Such appointments may be made either before or after sale, without notice, without regard to the solvency or insolvency of Mortgagors at the time of application for such receiver and without regard to the then value of the premises or whether the same shall be then occupied as a homestead or not, and the Trustee hereunder may be appointed as such receiver. Such receiver shall have power to collect the rents, issues and profits of said premises during the pendency of such foreclosure suit and, in case of a sale under a deficiency, during the full statutory period of redemption, whether there be redemption or not, as well as during any further times when Mortgagors, except for the intervention of such receiver, would be entitled to collect such rents, issues and profits, and all other powers which may be necessary or are usual in such cases for the protection, possession, control, management and operation of the premises during the whole of said period. The Court from time to time may authorize the receiver to apply the net income in hand with interest on the part of the mortgagor to the payment of the indebtedness secured hereby and to pay the same to the holders of the Note, or any part thereof, or to apply the same to the payment of the principal or interest on the Note or to the payment of the taxes and assessments and insurance premiums, if at any time such which may be or become superior to the lien hereof or of such decree, provided such application is made prior to foreclosure sale; (2) the deficiency in case of a sale and deficiency.
- No action for the enforcement of the lien or of any provision hereof shall be subject to any defense which would not be good and available to the party interposing same in an action at law upon the Note.
- Trustee and the holders of the Note shall have the right to inspect the premises at all reasonable times and access thereto shall be permitted for that purpose.
- Trustee has no duty to examine the title, location, existence, or condition of the premises, nor is Trustee obligated to record this trust deed or to exercise any power herein given unless expressly obligated by the terms hereof, nor be liable for any acts or omissions hereunder, except in case of its own gross negligence or misconduct or that of the agents or employees of Trustee, and it may require indemnities satisfactory to it before exercising any power herein given.
- Trustee shall release this Trust Deed and the lien thereof by proper instrument upon presentation of satisfactory evidence that all indebtedness secured by this Trust Deed has been fully paid, and Trustee may execute and deliver a release hereof to and at the request of any person who shall, either before or after maturity thereof, produce and exhibit to Trustee the Note, representing that all indebtedness hereby secured has been paid, which representation Trustee may accept as true without inquiry. Where a release is requested of a successor trustee, such successor trustee may accept as the genuine Note any note which bears a certificate of identification purporting to be executed by a prior trustee hereunder or which conforms in substance with the description herein contained of the Note and which appears to be executed by the person herein designated as the maker hereof, and where the release is requested of the original trustee, and it has never executed a certificate on any instrument identifying same as the Note, it may accept as the genuine Note any note which may be presented and which conforms in substance with the description herein contained of the Note and which purports to be executed by the persons herein designated as makers thereof.
- Trustee may assign by instrument in writing filed in the office of the Recorder of Titles or Registrar of Titles in which this instrument shall have been recorded or filed, in case of the resignation, inability or refusal to act of Trustee, the Recorder of Deeds of the county in which the premises are situated shall be successor to Trustee. Any Successor in Trust hereunder shall have the identical title, powers and authority as are herein given Trustee, and any Trustee or successor shall be entitled to reasonable compensation for all acts performed hereunder.
- This Trust Deed and all provisions hereof, shall extend to and be binding upon Mortgagors and all persons claiming under or through Mortgagors, and the word "Mortgagors" when used herein shall include all such persons and all persons liable for the payment of the indebtedness or any part thereof, whether or not such persons shall be executed the note or this Trust Deed.
- For the purpose of providing regularly for the prompt payment of all taxes and assessments levied or assessed against the premises and all premiums on policies of insurance that will next become due and payable, the Mortgagors will deposit with the holders of the Note on the dates installments of principal and interest are payable, an amount equal to such taxes, assessments and insurance premiums as estimated by the holders of the Note, less the amount already deposited therefor, divided by the number of such deposits to be made up to the date when such taxes and assessments will become payable, and when said premiums become due. The monies thus deposited with the holders of the Note are to be held without interest and to be applied by the holders of the Note to the payment of such taxes, assessments and insurance premiums as they become due and payable. It shall not be obligatory upon the holders of the Note to inquire into the validity of the Note to the payment of such taxes, assessments and insurance premiums as they become due and payable, but it shall be the duty of the holders of the Note to make up the deficiency, if at any time the holders of the Note deem the amount deposited insufficient to pay said taxes, assessments and insurance premiums, the Mortgagors will deposit with the holders of the Note, any amount necessary to make up the deficiency; provided, however, that nothing in this paragraph contained shall relieve the Mortgagors from the performance of any of the other covenants or agreements contained relative to the payment of taxes and assessments and insurance premiums. In case of default in the payment of any installment of principal or interest or in the performance of any of the covenants and agreements of the Mortgagors herein contained, the holders of the Note may apply any and all sums then on deposit, on account of the indebtedness secured by this Trust Deed.
- For the purposes of paragraphs 4 and 8 hereof the rate of interest shall be the rate specified in the Note as to unpaid installments of principal thereof after due, reduced to such extent, if any, as shall be necessary to comply with any limitations applicable hereto upon rates of interest which may lawfully be charged, contracted for or received.
- The Mortgagors agree that the provisions of this Trust Deed shall be subject to the provisions of the Interest Equalization Tax Act (as set forth in Chapter 41, Subtitle D of the Internal Revenue Code of 1954, as amended) as presently or hereafter in effect, or any governmental revenue stamps are asserted to be required thereon, Mortgagors will successfully defend against or pay the same and upon failure of Mortgagors so to do Trustee or the holders of the Note may do so and add the amount so paid to the principal indebtedness secured hereby, which said sum, together with interest thereon at the rate provided for in the Note, shall become immediately due and payable.
