When the said notes and all expenses accruing under this trust deed shall be fully paid, the Trustee or its successor shall release this trust deed and reconvey all of said premises remaining unsold to the said Grantors or their heirs or assigns, upon receiving its reasonable charges therefor. The Trustee may in the exercise of its discretion accept the production of the principal notes duly canceled as sufficient proof of the payment of the indebtedness secured hereby, and may waive the production of any or all of the interest coupons at the time of releasing this Trust Deed. In case of the resignation, inability or refusal of said Grantee, then the Recorder of Deeds of the County in which the premises are situated shall be successor in trust to be rein, with like power and authority as is hereby vested in said Grantee.

Mortgagor agrees that, in order more fully to protect the security of this trust deed, mortgagor will deposit with the holder of the note, on the first day of each month, beginning on the 1st day of December 19__ the sum of _____ and one twelfth of the amount (as estimated by the holder of the note) which will be sufficient to pay taxes, special assessments and other charges on the real estate that will become due and payable during the ensuing year plus the amount necessary to purchase required insurance for one year. The holder of the note shall hold such monthly deposits in trust, without any charge of interest, and shall use such fund for the payment of such items when the same are due and payable. If at any time the fund so held by the holder of the note is insufficient to pay any such item when the same shall become due, the holder of the note shall advise mortgagor of the deficiency and mortgagor shall, within ten days after receipt of such notice, deposit with the holder of the note such additional funds as may be necessary to pay such items. Failure to make any deposit when due shall be a breach of this mortgage. If at any time there be default in any of the provisions of this mortgage, the holder of the note may, at its option apply any money in the fund on any of the mortgage obligations and in such order and manner as it may see fit.

If this instrument is executed by one individual, then the word "Grantors" and all verbs, pronouns and other words qualifying, applying or referring to the same in this instrument shall be construed as if the same had been written in the singular, and if this trust deed secures only one principal note, then the word "notes" as used herein shall be held to mean such note.

WITNESS the hands and seals of the said Grantors the day and year first above written.
