The terms and conditions of this Assignment are cumulative to, and not in substitution of, the terms and conditions of the Credit Agreement and the terms and conditions hereof shall prevail in the event of any inconsistency.

3. **No Assumption of Liability.** Nothing herein shall be interpreted as constituting or comprising an assumption by Assignee of any of the Assignor's liabilities or obligations of any nature as may be set forth under the Contracts. Such obligations can and will only be assumed by Assignee upon Assignee's written confirmation of such.

4. **Warranties and Representations.** Assignor warrants and represents to Assignee and Assignee's successors and assigns that:

- (a) Assignor has good right and authority to make and enter into this Assignment;

UNOFFICIAL COPY

- (b) Assignor has not heretofore alienated, assigned, pledged or otherwise disposed of or encumbered the Contracts or any portions thereof, or any of the sums due or to become due thereunder or otherwise assigned hereunder;
- (c) Assignor has not performed any acts or executed any other instruments which might prevent Assignee from deriving the full benefits of any of the terms and conditions of this Assignment or which would limit Assignee in enjoying such benefits;
- (d) Assignor has not accepted, anticipated or collected any income or benefits due or to become due under the Contracts for any period subsequent to the date of this agreement;
- (e) Assignor has not executed or granted any amendment or modification of any of the Contracts, either orally or in writing, which would modify the provisions of the Contracts in that form as has been previously submitted to Assignee;
- (f) There is no default under any Contract now existing, and no event has occurred and is continuing that, with the lapse of time or the giving of notice or both, would constitute an event of default under any Contract; and
- (g) Each lease or leasehold interest that any party may have affecting the mortgaged property is subordinate to the mortgage interest of the Assignee either through a separate subordinate agreement or the terms of the lease itself.

5. Protective Covenants. Assignor hereby covenants and agrees:

- (a) Promptly to observe, perform and discharge the obligations and conditions of this Assignment and all other obligations and agreements as contained in the Note and in all other documents executed in connection therewith or otherwise pertaining thereto;
- (b) To enforce the performance of each and every obligation, term, covenant, condition and agreement to be performed by the obligors under all Contracts;
- (c) To appear in and defend any action or proceeding arising under or in any manner connected with the Contracts, or the obligations, duties or liabilities of Assignor under the Contracts and upon request by Assignee, to do so in the name of and on behalf of the Assignee, but at the expense of the Assignor;
- (d) Not to cancel or accept the surrender of any Contract except in the ordinary course of business;
- (e) Not to reduce any payment obligations due under any Contract except in the ordinary course of business or accept payments under any Contract more than one month in advance of their due dates, provided however, this covenant shall not apply to payments received in connection with lease terminations or modifications;

UNOFFICIAL COPY

- (f) Not to change, amend, alter or modify any Contract or any term or provision thereof, or grant any concession in connection therewith except in the ordinary course of business;
- (g) Not to consent to the release of any obligations owed by any party or guarantor of the Contracts except in the ordinary course of business;
- (h) Not to assign, pledge, encumber or otherwise transfer any Contract or Assignor's rights thereunder except to Assignee;
- (i) To execute any other documents as may be reasonably required by Assignee in furtherance of the goals and intentions of this Assignment.

6. Further Assurance. Assignor also covenants and agrees that Assignor will, upon the request of Assignee, execute and deliver to Assignee such further reasonable instruments and do and perform such other acts and things as Assignee may deem reasonably necessary or appropriate to make this Assignment and the various covenants of Assignor herein contained effective and to more effectively vest in and secure to Assignee the sums due or hereafter to become due under the Leases or the Contracts. This covenant and agreement shall include, without limitation, the execution of such additional assignments as shall be deemed reasonably necessary by Assignee to effectively vest in and secure to Assignee all rents, income and profits from any and all Leases or the Contracts. Assignor further agrees that it will, from time to time upon demand therefor, deliver to Assignee an executed counterpart of each and every Lease or Contract then pertaining to all or any portion of the Mortgaged Property.

7. Events of Default. The occurrence of an Event of Default, as defined in the Credit Agreement, shall constitute an Event of Default hereunder.

8. Power of Attorney. Assignor hereby consents to and irrevocably authorizes and directs the tenants under the Leases and any successor to the interest of said tenants, from and after an Event of Default, upon demand and notice from Assignee of Assignee's right to receive the rents and other amounts under such Leases, to pay to Assignee the rents and other amounts due or to become due under the Leases, and said tenants shall have the right to rely upon such demand and notice from Assignee and shall pay such rents and other amounts to Assignee without any obligation or right to determine the actual existence of any default or event claimed by Assignee as the basis for Assignee's right to receive such rents and other amounts, notwithstanding any notice from or claim of Assignor to the contrary. Assignor shall have no right to claim against any tenant for any such rents and other amounts so paid by a tenant to Assignee.

Notwithstanding the foregoing provisions which shall be construed as making and establishing a present and absolute transfer and assignment of the Leases and the rents, earnings, issues, income and profits arising therefrom, so long as no Even of Default shall exist under the Note, this Assignment, or the Credit Agreement and so long as no event shall exist which by lapse of time or service or notice, or both, has or would become an Event of Default thereunder or hereunder,

UNOFFICIAL COPY

Assignor shall have the right and license to occupy the Mortgaged Property as landlord or otherwise and to collect, use, and enjoy the rents, issues and profits and other sums payable under and by virtue of any Lease assigned hereby, but, as to such rents, issues and profits and other sums, only as the same become due under the provisions of such Lease, to enforce the covenants of the Leases and otherwise conduct its everyday business activities as Landlord of the Mortgaged Property.

Upon the occurrence of an Event of Default hereunder or under the Credit Agreement or under the Note, Assignee, at its option, shall have the complete right, power and authority to do any or all of the following:

- (a) To terminate the right and license granted to Assignor in the paragraph immediately preceding and thereafter, without notice to Assignor and without taking possession of the Mortgaged Property, to demand, collect and receive and sue for the rents, proceeds and other sums payable under the Leases and the Contracts and, after deducting all necessary and proper costs and expenses (including attorneys' fees) of collection as determined by Assignee, to apply the net proceeds thereof upon any indebtedness secured hereby;
- (b) To declare all sums secured hereby immediately due and payable, and, at its option, to exercise all of the rights and remedies contained herein, in the Note and in the Credit Agreement;
- (c) Without regard to the adequacy of the security, with or without process of law, personally or by agent or attorney, or under the Credit Agreement, or by a receiver to be appointed by court, then and thereafter to enter upon, take and maintain possession of and operate the Mortgaged Property, or any part thereof, together with all documents, books, records, papers, and accounts relating thereto and hold, operate, manage and control the Mortgaged Property, or any part thereof, as fully and to the same extent as Assignor could do if in possession and in such event, without limitation and at the expense of Assignor, from time to time, cause to be made all necessary or proper repairs, renewals, replacements, useful alterations, additions, betterments and improvements to the Mortgaged Property, or any part thereof, as Assignee deems judicious, and pay taxes, assessments and proper charges on the Mortgaged Property, or any part thereof, and insure and reinsure the same, and lease the Mortgaged Property, or any part thereof, for such times and on such terms as Assignee deems desirable, including leases for terms expiring beyond the maturity of the indebtedness secured by the Credit Agreement, and cancel any lease or sublease for any cause or on any ground which would entitle Assignor to cancel the same.
- (d) To terminate any management contract or any other contract or agreement between Assignor and the manager of all or any portion of the Mortgaged.

Should Assignee exercise the rights granted herein upon the occurrence of an Event of Default hereunder or under the Note or Credit Agreement, then Assignee may, at its option, credit the net amount of income which Assignee may receive by virtue of this Assignment and from the

UNOFFICIAL COPY

Mortgaged Property to any and all amounts due or owing to Assignee under the terms and provisions of the Note, this Assignment and the Credit Agreement, which net income shall include (a) the just and reasonable compensation for the services of Assignee, its attorneys and agents in connection with the operation, management and control of the Mortgaged Property and the conduct of the business thereof, and (b) such further sums as may be sufficient to indemnify Assignee from and against any liability, loss or damage on account of any matter or thing done in good faith pursuant to the rights and powers of Assignee hereunder. The balance of such net income shall be released to or upon the order of Assignor. The manner of the application of such net income and the item that shall be credited shall be within the sole discretion of Assignee.

The acceptance by Assignee of this Assignment, with all of the rights, powers, privileges and authority so created, shall not, neither prior to entry upon and taking possession of the Mortgaged Property by Assignee nor thereafter, be deemed or construed to constitute Assignee as a Mortgagee in possession or in any event to impose any obligation whatsoever upon Assignee to appear in or defend any action or proceeding relating to the Leases, the Contracts or the Mortgaged Property, or to take any action hereunder, or to expend any money or incur any expenses, or perform or discharge any obligation, duty or liability under the Leases or the Contracts, or to assume any obligation or responsibility for any security deposits or other deposits delivered to Assignor by any tenant and not assigned and delivered to Assignee or render Assignee liable in any way for any injury or damage to person or property sustained by any person, firm or corporation in or about the Mortgaged Property.

Assignor agrees that neither the collection of rents and the application thereof as provided for herein nor the entry upon and taking of possession of the Mortgaged Property, or any part thereof, by Assignee shall cure or waive any default or waive, modify or affect any notice of default under the Note or the Credit Agreement, or invalidate any act done pursuant to such notice, and the enforcement of such right or remedy by Assignee, once exercised, shall continue for so long as Assignee shall elect. If Assignee shall thereafter elect to discontinue the exercise of any such right or remedy, the same or any other right or remedy hereunder may be reasserted at any time and from time to time upon any subsequent default.

9. **Rights Cumulative.** The rights and remedies of Assignee hereunder are cumulative and not in lieu of, but are in addition to, any rights or remedies which Assignee shall have under the Note, the Credit Agreement or at law or in equity, and such rights and remedies may be exercised by Assignee either prior to, simultaneously with, or subsequent to, any action taken hereunder. Such rights and remedies of Assignee may be exercised from time to time and as often as such exercise is deemed expedient by Assignee in its absolute discretion, and the failure of Assignee to avail itself of any of the terms, provisions and conditions of this Assignment or any rights granted herein for any period of time, at any time or times, shall not be construed or deemed to be a waiver of any rights under the terms hereof.

The right of Assignee to collect and receive the rents assigned hereunder or to take possession of the Mortgaged Property, or to exercise any of the rights or powers herein granted to Assignee shall, to the extent not prohibited by law, also extend to the period from and after the filing of any suit to foreclose the lien of the Credit Agreement, including any period allowed by law for the redemption of the Mortgaged Property after any foreclosure sale.

10. Indemnification. Assignor agrees to indemnify and hold Assignee harmless of and from and against any and all liability, loss, damage or expense, which Assignee may or might incur under or by reason of this Assignment, and of and from any and all claims and demands whatsoever which may be asserted against Assignee by reason of any alleged obligation or undertaking on the part of Assignee to perform or discharge any of the terms, covenants or agreements contained in the Leases or the Contracts but for the exercising of Assignee's rights hereunder which acts constitute gross negligence or willful misconduct. Should Assignee incur any such liability, loss or damage under or by reason of this Assignment, or in the defense against any such claims or demands, the amount thereof, including costs, expenses and reasonable attorneys' fees, together with interest thereon at the rate provided for in the Note subsequent to default, shall be secured by this Assignment and by the Credit Agreement, and Assignor shall reimburse Assignee therefor immediately upon demand, and upon failure of Assignor so to do, Assignee may declare all sums secured hereby immediately due and payable.

11. Subordination of Management Contract. Assignor does hereby agree to subordinate to the debt service payable under and pursuant to the Note all fees that the Assignor or its affiliates, agents or employees may be entitled to receive in connection with the operation, management or administration of the Mortgaged Property. Assignor further agrees that should an Event of Default occur, Assignee shall have the right, without cause or further compensation payable, to terminate Assignor's right to provide management, leasing, administrative or other services.

12. Miscellaneous. This Assignment shall be governed by the laws of the State of Arkansas. This Assignment shall be assignable by Assignee and all representations, warranties, obligations, covenants, powers and rights herein contained shall be binding upon, and inure to the benefit of, Assignor and Assignee and their respective successors and assigns.

13. WAIVER OF JURY TRIAL RIGHT. ASSIGNOR HEREBY WAIVES ASSIGNOR'S RIGHT TO A JURY TRIAL IN THE EVENT OF ANY DISPUTE OR LITIGATION ARISING HEREUNDER OR UNDER ANY RELATED DOCUMENTS EXECUTED IN CONNECTION HERewith.

14. Severability. In the event that any one or more of the provisions contained in this Assignment or in any other loan document executed in connection herewith shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision of this Assignment or any other Loan Document executed in connection herewith, and in lieu of such invalid, illegal or unenforceable provision there shall be added automatically as part of this Assignment or any other Loan Document executed in connection herewith a provision as similar in terms to such invalid, illegal or unenforceable provision as may be possible and be valid, legal and unenforceable thereafter.
