All moneys paid for any of the purposes herein authorized and all expenses paid or incurred in connection therewith, including attorney's fees, and any other moneys advanced by Trustee or the holders of the note to protect the mortgaged premises and the lien hereof, plus reasonable compensation to Trustee for each matter concerning which action herein authorized may be taken, shall be so much additional indebtedness secured hereby and shall become immediately due and payable without notice and with interest thereon at the current legal rate, in action of Trustee or holders of the note shall never be considered as a waiver of any right accruing to them on account of any default hereunder on the part of Mortgagors.

RIDER FORMING A PART OF PARAGRAPH 2

For the purpose of paying general taxes against said premises, Mortgagors shall deposit with Avenue State Bank, as depository (or with such other depository as the holder of said note may from time to time designate in writing), on the first day of December 1971 and the first day of each month thereafter until said note is fully paid, a sum equal to one-twelfth of the annual general taxes (as estimated by the holder of said note), such sums to be held in trust to pay said taxes. Any deficiency in the amount of any such monthly deposit shall, unless made good by the Mortgagors prior to the due date of the next such deposit, constitute an event of default under this trust deed. If the total of said deposits shall exceed the amount of payments made by the depository for taxes, such excess shall be credited by the depository in subsequent deposits to be made by the Mortgagors. If, however, the monthly deposits made by the Mortgagors shall not be sufficient to pay taxes when the same shall become due and payable, then the Mortgagors shall deposit with the depository any amount necessary to make up the deficiency on or before the date when payment of such taxes shall be due. If at any time the Mortgagors shall make full payment of said note, any amount so on deposit shall be paid to Mortgagors. If there shall be a default under any of the provisions of this trust deed resulting in a public sale of the premises covered hereby, or if the holder of said note acquires the property otherwise after default, the holder of said note shall apply, at the time of the commencement of such proceedings or at the time the property is otherwise acquired, the balance then in the hands of the depository, as a credit against the amount of principal then remaining unpaid under said note. It is expressly provided, however, (all other provisions of this trust deed to the contrary notwithstanding), that the depository shall not be required nor shall it have the right to pay, discharge or remove any tax or tax lien upon or against the premises described herein or any parts thereof or the improvements situated thereon, so long as the Mortgagors shall, in good faith, contest the same or the validity thereof by appropriate legal proceedings brought in a court of competent jurisdiction which shall operate to prevent the collection of the tax or lien so contested and the sale or forfeiture of the said premises or any part thereof to satisfy the same.
