All moneys paid for any of the purposes herein authorized and all expenses paid or incurred in connection therewith, including attorney's fees, and any other moneys advanced by Trustee or the holders of the note to protect the mortgaged premises and the lien hereof, plus reasonable compensation to Trustee for each matter concerning which action herein authorized may be taken, shall be so much additional indebtedness secured hereby and shall become immediately due and payable without notice and with interest thereon at the then highest rate permitted by law. 9. Upon or at any time after the filing of a bill to foreclose this trust deed the court in which such bill is filed may appoint a receiver of said premises. Such appointment may be made either before or after sale, without stay, without regard to the solvency or insolvency of Mortgagors at the time of application for such receiver and without regard to the then value of the premises, which shall be then assigned as a homestead to the mortgagor, and the Trustee hereunder may be appointed as such receiver. Such receiver shall have power to collect the rents, issues and profits of said premises during the pendency of such foreclosure suit and, in case of sale and a deficiency, during the full statutory period of redemption, and also during any further times when Mortgagors, except for the intervention of such receiver, would be entitled to collect such rents, issues and profits and all other powers which may be necessary or are usual in such cases for the protection, preservation, control, management and operation of the premises during the whole of said period. The court from time to time may authorize the receiver to apply the net income in his hands in payment on whole or in part of (1) the indebtedness secured hereby, or by any decree hereunder in this trust deed, or any tax, special assessment or other lien which may be or become superior to the lien hereof, or of such debts, provided such application is made prior to foreclosure sale; (2) the deficiencies in case of a sale and deficiency.
10. No action for the enforcement of the lien of any provision herein shall be subject to any defense which would not be good and available to the party interposing same in an action of law upon the note hereby secured.
11. Trustee or the holders of the note shall have the right to inspect the premises at all reasonable times and access thereto shall be permitted for that purpose.
12. Trustee has no duty to examine the title, if an abstract exists, in connection with the premises nor shall Trustee be obligated to record this trust deed or to exercise any power hereon given except as expressly required by the terms hereof, but is liable for any acts or omissions hereunder, except in case of its own gross negligence or misconduct or that of the agents or employees of Trustee, and it may require independent abstracts to be before exercising any power herein given.
13. Trustee shall release this trust deed and the lien interest by proper instrument upon presentation of satisfactory evidence that all indebtedness secured by this trust deed has been fully paid, and Trustee may execute and deliver a release hereof, and at the request of any person who shall, either before or after maturity thereof, produce and exhibit to Trustee the note representing that all indebtedness hereby secured has been paid, which representation Trustee may accept as true without inquiry. Where a release is requested of a successor trustee, such successor trustee may accept as genuine note herein described any note which bears a certificate of identification purporting to be executed by a trust trustee hereunder in which contains in substance both the description herein contained of the note and which purports to be executed by the persons herein designated as the makers thereof and where the release is for the benefit of the original trustee and it has never executed a certificate on any instrument identifying same as the note described herein, it may accept as the genuine note hereby described any note which may be presented and which conforms in substance with the description herein contained of the note and which purports to be executed by the persons herein designated as makers thereof.
14. Trustee may resign by instrument in writing filed in the office of the Recorder or Registrar of title in which this instrument shall have been recorded or filed. In case of the resignation, inability or refusal on part of Trustee, the other Recorder or Registrar of Deeds of the county in which the premises are situated shall be Successor in Trust. Any Successor in Trust hereunder shall have the identical title, powers and authority as are herein given Trustee, and any Trustee or successor shall be entitled to reasonable compensation for all acts performed thereunder.
15. This Trust Deed and all provisions hereof shall extend to and be binding upon Mortgagors and all persons claiming under or through Mortgagors, and the word "Mortgagors" when used herein shall include all such persons and all persons liable for the payment of the indebtedness or any part thereof, whether or not such persons shall have executed the note or this Trust Deed.
16. Without the prior written consent of the holder or holders of the note secured hereby the Mortgagors or Mortgagors shall not convey or encumber title to the premises herein involved. The holder or holders of the note secured hereby may elect to accelerate the entire unpaid principal balance provided in the note for breach of this covenant and no delay in such election after actual or constructive notice of such breach shall be construed as a waiver or acquiescence in any such conveyance or encumbrance.
