A. Payment of the indebtedness evidenced by that certain Promissory Note (herein called the "Note") dated the date hereof, in the principal sum of Thirteen Million and No/100 Dollars (\$13,000,000.00), or so much thereof as shall be disbursed, bearing interest at the variable rate specified therein, payable to the order of the Assignee, and otherwise incorporated herein and made a part hereof by this reference with the same effect as if set forth at length, and Assignor has, concurrently herewith, executed and delivered to Assignee, that certain Loan Agreement (the "Loan Agreement") dated the date hereof, which Note is secured by a Mortgage (herein generally called the "Mortgage") of the same date, to Assignee, upon the Premises, and filed for record in the proper office of the County and State where the Premises are located, which Mortgage and Note are held by or for the benefit of the Assignee.

B. Payment of all other sums with interest thereon becoming due and payable to the Assignee contained herein and in the Note and Mortgage.

same and to grant to and confer upon the Assignee the rights, interests, powers and/or authorities herein granted and conferred.

3. Assignor will, from time to time, execute upon request of the Assignee, any and all instruments requested by the Assignee to carry this instrument into effect or to accomplish any other purposes deemed by the Assignee to be necessary or appropriate in connection with this Assignment or the Premises including, without limitation, specific assignments of any Lease or agreement relating to use or occupancy of the Premises or any part thereof now or hereafter in effect and not specifically defined herein as a Lease, as may be necessary or desirable, in the opinion of Assignee, to constitute the same as a Lease hereunder.

4. This Assignment shall in no way operate to restrict or prevent the Assignee from pursuing any remedy which it now or hereafter may have because of any present or future breach of the terms or conditions of the Mortgage, the Note or any other Loan Documents.

5. The Assignee shall not in any way be responsible for failure to do any or all of the things for which rights, interests, powers and/or authority are herein granted it; and the Assignee shall not be responsible for or liable upon any of the agreements, undertakings or obligations imposed upon the lessor under any Lease or other agreement with respect to the Premises.

6. The Assignee shall be accountable only for such cash as it actually receives under the terms hereof.

7. Failure of the Assignee to do any of the things or exercise any of the rights, interests, powers and/or authorities hereunder shall not be construed to be a waiver of any of the rights, interests, powers or authorities hereby assigned and granted to the Assignee and shall not operate as an estoppel against Assignee in any respect, or be deemed to amend any provision hereof or of any of the other Loan Documents.

8. The Assignee shall assign this Assignment and any and all rights accruing thereunder to any subsequent assignee and holder of the Note and Mortgage for which this Assignment is given as additional security.

9. It is understood that the assignment of the Leases and of the Rents of and from the Premises as effected hereby is an absolute assignment which is effective as of the date hereof and, upon demand by Assignee to the lessee under any Lease or to any person liable for any of the Rents of and from the Premises or any part thereof, such lessee or person liable for any of such Rents shall be, and is hereby authorized and directed to, pay to or upon the order of Assignee, and without inquiry of any nature, all rents then owing or thereafter accruing under said Leases or any other instrument or agreement, oral or written, giving rise to an obligation to pay Rents in connection with the Premises.

10. So long as there shall exist no Event of Default as defined in the Loan Agreement, Assignee shall not demand from lessees under said Leases or other persons liable therefor, any of the Rents hereby assigned but shall permit the Assignor to collect upon but not prior to accrual, all such Rents from the Premises and the Leases and to retain and enjoy the same; provided that, notwithstanding the provisions of this Section 10, all lessees under said Leases and all other persons liable for Rents of and from the Premises shall comply with any demands for Rents made by Assignee pursuant to the provisions of this Assignment without regard to whether or not the same are made in compliance with this Section 10.

11. Upon or at any time after Event of Default as defined in the Loan Documents, the Assignee may declare all sums secured hereby immediately due and payable and may, at Assignee's option, without notice, either in person or by agent, with or without bringing any action or proceeding, or by a receiver to be appointed by a court, enter upon, take possession of, and manage and operate the Premises and each and every part and parcel thereof; and in connection therewith, the Assignee may make, cancel, enforce or modify Leases, fix or modify Rents, repair, maintain and improve the Premises, employ contractors, subcontractors and workmen in and about the Premises, obtain and evict tenants, in its own name sue for or otherwise collect or reserve any and all Rents including those past due and unpaid, employ leasing agents, managing agents, attorneys and accountants in connection with the enforcement of Assignee's rights hereunder and pay the reasonable fees and expenses thereof, and otherwise do and perform any and all acts and things which Assignee may deem reasonably necessary or appropriate in and about the Premises for the protection thereof or the enforcement of Assignee's rights hereunder or under the Loan Documents; and any and all amounts expended by Assignee in connection with the foregoing shall constitute so much additional indebtedness secured hereby and by the Mortgage; provided that (i) Assignee shall apply any monies collected by Assignee, as aforesaid, less costs and expenses incurred, as aforesaid, upon any indebtedness secured hereby in such order and manner as Assignee may determine and (ii) the entering upon and taking possession of the Premises, the collection of Rents, the exercise of any of the rights hereinabove specified and the application of collections, as aforesaid, shall not cure, waive, modify or affect any default hereunder or under the Loan Documents.

12. Any tenants or occupants of any part of the Premises are hereby authorized to recognize the claims and demands of Assignee hereunder without investigating the reason for any action taken by the Assignee or the validity or the amount of indebtedness owing to the Assignee or the existence of any default hereunder or under the Loan Documents or the application to be made by the Assignee of any amounts to be paid to the Assignee; and (i) the sole Signature of the Assignee shall be sufficient for the exercise of any rights under this Assignment and the sole receipt of the Assignee for any sums received shall be a full discharge and release therefor to any such tenant or occupant of the Premises and (ii) checks for all or any part of the Rents collected under this Assignment shall be drawn or made payable to the exclusive order of the Assignee.

13. The Assignee shall not be obligated to perform or discharge, nor does it hereby undertake to perform or discharge any obligation, duty or liability under the Leases, nor shall this Assignment operate to place upon Assignee responsibility for the control, care, management or repair of the Premises or the carrying out of any of the terms and conditions of the Leases; nor shall it operate to make the Assignee responsible or liable for any waste committed on the Premises by the lessee under any Lease or any other party, or for any dangerous or defective condition of the Premises, or for any negligence in the management, upkeep, repair or control of the Premises resulting in loss or injury or death to any tenant, licensee, employee or stranger; and nothing herein or in the Mortgage contained, and no exercise by Assignee of any of the rights herein or in the Mortgage conferred shall constitute or be construed as constituting Assignee a "mortgagee in possession" of the Premises, in the absence of the taking of actual possession of the Premises by Assignee pursuant to the provisions hereof.

14. The Assignor hereby agrees to indemnify, defend and to hold Assignee harmless of and from any and all liability, loss or damage which it may or might incur under the Leases or under or by reason of this Assignment and of and from any and all claims and demands whatsoever which may be asserted against it by reason of any alleged obligations or undertakings on its part to perform or discharge any of the terms, covenants or agreements contained in the Leases; and should the Assignee incur any such liability, loss or damage under any Lease or under or by reason of this Assignment, or in the defense of any such claims or demands, the amount thereof, including costs, expenses, and reasonable attorneys' fees, shall be secured hereby and by the Mortgage, and Assignor shall reimburse the Assignee therefor, immediately upon demand, and upon the failure of Assignor so to do, the Assignee may declare all sums secured hereby immediately due and payable.

15. The Assignee has not received nor been transferred any security deposited by any lessee with the lessor under the terms of the Leases and the Assignee assumes no responsibility or liability for any security so deposited.

16. Assignor will not (i) execute any other assignment or pledge of the Rents from the Premises or any part thereof, or of the Assignor's interest in any of the Leases, except to Assignee; (ii) execute any Lease without Assignee's prior written consent, (iii) permit any Leases to become subordinate to any lien other than liens securing the indebtedness secured hereby or liens for general real estate taxes not delinquent; or (iv) execute hereafter any Lease unless there shall be included therein a provision providing that lessee acknowledges that such Lease has been assigned pursuant to this Assignment and agrees not to look to Assignee as mortgagee, mortgagee in possession or successor in title to the Premises for accountability for any security deposit required by landlord under such Lease unless such sums have actually been received in cash by Assignee as security for lessee's performance under such Lease, without Assignee's prior written consent.

17. Assignor has not, and will not, accept Rent in advance under any Lease excepting only monthly rents for current months which may be paid in advance.

18. Assignor will (i) at Assignee's request, cause this Assignment to be served upon the lessee under each Lease; (ii) at Assignor's sole cost and expense, cause this Assignment to be recorded and filed and re-recorded and re-filed in each and every public office in which such filing and recording may be necessary to constitute record notice of this Assignment and the terms and provisions hereof as applicable to the Premises; (iii) at all times promptly and faithfully abide by, discharge or perform all of the covenants, conditions and agreements contained in each Lease; (iv) enforce or secure the performance of all of the covenants, conditions and agreements of the Leases on the part of the lessees to be kept and performed; (v) appear in and defend any action or proceeding arising under, growing out of or in any manner connected with any Lease or the obligations, duties or liabilities of Assignor, as lessor, and of the lessees thereunder, and pay all costs and expenses of Assignee, including reasonable attorneys' fees in any such action or proceeding in which Assignee may appear; (vi) furnish to Assignee, within ten (10) days after a request by Assignee to do so, a rent roll for the Premises; and (vii) exercise within five (5) days of the demand therefor by Assignee, any right to request from the lessee under any Lease a certificate with respect to the status thereof.

19. Upon payment in full of all indebtedness secured hereby, this Assignment shall become and be void and of no effect and Assignee shall release this Assignment of Record concurrently with the recording of a Release of the Mortgage.

20. This Assignment applies to, inures to the benefit of and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns and: (i) wherever the term "Assignor" is used herein, such reference shall be deemed to mean each Assignor whose name appears below, severally, and all such Assignors, jointly and severally, and their respective heirs, legatees, devisees, executors, successors and assigns; and (ii) wherever the term "Assignee" is used herein, such term shall include all successors and assigns, including each and every from time to time owner and holder of the Note, of the Assignee named herein, each of whom shall have, hold and enjoy all of the rights, powers and benefits hereby afforded and conferred upon Assignee as fully and with the same effect as if such successors and assigns of Assignee were herein by name designated as Assignee.

21. In the event any lessee under the Leases should be the subject of any proceeding under the Federal Bankruptcy Code, as amended from time to time, or any other federal, state, or local statute which provides for the possible termination or rejection of the Leases assigned hereby, the Assignor covenants and agrees that if any of the Leases is so terminated or rejected, no settlement for damages shall be made without the prior written consent of Assignee, and any check in payment of damages for termination or rejection of any such Lease will be made payable both to Assignor and Assignee; and the Assignor hereby assigns any such payment to Assignee and further covenants and agrees that upon the request of Assignee, it will duly endorse to the order of Assignee any such check, the proceeds of which will be applied to whatever portion of the indebtedness secured by this Assignment that Assignee may elect.
