AGREEMENT:

NOW, THEREFORE, as consideration of the foregoing recitals and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby represents, warrants, covenants and agrees as follows:

1. **Definitions.** As used herein, the following terms shall have the following meanings:

UNOFFICIAL COPY

“*Event of Default*” means an Event of Default, as defined in the Credit Agreements.

“*Leases*” means all leases, subleases, rental contracts, occupancy agreements, licenses and other similar arrangements (in each case whether existing now or in the future) pursuant to which any person or entity occupies or has the right to occupy or use any portion of the Property, and includes (a) any supplement, modification, amendment, renewal or extension of any Lease and (b) any security or guaranty for any Lease.

“*Lessees*” means the lessees under the Leases or any subtenants or occupants of the Property.

“*Rents*” means all rents, issues, income, revenues, royalties, profits and other amounts now or in the future payable under any of the Leases, including those past due and unpaid.

“*Secured Obligations*” means the “Pari Passu Lien Obligations” under and as defined in the Intercreditor Agreement (whether at the stated maturity, by acceleration or otherwise including the payment of amounts that would become due but for the operation of the automatic stay under Section 362(a) of the Bankruptcy Code), and all amounts payable by any of the Subsidiary Mortgagors to the Collateral Agent pursuant to the Security Instrument and the Intercreditor Agreement.

2. Assignment. Assignor hereby absolutely and unconditionally transfers, sets over and assigns to Assignee all present and future right, title and interest of Assignor in, to and under the Leases and Rents, together with all advance payments, security deposits and other amounts paid or payable to or deposited with Assignor under any of the Leases and all other rights and interests of Assignor under or in respect of any of the Leases. Subject only to the License (herein defined), it being the intention of Assignor and Assignee that this conveyance be presently and immediately effective; to HAVE AND TO HOLD the Leases and Rents unto Assignee, forever, and Assignor does hereby bind itself, its successors and assigns to warrant and forever defend the title to the Leases and Rents unto Assignee against every person whomsoever lawfully claiming or to claim the same or any part thereof; provided, however, that upon payment and performance of each and all of the Secured Obligations in accordance with the Loan Documents, then this Assignment shall terminate and be of no further force and effect (as further provided in Section 11 below), and all rights, titles, and interests conveyed pursuant to this Assignment shall become vested in Assignor without the necessity of any further act or requirement by Assignor. This Assignment is intended to be, and is, an absolute present assignment from Assignor to Assignee and not the mere passage of a security interest or a provision of additional security, it being intended hereby to establish a complete and present transfer of all Leases and Rents with the right, but without the obligation, to collect all Rents.

3. License. Except as hereinafter set forth, Assignor shall have a license to collect the Rents accruing under the Leases as they become due (“*License*”), but not more than one (1) month in advance (except security deposits held in the ordinary course of business), and to enforce the Leases. The License is revocable, at Assignee’s option, upon the occurrence and during the continuance of an Event of Default. Assignor covenants and agrees that in exercising its License it shall hold all Rents in trust and shall apply the same first to the payment of the reasonable

UNOFFICIAL COPY

expenses of owning, maintaining, repairing, operating and renting the Property and then to payment of the Secured Obligations.

4. Bankruptcy of Lessee. In the event an Event of Default has occurred and is continuing and if a Lessee under a Lease files or has filed against it any petition in bankruptcy or for reorganization or undertakes or is subject to similar action, Assignee shall have, and is hereby assigned by Assignor, all of the rights which would otherwise inure to the benefit of Assignor in such proceedings, including, without limitation, the right to seek "adequate protection" of its interests, to compel rejection of any Lease, and to seek such claims and awards as may be sought or granted in connection with the rejection of such Lease. Unless otherwise consented to by Assignee in writing, Assignee's exercise of any of the rights provided in this Section shall preclude Assignor from the pursuit and benefit thereof without any further action or proceeding of any nature. Assignee, however, shall not be obligated to make timely filings of claims in any bankruptcy, reorganization or similar action, or to otherwise pursue creditor's rights therein.

5. Assignor to Ensure Continued Performance under Leases. Assignor shall use commercially reasonable efforts to faithfully keep and perform, or cause to be kept and performed, in all material respects, all of the covenants, conditions, and agreements contained in each of the material Leases and other material agreements or contracts affecting all or any portion of the Premises, now or hereafter existing, on the part of Assignor to be kept and performed and shall at all times use commercially reasonable efforts to enforce, with respect to each other party thereto, all material obligations, covenants and agreements by such other party to be performed thereunder.

6. Remedies. While an Event of Default has occurred and is continuing, Assignor's License to collect Rents shall immediately cease and terminate. Assignee shall thereupon be authorized at its option to enter and take possession of all or part of the Property, in person or by agent, employee or court appointed receiver, and to perform all acts necessary for the operation and maintenance of the Property in the same manner and to the same extent that Assignor might reasonably so act. In furtherance thereof, Assignee shall be authorized, but under no obligation, to collect the Rents arising from the Leases, and to enforce performance of any other terms of the Leases including, but not limited to, Assignor's rights to fix or modify rents, sue for possession of the leased premises, relet all or part of the leased premises, and collect all Rents under such new Leases. Assignor shall also pay to Assignee, promptly upon the occurrence and during the continuance of any Event of Default: all rent prepayments and security or other deposits paid to Assignor pursuant to any Lease assigned hereunder. Assignee will, after payment of all proper costs, charges and any damages including, without limitation, those payable pursuant to Section 7 hereof, apply the net amount of such Rents to the Secured Obligations. Assignee shall have sole discretion as to the manner in which such Rents are to be applied, the reasonableness of the costs to which they are applied, and the items that will be credited thereby.

6.1 Notice to Lessee. Assignor hereby irrevocably authorizes each Lessee, upon demand and notice from Assignee of the occurrence of an Event of Default, to pay all Rents under the Leases to Assignee. Assignor agrees that each Lessee shall have the right to rely upon any notice from Assignee directing such Lessee to pay all Rents to Assignee, without any obligation to inquire as to the actual existence of an Event of Default, notwithstanding any notice from or claim of Assignor to the contrary. Assignor shall have no claim against any Lessee for any Rents paid by Lessee to Assignee. At such time as no Event of Default exists, Assignee may give

UNOFFICIAL COPY

each Lessee written notice of such cure and, thereafter, until further notice from Assignee, each such Lessee shall pay the Rents to Assignor.

6.2 Assignment of Defaulting Assignor's Interest in Lease. Assignee shall have the right to assign Assignor's right, title and interest in and to the Leases to any person acquiring title to the Property through foreclosure or otherwise. Such assignee shall not be liable to account to Assignor for the Rents thereafter accruing.

6.3 No Waiver. Assignee's failure to avail itself of any of its rights under this Assignment for any period of time, or at any time or times, shall not constitute a waiver thereof. Assignee's rights and remedies hereunder are cumulative, and not in lieu of, but in addition to, any other rights and remedies Assignee has under the Credit Agreements, the Intercreditor Agreement, and any other Loan Documents. Assignee's rights and remedies hereunder may be exercised as often as Assignee deems expedient.

6.4 Costs and Expenses; Indemnification. The cost and expenses (including any receiver's fees) incurred by Assignee pursuant to the powers contained in this Assignment shall be paid or reimbursed by Assignor to Assignee within ten (10) Business Days of demand as required under Sections 12 and 17 of the Subsidiary Guaranties, in accordance with and subject to the limitations set forth in Sections 14.2 and 14.3 of the Credit Agreements and shall be secured hereby. Furthermore, Assignor also agrees within ten (10) Business Days to pay or reimburse the Collateral Agent for all reasonable out-of-pocket fees, costs and expenses incurred by the Collateral Agent under this Assignment in accordance with Section 14.2 of the Credit Agreements. Assignee shall not be liable to account to Assignor for any action taken pursuant hereto, other than to account for any Rents actually received by Assignee. All of the foregoing costs and expenses shall be Secured Obligations. The provisions of this Section 6.4 shall survive the termination of this Assignment and the resignation or removal of Collateral Agent. Without limitation of the foregoing provisions of this Section 6.4, Assignor agrees that provisions of Section 7.15 of the Intercreditor Agreement are incorporated herein, *mutatis mutandis*, as if a part hereof.

7. Indemnification of Assignee. Assignor hereby agrees to indemnify, defend, protect and hold Assignee harmless from and against any and all liability, loss, cost, expense or damage (including reasonable attorneys' fees) that Assignee may or might incur under the Leases or by reason of this Assignment not caused by Assignee after Assignee has taken possession of the Property and not attributable to Assignee's gross negligence or willful misconduct. Any and all indemnification under this Section 7 shall also cover any and all claims and demands that may be asserted against Assignee under the Leases or this Assignment, provided that Assignor shall not indemnify Assignee to the extent that any liability, loss, cost, expense or damage is determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of Assignee. Nothing in this Section 7 shall be construed to bind Assignee to the performance of any Lease provisions, or to otherwise impose any liability upon Assignee, including, without limitation, any liability under covenants of quiet enjoyment in the Leases in the event that any Lessee shall have been joined as party defendant in any action to foreclose the Security Instrument and shall have been barred thereby of all right, title, interest, and equity of redemption in the Property. This Assignment imposes no liability upon Assignee for the operation and maintenance of the Property or for carrying out the terms of any Lease before Assignee has entered and taken possession of the Property. Any loss or liability incurred by

Assignee by reason of actual entry and taking possession under any Lease or this Assignment or in the defense of any claims shall, at Assignee's request, be reimbursed by Assignor, excluding, however, losses or liabilities resulting from the gross negligence or willful misconduct of Assignee or its agents, contractors or representatives. Such reimbursement shall include interest at the Default Rate, costs, expenses and reasonable attorneys' fees. Assignee may, upon an Event of Default enter and take possession, and/or collect the Rents and apply them to reimbursement for any such loss or liability. The provisions of this Section 7 shall survive repayment of the Obligations and any termination, satisfaction or foreclosure of this Assignment.

8. Additions to, Changes in and Replacement of Secured Obligations. Assignee may take security in addition to the security already given Assignee for the payment of the Secured Obligations or release such other security, and may release any party primarily or secondarily liable on the Secured Obligations, may grant or make extensions, renewals, modifications or indulgences with respect to the Secured Obligations or the Security Instrument and replacements thereof, which replacements of the Secured Obligations or the Security Instrument may be on the same terms as, or on terms different from, the present terms of the Secured Obligations or the Security Instrument, and may apply any other security held by it to the satisfaction of the Secured Obligations, without prejudice to any of its rights hereunder.

9. Power of Attorney. In furtherance of the purposes of this Assignment, Assignor hereby appoints Assignee as Assignor's attorney-in-fact, with full authority in the place of Assignor, at the option of Assignee at any time after the occurrence and during the continuance of an Event of Default, and in the name of Assignor or Assignee, to: (a) collect, demand and receive the Rents and other amounts payable under any Lease, (b) bring suit and take other action to enforce the Leases, (c) enforce, supplement, modify, amend, renew, extend, terminate and otherwise administer the Leases and deal with Lessees in relation to the Leases, (d) give notices, receipts, releases and satisfactions with respect to the Leases and Rents and other amounts payable under any Lease, and (e) take such other action as Assignee may reasonably deem necessary or advisable in connection with the exercise of any right or remedy or any other action taken by Assignee under this Assignment. Notwithstanding anything to the contrary contained herein in this Section 9, this Section shall not increase Mortgagor's obligations or decrease Mortgagor's rights herein.

10. No Mortgagee in Possession; No Other Liability. The acceptance by Assignee of this Assignment, with all of the rights, power, privileges and authority so created, shall not, prior to entry upon and taking of possession of the Property by Assignee, be deemed or construed to: (a) constitute Assignee as a mortgagee in possession nor thereafter or at any time or in any event obligate Assignee to appear in or defend any action or proceeding relating to the Leases or to the Property; (b) require Assignee to take any action hereunder, or to expend any money or incur any expenses or perform or discharge any obligation, duty or liability under the Leases; or (c) require Assignee to assume any obligation or responsibility for any security deposits or other deposits delivered to Assignor by Lessees and not assigned and delivered to Assignee. Assignee shall not be liable in any way for any injury or damage to person or property sustained by any person in or about the Property unless such injury or damage is caused by the gross negligence of Assignee or its affiliates.

The terms, covenants, conditions and warranties contained herein and the powers granted hereby shall run with the land, shall inure to the benefit of and bind all parties hereto and their respective heirs, executors, administrators, successors and assigns, and all subsequent owners of the Property, and all subsequent holders of the Security Instrument, subject in all events to the provisions of the Security Instrument and the Credit Agreements and the Intercreditor Agreement regarding transfers of the Property by Assignor. In this Assignment, whenever the context so requires, the masculine gender shall include the feminine and/or neuter and the singular number shall include the plural and conversely in each case. 15. Conflicting Terms. The liens and security interests granted hereunder, and the exercise of any rights or remedies by Assignee, may be subject to the limitations and provisions of the Intercreditor Agreement. To the extent of any conflict between the terms of this Assignment and the Intercreditor Agreement, the terms of the Intercreditor Agreement shall govern and control. In the event the terms and conditions of this Assignment and the Credit Agreements, on the one hand, conflict with the terms and conditions of the Intercreditor Agreement, on the other, the terms and conditions of the Intercreditor Agreement shall control and supersede the provisions of this Assignment and the Credit Agreements with respect to such conflicts.
