ASSIGNMENT OF RENTS

THIS ASSIGNMENT OF RENTS ("Assignment"), made as of September 29, 2020, by 9400 55TH STREET INVESTORS, LLC, a Delaware limited liability company ("Assignor"), with the mailing address of c/o High Street Logistics Properties, LLC, 600 Unicorn Park Drive, Second Floor, Woburn, Massachusetts 01801, to UNITED OF OMAHA LIFE INSURANCE COMPANY, a Nebraska corporation ("Assignee"), with the address of Attention: Commercial Mortgage Division, 3300 Mutual of Omaha Plaza, Omaha, Nebraska 68175-1008.

RECITALS:

A. Assignor is the owner of certain land situated in Cook County, Illinois, legally described in Exhibit "A" annexed hereto and made a part hereof and the buildings and other improvements thereon and appurtenances thereto (herein collectively called the "Premises").

B. Assignor, concurrently herewith, is executing and delivering to Assignee: (i) a Promissory Note dated as of the date hereof (herein, together with all notes issued and accepted in substitution or exchange therefor, and as any of the foregoing may from time to time be modified, extended, renewed, consolidated, restated or replaced, called the "Note") in the principal amount of THIRTEEN MILLION THREE HUNDRED SEVENTY-FIVE THOUSAND AND NO/100 DOLLARS (\$13,375,000.00); and (ii) a Mortgage, Security Agreement,

UNOFFICIAL COPY

and Financing Statement dated as of the date hereof (herein called the "Security Instrument") (capitalized terms not defined herein shall have the meanings ascribed to them in the Security Instrument).

C. Assignee, as a condition of its Loan, has required the execution of this Assignment.

NOW, THEREFORE, in consideration of the Recitals and other valuable consideration the receipt and sufficiency of which are hereby acknowledged, Assignor hereby grants, transfers, bargains, sells, assigns, conveys, and sets over unto Assignee, its successors and assigns, all right, title and interest of Assignor in and to all leases and subleases and other tenancy agreements now affecting or which may hereafter affect the Premises or any part or parts thereof and all guarantees, modifications, renewals and extensions thereof (herein collectively called the "Leases" and singularly a "Lease"), and all deposits made or hereafter made in respect of the Leases, together with all of the rents, income, revenues, issues and profits, including, without limitation, any Lease extension, renewal and termination fees (herein called the "Rents"), due and to become due or to which Assignor may now or hereafter become entitled, arising out of the Leases, the Premises or any part thereof.

Upon satisfaction of the obligations secured by the Security Instrument (the "Obligations"), this Assignment shall be and become null and void and the recording of a satisfaction of the Security Instrument or other evidence of the release of the Security Instrument shall evidence the release of this Assignment; otherwise, this Assignment shall remain in full force and effect.

AND TO PROTECT THE SECURITY OF THIS ASSIGNMENT, ASSIGNOR AGREES:

1. Performance of Leases. To faithfully abide by, perform and discharge each and every obligation, covenant and agreement under any and all Leases to be performed by the landlord thereunder; to observe and comply with all provisions of law applicable to the operation and ownership of the Premises; to enforce or secure the performance of each and every obligation, covenant, condition and agreement of said Leases by the tenants thereunder to be performed; not to borrow against, pledge or assign any Rents; not to anticipate the Rents or reduce the amount of the Rents or other payments under the Leases; and not to waive, excuse, condone or in any manner release or discharge the tenants thereunder of or from the obligations, covenants, conditions and agreements by said tenants to be performed, including the obligation to pay the rental called for thereunder in the manner and at the place and time specified therein.

2. Protect Security. At Assignor's sole cost and expense, to appear in and defend any action or proceeding arising under, growing out of or in any

UNOFFICIAL COPY

manner connected with the Leases or the obligations, duties or liabilities of Assignor and tenants thereunder, and to pay all costs and expenses actually incurred by Assignee, including reasonable attorneys' fees (which term as used in this Assignment shall include any and all reasonable legal fees and expenses actually incurred by Assignee in connection with litigation, mediation, arbitration or other alternative dispute resolution), in any such action or proceeding in which Assignee may appear. Assignor represents and warrants that it is now and will be the absolute owner of the Leases and the Rents with full right and title to assign the same; that there is no outstanding assignment or pledge of the Leases or of the Rents; that no Rents have been waived, anticipated, discounted, compromised or released, except as may be permitted by the Leases; and that, to Assignor's knowledge, the tenants have no defenses, setoffs or counterclaims against Assignor. Assignor agrees to use commercially reasonable efforts to keep the Premises fully leased at rentals equivalent to or greater than rentals achieved from comparable properties.

3. Present Assignment of Rents.

(a) This Assignment is intended to be and shall constitute a specific, choate and perfected absolute assignment from Assignor to Assignee of all of Assignor's right, title and interest in and to the Leases and Rents, and not an assignment in the nature of a pledge of such Leases and Rents or the mere grant of a security interest therein.

(b) Notwithstanding that this Assignment is effective immediately, so long as no Event of Default has occurred and is continuing, Assignor shall have the privilege under a revocable license granted hereby to collect as they become due, but not prior to accrual, all Rents from the Premises and to receive and hold the same. Assignor shall receive and hold such Rents, as well as the privilege and license to receive such Rents, in trust as a fund to be applied, and Assignor hereby covenants and agrees that such Rents shall be so applied, first to the payment of real estate taxes and other lienable assessments imposed upon the Premises, then to the cost of insurance, maintenance and repairs of or with respect to the Premises, then to the satisfaction of Assignor's obligations under the Leases, and then to the payment of interest and principal and other sums becoming due under the Obligations, before retaining and/or disbursing any part of the Rents for any other purpose. Should all or any portion of such Rents be utilized other than as herein provided, Assignor, and all those who participate in such action, shall, immediately from and after the occurrence of an Event of Default without further notice or demand or acceleration of the Obligations, be liable to Assignee for conversion.

4. Remedies. Upon the occurrence of an Event of Default and during its continuance, Assignee may, at its option, without notice:

UNOFFICIAL COPY

(a) in the name, place and stead of Assignor: (i) enter upon, manage and operate the Premises or retain the services of an independent contractor to manage and operate the same; (ii) make, enforce, modify and accept surrender of the Leases; (iii) obtain or evict tenants, collect, sue for, fix or modify rentals and enforce all rights of Assignor under the Leases; and (iv) perform any and all other acts that may be necessary or proper to protect the security of this Assignment; or

(b) apply for, and Assignor hereby consents to, the appointment of a receiver of the Premises, whether or not proceedings for the foreclosure of the Security Instrument have been commenced, and if such proceedings have been commenced, whether or not a foreclosure sale has occurred.

The exercise of any of the foregoing rights or remedies shall not cure or waive any default under the Security Instrument or Note, or invalidate any act done by virtue of such default.

5. Application of Rents. All Rents collected by Assignee, or by a receiver, shall be held and applied, in such order as Assignee may determine:

(a) to payment of all reasonable fees of the receiver, if any, approved by the court;

(b) to the repayment when due of all tenant security deposits, with interest thereon (if required by the applicable Lease);

(c) to payment of all delinquent or current real estate taxes and special assessments payable with respect to the Premises, or if the Security Instrument requires periodic escrow payments for such taxes and assessments, to the escrow payments then due;

(d) to payment of all premiums then due for the insurance required by the provisions of the Security Instrument, or if the Security Instrument requires periodic escrow payments for such premiums to the escrow payments then due;

(e) to payment of expenses incurred for normal maintenance of the Premises; and

(f) to Assignee in payment of the Obligations in such order of application as Assignee may elect.

The rights and powers of Assignee under this Assignment, and the application of the Rents pursuant to this Section 5, shall continue and remain in full force and effect both before and after commencement of any action or proceeding to foreclose the Security Instrument, after the foreclosure sale of the Premises in

UNOFFICIAL COPY

connection with the foreclosure of the Security Instrument, and until expiration of the period of redemption from any such foreclosure sale, whether or not any deficiency from the unpaid balance of the Obligations exists after such foreclosure sale.

6. No Liability for Assignee. Assignee shall not be obligated to perform or discharge nor does it hereby undertake to perform or discharge any obligation, duty or liability under the Leases; this Assignment shall not operate to place responsibility for the control, care, management or repair of the Premises upon Assignee nor for the carrying out of any of the terms and conditions of the Leases; and this Assignment shall not operate to make Assignee responsible or liable for any waste committed on the Premises by the tenants or any other party, or for any dangerous or defective condition of the Premises, or for any negligence in the management, upkeep, repair or control of the Premises resulting in loss or injury or death to any tenant, licensee, employee or stranger.

7. Assignor To Hold Assignee Harmless. Assignor shall and does hereby agree to indemnify, defend and to hold Assignee harmless of and from any and all liability, loss or damage which it may or might incur under the Leases or under or by reason of this Assignment, except Assignee's gross negligence or willful misconduct, and of and from any and all claims and demands whatsoever which may be asserted against it by reason of any alleged obligations or undertakings on its part to perform or discharge any of the terms, covenants or agreements contained in the Leases. Should Assignee incur any such liability, loss or damage under the Leases or under or by reason of this Assignment, or in the defense of any such claims or demands, the amount thereof, including costs, expenses and reasonable attorneys' fees, shall be secured hereby and Assignor shall reimburse Assignee therefor within five (5) days of demand, and upon the failure of Assignor so to do, Assignee may declare all Obligations immediately due and payable.

8. Remedies Not Exclusive. This Assignment shall in no way operate to prevent Assignee from pursuing any remedy which it now has or hereafter may have under the terms or conditions of the Security Instrument or Note or any other instrument securing the same, or by law.

9. Authorization to Tenants. The tenants under each of the Leases are hereby irrevocably authorized and directed to recognize the claims of Assignee, or its assigns, hereunder without investigating the reason for any action taken by Assignee, or the validity or the amount of indebtedness owing to Assignee, or the existence of any default in the Note, Security Instrument or under or by reason of this Assignment, or the application of the Rents to be made by Assignee. Assignor hereby irrevocably directs and authorizes each tenant, upon the giving of any notice by Assignee that an Event of Default has occurred or that Assignee is entitled to exercise its rights hereunder (which

UNOFFICIAL COPY

notice Assignee agrees not to deliver until such circumstances exist), to pay to Assignee all sums due under its Lease and consents and directs that said sums shall be paid to Assignee without the necessity for a judicial determination that a default has occurred hereunder or under the Note or Security Instrument or that Assignee is entitled to exercise its rights hereunder. To the extent such sums are paid to Assignee, Assignor agrees that the tenant shall have no further liability to Assignor for the same. The sole signature of Assignee shall be sufficient for the exercise of any rights under this Assignment, and the sole receipt of Assignee for any sums received shall be a full discharge and release therefor to any such tenant or occupant of the Premises.

10. Existing Leases. Assignor hereby represents and warrants the following to Assignee:

(a) the Leases disclosed to Assignee that now affect the Premises constitute all of the leases, subleases and other tenancies in the Premises, have been, to Assignor's knowledge, duly executed and unconditionally delivered by the parties thereto and are valid, subsisting and in full force and effect;

(b) Assignor has not executed or granted any modifications or amendments of said Leases either orally or in writing;

(c) except as otherwise set forth in any tenant estoppel certificates delivered to Assignee prior to the date hereof, there are no defaults now existing under any of said Leases and, to Assignor's knowledge, no event has occurred that, with the delivery of notice or the passage of time or both, would constitute a default or which would entitle the landlord or the tenant under said Leases to cancel same or otherwise avoid their obligations thereunder;

(d) Assignor has not accepted advance rent in excess of one (1) month's rent under the said Leases, nor security deposits in excess of one (1) month's rent, except as otherwise disclosed in writing to Assignee; and

(e) Assignor has not executed an assignment of any of said Leases or of its right, title and interest therein or the rentals to accrue thereunder except as provided in the Security Instrument.

11. Assignee Attorney-in-Fact. Assignor hereby irrevocably appoints Assignee and its successors and assigns as its agent and attorney-in-fact to execute and deliver during the term of this Assignment such further instruments as Assignee may deem necessary to make this Assignment and any further assignment effective.

12. Notices. All notices, demands, consents or requests which are either required or desired to be given or furnished hereunder (a "Notice") shall be in writing and shall be deemed to have been properly given if either delivered

UNOFFICIAL COPY

personally or by overnight commercial courier or sent by United States registered or certified mail, postage prepaid, return receipt requested, to the address of the parties hereinabove set out. Such Notice shall be effective upon receipt or refusal if by personal delivery, the first Business Day (a day other than a Saturday, Sunday or holiday on which national banks are authorized to be closed) after the deposit of such Notice with an overnight courier service by the time deadline for next Business Day delivery if by commercial courier, and upon the earliest of receipt or refusal (which shall include a failure to respond to notification of delivery by the U.S. Postal Service) or five (5) Business Days following mailing if sent by U.S. Postal Service mail. By Notice complying with the foregoing, each party may from time to time change the address to be subsequently applicable to it for the purpose of the foregoing.

13. Amendments. This Assignment may not be changed orally, but only by an agreement in writing signed by the party against whom enforcement of any waiver, change, modification or discharge is sought.

14. Successors and Assigns. This Assignment and each and every covenant, agreement and other provision hereof shall be binding upon Assignor and its successors and assigns, including, without limitation, each and every from time to time record owner of the Premises or any other person having an interest therein, and shall inure to the benefit of Assignee, its successors and assigns.

15. Governing Law. This Assignment shall be construed and enforced according to and governed by the laws of Illinois (excluding conflicts of laws rules) and applicable federal law.

16. Severability. The unenforceability or invalidity of any provision hereof shall not render any other provision or provisions herein contained unenforceable or invalid.

17. No Mortgagee in Possession. Nothing herein contained, and no action taken pursuant to this Assignment, shall be construed as constituting Assignee as a "Mortgagee in Possession" in the absence of the taking of actual possession and control of the Premises by Assignee.

18. Costs of Collection. Assignor shall pay within five (5) days of demand all costs and expenses actually incurred by Assignee in enforcing or protecting its rights and remedies hereunder, including, but not limited to, all costs of collection and litigation together with reasonable attorneys' fees, including, without limitation, expert witness fees, any post-judgment fees, costs or expenses incurred on any appeal, in collection of any judgment, or in appearing and/or enforcing any claim in any bankruptcy proceeding. In the event of a judgment on the Note, Assignor agrees to pay to Assignee within five (5) days of demand all costs and expenses actually incurred by Assignee in

UNOFFICIAL COPY

satisfying such judgment, including, without limitation, reasonable attorneys' fees. It is expressly understood that such agreement by Assignor to pay the aforesaid post-judgment costs and expenses of Assignee is absolute and unconditional and (i) shall survive (and not merge into) the entry of a judgment for amounts owing hereunder and (ii) shall not be limited regardless of whether the Note or other obligation of Assignor or a guarantor, as applicable, is secured or unsecured, and regardless of whether Assignee exercises any available rights or remedies against any collateral pledged as security under any other Loan Documents for the Note and shall not be limited or extinguished by merger of the Note, Security Instrument or other Loan Documents into a judgment of foreclosure or other judgment of a court of competent jurisdiction, and shall remain in full force and effect post judgment and shall continue in full force and effect with regard to any subsequent proceedings in a court of competent jurisdiction including, but not limited to, bankruptcy court and shall remain in full force and effect after collection of such foreclosure or other judgment until such fees and costs are paid in full. Such fees or costs shall be added to Assignee's lien on the Premises that shall also survive foreclosure or other judgment and collection of said judgment.

19. Counterparts. This Assignment may be executed in any number of counterparts, each of which shall be deemed an original, but all of which when taken together shall constitute but one and the same instrument. Executed copies of the signature pages of this Assignment sent by electronic mail or transmitted electronically in Portable Document Format ("PDF") shall be treated as originals (provided that an original signature will be required for recording), fully binding and with full legal force and effect, and the parties executing and delivering this Assignment waive any rights they may have to object to such treatment (provided an original signature may be required for recording). Any party delivering an executed counterpart of this Assignment by electronic mail or PDF also shall deliver a manually executed counterpart of this Assignment, but the failure to deliver a manually executed counterpart shall not affect the validity, enforceability, and binding effect of this Assignment. The pages of any counterpart of this Assignment containing any party's signature or the acknowledgment of such party's signature hereto may be detached therefrom without impairing the effect of the signature or acknowledgment, provided such pages are attached to any other counterpart identical thereto except having additional pages containing the signatures or acknowledgments thereof of other parties.

20. Integration. This Assignment is intended by the parties hereto to be the final, complete and exclusive expression of the agreement between them with respect to the matters set forth herein. This Assignment supersedes any and all prior oral or written agreements relating to the subject matter hereof and may not be contradicted by evidence of prior, contemporaneous or subsequent oral agreements of the parties. There are no oral agreements between the parties.

21. Construction. Each of the parties hereto has been represented by counsel and the terms of this Assignment have been fully negotiated. This Assignment shall not be construed more strongly against any party regardless of which party may be considered to have been more responsible for its preparation.

22. No Waiver. Assignee shall not be deemed, by any act or omission or commission, to have waived any of its rights or remedies hereunder unless such waiver is in writing and signed by Assignee and then, only to the extent specifically set forth in the writing. A waiver with reference to one event shall not be construed as continuing or as a bar to or waiver of any right or remedy as to a subsequent event. Without limiting the generality of the foregoing, no waiver of, or election by Assignee not to pursue, enforcement of any provision hereof shall affect, waive or diminish in any manner Assignee's right to pursue the enforcement of any other provision.

23. Jurisdiction. Assignor hereby irrevocably submits to the non-exclusive jurisdiction of any United States federal or state court for Cook County, Illinois, in any action or proceeding arising out of or relating to this Assignment, and irrevocably agrees that all claims in respect of such action or proceeding may be heard and determined in such United States federal or state court. Assignor irrevocably waives any objection, including without limitation, any objection to the laying of venue or based on the grounds of *forum non conveniens*, that it may now or hereafter have to the bringing of any such action or proceedings in such jurisdiction. Assignor irrevocably consents to the service of any and all process in any such action or proceeding brought in any such court by the delivery of copies of such process to Assignor at its address specified for notices to be given hereunder or by certified mail directed to such address.

24. Time of Essence. Time is of the essence in this Assignment and all of the terms, provisions, agreements and conditions contained herein.

THE PARTIES HERETO, AFTER CONSULTING OR HAVING HAD THE OPPORTUNITY TO CONSULT WITH COUNSEL, KNOWINGLY, VOLUNTARILY, AND INTENTIONALLY WAIVE, TO THE FULL EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT THEY MAY HAVE TO A TRIAL BY JURY IN ANY LITIGATION BASED ON OR ARISING OUT OF THIS ASSIGNMENT, OR ANY RELATED INSTRUMENT OR AGREEMENT, OR ANY OF THE TRANSACTIONS CONTEMPLATED HEREBY OR ANY COURSE OF CONDUCT, DEALING, STATEMENTS, WHETHER ORAL OR WRITTEN, OR ACTION OF ANY PARTY HERETO. NO PARTY SHALL SEEK TO CONSOLIDATE BY COUNTERCLAIM OR OTHERWISE, ANY SUCH ACTION IN WHICH A JURY TRIAL HAS BEEN WAIVED WITH ANY OTHER ACTION IN WHICH A JURY TRIAL CANNOT BE OR HAS NOT BEEN WAIVED.
