Such proportionate share of the Common Expenses for each Unit Owner shall be in such amounts and at such times as determined in the manner provided by the By-Laws. If any Unit Owner shall fail or refuse to make any such payment of the Common Expenses when due, the amount thereof plus costs and expenses of collection including without limitation, late fees, costs and fees incurred by the Association as a result of its managing agent's effort to collect unpaid assessments, reasonable attorneys' fees, and costs shall constitute a lien on the interest of such Unit Owner in the Property as provided in the Act; provided however, said lien shall be subject as to priority to liens of first mortgages (or trust deeds) in accordance with Paragraph 13 below.

Such unpaid share of Common Expenses or assessments shall be deemed to be Common Expenses collectible from all other Unit Owners, including such acquirer, his/her successors and assigns.

14. Separate Mortgages:

Each Unit Owner shall have the right, subject to the provisions herein, to make a separate mortgage or encumbrance on his/her respective Unit together with his/her respective ownership interest in the Common Elements. No Unit Owner shall have the right or authority to make or create or permit to be made or created any mortgage or encumbrance or other lien on or affecting the Property or any part thereof, except only to the extent of his/her Unit and his/her respective ownership interest in the Common Elements.

15. Separate Real Estate Taxes:

It is understood that real estate taxes are to be separately taxed to each Unit Owner for his/her Unit and his/her corresponding percentage of ownership in the Common Elements, as provided in the Act. In the event that for any year such taxes are not separately taxed to each Unit Owner, but are taxed on the Property as a whole, then each Unit Owner shall pay his/her proportionate share thereof in accordance with his/her respective percentage of ownership interest in the Common Elements.

16. Woods Edge Homeowners' Association; Utilities:

(a) Each Unit Owner is personally obligated to pay those assessments allocated to Owners pursuant to the Declaration of Easements, Covenants and Restrictions for the Woods Edge Homeowners' Association, and said assessments shall be paid to and collected by the Board of this Association. Pursuant to the Declaration of the Woods Edge Homeowners' Association, assessments allocated to the Unit Owner of this Condominium Association shall not be deemed paid until received in total by the Woods Edge Homeowners' Association. Consequently, to the extent a Unit Owner does not pay his/her allocated share of the assessment allocated by Woods Edge Homeowners' Association to this Condominium Association, such deficiency shall be a Common Expense of this Association and each Unit Owner shall pay his/her proportionate share of said deficiency based upon their respective percentage of ownership as set forth in Exhibit A.

(b) Each Unit Owner shall pay for his/her own telephone, electricity and other utilities which are separately metered or billed to each user by the respective utility company. Utilities which are not separately metered or billed shall be treated as the Common Expenses.

Common Elements exclude floor, wall, and ceiling coverings. "Improvements and betterments" means all decorating, fixtures, and furnishings installed or added to and located within the boundaries of the Unit, including electrical fixtures, appliances, air conditioning and heating equipment, water heaters, built-in cabinets installed by Unit Owners, or any other additions, alterations, or upgrades installed or purchased by any Unit Owner.

The Board may engage the services of any bank or trust company authorized to do trust business in Illinois to act as trustee, agent or depository on behalf of the Board for the purpose of receiving and disbursing the insurance proceeds resulting from any loss, upon such terms as the Board shall determine consistent with the provisions of the Act and this Declaration. The fees of such corporate trustee shall be in Common Expense. In the event of any loss in excess of fifty thousand (\$50,000.00) dollars in the aggregate, the Board shall engage a corporate trustee as aforesaid, or in the event of any loss resulting in the destruction of the major portion of one or more Units, the Board shall engage a corporate trustee as aforesaid upon the written demand of the mortgagee or Owner of any Unit so destroyed.

The proceeds of such insurance shall be applied by the Board or by the corporate trustee on behalf of the Board for the reconstruction of a Building or shall be otherwise disposed of, in accordance with the provisions of this Declaration and the Act; and the rights of the mortgagee of any Unit under any standard mortgage clause endorsement to such policies shall, notwithstanding

The premium for such insurance shall be paid by the Unit Owner directly to his/her own insurance company or agency.

The Board shall not be responsible for obtaining insurance on any additions, alterations, or improvements made by any Unit Owner to his/her Unit unless and until such Unit Owner shall request the Board in writing so to do, and shall make arrangements satisfactory to the Board to reimburse the Board for any additional premiums attributable thereto; and upon the failure of such Unit Owner so to do, the Board shall not be obligated to apply any insurance proceeds to restore the affected Unit to a condition existing prior to the making of such additions, alterations, or improvements.

Each Unit Owner shall furnish and be responsible for, at his/her own expense, all of the maintenance, repairs and replacements for his/her own Unit and for the Limited Common Elements appurtenant to his/her Unit. Each Unit Owner shall also maintain, at his/her own expense, any fixtures including air conditioners or air condensers physically connected to his/her Unit or to his/her Garage and located on the Limited Common Elements, the interior of the Garage, the Garage door, the Garage door opener and the vinyl garage door trim. Maintenance, repairs and replacements of the Common Elements shall be furnished by the Board as part of the Common Expenses, subject to the rules and regulations of the Board. Except as otherwise provided, the Board shall provide the following normal and customary exterior maintenance of the Property: paint, repair, replace, and care for roofs, gutters, downspouts, exterior Building surfaces, and other exterior improvements; provided, however, that no exterior maintenance shall be provided with respect to the Limited Common Elements, including the Garage interior, door, door opener, and trim; glass surfaces; patio areas, whether enclosed or not; and any trees, shrubs, or other landscaping elements that Unit Owners have installed with the prior permission of the Board. At the discretion of the Board, maintenance, repairs and replacements of the Limited Common Elements may be undertaken and then assessed in whole or in part to Unit Owners benefitted thereby and further, at the discretion of the Board, it may direct such Unit Owners to arrange for such maintenance, repairs and replacements, to pay the cost thereof, and to procure and deliver to the Board such lien waivers and contractor's and subcontractor's sworn statements as may be required to protect the Property from all mechanic's or materialmen's lien claims that may arise therefrom.

The Board may cause to be discharged any mechanic's lien or other encumbrance which, in the opinion of the Board, may constitute a lien against the Property or Common Elements, rather than against a particular Unit and its corresponding percentage of ownership in the Common Elements. When less than all the Unit Owners are responsible for the existence of any such lien, the Unit Owners responsible shall be jointly and

UNOFFICIAL COPY

severally liable for the amount necessary to discharge the same and for all costs and expenses (including attorney fees) incurred by reason of such lien.

Whenever the Board shall determine, in its discretion, that any maintenance or repair of any Unit is necessary to protect the Common Elements or any other portion of a Building, the Board may cause a written notice of the necessity for such maintenance or repair to be served upon such Unit Owner, which notice may be served by delivering a copy thereof to any occupant of such Unit, or by mailing the same by certified or registered mail addressed to the Owner at the Unit or any other address provided by the Owner to the Association. If such Unit Owner fails or refuses to perform any such maintenance or repair within a reasonable time stated in the notice (or an extension thereof approved by the Board), the Board may cause such maintenance and repair to be performed at the expense of such Unit Owner.

If, due to the act or neglect of a Unit Owner, or of a member of his/her family or household pet or of a guest or other authorized occupant or visitor of such Unit Owner, damage shall be caused to the Common Elements or to a Unit or Units owned by others, or maintenance, repairs or replacements shall be required which would otherwise be at the Common Expense, then such Unit Owner shall pay for such damage and such maintenance, repairs and replacements, as may be determined by the Board.

To the extent that equipment, facilities and fixtures within any Unit or Units shall be connected to similar equipment, facilities or fixtures affecting or serving other Units or the Common Elements, then the use thereof by the individual Unit Owners shall be subject to the rules and regulations of the Board. The authorized representatives of the Board, or of the manager or managing agent, if any, shall be entitled to reasonable access to the individual Units as may be required in connection with maintenance, repairs, or replacements of or to the Common Elements or any equipment, facilities or fixtures affecting or serving other Units or the Common Elements.

The Board shall have exclusive authority to take or refrain from taking any action pursuant to this Section 18. All expenses which, pursuant to this Section 18, are chargeable to any Unit Owner, may be specifically assessed to such Unit Owner and shall be payable by such Unit Owner as prescribed by the Board.

19. Architectural Control Committee:

No Building, fence, wall or other structure shall be commenced, erected or maintained upon Property, nor shall any exterior addition to or change or alteration therein be made (including, but not limited to, change of color, landscaping, storm windows, storm doors and screen) until the plans and specifications showing the nature, kind, shape, height, materials, color and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Board, or by an architectural committee composed of three (3) or more representatives appointed by the Board.

The Board may authorize and charge Common Expenses (or in the case of Limited Common Elements may charge to the Unit Owner benefitted thereby) alterations and improvements of, and additions to, the Common Elements; provided, however, that in the event the costs for any alteration and addition to the Common Elements or Association owned property that is not included in the adopted annual budget, may be separately assessed and such separate assessment is subject to the approval of two-thirds (2/3) of the total votes of all Members. Any Unit Owner may make alterations, additions or improvements within his/her Unit without the prior written approval of the Board, but in any event such Unit Owner shall be responsible for any damage to other Units, the Common Elements, or the Property as a result of such alterations, additions, or improvements.

21. Decorating:

Each Unit Owner shall furnish and be responsible for, at his/her own expense, all of the decorating, within his/her own Unit from time to time including painting, wallpapering, washing, cleaning, paneling, floor covering, draperies, window shades, curtains, and interior decorating. The use of and the covering of the interior surfaces of windows, whether by draperies, shades or other items visible on the exterior of the Building, shall be subject to the rules and regulations of the Board. Decorating of the Common Elements (other than interior surface within the Units as above provided) shall be furnished by the Board as part of the Common Expenses.

22. Easements:

In the event that, by reason of the construction, settlement or shifting of a Building, or the design or construction of any Unit, any part of the Common Elements encroaches, or shall hereafter encroach upon any part of the Common Elements or any other Unit, or, if by reason of the design or construction of utility systems, any main pipes, ducts or conduits serving more than one Unit encroach or shall hereafter encroach upon any part of any Unit, valid easements for the maintenance of such encroachment are hereby established and shall exist for the benefit of such Unit and Common Elements, as the case may be, so long as all or any part of a Building containing such Unit shall remain standing; provided, however, that in no event shall a valid easement for any encroachment be created in favor of the Owner of any Unit or in favor of the Owners of the Common Elements if such encroachment occurred due to the willful conduct of said Owner or Owners.

The City of Palos Hills, internet providers and all other public utilities or other similar providers serving Property and the Woods Edge Associations are hereby granted the right to lay, construct, renew, operate and maintain conduits, cables, pipes, wires, transformers, switching apparatus and other equipment and mains and detention basins,

into and through the Common Elements for the purpose of providing services to the Property.

All easements and rights described herein are easements, appurtenant to and running with the land, perpetually in full force and effect, and at all times shall inure to the benefit of and be binding on the undersigned, its successors and assigns, and any Owner, purchaser, mortgagee and other person having an interest in said land or any part or portion thereof.

Reference in the respective deeds of conveyance or in any mortgage or trust deed or other evidence of obligation to the easements and rights described in this Section, or described in any other part of this Declaration, shall be sufficient to create and reserve such easements and rights to the respective grantees, mortgagees and trustees of such Property as fully and completely as though such easements and rights were recited fully and set forth in their entirety in such documents.

23. Use and Occupancy Restrictions:

(a) No Unit shall be used for other than residential purposes. Each Unit shall be used as a residence for a single family, and for no other purpose, by the Unit Owner and his/her family, or by a person or single family to whom the Unit Owner shall have leased his/her Unit, subject to provisions with respect to leasing contained in this Declaration. No Unit Owner shall offer for rental more than one Unit within the Property.

(b) Except as otherwise provided herein, all Units shall be Owner occupied as of the date of the adoption of this Declaration.

(1) No more than ten percent (10%) of the Units may be leased at any given time. Any Unit(s), which was leased as of the date of adoption of this Declaration may continue to be leased until such time as the current lease expires, so long as the Unit Owner provides a copy of the current lease in effect to the Association within ten (10) days of the effective date of this restriction. A Unit Owner's failure to provide a copy of the lease to the Board may result in the Board pursuing all legal remedies available to it, including enforcement of this restriction. Following the expiration of the current lease the Unit Owner must come into compliance with the terms of this restriction.

(2) Prior to allowing a Unit to be leased to a tenant, the Unit Owner must seek written approval from the Board of Directors to confirm the rental cap stated herein has not been reached and the Unit can be leased. After receiving such notice, the Board of Directors shall advise the Unit Owner if Units may be leased or whether the maximum number of leased Units within the Association has been reached. After approval, tenants are considered lessees. If, at the

UNOFFICIAL COPY

time of request, ten percent (10%) of the Units are leased, said Unit Owner shall be placed on a waiting list by the Board of Directors. When an existing Unit, which is leased, becomes Owner occupied or is otherwise sold or transferred, the Unit Owner of that Unit shall immediately notify the Board of Directors of such fact and that Unit cannot be leased until all prior Unit Owners on the waiting list, if any, have had a reasonable chance to allow their Unit to be leased. If the maximum number of Units are leased, the Board of Directors shall also notify the Unit Owner of the Unit Owner's position on the waiting list.

Immediate Family Members are not counted toward the ten percent (10%) overall limit on renters. An Immediate Family Member is a Unit Owner's spouse, widow, child, grandchild, parent, grandparent, or sibling. Proof of eligible relationship is required.

- (3) To avoid hardships and to meet special situations, in the event that ten percent (10%) of the Units are already leased, any Unit Owner may apply for a hardship waiver of enforceability of this restriction. What is considered a hardship shall be in the sole discretion of the Board of Directors. The Unit Owner must submit a request, in writing, to the Board requesting a hardship waiver, setting forth all reasons why he/she is entitled to same. If the Board determines a hardship exists, the Unit Owner requesting such hardship will be permitted to lease his/her Unit for a period of time not to exceed one (1) year. Once the lessee moves out or this period expires, whichever occurs first, the Unit Owner must come into compliance with this restriction. Failure to abide by all Rules and Regulations of the Association may result in revocation of hardship status.
- (4) If a Unit Owner elects to lease his/her Unit to a lessee, he/she shall not lease less than the entire Unit nor may the Unit be leased for transient or hotel purposes. All leases must be for a period of at least one (1) year and for no more than a period of two (2) consecutive years. Any Unit not occupied by the legal Owner of the Unit or by the Owner's Immediate Family Member shall be considered leased to the occupant and subject to the provisions of this and all other requirements of the Association. In the event that the legal ownership of any particular Unit is in trust, then this provision shall apply if the Unit is not occupied by the beneficiary of the trust or the beneficiary's Immediate Family Member as defined in subsection (b)(2).

- (5) Leases shall be in writing and shall be subject in all respects to the provisions of this Declaration, By-Laws, and Rules and Regulations of the Association, including those not related to leasing. Every lease shall prohibit subleasing.
- (6) No later than the date of occupancy or ten (10) days after the lease is signed, whichever occurs first, the Unit Owner shall provide the Board with the name and address of the potential lessee, as well as with a copy of the proposed lease, including rental fees, term of lease and any riders to the lease. The Board shall provide the Unit Owner with a "Rider to Lease" in the form prescribed by the Board from time to time, which shall be added to the lease and shall be signed by all parties to the lease.
- (7) Each Unit Owner shall be responsible for providing the lessee or Immediate Family Member with copies of the Declaration, By-Laws, and Rules and Regulations of the Association.
- (8) All costs and expenses, including attorney's fees, incurred by the Board in connection with any violations of this leasing restriction shall be assessed to the account of the Unit Owner responsible thereof as part of the Common Expenses.
- (9) A Unit Owner allowing an Immediate Family Member to occupy his/her Unit must provide the Board with information identifying the occupant(s), proof of relationship, and other information as deemed necessary by the Board to confirm lessor/lessee relationship does not exist. A copy of this information must be submitted to the Board within ten (10) days of occupancy. The Unit Owner must provide the Immediate Family Member with all the information and documents as would be supplied to any other lessee.
- (10) Each Unit Owner shall be responsible for the actions of his/her lessees or Immediate Family Members. If a lessee or Immediate Family Member violates any provision of the Declaration, By-Laws or Rules and Regulations, the Board, at its discretion, shall determine what action should be taken against the Unit Owner and/or lessee or Immediate Family Member, as the case may be. When the Board determines that a violation or series of violations warrant termination of the lease, the Board may take whatever action(s) are necessary to terminate the lease. All costs of said termination, including attorney's fees and court costs, shall be assessed to the Unit Owner.

(c) The Common Elements shall be used only for access, ingress and egress to and from respective Units by the respective families residing therein and their respective guests, household help and other authorized visitors, and for such other purposes which are incidental to the residential use of the respective Units.

(d) Nothing shall be done or kept in any Unit or in the Common Elements which will increase the rate of insurance on a Building, or contents thereof, applicable for residential use, without the prior written consent of the Board. No Unit Owner shall permit anything to be done or kept in his/her Unit or in the Common Elements which will result in the cancellation of insurance on the Building, or contents thereof, or which would be in violation of any law. No waste, refuse or rubbish shall be permitted in Limited Common Elements and/or the Common Elements, except in the facilities specifically provided therefor.

(e) Unit Owners shall not cause or permit anything to be placed on the outside walls of a Building or on the inside walls of the Common Elements, and no sign, awning, canopy, shutter, radio, satellite dish, or television antenna shall be affixed to or placed upon the exterior walls or roof or any part thereof, without the prior consent of the Board. The purpose of obtaining the consent of the Board is for the Board to confirm that the location in which the radio, satellite dish, or television antenna is being installed is in an area where the Owner has exclusive use and enjoyment.

(f) Only (1) dog or no more than two (2) cats or other ordinary pets are allowed to be kept in any Unit. No exotic pets of any kind are allowed. No animals of any kind shall be bred or maintained for any commercial purpose, in any Unit. All pets are subject to rules and regulations adopted by the Board and any such pet causing or creating a nuisance or unreasonable disturbance shall be permanently removed from the Property upon three (3) days' written notice from the Board.

(g) No illegal, noxious or offensive activity shall be carried on or in any Unit, Limited Common Elements, or in the Common Elements, nor shall anything be done therein, either willfully or negligently, which may be or become an annoyance or nuisance to the other Unit Owners or Occupants.

(h) No clothes, sheets, blankets, pool towels, or laundry of any kind or other articles shall be hung out or exposed on any part of the Common Elements. The Common Elements shall be kept free and clean of rubbish, debris and other unsightly materials.

(i) No Unit Owner shall overload the electric wiring in a Building, or operate any machines, appliances, accessories or equipment in such manner as to cause, in the judgment of the Board, an unreasonable disturbance to others. No Unit Owner shall use for their own personal use any electricity from the Common Elements.

(j) Motor vehicles in non-operative condition shall not be parked except in garages.

None of the following type items, boats, boat trailers, RVs and Motor Homes, trailers or any similar type items, except motor vehicles of a private passenger type, may be stored/parked on the Common Elements.

(k) No temporary Building, trailer, Garage, or building in the course of construction or other temporary structure situated on the Parcel shall be used, temporarily or permanently, as a residence.

(l) No lumber, metals, bulk materials, refuse or trash shall be kept, stored or allowed to accumulate, except building materials during the course of construction of any approved structure, on any Parcel. If trash or other refuse is to be disposed of by being picked up and carried away on a regular and recurring basis, containers may be placed in the open, on any day that pick-up is to be made, in such a place so as to provide access to persons making such pick-up. At all other times such containers shall be stored in such a manner that they cannot be seen from adjacent and surrounding property. The Board, at its discretion, may adopt and promulgate reasonable rules and regulations relating to the size, shape, color and type of containers permitted and the manner of storage of the same.

(m) No water pipes, sewer pipe or drainage pipe shall be installed or maintained on any Parcel above the surface of the ground, except hoses and movable pipes used for irrigation purposes and sump pump discharges. No Parcel shall be used for the purpose of boring, mining, quarrying, exploring for or removing oil or other hydrocarbons, minerals, gravel, or earth.

(n) No sign (including "For Sale" or "For Rent" signs) or other advertising device of any nature shall be placed upon any Unit or the Common Elements except name and address plates, or address plates, none of which shall exceed 240 square inches. The Board may establish other criteria with respect to form and location of such signs.

(o) No machinery or power-driven vehicles (i.e., snowmobiles, go-carts, mini-bikes, hoverboards, or motorized scooters), shall be placed or operated upon any portion of the Common Elements except such machinery as is usual in the maintenance of a private residence, private passenger vehicles, and delivery vehicles performing such service.

(p) No person shall obstruct, alter or in any way modify the established drainage pattern from, on, or over any Parcel; nor shall any person obstruct, alter or in any way modify any drainage swales, devices and/or facilities now installed or to be installed.

(q) Nothing herein shall exempt Unit Owners from the provisions of any ordinances of the Woods Edge Homeowners' Association which may be in conflict with above.

24. Remedies:

In the event of any default by any Unit Owner under the provisions of the Act, Declaration, By-Laws or rules and regulations of the Board, the Board or its agents shall have each and all of the rights and remedies which may be provided for in the Act,

UNOFFICIAL COPY

Declaration, By-Laws or said rules and regulations or which may be available at law or in equity, and may prosecute any action or other proceedings against such defaulting Unit Owner and/or others for enforcement of any lien and the appointment of a receiver for the Unit and ownership interest of such Unit Owner, or for damages or injunction or specific performances, or for judgments for payment of money and collection thereof, or the right to take possession of the Unit and/or to sell the same as hereinafter in this Section provided, or for any combination of remedies, or for any other relief. All expenses of the Board in connection with any such actions or proceedings, including court costs and attorney's fees and other fees and expenses and all damages, liquidated or otherwise, together with interest thereon at the highest rate per annum permissible under the laws of the State of Illinois until paid, shall be charged to and assessed against such defaulting Unit Owner, and shall be added to and deemed part of his/her respective share of the Common Expenses, and the Board shall have a lien for all of the same, as well as for non-payment of his/her respective share of the Common Expenses, upon the Unit and ownership interest in the Common Elements of such defaulting Unit Owner and upon all his/her additions and improvements thereto and upon all of his/her personal property in his/her Unit or located else where on the Property. In the event of any such default by any Unit Owner, the Board and the manager or managing agent, only if so authorized by the Board, shall have the authority to correct such default and to do whatever may be necessary for such purpose, and all expenses in connection therewith shall be charged to and assessed against such defaulting Unit Owner. Any and all such rights and remedies may be exercised at any time and from time to time, cumulatively or otherwise by the Board.

If any Unit Owner (either by his/her own conduct or by the conduct of any other occupant of his/her Unit) shall violate any of the covenants or restrictions or provisions of this Declaration or the regulations adopted by the Board, and such violation shall not be cured within thirty (30) days after notice in writing from the Board then the Board may terminate the rights of the said defaulting Owner to continue as a Unit Owner and to continue to occupy, use or control his/her Unit, and thereupon an action in equity may be filed by the Board against said defaulting Owner for a decree of mandatory injunction against said defaulting Owner or occupant or (subject to the prior consent in writing of any mortgagee having a security interest in the Unit Ownership of said defaulting Owner, which consent shall not be unreasonably withheld), in the alternative, for a decree declaring the termination of said defaulting Owner's right to occupy, use or control the Unit owned by him/her on account of said violation, and ordering that all the rights, title and interest of said defaulting Owner in the Property shall be sold (subject to the terms of any existing mortgage) at a judicial sale upon such notice and terms as the court shall determine, except that the court shall enjoin and restrain the said defaulting Owner from re-acquiring his/her interest at such judicial sale. Upon the confirmation of such sale, the purchaser shall thereupon be entitled to a deed to the Unit and the Unit Owner's corresponding percentage of ownership in the Common Elements, and to immediate possession of the Unit sold and may apply to the court for a writ of assistance for the purpose of acquiring such possession, and it shall be a condition of any such sale, and the

decree shall so provide that the purchaser shall take the interest in the Unit Ownership sold subject to this Declaration. Without limitation the generality of the foregoing, if any Unit Owner shall fail to pay his/her proportionate share of the Common Expense or of any other expenses required to be paid hereunder when due, the Board's rights and remedies shall include the right to take possession of such Unit Owner's interest in the Property and to maintain for the benefit of all the other Unit Owners an action for possession in the manner prescribed by "an act in regard to forcible entry and detainer," approved February 16, 1874, as amended, and now known as the Eviction Act.

25. Involuntary Sale:

(a) In the event any Unit Ownership or interest therein is sold at a judicial or execution sale (other than a mortgage foreclosure sale) the person acquiring title through such sale shall, before taking possession of the Unit Ownership so sold, give thirty (30) days written notice to the Board of his/her intention so to do, whereupon the Board acting on behalf of the other Unit Owners shall have an irrevocable option to purchase such Unit Ownership or interest therein at the same price for which it was sold at said sale. If said option is not exercised by the Board within said thirty (30) days after receipt of such notice, it shall thereupon expire and said purchaser may thereafter take possession of said Unit. The Board shall be deemed to have exercised its option if it tenders the required sum of money to the purchaser within said thirty (30) day period.

(b) In the event any Unit Owner shall default in the payment of any monies required to be paid under the provisions of any mortgage or trust deed against his/her Unit Ownership, the Board shall have the right to cure such default by paying the amount so owing to the party entitled thereto and shall thereupon have a lien therefor against such Unit Ownership, which lien shall have the same force and effect and may be enforced in the same manner as provided in Section 13 hereof.

(c) The Board shall not exercise the option hereinabove set forth to purchase any Unit Ownership or interest therein without the prior consent of Members having two-thirds (2/3) of the total votes, except if such purchase is the result of a judicial sale where the Association is foreclosing on its lien.

(d) Acquisitions of Unit Ownership or any interest therein under the provisions of this Section may be made from the maintenance funds or any other financing arrangement as the Board deems desirable. If said funds are insufficient, the Board shall levy an assessment against each Unit Owner as provided for and subject to Section 12 hereof.

If the members of the Board, in their discretion, borrow money to finance the acquisition of any Unit Ownership or interest therein authorized by this Section, no financing may be secured by an encumbrance or hypothecation of any portion of the Property other than the Unit Ownership or interest therein to be acquired.

(e) Title to Acquired Interest; Unit Ownership or interest therein acquired pursuant to the terms of this Paragraph shall be held of record in the name of the Board and their successors in office, the Association, or such nominee as the Board shall designate, for the benefit of all the Unit Owners.

26. Amendments:

The provisions of this Declaration may be changed, modified or rescinded by an instrument in writing setting forth such change, modification or rescission, signed by Members having at least two-thirds (2/3) of the total vote, and certified by the secretary of the Board; provided, however, that all lien holders of record have been notified if mortgage approval is required of such proposed change, modification or rescission, and an affidavit by said secretary certifying to such mailing is a part of such instrument, provided, however, that no provisions in this Declaration may be changed, modified or rescinded so as to conflict with the provisions of the Act. It is further provided that any amendments to the provisions in this Declaration may not be changed, modified or rescinded so as to conflict with the provisions of the Act.

Notwithstanding the provisions of the foregoing Paragraph, if the Act, or this Declaration or the By-Laws require the consent or agreement of a greater percentage of Members or of lien holders than set forth above for any action specified in the Act or in this Declaration, then any instrument changing, modifying or rescinding any provision of this Declaration with respect to such action shall be signed by such increased percentage of Members or the lien holders or both as required by the Act or this Declaration.

The change, modification or rescission, whether accomplished under either of the provisions of the preceding two paragraphs, shall be effective upon recordation of such instrument in the Office of the Recorder of Deeds of Cook County, Illinois; provided, however, that no provisions in this Declaration may be changed, modified, or rescinded so as to conflict with the provisions of the Condominium Property Act of the State of Illinois.

27. Notices:

Notices provided for in the Act, Declaration or By-Laws shall be in writing, and shall be addressed to the Board, or any Unit Owner, as the case may be at the address of the office of the Board of Directors (indicating thereon the number of respective Unit if addressed to a Unit Owner), or at such other address as hereinafter provided. The Board may designate a different address for notices to it by giving written notice of such change of address to all Unit Owners at such time. Any Unit Owner may also designate a different address or addresses for notices to him/her by giving written notice of his/her change of address to the Board and any Unit Owner may consent to the receipt of notice through acceptable technological means. Notices addressed as above shall be deemed delivered when mailed by United States registered or certified mail or when delivered in person with written acknowledgment of the receipt thereof or by receipt through acceptable technological means if consented in writing by the Unit Owner.

UNOFFICIAL COPY

Upon written request to the Board, the holder of any recorded mortgage or trust deed encumbering any Unit shall be given a copy of all notices permitted or required by this Declaration to be given to the Unit Owner or Owners whose Units are subject to such mortgage or trust deed, including without limitation, any notice of default which may be sent to said Unit Owner or Owners.

The Board of Directors shall further provide any mortgage holder upon request written notification of any of the following events at least thirty (30) days prior to the effective date thereof:

- (a) changes in any of the Condominium Instruments;
- (b) changes in condominium management (not to include change in employees of management agent), if any;
- (c) any declaration of default against said holder in the performance of any of its obligations;
- (d) any removal of the Condominium Property from the Act;
- (e) any condemnation or eminent domain proceeding affecting the condominium regime or any portion thereof; and
- (f) any significant damage or destruction to the Common Elements.

The Board of Directors shall further permit all first mortgagees the right to examine the books and records of the Association during normal business hours.

28. Rights and Obligations:

Each grantee of Declarant by the acceptance of a deed of conveyance, and each purchaser under any contract for such deed of conveyance, accepts the same subject to all restrictions, conditions, covenants, reservations, liens and charges, and the jurisdiction, rights and powers created or reserved by this Declaration, and all rights, benefits and privileges of every character hereby granted, created, reserved or declared, and all impositions and obligations hereby imposed shall be deemed and taken to be covenants running with the land, and shall bind any person having at any time any interest or estate in said land, and shall inure to the benefit of such person in like manner as though the provisions of this Declaration were recited and stipulated at length in each and every deed of conveyance. Reference in the respective deed of conveyance, or in any mortgage or trust deed or other evidence of obligation to the rights described in this Paragraph or described in any other part of this Declaration or the By-Laws shall be sufficient to create and reserve such easements and rights to the respective grantees, mortgagees and trustees of such Unit Ownerships as fully and completely as though such rights were recited fully and set forth in their entirety in such documents.

29. Eminent Domain:

(a) Upon the withdrawal of any Unit or portion thereof due to eminent domain, the percentage interest in the Common Elements appurtenant to such Unit or proration thereof shall be reallocated among the remaining Units on the basis of the percentage of interest of each remaining Unit. If only a portion of the Unit is withdrawn,

UNOFFICIAL COPY

the percentage of interest appurtenant to that Unit shall be reduced accordingly, upon the basis of diminution in market value of the Unit, as determined by the Board. The allocation of any condemnation award or other proceeds to any withdrawing or remaining Unit Owners shall be on an equitable basis, which need not be a Unit's percentage interest. Any condemnation award or other proceeds available in connection with withdrawal of any portion of the Common Elements, not necessarily including the Common Elements, shall be allocated on the basis of each Unit Owner's percentage interest therein. Proceeds available from the withdrawal of any Limited Common Elements will be distributed in accordance with the interest of those entitled to their use.

(b) In the event the entire condominium is acquired by or as a result of an eminent domain proceeding or threat thereof, the proceeds of such acquisition shall be disbursed in accordance with the terms of the Declaration.

30. General Provisions:

(a) No covenants, restrictions, conditions, obligations, or provisions contained in this Declaration shall be deemed to have been abrogated or waived by reason of any failure to enforce the same, irrespective of the number of violations or breaches which may occur.

(b) The provisions of this Declaration shall be liberally construed to effectuate its purpose of creating a uniform plan for the operation of a first-class condominium development.

(c) In the event title to any Unit Ownership is conveyed to a title holding trust, under the terms of which all powers of management, operation and control of the Unit Ownership remain vested in the trust beneficiary or beneficiaries, then the beneficiaries thereunder from time to time shall be responsible for payment of all obligations, liens, or indebtedness and for the performance of all agreements, covenants and undertakings chargeable or created under this Declaration against such Unit Ownership. No claim shall be made against any such title holding trustee personally for payment of any lien or obligation hereunder created and the trustee shall not be obligated to sequester funds or trust property to apply in whole or in part against such lien or obligation. The amount of such lien or obligation shall continue to be a charge or lien upon the Unit Ownership and the beneficiaries of such trust notwithstanding any transfers of title to such Unit Ownership.

(d) Notwithstanding anything to the contrary contained herein or under applicable Illinois law, unless at least two-thirds (2/3) of the eligible first mortgagees who so (based upon one vote for each first mortgage owned) or Owners of Units situated on the Premises (other than Declarant) have given their prior written approval, the Board of Directors shall not be entitled to:

- (1) by act or omission seek to abandon or terminate the condominium regime, except as provided by statute in the case of substantial loss

UNOFFICIAL COPY

- to the Units and Common Elements;
- (2) change the pro rata interest or obligations of any Unit for the purpose of levying assessments or charges or allocating distributions of hazard insurance proceeds or condemnation awards, or determining the pro rata share of ownership of each Unit in the Common Elements;
- (3) partition or subdivide any Unit;
- (4) by act or omission, seek to abandon, partition, subdivide, encumber, sell or transfer Common Elements provided, however, the granting of easements for public utilities or other purposes consistent with the intended use of such Common Area shall not be deemed a transfer within the meaning of this clause; and
- (5) use hazard insurance proceeds for losses to any condominium property (whether to Units or to Common Elements) for other than repair, replacement or reconstruction of such condominium property, except as provided by statute in case of substantial loss to the Units and Common Elements.

An "eligible first mortgagee" shall be defined as that mortgage holder who has a first mortgage against any Unit and who submits in writing to the Association to receive notice of any material amendment so as to vote thereat.

31. Garages:

(a) Attached as part of Exhibit "B" to the Original Declaration is a Plat of the Parcel showing the location thereof of certain garages, for the storage of automobiles and each designated with a different number or symbol. If at any time, a Garage is not exclusively assigned to a Unit, the Board of Directors shall have exclusive right to grant to any Unit Owner the exclusive right, privilege or easement to use the unassigned Garage. Such exclusive right, privilege or easement shall constitute a Limited Common Element appurtenant to and pass with the title to the Unit to which appurtenant (and in no other manner) even though not expressly mentioned in the document passing title to the Unit. Such exclusive use and possession given a Unit Owner or Owners shall be subject to such rules and regulations as the Board may deem fit, including the requirement that such exclusive use and possession encompass the obligation to clean and maintain that portion of the Common Elements subject thereto as an expense of a Unit Owner rather than a Common Expense that may be assessed as determined by the Board.

(b) Any Unit Owner shall have the right to lease any Garage which he/she has the exclusive privilege to use pursuant to any of the terms of this Subparagraph to any other Unit Owner or Resident of any Woods Edge Association for such period and upon such terms as he/she deems appropriate. All leases must be in writing and a copy of such lease must be provided to the Association, through its Board of Directors, within ten (10) days of its execution.

UNOFFICIAL COPY

(c) The Board of Directors shall keep a list of all garages, the use of which have been granted to Unit Owners, and the Unit Owners to whom the use of such Garages has been granted.

(d) All Garages, the use of which have not been granted pursuant to this Subparagraph, may be used for such purposes, or such period of time, by such persons, and upon the payment of such charges as the Board from time to time determines.

(e) Any unassigned Garages may be leased by the Association to any Unit Owner or Resident of any Woods Edge Association or to Woods Edge II Condominium Association, Woods Edge III Condominium Association, or Woods Edge Homeowners Association.

(f) Garages, as Limited Common Elements, are assigned to certain Units as identified in Exhibit C attached hereto, and the exclusive use and enjoyment of the Garage shall follow the Unit for which it is assigned when ownership of the Unit transfers. An Owner wanting to transfer his/her rights in the Garage may only transfer those rights to an Owner of a Unit within Wood's Edge I Condominium Association. Any such transfer must follow the requirements of the Illinois Condominium Property Act as to how to transfer Limited Common Elements.

32. Liens:

In the event there exists a lien against two (2) or more Units and the indebtedness secured by such lien is due and payable, the Unit Owner of any such Unit so affected may remove such Unit and the undivided interest in the Common Elements appertaining thereto from such lien by payment of the proportional amount of such indebtedness attributable to such Unit. In the event such lien exists against the Units or against the Property, the amount of such proportional payment shall be computed on the basis of the percentage set forth in the Declaration. Upon payment as herein provided, it is the duty of the encumbrancer to execute and deliver to the Unit Owner a release of such Unit and the undivided interest in the Common Elements appertaining thereto from such lien.

The Owner of such Unit shall not be liable for any claims, damages, or judgments entered as a result of any action or inaction of the Board other than for mechanics' liens as hereinafter set forth. Each Unit Owner's liability for any judgment entered against the Board or the Association, if any, shall be limited to his/her proportionate share of the indebtedness as set forth herein, whether collection is sought through assessment or otherwise. A Unit Owner shall be liable for any claim, damage, or judgment entered as a result of the use or operation of his/her Unit or caused by his/her own conduct.

If, as a result of work expressly authorized by the Board, a mechanic's lien claim is placed against the Property or any portion of the Property, each Unit Owner shall be deemed to have expressly authorized it and consented thereto and shall be liable for the payment of his/her Unit's proportionate share of any due and payable indebtedness.

33. Damage or Destruction and Restoration of Buildings:

(a) **Sufficient Insurance.** In the event the improvements forming a part of the Property, or any portion thereof, including any Units, shall suffer damage or destruction from any cause and the proceeds of any policy or policies insuring against such loss or damage, and payable by reason thereof, shall be sufficient to pay the cost of repair or restoration or reconstruction, then such repair, restoration, or reconstruction shall be undertaken and the insurance proceeds shall be applied by the Board or the payee of such insurance proceeds in payment therefor; provided, however, that in the event within one hundred and eighty (180) days after said damage or destruction, the Members shall elect either to sell the Property or to withdraw the Property from the provisions of the Declaration, and from the provisions of the Act as therein provided, then such repair, restoration, or reconstruction shall not be undertaken. In the event such repair, restoration, or reconstruction is not undertaken, the net proceeds of insurance policies shall be divided by the Board or the payee of such insurance proceeds among all Unit Owners according to each Unit Owner's percentage of ownership in the Common Elements as set forth in Exhibit "A", after first paying out of the share of each Unit Owner the amount of any unpaid liens on his/her Unit, in the order of the priority of such liens.

(b) **Insufficient Insurance.**

(1) If the insurance proceeds are insufficient to reconstruct the Building and the Unit Owners and all other parties in interest do not voluntarily make provisions for reconstruction of the building within one hundred and eighty (180) days from the date of damage or destruction, the Board of Directors may record a notice setting forth such facts and upon the recording of such notice:

- (a) the Property shall be deemed to be owned in common by the Unit Owners;
- (b) the undivided interest in the Property owned in common which shall appertain to each Unit Owner shall be the percentage of undivided interest previously owned by such Owner in the Common Elements;
- (c) any liens affecting any of the Units shall be deemed to be transferred in accordance with the existing priorities to the undivided interest of the Unit Owner in the Property as provided herein; and
- (d) the Property shall be subject to an action, for partition at the suit of any Unit Owner, in which event the net proceeds of sale, together with the net proceeds of the insurance on the Property, if any, shall be considered as one fund and shall be divided among all the Unit Owners in a percentage equal to the percentage of undivided interest owned by each Owner in the Property, after first paying out of the respective shares of the Unit Owners, to the extent sufficient for the purpose, all liens on the undivided interest in the Property

owned by each Unit Owner.

- (2) In the case of damage or other destruction in which fewer than fifty (50%) percent of the Units are rendered uninhabitable, upon the affirmative vote of no fewer than seventy-five (75%) percent of the Members voting at a meeting called for that purpose, the building or other portion of the Property shall be reconstructed. The meeting shall be held within thirty (30) days following the final adjustment of insurance claims, if any. Otherwise, such meeting shall be held within ninety (90) days of the occurrence. At such meeting the Board or its representative, shall present to the members present an estimate of the cost of repair or reconstruction, and the estimated amount of necessary assessments against each Unit Owner.
- (3) In the case of damage or other destruction if the insurance proceeds are insufficient to reconstruct the portion of the Property affected, upon the affirmative vote of no fewer than seventy-five (75%) percent of the Members voting at a meeting called for that purpose, any portion of the Property affected by such damage or destruction may be withdrawn from the Act. Upon the withdrawal of any Unit or portion thereof, the percentage of interest in the Common Elements appurtenant to such Unit or portion thereof shall be reallocated among the remaining Units on the basis of the percentage of interest of each remaining Unit. If only a portion of a Unit is withdrawn, the percentage of interest appurtenant to that Unit shall be reduced accordingly, upon the basis of diminution in market value of the Unit, as determined by the Board. The payment of just compensation, or the allocation of any insurance or other proceeds to any withdrawing or remaining Unit Owner shall be on an equitable basis, which need not be a Unit's percentage interest. Any insurance or other proceeds available in connection with the withdrawal of any portion of the Common Elements, not necessarily including the Limited Common Elements, shall be allocated on the basis of each Unit Owner's percentage interest therein. Any proceeds available from the withdrawal of any Limited Common Elements, will be distributed in accordance with the interest of those entitled to their use.

(c) Cessation of Common Expenses. Upon the withdrawal of any Unit or portion thereof, the responsibility for the payment of assessments on such Unit or portion thereof by the Unit Owner shall cease.

34. Severability and Rule Against Perpetuities:

If any provision of this Declaration or the By-Laws shall be held invalid, it shall not affect the validity of the remainder of the Declaration and the By-Laws. If any provision of the Declaration or By-Laws would otherwise violate the rule against

perpetuities or any other rule, statute or law imposing time limits, then such provision shall be deemed to remain in effect until twenty-one (21) years after the death of the survivor of the now living lawful descendants of the incumbent Mayor of the City of Chicago, and the incumbent President of the United States.

BY-LAWS
WOODS EDGE I
CONDOMINIUM

ARTICLE ONE
Condominium Plan

- 1.1 The Property located in the City of Palos Hills, Cook County, Illinois, known as the Woods Edge I Condominium, an Illinois not-for-profit corporation, is subject to an Amended and Restated Declaration of Condominium Ownership, to which these By-Laws are attached as an Exhibit, and to the Condominium Property Act of the State of Illinois, and all applicable Illinois law.
- 1.2 For definition of terms refer to Section 1 of the Amended and Restated Declaration of Condominium Ownership.
- 1.3 The provisions of these By-Laws are applicable to the Association.
- 1.4 All present and future Unit Owners and all invitees, guests, occupants and pets of the Unit Owners are subject to the provisions of the Amended and Restated Declaration, and these By-Laws. The mere acquisition or rental of any Unit or mere occupancy of any Unit shall signify that the Amended and Restated Declaration and these By-Laws are accepted and ratified and will be complied with.

ARTICLE TWO
Members
(Unit Owners)

- 2.1 The direction and administration of the Property shall be vested in the Board of Directors (the "Board"), consisting of at least three (3) but no more than five (5) persons who shall be elected in the manner hereinafter provided. Each member of the Board shall be one of the Unit Owners who resides within the Association, provided, however, that in the event a Unit Owner is a corporation, partnership, trust or other legal entity other than a natural person or persons, then any Officer, Director, or employee of such corporation, partner of such partnership, beneficiary of such trust, or manager of such other legal entity, who resides within the Association, shall be eligible to serve as a member of the Board.
- 2.2 There shall be one person with respect to each Unit Ownership who shall be entitled to vote at any meeting of the Unit Owners where a vote of the membership is taken. Such person shall be known (and hereinafter referred to) as a "Voting Member." Such Voting Member may be the Owner or one of the group composed of all the Owners of a Unit Ownership or may be some person designated by such Owner or Owners to act as proxy on his/her or their behalf and who need not be an Owner. Such designation shall be made

in writing to the Board and shall be revocable at any time by the actual notice to the Board of the death or judicially declared incompetence of any designator, or by written notice to the Board by the one Owner or Owners. Any and all of such Owners may be present at any meeting of the Voting Members and (those constituting a group acting unanimously) may vote or take any other action as Voting Member either in person or by proxy. The total number of votes of all Voting Members shall be 100%, and each Owner or group of Owners shall be entitled to the number of votes equal to the total of the percentage of ownership in the Common Elements applicable to his/her or their Unit Ownership as set forth in Exhibit A to the Amended and Restated Declaration.

- 2.3 Meetings of the Voting Members shall be held at the Property or at such other place in Cook County, Illinois, as may be designated in any notice of a meeting. The presence in person or by proxy at any meeting of the Voting Members having twenty percent (20%) of the total votes shall constitute a quorum. Unless otherwise expressly provided herein, any action may be taken at any meeting of the Voting Members at which a quorum is present upon the affirmative vote of the Voting Members having a majority or other percentage as may be required of the total votes present at such meeting. Cumulative voting is not allowed.
- 2.4 There shall be an annual meeting of the Voting Members on November 15th, or at such other reasonable time or date (not less than and no more than thirty (30) days before or after such date) as may be designated by written notice of the Board delivered to the Voting Members not less than ten (10) days and not more than thirty (30) days prior to the date fixed for said meeting.
- 2.5 Special meetings of the Voting Members may be called at any time for the purpose of considering matters which, by the terms of the Amended and Restated Declaration, require the approval of all or some of the Voting Members, including but not limited to the election of members of the Board, approval of amendments to the Amended and Restated Declaration and/or By-Laws, removal of a Board Member, or for any other reasonable purpose. Said meetings shall be called by written notice, authorized by the President, a majority of the Board, or by the Voting Members having twenty percent (20%) of the total votes, and delivered not less than ten (10) days and no more than thirty (30) days prior to the date fixed for said meeting. The notices shall specify the date, time, and place of the meeting and the purpose of the meeting. No business shall be transacted at a special meeting except as stated in the notice.
- 2.6 Notices of meetings required to be given herein may be delivered either personally or by mail to the persons entitled to vote at such meetings, addressed to each such person at the address given by him/her to the Board for the purpose of service of such notice, or to the Unit of the Owner with respect to which such voting right appertains, if no address has been given to the Board. Notice may also be given pursuant to any acceptable technological means, so long as notice in that manner has been consented to by the Unit Owner.

ARTICLE THREE Board of Directors

- 3.1 The Board of Directors shall have not less than three (3) but no more than five (5) members. In all elections for members of the Board, each Voting Member shall have a vote as provided in Section 2.2 above for each member of the Board to be elected and the candidates receiving the highest number of votes of the Voting Members present at the meeting, calculated in accordance with said Section 2.2 above, shall be deemed to be elected. A majority of the total number of members on the Board shall constitute a quorum. At each annual meeting, members shall be elected to terms of two (2) years. The Voting Members having at least two-thirds (2/3) of the total votes may from time to time increase or decrease such number of persons on the Board or may increase the term of Board members at any annual or special meeting, provided that such number shall not be less than three (3) or more than five (5) and that the terms of at least one-third (1/3) of the persons on the Board shall expire annually. Members of the Board shall receive no compensation for their services, unless expressly allowed by the Board at the direction of the Voting Members having two-thirds (2/3) of the total votes. Vacancies in the Board shall be filled by the remaining members of the Board by two-thirds (2/3) vote until the next annual meeting of Voting Members or for a period terminating no later than thirty (30) days following the filing of a petition signed by Voting Members holding twenty percent (20%) of the votes of the Association requesting a meeting of the Voting Members to fill the vacancy for the balance of the term, and that a meeting of the Voting Members shall be called for purposes of filling a vacancy on the Board no later than thirty (30) days following the filing of a petition signed by Unit Owners holding twenty percent (20%) of the votes of the Association requesting such a meeting. Except as otherwise provided in the By-Laws, the Property shall be managed by the Board and the Board shall act by majority vote of those present at meetings when a quorum exists. Meetings of the Board may be called, held and conducted in accordance with such regulations as the Board may adopt and Illinois law.
- 3.2 The Board shall elect from among its members a President who shall preside over both its meetings and those of the Members, a Vice President who shall take the place of the President and perform his/her duties whenever the President shall be absent or unable to act, and such other duties as the Board shall appoint, a Secretary who shall keep the minutes of all meetings of the Board and of the Members and who shall, in general, perform all the duties incident to the office of Secretary, a Treasurer to keep the financial records and books of account, and such additional officer as the Board shall see fit to elect.
- 3.3 Any Board Member may be removed from the Board by two-thirds (2/3) affirmative vote of the Voting Members at any special meeting called for that purpose. Any Director whose removal has been proposed by the Voting Members shall be given an opportunity to be heard at the meeting. A successor to fill the unexpired term of a Board Member removed may be elected by the Voting Members at the same meeting or any subsequent

UNOFFICIAL COPY

meeting called for that purpose or such vacancy may be filled by the remaining members of the Board.

- 3.4 All agreements, contracts, deeds, leases, vouchers for payment of expenditures and other instruments shall be signed by such Officer or Officers, agent or agents of the Board and in such manner from time to time as shall be determined by written resolution of the Board. In the absence of such determination by the Board, such documents shall be signed by the President or any Vice President and countersigned by the Secretary or the Treasurer of the Board.
- 3.5 Regular meetings of the Board may be held at such time and place as shall be determined from time to time, by a majority of the Directors, provided that not less than four (4) such meetings shall be held during each fiscal year. Notice of regular meetings of the Board shall be given to each Director, personally or by mail, telephone, or acceptable technological means so long as the Director has consented to receipt of notice in this manner, at least forty-eight (48) hours prior to the day named for such meeting.
- 3.6 Special meetings of the Board may be called by the President or twenty-five percent (25%) of the members of the Board on forty-eight (48) hours' notice to each Director and member, given personally by mail, telephone or by other acceptable technological means if so consented to by the member, which notice shall state the time, place and purpose of the meeting. Special meetings of the Board shall be called by the President or Secretary in like manner and on like notice on the written request of at least three (3) Directors.
- 3.7 Before or at any meeting of the Board any Director may, in writing, waive notice of such meeting and such waiver shall be deemed equivalent to the giving of such notice. Attendance by a Director at any meeting of the Board shall be a waiver of lack of notice by him/her of the time and place thereof.
- 3.8 The Board shall have the powers and duties necessary for the administration of the affairs of the Association and may do all such acts and things as are not by law or by these By-Laws directed to be exercised and done by the Members. The Board shall have the following additional powers and duties:
 - (a) Engage the services of a manager or managing agent who shall manage and operate the Property for all the Unit Owners upon such terms and with such authority as the Board may approve.
 - (b) Formulate policies for the administration, management and operation of the Property.
 - (c) Adopt and amend rules and regulations covering the details of the operation and use of the Property, after a meeting of the Unit Owners called for the specific purpose of discussing the proposed rules and regulations. Notice of the meeting

UNOFFICIAL COPY

shall contain the full text of the proposed rules and regulations and the meeting shall conform to the requirements of the Condominium Property Act, except that no quorum is required at the meeting of the Unit Owners. However, no rule or regulation may impair any rights guaranteed by the First Amendment to the Constitution of the United States or Section 4 of Article I of the Illinois Constitution including, but not limited to, the free exercise of religion, nor may any rules or regulations conflict with the provisions of the Condominium Property Act or the condominium instruments. No rule or regulation shall prohibit any reasonable accommodation for religious practices, including the attachment of religiously mandated objects to the front-door area of a Unit.

(d) Provide for any construction alteration, installation, maintenance, repair, painting and replacement for which the Board is responsible under the Amended and Restated Declaration and By-Laws and for such purposes to enter and to authorize entry into any Unit and/or Limited Common Elements, causing as little inconvenience to the Unit Owners as practicable and repairing any damage caused by any such entry and such expense shall be a common expense.

(e) Provide for the designation, hiring and removal of employees and other personnel, including lawyers and accountants, and to engage or contract for the services of others, and to make purchases for the maintenance, repair, replacement, administration management and operation of the Property and to delegate any such powers to the manager or managing agent (and any such employees or other personnel as may be employees of the managing agent).

(f) Estimate the amount of the annual budget and provide the manner of assessing and collecting from the Unit Owners their respective shares of such estimated expenses as hereinafter provided.

(g) Pay as a common expense the following:

(i) water, waste removal, electricity and telephone and other necessary utility services for the Common Elements and (if not separately metered or charged) for the Units;

(ii) the services of a manager or managing agent or any other person or firm employed by the Board;

(iii) payment for the maintenance, repair and replacement of the Common Elements; and

(iv) individual Unit Owners applicable share of expenses of the Woods Edge Homeowner's Association.

(h) Bid for and purchase a Unit Ownership at a sale pursuant to a mortgage

UNOFFICIAL COPY

foreclosure, or at a sale pursuant to an order or direction of a court, or other involuntary sale, upon the consent or approval of Unit Owners owning not less than two-thirds (2/3) in the aggregate in interest of the undivided ownership of the Common Elements.

(i) Exercise all other powers and duties of the Board of Directors of Unit Owners as a group referred to in the Amended and Restated Declaration, these By-Laws or the Condominium Property Act of the State of Illinois.

In addition to duties imposed by these By-Laws or by resolutions of the Association, the Board shall be responsible for the following:

- (a) care and upkeep of the Property and the Common Elements;
 - (b) collection of monthly assessments from the Owners; and
 - (c) designation and dismissal of the personnel necessary for the maintenance and operation of the Property and the Common Elements.
- 3.9 The Board of Directors, or its authorized agent, shall have access to each Unit from time to time as may be necessary for the maintenance, repair or replacement of any Common Elements or for making emergency repairs necessary to prevent damage to the Common Elements or to other Units.

ARTICLE FOUR Assessments

- 4.1 Each year on or before November 15th, the Board shall estimate the total amount necessary to pay the cost of wages, materials, insurance, services and supplies which will be required during the ensuing calendar year for the rendering of all services together with a reserve for deficiencies which may result from the non-payment of assessments of the Woods Edge Homeowners' Association and such reasonable amount considered by the Board to be necessary for a reserve for contingencies and replacements, and each Unit Owner shall receive, at least twenty-five (25) days prior to the adoption thereof by the Board of Directors, a copy of the proposed annual budget together with an indication of which portions are intended for reserves, capital expenditures or repairs or payments of real estate taxes together with each Unit Owner's proportionate share of the assessment due to the Woods Edge Homeowners' Association. All Owners are obligated to pay monthly assessments imposed by the Association to meet all projected Common Expenses, which shall include insurance premiums for a liability insurance policy or policies and insurance premiums for a fire and extended coverage insurance policy or policies. The annual budget shall also take into account the estimated net available cash income for the year from the operation or use of the Common Elements. Said "estimated cash requirement" shall be assessed to the Unit Owners according to each Unit Owner's

UNOFFICIAL COPY

percentage of ownership in the Common Elements as set forth in Exhibit A attached to the Amended and Restated Declaration. On or before the first of each and every month of said year, each Unit Owner shall be obligated to pay to the Board or as it may direct, one-twelfth (1/12) of the assessment made pursuant to this paragraph. If an adopted budget or any separate assessment payable in the current fiscal year exceeds 115% of the sum of all regular and separate assessments, upon written petition by Unit Owners with 20% of the votes of the Association delivered to the Board within twenty-one (21) days of the Board action, the Board shall call a meeting of the Unit Owners within thirty (30) days of the date of delivery of the petition to consider the budget or separate assessment and unless a majority of the total votes of the Unit Owners are cast at the meeting to reject the budget or separate assessment, it is ratified. No separate assessment for expenditures relating to emergencies or mandated by law are subject to Unit Owner approval or rejection. An "emergency" means an immediate danger to the structural integrity of the Common Elements or to the life, health, safety or property of the Unit Owners. Assessments for additions or alterations to the Common Elements or to Association-owned property not included in the adopted annual budget shall be separately assessed and are subject to the approval of two-thirds (2/3) of the total votes of all Unit Owners. The Board may adopt separate assessments payable over more than one (1) fiscal year. On or before the date of the annual meeting of each calendar year, the Board shall supply to all Unit Owners an itemized accounting of the maintenance expenses for the preceding calendar year actually incurred and paid, together with an indication of which portions were for reserves, capital expenditures or repairs or payment of real estate taxes and with a tabulation of the amounts collected pursuant to the estimates provided, and showing the net amount over or short of the actual expenditures plus reserves. The Board has the authority, in its discretion, to dispose of the surplus in one or more of the following ways: (i) contribute the surplus to the Association's reserve fund; (ii) return the surplus to the Unit Owners as a credit against remaining monthly assessments for the current fiscal year; (iii) return the surplus to the Unit Owners in the form of a direct payment to the Unit Owners; or (iv) maintain the funds in the operating account, in which case the funds shall be applied as a credit when calculating the following year's annual budget. If the fiscal year ends in a deficit, the Board has the authority, in its discretion, to address the deficit by incorporating it into the following year's annual budget. If twenty percent (20%) of the Unit Owners deliver a petition objecting to how the surplus or deficit are handled, within thirty (30) days after notice to the Unit Owners of the action, the Board shall call a meeting of the Unit Owners within thirty (30) days of the date of the delivery of the petition. At the meeting, the Unit Owners may vote to select a different option than the option selected by the Board. Unless a majority of the total votes of the Unit Owners are cast at the meeting to reject the Board's selection and select a different option, the Board's decision is ratified.

- 4.2 The Board shall build up and maintain a reasonable reserve for contingencies and replacements. Such reserves shall include monthly payment to General Operating Reserve and a Reserve Fund for Replacements. If said "estimated cash requirement" proves inadequate for any reason, including non-payment of any Unit Owner's assessment, the

UNOFFICIAL COPY

Board may at any time levy a further assessment, which shall be assessed to the Unit Owners according to each Unit Owners' percentage ownership in the Common Elements. The Board shall serve notice of such further assessment on all Unit Owners by a statement in writing giving the amount and reasons therefore, and such further assessment shall become effective with the next monthly maintenance payment which is due no more than ten (10) days after the delivery or mailing of such notice of further assessment. All Unit Owners shall be obligated to pay the adjusted monthly amount.

- 4.3 The failure or delay of the Board to prepare or serve the annual or adjusted estimate on the Unit Owner shall not constitute a waiver or release in any manner of such Unit Owner's obligation to pay the maintenance costs and necessary reserves, as herein provided, whenever the same shall continue to pay the monthly maintenance charge at the then existing monthly rate established for the previous period until the next monthly maintenance payment which is due no more than ten (10) days after such new annual or adjusted estimate shall have been mailed or delivered.
- 4.4 If a Unit Owner is in default in the monthly payment of the aforesaid charges or assessments for thirty (30) days, the members of the Board may bring suit for and on behalf of themselves and as representatives of all Unit Owners, to enforce collection thereof or to foreclose the lien therefore, or to obtain possession of the Unit as hereinafter provided; and there shall be added to the amount due the costs of said suit, and other fees and expenses together with legal interest, late fees, costs incurred by the Association as a result of its management company's efforts to collect unpaid assessments, and reasonable attorneys' fees and costs. To the extent permitted by any decision of any statute or law now or hereinafter effective, the amount of any delinquent and unpaid charges or assessments, and interest costs and fees as above provided shall be and become a lien or charge against the Unit Ownership and may be foreclosed by an action brought in the name of the Board as in the case of foreclosure liens against real estate. Subject to the provisions of the Amended and Restated Declaration, said lien shall take effect and be in force when and as provided in the Condominium Property Act of Illinois. In addition to the foregoing, the Board or its agents shall have such other rights and remedies to enforce such collection as shall otherwise be provided or permitted by law from time to time. Without limiting the generality of the foregoing, if any Unit Owner shall fail to pay the proportionate share of the Common Expenses or of any other expenses required to be paid hereunder when due, such rights and remedies shall include: (1) the right to enforce the collection of such defaulting Unit Owner's share of such expenses (whether due by acceleration or otherwise), together with interest thereon, at the maximum rate permitted by law, and all fees and costs (including reasonable attorneys' fees) incurred in the collection thereof; (2) the right, by giving so to do, to accelerate the maturity of the unpaid installments of such expenses accruing with respect to the balance of the assessment year; and (3) the right to take possession of such defaulting Unit Owner's interest in the property, to maintain for the benefit of all the other Unit Owners an action for possession in the manner prescribed in "an Act in regard to Forcible Entry and Detainer," approved February 16, 1874, as amended, and now known as the Eviction Act,

and to execute leases of such defaulting Unit Owner's interest in the property and apply the rents derived therefrom against such expenses.

- 4.5 No Unit Owner may waive or otherwise escape liability for the assessments provided herein by nonuse of the Common Elements or abandonment of his/her Unit.
- 4.6 The Board shall keep full and correct books of account in chronological order of the receipts and expenditures affecting the Common Elements, specifying and itemizing the maintenance and repair expenses of the Common Elements and any other expenses incurred. Such records and the vouchers authorizing the payments shall be available for inspection by any Unit Owner or representative of a Unit Owner duly authorized in writing, at such reasonable time or times during normal business hours as may be requested by the Unit Owner, in compliance with the terms of the Condominium Property Act and applicable Illinois law. Upon 10 days' notice to the manager or Board of Directors and payment of a reasonable fee, any Unit Owner shall be furnished a statement of his/her account setting forth the amount of any unpaid assessments or other charges due and owing from such Owner.

ARTICLE FIVE **General Provisions**

The use, maintenance and operation of the Common Elements shall not be obstructed, damaged or unreasonably interfered with by any Unit Owner, nor shall anything be stored in the Common Elements without the prior consent of the Board except as hereinafter expressly provided. Each Unit Owner shall be obligated to maintain and keep in good order and repair his/her own Unit.

ARTICLE SIX **Amendments**

These By-Laws may be amended or modified from time to time by action or approval of the Voting Members having at least two-thirds (2/3) of the total votes, provided however, that no provision of these By-Laws may be amended or modified so as to conflict with the provisions of the Condominium Property Act. Such amendments shall be recorded in the Office of the Recorder of Deeds of Cook County, Illinois.

ARTICLE SEVEN **Mortgages**

- 7.1 Within 15 days of recording a mortgage or trust deed against a Unit Ownership given by the Owner of that Unit to secure a debt, the Owner shall notify the Association through the managing agent, if any, or the President of the Association in the event there is no managing agent, the identity of the lender together with a mailing address at which the lender can receive notices from the Association. If a Unit Owner fails or refuses to inform

the Board as required under this subsection then that Unit Owner shall be liable to the Association for all costs, expenses and reasonable attorneys' fees and such other damages, if any, incurred by the Association as a result of such failure or refusal.

- 7.2 The Association shall at the request of a mortgagee of a Unit report any unpaid assessments due from the Owner of such Unit.
