UNOFFICIAL COPY

1. any and all leases, written or oral, and all agreements for use or occupancy of any portion of the Mortgaged Property, any and all extensions and renewals of said leases and agreements and any and all further leases or agreements, including, without limitation, subleases thereunder, upon or covering the use or occupancy of all or any part of the Mortgaged Property, all such leases, agreements, subleases and tenancies heretofore mentioned, being hereinafter individually and collectively referred to as the "Lease" and such parties, lessees, sublessees and tenants under any Lease being hereinafter individually and collectively referred to as a "Lessee";

2. any and all guaranties of the performance, payment and/or collection of any of the Leases (individually referred to as a "Guaranty" and collectively referred to as "Guaranties") by any guarantor, surety or other liable party thereunder (collectively referred to as a "Guarantor"); and

3. the immediate and continuing right to collect and receive all of the rents, income, receipts, revenues, issues and profits now due or which may become due, or to which Maker may now or shall hereafter (including during the period of redemption, if any) become entitled or may demand or claim, arising or issuing from or out of the Leases or Guaranties or from or out of the Mortgaged Property, or any part thereof, including but not limited to minimum rents, additional rents, percentage rents, common area maintenance charges, parking charges, taxes and insurance premium contributions, and liquidated damages following default, the premium payable by Lessee under the Lease upon the exercise of any cancellation privilege provided for in the Lease, payments from Guarantor and all proceeds payable under any policy of insurance covering loss of rents resulting from untenability caused by destruction or damage to the Mortgaged Property, together with any and all rights and claims of any kind which Maker may have against Lessee or Guarantor in connection with the Lease or against any subtenants, occupants or users of the Mortgaged Property, all such monies, rights and claims in this paragraph described being hereinafter referred to as the "Rents".

To induce Noteholder to lend the funds evidenced by the Note, Maker hereby makes the following REPRESENTATIONS AND WARRANTIES:

That Maker has good title to the Leases, Guaranties and Rents hereby assigned and good right to assign the same, and that no other person, corporation or entity (other than any lessee thereof) has any right, title or interest therein; that Maker has duly and punctually performed all and singular the terms, covenants, conditions and warranties of the existing Leases on Maker's part to be kept, observed and performed; that Maker has not previously sold, assigned, transferred, mortgaged or pledged the Leases, Guaranties or the Rents, whether now due or hereafter to become due; that any of the Rents due for any period subsequent to the date hereof have not been collected and that payment of any of the Rents has not otherwise been anticipated, waived, released, discounted, set off or otherwise discharged or compromised; that Maker has not received any funds or deposits from any Lessee in excess of one (1) month's rent for which credit has not already been made on account of accrued rents, except for usual and customary security deposits; and that the lessee under any existing Lease is not in default of any of the terms thereof.

Maker further COVENANTS AND AGREES:

1. to observe, perform and discharge all obligations, covenants and warranties provided for under the terms of the Leases and Guaranties to be kept, observed and performed by Maker, and to give prompt notice to Noteholder in the event Maker fails to observe, perform and discharge same;
2. immediately upon request of Noteholder, during an uncured Event of Default (defined below) to notify in writing each Lessee, Guarantor and occupant of the Mortgaged Property or any part thereof that any security deposits or other deposits heretofore delivered to Maker have been retained by Maker or assigned and delivered to Noteholder as the case may be;
3. to enforce or secure, in the name of Noteholder if Noteholder should so request, the performance of each and every obligation, term, covenant, condition and agreement to be performed by (a) any Lessee under the terms of the Leases and (b) any Guarantor under the terms of the Guaranties;
4. to appear in and defend any action or proceeding arising under, occurring out of, or in any manner connected with the Leases, the Guaranties or the obligations, duties or liabilities of Maker and any Lessee thereunder, and, upon request by Noteholder, to do so in the name and on behalf of Noteholder but at the expense of Maker, and to pay all costs and expenses of Noteholder, including reasonable attorneys' fees, in any action or proceeding in which Noteholder may appear;
5. not to receive or collect any Rents from any present or future Lessee of the Mortgaged Property or any part thereof or from any Guarantor for a period of more than one (1) month in advance, or pledge, transfer, mortgage or otherwise encumber or assign future payments of the Rents;
6. except as expressly permitted in the Mortgage, not to waive, excuse, condone, discount, set off, compromise, or in any manner release or discharge any Guarantor or Lessee of the Mortgaged Property of and from any obligations, covenants, conditions and agreements by said Lessee or Guarantor to be kept, observed and performed, including the obligation to pay rent in the manner and at the place and time specified in any Lease;
7. except as expressly permitted in the Mortgage, not to cancel, terminate or consent to any surrender of any Lease or any Guaranty, or modify or in any way alter the terms of any Lease or any Guaranty without, in each such instance, the prior written consent of Noteholder; provided, however, without Noteholder's prior written consent, Maker may (a) make modifications to Leases in good faith in the ordinary course of business which do not change the material terms in any way adverse to Noteholder and (b) cancel or terminate a Lease in good faith in the ordinary course of business due to such Lessee's default;
8. immediately upon receipt of demand from Noteholder during an uncured Event of Default to notify each Lessee, Guarantor and occupant of the Mortgaged Property in writing

of the rights granted to Noteholder hereunder, and/or, to direct, in writing, each Lessee, Guarantor and occupant of the Mortgaged Property to pay all Rents then due or to become due from such Lessee, Guarantor and occupant directly to Noteholder upon such Lessee's, Guarantor's or occupant's receipt of written notice from Noteholder of Noteholder's exercise of Noteholder's rights under this Assignment;

9. to provide Noteholder with copies of all notices, complaints, demands and petitions regarding (a) any actual, potential or alleged default on the part of the landlord or the tenant under Leases representing, in aggregate, greater than 10% of the rentable area of the Mortgaged Property or (b) Hazardous Materials, as such term is defined in the Mortgage, sent or received by Maker immediately upon Maker's sending same or within five (5) days of Maker's receipt of same, as applicable; and

10. to promptly remit to Noteholder any and all Rents received by Maker after Maker's receipt from Noteholder of termination of Maker's license to collect Rents granted herein.

So long as there shall exist no default by Maker in the payment of any indebtedness and obligations secured hereby or in the observance and performance of any other obligation, covenant or warranty set forth herein or in the Note, the Mortgage or any other document executed by Maker evidencing, securing or relating to the Note (such documents being herein referred to collectively as the "**Loan Documents**"), Maker shall have the right under a license granted hereby (but limited as provided in the following paragraph) to collect, receive and retain, but not prior to accrual, all of the Rents arising from or out of the Leases.

Upon or at any time after default in the payment of any indebtedness secured hereby or in the observance or performance of any obligation, covenant or warranty set forth herein or in the Loan Documents which remains uncured beyond any applicable cure period (an "**Event of Default**"), Noteholder, at its option, shall have the right, power and authority to exercise and enforce any or all of the following rights and remedies: (a) to terminate the license hereby granted to Maker to collect the Rents as aforesaid, and, without taking possession of the Mortgaged Property, to, in Noteholder's own name, demand, collect, receive, sue for, attach and levy the Rents, to give proper receipts, releases and acquittances therefor, and, after deducting all necessary and reasonable costs and expenses of collection, including reasonable attorney's fees, to apply the net proceeds thereof, together with any funds of Maker deposited with Noteholder, upon any indebtedness secured hereby or obligation provided for in any of the Loan Documents and in such order as Noteholder may determine; (b) to declare all sums secured hereby immediately due and payable and, at Noteholder's option, to exercise all of the rights and remedies provided for in the Loan Documents or under the terms hereof; and (c) without any action or proceeding, through any person or by agent, or by the trustee(s) or successor trustee under the Mortgage, or by a receiver to be appointed by a court, to enter upon, take possession of, manage and operate the Mortgaged Property or any part thereof, and irrespective of Maker's possession of the Mortgaged Property, to make, modify, enforce, cancel or accept surrender of any of the Leases and Guaranties, to remove and evict any Lessee or other occupant, to increase or reduce rents, to decorate, clean and make repairs, and to otherwise do any

act or incur any cost or expenses Noteholder shall deem proper to protect the Leases, Guaranties and the Mortgaged Property, as fully and to the same extent as Maker could do if in possession, and in such event to apply any funds so collected to the operation and management of the Mortgaged Property, but in such order as Noteholder shall deem proper, and including payment of reasonable management, brokerage and attorney's fees, and then, to the extent funds are available and to the extent deemed appropriate by Noteholder, to the maintenance, without interest thereon, of a reserve for replacement of items on the Mortgaged Property, and then, if any of such funds remain, to the payment of any indebtedness evidencing, securing or relating to the terms of the Loan Documents whether or not then due.

The exercise by Noteholder of any of the rights and remedies described above, including collection of the Rents and application thereof as aforesaid and/or the entry upon and taking possession of the Mortgaged Property, shall not cure or waive any Event of Default or waive, modify or affect any notice of default under the Loan Documents or hereunder, or invalidate any act done pursuant to such notice, and the enforcement of such right or remedy by Noteholder, once exercised, shall continue for so long as Noteholder shall elect, notwithstanding that the collection and application as aforesaid of the Rents may have cured the original Event of Default. If Noteholder shall thereafter elect to discontinue the exercise of any such right or remedy, the same or any other right or remedy hereunder may be reasserted at any time and from time to time following any subsequent Event of Default.

Notwithstanding the aforesaid license of Maker to collect the Rents accruing under the Leases prior to an Event of Default, Noteholder shall at all times be the creditor of each Lessee under the Leases in respect of assignments for the benefit of creditors, bankruptcy, reorganization, rearrangement, insolvency, dissolution, or receivership proceedings, with Noteholder having the option to apply any monies received by Noteholder as such creditor to reduction of the principal or interest or other indebtedness evidencing, securing or relating to the Loan Documents. Notwithstanding the aforesaid license of Maker to collect rents under the Leases prior to an Event of Default, Noteholder may collect or receive all payments, premiums and considerations paid by any Lessee, whether or not pursuant to the terms of any Lease, for the right to terminate, cancel or modify a Lease, with an option to apply any money so received by Noteholder to reduction of the principal or interest or any other indebtedness evidencing, securing or relating to the Loan Documents in any order or manner Noteholder elects. Further, Maker covenants and agrees to immediately pay over to Noteholder any and all sums received by Maker as creditor in respect to an assignment for the benefit of creditors in bankruptcy, reorganization, arrangement, insolvency, dissolution or receivership proceedings, or as payment, premium or other consideration in connection with the cancellation or modification of any Lease, whereupon Noteholder shall have the option to apply any funds so received to reduction of the principal or interest or any other indebtedness evidencing, securing or relating to the Loan Documents in any order or manner Noteholder elects.

This Assignment shall remain in effect as long as any part of the indebtedness evidencing, securing or relating to the Loan Documents remains unpaid, and upon payment in full of said

indebtedness, Noteholder shall execute a release of this Assignment upon request of Maker and at the expense of Maker.

Notwithstanding any law to the contrary, if there is an Event of Default, and if there is any law requiring Noteholder to take actual possession of the Mortgaged Property (or some action equivalent thereto, such as securing the appointment of a receiver) in order for Noteholder to “perfect” or “activate” its rights and remedies as set forth herein, then to the maximum extent permitted by law Maker waives the benefits of such law and agrees that such law shall be satisfied solely by: (1) Noteholder sending Maker written notice that Noteholder intends to enforce, and is enforcing, its rights in and to the Mortgaged Property and the rents, revenues, profits, and other items assigned herein, and (2) Noteholder sending written notice to any or all tenants on the Mortgaged Property that said tenants should commence making payments under the Leases directly to Noteholder or its designee.

In case any one or more of the provisions contained in this Assignment shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provision hereof, and this Assignment shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein.

This Assignment shall run with the land and shall inure to the benefit of and bind all parties hereto and their respective heirs, executors, administrators, successors and assigns. This Assignment shall be governed by and construed and interpreted in accordance with the laws of the State of Illinois.

This Assignment may be executed in multiple counterparts, each of which shall be an original instrument and which, taken together, constitute one and the same agreement.
