection therewith, including reasonable attorneys' fees, and all other moneys advanced by Lender to protect the Mortgaged Property and the lien of this Mortgage shall be additional Indebtedness secured hereby and shall become immediately due and payable without notice.

The Lender and the Borrower acknowledge to one another that the Lender and/or an affiliate thereof is acting in multiple capacities with respect to the Project. Accordingly, the Lender and the Borrower agree that nothing in this Mortgage or under any of the Loan Documents associated with the financing, construction, completion, operations and/or maintenance of the Project to which the Borrower or the Lender is a party is intended, nor shall it be construed, to abrogate or diminish any obligations that the Lender or its affiliate may have to the Project, the Borrower, and the Master Tenant and its respective members, whether expressly contained in the project documents to which Lender or its affiliate is a party or implied by law, for so long as the Lender or its affiliate is an affiliate of The Community Builders, Inc. ("TCB"). Notwithstanding anything

to the contrary in any of the Loan Documents, the occurrence of any default under the Loan Documents that arises either directly or indirectly from any breach by any affiliate of TCB of its obligations under a project document to which it is a party shall not constitute a default by the Borrower hereunder.

- 13. <u>Lender's Remedies on Default</u>. Upon the occurrence of any Event of Default (after the expiration of any notice and cure periods set forth herein) and subject to the rights of the senior lienholders identified in Section 2, then:

- 20. <u>No Discharge of Borrower's Liability</u>. In the event of the voluntary sale or transfer, by operation of law or otherwise, of all or any part of the Mortgaged Property, Lender is hereby authorized and empowered to deal with such vendee or transferee with reference to the Mortgaged Property on the terms or conditions hereof, as fully and to the same extent as it might with Borrower, without in any way releasing or discharging Borrower from Borrower's liability, covenants or undertakings hereunder.

In any action to foreclose, the Lender shall be entitled to the appointment of a receiver of the Mortgaged Property as a matter of right, and without notice, with power to collect the rents, issues, and profits of the Mortgaged Property which are due or become due during the pendency of such foreclosure suit, and with powe to manage the Mortgaged Property throughout. The Borrower, for itself and any subsequent owner.
