As additional security the grantor(s) hereby assign(s) all the rents, issues and profits arising or to arise out of said premises to the grantee herein and authorize(s) him, in his own name as assignee, or otherwise, to receive, sue for, or otherwise collect such rents, issues and profits, to serve all notices which may be or become necessary to institute forcible detainer proceedings, to receive, possess, lease, and release said premises, or any portion thereof, for such term or terms, and upon such conditions as he may deem proper, and apply the proceeds thereof, first to the payment of the principal of principal and charges against said premises; and, second, to the payment of the indebtedness hereby secured rendering the overplus, if any, to the grantor(s) if and when the indebtedness hereby secured shall have been fully paid.

When all of the aforesaid agreements are performed, the grantee or his successor in trust, shall release said premises to the party entitled, on receiving his reasonable charges.

Whenever in this instrument the expression "grantor(s)" appears it shall be held in each case to refer to and include the person or persons, singular or plural, natural or artificial, described in the premises of this deed, and all provisions hereof, shall extend to and be binding upon such person or persons and all persons claiming under or through them.
