this Security Instrument, including protecting and/or assessing the value of the Property, and securing and/or repairing the Property. If, for any reason, the Mortgage Insurance coverage required by Lender crases to be available from the mortgage insurer that previously provided such insurance and Borrower was required to make separately designated payments toward the premiums for Mortgage Insurance, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the Mortgage Insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the Mortgage Insurance previously in effect, from an alternate mortgage insurer cale ted by Lender. Lender will accept, use and retain these payments as a non-refundable loss reserve in lieu of Mortgage Insurance. Such osi reserve shall be non-refundable, notwithstanding the fact that the Loan is ultimately paid in full, and Lender shall not be required to pay Borrower any interest or earnings on such loss reserve. Lender can no longer require loss reserve paymant if Mortgage Insurance coverage (in the amount and for the period that Lender requires) provided by an insurer's slected by Lender again becomes available, is obtained, and Lender requires separately designated payments toward the premiums for Mortgage Insurance. If Lender required Mortgage insurance as a condition of making the Loan and borrover was required to make separately designated payments toward the premiums for Mortgage Insurance, Borrov at shall pay the premiums required to maintain Mortgage Insurance in effect, or to provide a non-refundable loss resorve, until Lender's requirement for Mortgage Insurance ends in accordance with any written agreement between Borror on and Lender providing for such termination or until termination is required by Applicable Law. Nothing in this Section 10 aff cts Borrower's obligation to pay interest at the rate provided in the Note.

Mortgage Insurance reimburses Lender (or any entity that purchases the Note) for certain losses it may incur if Borrower does not repay the Loan as agreed, Borrower is not a party to the Mortgage traurance.

Mortgage insurers evaluate their total risk on all such insurance in force from time to time, and may enter into agreements with other parties that share or modify their risk, or reduce losses. These agreements are on terms and conditions that are satisfactory to the mortgage insurer and the other party (or parties) to these agreements. These agreements may require the mortgage insurer to make payments using any source of funds that the riortgage insurer may have available (which may include funds obtained from Mortgage Insurance premiums).

As a result of these agreements, Lender, any purchaser of the Note, another insurer, any reinsurer, any other entity, or any affiliate of any of the foregoing, may receive (directly or indirectly) amounts that derive from (or might be characterized as) a portion of Borrower's payments for Mortgage Insurance, in exchange for sharing or modifying the mortgager, in; urer's risk, or reducing losses. If such agreement provides that an affiliate of Lender takes a share of the insurar's risk in exchange for a share of the premiums poid to the insurer, the arrangement is often termed "captive reinsurance." Further:

- (a) Any such agreements will not affect the amounts that Borrower has agreed to pay for Mortgage Insurance, or any other terms of the Loan. Such agreements will not increase the amount Borrower will owe for Mortgage Insurance, and they will not entitle Borrower to any refund.
- (b) Any such agreements will not affect the rights Borrower has if any with respect to the Mortgage Insurance under the Homeowners Protection Act of 1998 or any other law. These rights may include the right to
