SECTION 2. BORROWER'S REPRESENTATIONS AND COVENANTS.

The Borrower hereby represents, warrants, covenants and agrees as follows:

2.1 Attached hereto as Exhibit C and hereby made a part hereof is a description of the use of the Loan proceeds, including the tasks to be performed, a Construction Schedule and a Project Budget. The Borrower shall use the Loan proceeds solely for Eligible Costs in connection with the Project. No Loan proceeds shall be used for activities described in 24 C.F.R. Section 92.214.

2.2 The Project shall be acquired, constructed and/or rehabilitated, as applicable, for the purpose of providing residential rental property, and the Borrower shall own, manage and operate the Project as residential rental units and facilities functionally related and incidental thereto.

2.3 Each unit in the Project shall contain separate and complete facilities for living, sleeping, eating, cooking and sanitation (unless the Project qualifies as a single-room occupancy project or transitional housing for the homeless, in which case such unit(s) shall comply with all

UNOFFICIAL COPY

applicable requirements for such housing, including, but not limited to the HOME Regulations and the Municipal Code of the City of Chicago).

2.4 None of the HOME Units shall at any time be used on a transient basis, and none of the HOME Units shall ever be used as a hotel, motel, dormitory, fraternity house, sorority house, rooming house, hospital, nursing home, sanitarium, rest home or trailer park or court.

2.5 After completion of the construction and/or rehabilitation, as applicable, of the Project all of the HOME Units shall be occupied by Eligible Tenants. ['92.252; 92.504(c)(3)(iv)]

2.6 All of the HOME Units shall be occupied by Eligible Tenants. If all of the HOME Units are not occupied by Eligible Tenants within six months following the Completion Date, the Borrower shall provide marketing information and a marketing plan to the City. If all of the HOME Units have not been occupied by Eligible Tenants 18 months after the Completion Date, the Borrower shall repay to the City all HOME Funds invested in the Project. Failure to comply with this Section 2.6 shall cause the Loan to become immediately due and payable in full by the Borrower to the City, regardless of any notice and cure provisions otherwise contained herein or in any of the other Loan Documents. ['92.252]

2.7 The rents for all of the HOME Units shall not exceed the lesser of (a) the fair market rent for comparable units in the area as established by HUD under 24 C.F.R. Section 888.111, less Utilities or (b) 30 percent of the adjusted income of a Family whose gross income equals 60 percent of the median income for the Chicago area, with adjustment for the number of bedrooms in the unit (as determined by HUD), as such adjusted income and Chicago-area median income are determined from time to time by HUD, less Utilities. Notwithstanding the foregoing, the City may establish an income ceiling higher or lower than 60 percent of the median income for the Chicago area (which shall not in any event exceed the maximum income ceiling permitted under the HOME Regulations) by notification to the Borrower, and thereafter such income ceiling shall apply. ['92.252(a)] If any HOME Unit has also been allocated low-income housing tax credits by a housing credit agency pursuant to Section 42 of the Internal Revenue Code of 1986 (26 U.S.C. 42), the rent charged for such HOME Unit shall be governed by the more restrictive rent limit.

2.8 A minimum of 20 percent of the HOME Units (the "Very Low-Income Units") shall be either (a) occupied by Very Low-Income Families who pay not more than 30 percent of the Family's monthly adjusted income, as determined by HUD, for rent (excluding any federal or State rental subsidy provided on behalf of the Family) less Utilities; or (b) occupied by Very Low-Income Families and bearing rents not greater than 30 percent of the gross income of a Family whose income equals 50 percent of the median income for the Chicago area, adjusted for Family size, and as such monthly adjusted income and Chicago-area median income are determined from time to time by HUD, less Utilities (the "Low HOME Rents"). If such Very Low-Income Unit receives Federal or State project-based rental subsidy and is occupied by a Very Low-Income Family who pays as a contribution toward rent not more than 30 percent of the family's adjusted income, then the maximum rent for such Unit (i.e., tenant contribution plus

UNOFFICIAL COPY

project-based rental subsidy) is the rent allowable under the Federal or State project-based rental subsidy program. [92.252(b)] If any HOME Unit has also been allocated low-income housing tax credits by a housing credit agency pursuant to Section 42 of the Internal Revenue Code of 1986 (26 U.S.C. 42), the income limit for an Eligible Tenant in such Unit shall be governed by the more restrictive income limit.

If upon income recertification, a tenant household occupying a Very Low-Income Unit evidences income exceeding 50% of Chicago-area median income, but less than 80% of Chicago-area median income, such Very Low-Income Unit shall still be considered a Very Low-Income Unit, and the rent for such Unit shall remain restricted as provided in this Section 2.8 until another Family is identified whose income is below 50% of Chicago-area median income to fill the next available Unit. The Borrower shall maintain the number of HOME Units, including Very Low-Income Units, required hereunder at all times.

2.9 Sections 2.5 and 2.8 shall be deemed satisfied, despite a temporary noncompliance therewith, if the noncompliance is caused by increases in the incomes of existing tenants and if actions satisfactory to HUD are being taken to ensure that all vacancies are filled in accordance with this Regulatory Agreement until the noncompliance is corrected. [92.252(i)(1)]

Tenants who no longer qualify as Low-Income Families due to an increase in income after initial occupancy which causes such Family's income to equal or exceed 80% of the Chicago-area median income (an "Over-Income Family") shall thereafter pay as rent the lesser of (i) the maximum amount payable by the tenant under State or local law, or (ii) 30 percent of the Over-Income Family's adjusted monthly income as recertified annually. If any HOME Unit which is occupied by an Over-Income Family has been allocated low-income housing tax credits by a housing credit agency pursuant to Section 42 of the Internal Revenue Code of 1986 (26 U.S.C. 42), the rent charged for such Unit shall be governed by the provisions of Section 42. The Borrower shall, at all times, cause the Units in the Project to comply with all guidance from HUD regarding any combination of a HOME Unit with any Unit which has been allocated low-income housing tax credits by a housing credit agency pursuant to Section 42 of the Internal Revenue Code of 1986 (26 U.S.C. 42), including but not limited to any and all rules regarding rent and income with respect to Over-Income Families and the leasing of the next available Unit. No Over-Income Family who occupies a HOME Unit designated on Exhibit B hereto as a floating HOME Unit pursuant to Section 92.252(j) of the HOME Regulations, if any, shall be required to pay as rent an amount that exceeds the market rent for comparable, unassisted units in the neighborhood of the Project. [92.252(i)(2)]

2.10 The rents described in Sections 2.7 and 2.8 as prepared by the Borrower shall be subject to review and approval by DOH annually and shall be less than the maximum amount(s) provided by DOH annually to the Borrower for the Project. The amount(s) proposed by the Borrower as Utilities shall also be subject to the annual review and approval of DOH. The Borrower shall not increase rents for units of the Project during any year during the Project Term until the Borrower submits a rent increase approval request, in the form attached hereto as

UNOFFICIAL COPY

Schedule III of Exhibit B, to DOH and receives DOH's approval of such rent increase.
[92.252(f)]

2.11 Any of the HOME Units which, at any time during the Project Term, qualify as single-room occupancy units pursuant to the HOME Regulations, shall comply with the additional rent restrictions applicable pursuant to Section 92.252(c) of the HOME Regulations.

2.12 In addition to the requirements of Section 2.8 hereof, 100 percent of the HOME Units shall, at all times during the Project Term, be occupied by Families whose adjusted annual incomes at initial occupancy do not exceed 60 percent of the median Family income for the Chicago area, as determined by HUD ("60% Families"). Notwithstanding the foregoing, HUD or the City may establish an income ceiling higher or lower than 60 percent of the median income for the Chicago area in accordance with 24 C.F.R. Section 92.216, and thereafter such income ceiling shall apply. [92.216] If any HOME Unit has also been allocated low-income housing tax credits by a housing credit agency pursuant to Section 42 of the Internal Revenue Code of 1986 (26 U.S.C. 42), the income limit for an Eligible Tenant in such Unit shall be governed by the more restrictive income limit.

2.13 The Borrower shall not refuse to lease any unit of the Project to a holder of a voucher or certificate of eligibility under Section 8 of the 1937 Act or under 24 C.F.R. Part 982, or of a comparable document evidencing participation in a HOME Program tenant-based rental assistance program because of the status of the prospective tenant as a holder of such voucher, certificate or comparable HOME Program tenant-based assistance document.

2.14 All tenant leases for the HOME Units shall be written, shall be in conformity with all applicable laws, including without limitation the City of Chicago Residential Landlord and Tenant Ordinance and the HOME Regulations, and shall contain clauses, inter alia, wherein each individual lessee: (i) certifies the accuracy of the statements made in the Tenant Income Certification and (ii) agrees that the Family income and other eligibility requirements shall be deemed substantial and material obligations of his/her tenancy, that he/she will comply with all requests for information with respect thereto from the Borrower, the City or HUD, and that the failure to provide accurate information in the Tenant Income Certification or refusal to comply with a request for information with respect thereto shall be deemed a substantial violation of an obligation of his/her tenancy.

2.15 All leases for the HOME Units shall be for a period of not less than one year, unless by mutual agreement of the tenant and the Borrower. Notwithstanding the foregoing, rents will not be set more than one year in advance. Leases for HOME Units shall not contain any of the following provisions:

- (a) agreement by the tenant to be sued, to admit guilt or to a judgment in favor of the Borrower in a lawsuit brought in connection with the lease;

UNOFFICIAL COPY

- (b) agreement by the tenant that the Borrower may take, hold or sell personal property of household members without notice to the tenant and a court decision on the rights of the parties (this prohibition, however, does not apply to an agreement by the tenant concerning disposition of personal property remaining in the housing unit after the tenant has moved out of the unit; the Borrower may dispose of this personal property in accordance with applicable local and State law);
- (c) agreement by the tenant not to hold the Borrower or the Borrower's agents legally responsible for any action or failure to act, whether intentional or negligent;
- (d) agreement by the tenant that the Borrower may institute a lawsuit without notice to the tenant;
- (e) agreement by the tenant that the Borrower may evict the tenant or household members without instituting a civil court proceeding in which the tenant has the opportunity to present a defense or before a court decision on the rights of the parties;
- (f) agreement by the tenant to waive any right to a trial by jury;
- (g) agreement by the tenant to waive the tenant's right to appeal, or to otherwise challenge in court, a court decision in connection with the lease;
- (h) agreement by the tenant to pay attorney's fees or other legal costs even if the tenant wins in a court proceeding by the Borrower against the tenant (provided, however, that the tenant may be obligated to pay costs if the tenant loses);
- (i) agreement by the tenant (other than a tenant in transitional housing) to accept supportive services that are offered; [92.253(a) and (b)] or
- (j) agreement by the tenant to waive any occupancy rights tenant has as set forth in the VAWA Requirements.

2.16 The Borrower shall not terminate the tenancy or refuse to renew the lease of a tenant of a HOME Unit in violation of the occupancy rights tenant has as set forth in the VAWA Requirements, except for serious or repeated violation of the terms and conditions of the lease; for violation of applicable federal, State or local law; for completion of the tenancy period for transitional housing or failure to follow any required transitional housing supportive services plan; or for other good cause. Good cause shall not include an increase in the tenant's income or refusal of the tenant to purchase the housing, or an incident of actual or threatened domestic violence, dating violence, sexual assault or stalking as described in the VAWA Requirements.

UNOFFICIAL COPY

To terminate or refuse to renew tenancy, the Borrower must serve written notice upon the tenant specifying the grounds for the action at least 30 days prior to the termination of tenancy. The Borrower shall also comply with all local, county or State law regarding tenant protections.
[92.253(c)]

2.17 Any increase in rent of a HOME Unit shall be subject to the provisions of outstanding leases. Where the leases allow an increase in rent, the Borrower shall provide tenants with not less than 30 days' prior written notice before implementing any increase in rents.
[92.252(f)(3)]

2.18 All tenant lists, applications and waiting lists relating to the Project shall at all times be kept separate and identifiable from any other business of the Borrower which is unrelated to the Project, shall be maintained, as required by the City, in a reasonable condition for proper audit and shall be subject to examination during business hours by representatives of the City. If the Borrower employs a management agent for the Project, the Borrower shall require such agent to comply with the requirements of this Regulatory Agreement and shall include such requirements in any and all management agreements or contracts entered into with respect to the Project.

2.19 (a) The Borrower shall maintain records evidencing compliance with all the requirements of the HOME Program for all HOME Units; such records shall be maintained for the Inspection Period.

(b) Subject to Section 6.2 hereof, this Section shall survive beyond the Termination Date.

2.20 The Borrower shall obtain and maintain on file during the Project Term a sworn and notarized Tenant Income Certification with respect to each and every individual, group of unrelated individuals or Family who is a tenant in a HOME Unit, signed by the tenant or tenants (i.e., the individual or individuals whose name or names appear on the lease) and obtained by the Borrower (a) prior to such tenant or tenants occupying the unit or signing a lease with respect thereto, and (b) thereafter at least annually so long as such individual, individuals or Family remain as tenants in a HOME Unit. The first Tenant Income Certification obtained from any tenant shall have attached thereto copies of source documentation (e.g., wage statements, interest statements and unemployment compensation statements) for such tenant's income for a period of at least two months (the "Source Documentation"). Each Tenant Income Certification shall be kept on file with the Borrower during the Inspection Period; subject to Section 6.2 hereof, this covenant shall survive beyond the Termination Date. The Borrower shall assist each of the tenants in a HOME Unit in completing the Tenant Income Certification if necessary. If the Borrower shall become aware of evidence that any Tenant Income Certification failed to state completely and accurately information about the Family size or income of the applicable tenants, the Borrower shall examine Source Documentation for such tenants. If the HUD Restrictions Termination Date is not less than 10 years after the Completion Date, the Borrower shall examine, during the sixth year following the Completion Date and every sixth year thereafter

UNOFFICIAL COPY

during the Project Term, Source Documentation evidencing annual income for each tenant in any HOME Unit. [92.252(h)]

2.21 The Borrower agrees that it will take any and all actions required by the City to substantiate the Borrower's compliance with the restrictions set forth herein, including, but not limited to, submitting to the City an Annual Owner's Certification executed by the Borrower, commencing on the First Reporting Date and on each Reporting Date thereafter through and including the Last Reporting Date. Subject to Section 6.2 hereof, this covenant shall survive beyond the Termination Date.

2.22 The Borrower shall provide to the City a tenant profile (in the form provided to the Borrower by DOH) for each Low-Income Family for each HOME Unit within 30 days after such unit is leased to such tenant(s) (or, for units occupied by Low-Income Families as of the date hereof, within 30 days from the date hereof). For each HOME Unit, promptly after the first leasing of such unit after the Completion Date, the Borrower shall provide the City, unless prohibited by law, with data on the racial, ethnic, gender and income-level characteristics (including gender identification of the head(s) of household) of (a) the tenants, if any, occupying such unit before rehabilitation, (b) the tenants moving into such unit initially after completion of construction and/or rehabilitation, as applicable, of the Project, and (c) the applicants for tenancy of such unit within 90 days following the Completion Date. For each subsequent leasing of the unit, the Borrower shall provide the City, unless prohibited by law, with data on the racial, ethnic, gender and income-level characteristics (including gender identification of the head(s) of household) of each tenant moving into the unit. [92.508(a)(7)(A)]

2.23 The Borrower shall notify the City of the occurrence of any event of which the Borrower has notice and which event would violate any of the provisions of this Regulatory Agreement.

2.24 For every HOME Unit, the Borrower shall comply with affirmative marketing requirements established by DOH from time to time, including the following:

- (a) based on the Affirmative Marketing Plan, advertise in pre-identified commercial media, contact pre-identified places of worship, employment centers, community groups, fair housing groups, housing counseling agencies and other agencies, and undertake other means to inform targeted groups of the availability of such HOME Units;
- (b) display conspicuously HUD's fair housing poster wherever rentals and showings of such units take place;
- (c) provide DOH upon request with an Annual Owner's Certification describing the Borrower's affirmative marketing activities with respect to the HOME Units, including a description of the Borrower's outreach efforts (including copies of all advertisements and brochures) and, unless

UNOFFICIAL COPY

prohibited by law, a record of the racial/ethnic/gender characteristics of all individuals who look at HOME Units, those who apply for leases for such units, and those who actually sign such leases; and

- (d) maintain records of affirmative marketing efforts with respect to the leasing or re-leasing of each such unit to be made available for review by DOH for a period equal to the Project Term.

2.25 The Borrower has submitted to the City a tenant selection plan which fully complies with Section 92.253(d) of the HOME Regulations and will implement such tenant selection plan to the satisfaction of the City in its sole discretion throughout the Project Term. Any limitation or preference in tenant selection for a particular segment of the population must be specifically approved by the City, and must not violate nondiscrimination requirements in Section 92.350 of the HOME Regulations. Such limitation or preference does not violate this Section 2.25 if the Project receives funding from a federal program that limits eligibility to a particular segment of the population, and the limit or preference is tailored to serve that segment of the population, expressly provided that such limitation or preference does not violate other State or local applicable law, including but not limited to the Chicago Human Rights Ordinance, Chapter 2-160 of the Municipal Code of Chicago, the Chicago Fair Housing Ordinance, Section 5-8-010 et seq. of the Municipal Code of Chicago, the Cook County Human Rights Ordinance, and the Illinois Human Rights Act, 775 ILCS 5/ et seq.

2.26 No Person in the United States shall on the grounds of race, color, national origin, sex, religion, familial status, or disability be excluded from participation in, be denied the benefits of, or be subjected to discrimination in connection with the Project. In addition, the Borrower shall cause the Project to comply at all times with the Chicago Fair Housing Ordinance, Section 5-8-010 et seq. of the Municipal Code of Chicago.

2.27 The Borrower hereby acknowledges and affirms that it has reviewed the provisions of, and that the Project shall during the Project Term be in compliance with, each of the following: (a) The Fair Housing Act (42 U.S.C. 3601-19) and implementing regulations at 24 CFR part 100 *et seq.*; Executive Order 11063, as amended by Executive Order 12259 (3 CFR, 1959-1963 Comp., p. 652 and 3 CFR, 1980 Comp., p. 307) (Equal Opportunity in Housing Programs) and implementing regulations at 24 CFR part 107; title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d-2000d-4) (Nondiscrimination in Federally Assisted Programs) and implementing regulations at 24 CFR part 1; (b) the Age Discrimination Act of 1975 (42 U.S.C. 6101-6107) and implementing regulations at 24 CFR part 146; section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794) and implementing regulations at part 8 of this title; (c) title II of the Americans with Disabilities Act, 42 U.S.C. 12101 *et seq.*; 24 CFR part 8; section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) and implementing regulations at 24 CFR part 135; (d) Executive Order 11246, as amended by Executive Orders 11375, 11478, 12086, and 12107 (3 CFR, 1964-1965 Comp., p. 339; 3 CFR, 1966-1970 Comp., p. 684; 3 CFR, 1966-1970 Comp., p. 803; 3 CFR, 1978 Comp., p. 230; and 3 CFR, 1978 Comp., p. 264, respectively) (Equal Employment Opportunity Programs) and implementing regulations at 41

CFR chapter 60; (e) the requirements of Executive Order 11625, as amended by Executive Order 12007 (3 CFR, 1971-1975 Comp., p. 616 and 3 CFR, 1977 Comp., p. 139) (Minority Business Enterprises); Executive Order 12432 (3 CFR, 1983 Comp., p. 198) (Minority Business Enterprise Development); and Executive Order 12138, as amended by Executive Order 12608 (3 CFR, 1977 Comp., p. 393 and 3 CFR, 1987 Comp., p. 245) (Women's Business Enterprise); and (f) the Cook County Human Rights Ordinance.

To ensure equal access to HUD-assisted housing in compliance with 24 C.F.R. Part 5, the Borrower further specifically acknowledges and agrees that (i) housing in the Project shall be made available without regard to actual or perceived sexual orientation, gender identity, or marital status; and (ii) neither the Borrower nor any management agent employed by the Borrower in connection with the Project may inquire about the sexual orientation or gender identity of an applicant for, or occupant of, housing in the Project, for the purpose of determining eligibility for the housing or otherwise making such housing available. This prohibition on inquiries regarding sexual orientation or gender identity does not prohibit any individual from voluntarily self-identifying sexual orientation or gender identity. This prohibition on inquiries does not prohibit lawful inquiries of an applicant or occupant's sex where the housing provided or to be provided to the individual is temporary, emergency shelter that involves the sharing of sleeping areas or bathrooms, or inquiries made for the purpose of determining the number of bedrooms to which a household may be entitled. ['92.350]

2.28 The Borrower shall take all reasonable steps to minimize the displacement of Families, individuals, businesses, not-for-profit organizations and farms (herein for the purposes of this paragraph collectively called "People") as a result of the Project. The Borrower agrees to start construction on the Project within 12 months from the date hereof, and to complete the Project to the satisfaction of the City within 4 years from the date hereof. If, for any reason, the Borrower has not commenced construction on the Project within 6 months from the date hereof, the Borrower shall notify the City and explain the reason for such delay. SECTION 4. RELIANCE.

The City and the Borrower hereby recognize and agree that the representations and covenants set forth herein made by the City and the Borrower, respectively, may be relied upon by the Borrower and the City, respectively. In

addition, the City may consult with counsel and the opinion of such counsel shall be evidence that such action or failure to act by the City was in good faith and in conformity with such opinion. The City and the Borrower agree that it is the Borrower's responsibility to determine that each potential tenant in a HOME Unit qualifies as an Eligible Tenant. In making each such determination, the Borrower shall exercise due diligence.

SECTION 5. SALE OR TRANSFER OF THE PROJECT.

The Borrower hereby covenants and agrees not to sell, transfer or otherwise dispose of the Project, or any portion thereof (including, without limitation, a transfer by assignment of any beneficial interest under a land trust), or to violate any provision of the Mortgage relating to prohibitions on sales or transfers of the Project or any interest therein (whether or not the Mortgage remains of record), at any time during the Project Term, except as expressly permitted by the City. The Borrower hereby agrees and covenants that no portion of any building to which this Regulatory Agreement applies shall be transferred to any Person unless all of such portion of the building to which this Regulatory Agreement applies is transferred to such Person. It is hereby expressly stipulated and agreed that any sale, transfer or other disposition of the Project in violation of this Section 5 shall be null, void and without effect, shall cause a reversion of title to the Borrower or any successor or assignee of the Borrower last permitted by the City, and shall be ineffective to relieve the Borrower or such successor or assignee, as applicable, of its obligations hereunder.

SECTION 6. TERM.

6.1 This Regulatory Agreement shall become effective as of the date hereof. Subject to Sections 2.19, 2.20, 2.21, 6.2, 7.4, 7.6 and 16 hereof, this Regulatory Agreement shall remain in full force and effect for a term equal to the Project Term, it being expressly agreed and understood that the provisions hereof are intended to survive throughout the Project Term.

6.2 (a) Subject to the terms of Sections 6.2(b) and 7.4 hereof and before the HUD Restrictions Termination Date, the terms and provisions of this Regulatory Agreement shall cease to be enforceable as of a Foreclosure Date provided that the Transfer on the Foreclosure Date shall:

- (1) recognize any contractual or legal rights of public agencies, nonprofit sponsors or others to take actions that would avoid termination of low-income affordability of the Project, and
- (2) not be for the purpose of avoiding low-income affordability restrictions pertaining to the Project, as determined by HUD.

UNOFFICIAL COPY

(b) If at any time following the occurrence of a cessation of enforceability of the terms and provisions of this Regulatory Agreement pursuant to Section 6.2(a) hereof, but not later than the HUD Restrictions Termination Date, the Borrower or any Associated Person obtains an ownership interest in the Project, the terms and provisions of this Regulatory Agreement shall again be enforceable as of the date the Borrower or any Associated Person obtains such interest.

It is expressly acknowledged by the Borrower that should this Regulatory Agreement cease to be enforceable under this Section 6.2, that this Regulatory Agreement's provisions nevertheless remain in place until the HUD Restrictions Termination Date for the specific purpose of maintaining the ability for the restrictions herein to "spring back to life" if such restrictions are required to be reimposed on the Project pursuant to the HOME Regulations.

SECTION 7. ENFORCEMENT.

7.1 Subject to Section 7.6 hereof, if a violation of any of the foregoing representations or covenants occurs or is attempted, and such occurrence or attempt is uncorrected for a period of 30 days after notice thereof from the City to the Borrower (provided, however, that if any such occurrence or attempt cannot reasonably be cured within said 30-day period and if the Borrower shall have commenced to cure such occurrence or attempt within said 30-day period and shall thereafter continue diligently to effect such cure, then said 30-day period shall be extended to 60 days upon written request from the Borrower to the City delivered during such 30-day period, and upon further written request from the Borrower to the City delivered during such 60-day period, said 60-day period shall be extended to 90 days, provided further, however, that the City shall not be precluded during any such periods from exercising any remedies hereunder if the City shall receive a request or notice from HUD to do so or if the City shall determine that the continuation of such uncorrected occurrence or attempt shall result in any liability by the City to HUD), the City and its successors and assigns, without regard to whether the City or its successors and assigns is an owner of any land or interest therein to which these covenants relate, may institute and prosecute any proceeding at law or in equity to abate, prevent or enjoin any such violation or attempted violation or to compel specific performance by the Borrower of its obligations hereunder, or may declare an event of default under the Loan Documents and exercise its rights thereunder, including without limitation foreclosure under the Mortgage. No delay in enforcing the provisions hereof as to any breach or violation shall impair, damage or waive the right of any party entitled to enforce the provisions hereof or to obtain relief against or recovery for the continuation or repetition of such breach or violation or any similar breach or violation hereof at any later time.

7.2 If the Borrower fails to maintain the affordability requirements imposed hereunder, or otherwise takes any action which causes HUD to require repayment of the HOME Funds invested in the Project by the City, the Borrower shall repay, as a recourse obligation of the Borrower, to the City upon demand the full amount of the HOME Loan as an immediate repayment of the Loan. 7.3 All fees, costs and expenses of the City incurred in taking any action pursuant to this Section 7 shall be the sole responsibility of the Borrower.

7.4 The Borrower and the City each acknowledge that a primary purpose of requiring the Borrower to comply with the restrictions provided in this Regulatory Agreement is to assure compliance of the Project and the Borrower with the provisions of the National Affordable Housing Act and the HOME Regulations.

7.5 The Borrower further specifically acknowledges that the beneficiaries of the Borrower's obligations hereunder cannot be adequately compensated by monetary damages in the event of any breach or violation of any of the foregoing representations or covenants.

7.6 The City shall provide written notice to the Borrower if the City (a) does not receive from the Borrower an Annual Owner's Certification when due, (b) is not permitted to inspect, as provided in Section 16 hereof, the records maintained by the Borrower pursuant to Section 2.19 hereof, or (c) discovers by inspection, review or in some other manner that the Project is not in compliance with the provisions of this Regulatory Agreement, of the National Affordable Housing Act or the HOME Regulations. Subject to Section 6.2 hereof, this Section 7.6 shall survive beyond the Termination Date.

SECTION 8. RECORDING AND FILING

The Borrower shall cause this Regulatory Agreement and all amendments and supplements hereto to be recorded and filed in the conveyance and real property records of the county in which the Project is located and in such other places as the City may reasonably request. The Borrower shall pay all fees and charges incurred in connection with any such recording. Upon recording, the Borrower shall immediately transmit to the City an executed original of this Regulatory Agreement showing the date and recording number of record.

SECTION 9. COVENANTS TO RUN WITH THE LAND.

The Borrower hereby subjects the Project to the covenants, reservations and restrictions set forth in this Regulatory Agreement. The City and the Borrower hereby declare their express intent that the covenants, reservations and restrictions set forth herein shall, throughout the Project Term, be deemed covenants, reservations and restrictions running with the land to the extent permitted by law, and shall pass to and be binding upon the Borrower's successors in title to the Project throughout the Project Term, subject to Section 6.2 hereof. The Borrower hereby covenants to include the requirements and restrictions contained in this Regulatory Agreement in any documents transferring any interest in the Project to another Person in order that such transferee has notice of, and is bound by, such restrictions, and to obtain from any transferee the agreement to be bound by and comply with the requirements set forth in this Regulatory Agreement; provided, however, that each and every contract, deed, mortgage or other instrument hereafter executed covering or conveying the Project or any portion thereof or interest therein (including, without limitation, any transfer of a beneficial interest in a land trust or a portion

thereof) shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instrument.

SECTION 10. GOVERNING LAW.

This Regulatory Agreement shall be construed in accordance with and governed by the internal laws of the State without regard to its conflict of laws principles, and, where applicable, the laws of the United States of America. In the event of any conflict between this Regulatory Agreement and the National Affordable Housing Act, or the HOME Regulations, the requirements of the National Affordable Housing Act, or the HOME Regulations as applicable, shall control.

SECTION 11. AMENDMENTS.

This Regulatory Agreement shall be amended only by a written instrument executed by the parties hereto or their successors in title, and duly recorded in the real property records of the county in which the Project is located. The Borrower hereby expressly agrees to enter into all amendments hereto which, in the opinion of the City, are reasonably necessary for maintaining compliance under the National Affordable Housing Act, and the HOME Regulations.

U.S. Department of Housing and Urban Development Office of Labor Relations

Applicability

The Project or Program to which the construction work covered by this contract pertains is being assisted by the United States of America and the following Federal Labor Standards Provisions are included in this Contract pursuant to the provisions applicable to such Federal assistance.

A. 1. (i) Minimum Wages. All laborers and mechanics employed or working upon the site of the work, will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act (29 CFR Part 3), the full amount of wages and bona fide fringe benefits (or cash equivalents thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any contractual relationship which may be alleged to exist between the contractor and such laborers and mechanics. Contributions made or costs reasonably anticipated for bona fide fringe benefits under Section 1(b)(2) of the Davis-Bacon Act on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of 29 CFR 5.5(a)(1)(iv); also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs, which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period.

Such laborers and mechanics shall be paid the appropriate wage rate and fringe benefits on the wage determination for the classification of work actually performed, without regard to skill, except as provided in 29 CFR 5.5(a)(4). Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein: Provided, That the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional classification and wage rates conformed under 29 CFR 5.5(a)(1)(ii) and the Davis-Bacon poster (WH-1321) shall be posted at all times by the contractor and its subcontractors at the site of the work in a prominent and accessible, place where it can be easily seen by the workers.

(ii) (a) Any class of laborers or mechanics which is not listed in the wage determination and which is to be employed under the contract shall be classified in conformance with the wage determination. HUD shall approve an additional classification and wage rate and fringe benefits therefor only when the following criteria have been met:

(1) The work to be performed by the classification requested is not performed by a classification in the wage determination; and

(2) The classification is utilized in the area by the construction industry; and

(3) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.

(b) If the contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and HUD or its designee agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by HUD or its designee to the Administrator of the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, Washington, D.C. 20210. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise HUD or its designee or will notify HUD or its designee within the 30-day period that additional time is necessary. (Approved by the Office of Management and Budget under OMB control number 1215-0140.)

(c) In the event the contractor, the laborers or mechanics to be employed in the classification or their representatives, and HUD or its designee do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), HUD or its designee shall refer the questions, including the views of all interested parties and the recommendation of HUD or its designee, to the Administrator for determination. The Administrator, or an authorized representative, will issue a determination within 30 days of receipt and so advise HUD or its designee or will notify HUD or its designee within the 30-day period that additional time is necessary. (Approved by the Office of Management and Budget under OMB Control Number 1215-0140.)

(d) The wage rate (including fringe benefits where appropriate) determined pursuant to subparagraphs (1)(ii)(b) or (c) of this paragraph, shall be paid to all workers performing work in the classification under this contract from the first day on which work is performed in the classification.

(iii) Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the contractor shall either pay the benefit as stated in the wage determination or shall pay another bona fide fringe benefit or an hourly cash equivalent thereof.

(iv) If the contractor does not make payments to a trustee or other third person, the contractor may consider as part

of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program, Provided, That the Secretary of Labor has found, upon the written request of the contractor, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the contractor to set aside in a separate account assets for the meeting of obligations under the plan or program. (Approved by the Office of Management and Budget under OMB Control Number 1215-0140.)

2. Withholding. HUD or its designee shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld from the contractor under this contract or any other Federal contract with the same prime contractor, or any other Federally-assisted contract subject to Davis-Bacon prevailing wage requirements, which is held by the same prime contractor so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics, including apprentices, trainees and helpers, employed by the contractor or any subcontractor the full amount of wages required by the contract. In the event of failure to pay any laborer or mechanic, including any apprentice, trainee or helper, employed or working on the site of the work, all or part of the wages required by the contract, HUD or its designee may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased. HUD or its designee may, after written notice to the contractor, disburse such amounts withheld for and on account of the contractor or subcontractor to the respective employees to whom they are due. The Comptroller General shall make such disbursements in the case of direct Davis-Bacon Act contracts.

3. (i) Payrolls and basic records. Payrolls and basic records relating thereto shall be maintained by the contractor during the course of the work preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work. Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in Section 1(b)(2)(B) of the Davis-bacon Act), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Secretary of Labor has found under 29 CFR 5.5 (a)(1)(iv) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in Section 1(b)(2)(B) of the Davis-Bacon Act, the contractor shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been

communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. Contractors employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs. (Approved by the Office of Management and Budget under OMB Control Numbers 1215-0140 and 1215-0017.)

(ii) (a) The contractor shall submit weekly for each week in which any contract work is performed a copy of all payrolls to HUD or its designee if the agency is a party to the contract, but if the agency is not such a party, the contractor will submit the payrolls to the applicant sponsor, or owner, as the case may be, for transmission to HUD or its designee. The payrolls submitted shall set out accurately and completely all of the information required to be maintained under 29 CFR 5.5(a)(3)(i) except that full social security numbers and home addresses shall not be included on weekly transmittals. Instead the payrolls shall only need to include an individually identifying number for each employee (e.g., the last four digits of the employee's social security number). The required weekly payroll information may be submitted in any form desired. Optional Form WH-347 is available for this purpose from the Wage and Hour Division Web site at <http://www.dol.gov/esa/whd/forms/wh347instr.htm> or its successor site. The prime contractor is responsible for the submission of copies of payrolls by all subcontractors. Contractors and subcontractors shall maintain the full social security number and current address of each covered worker, and shall provide them upon request to HUD or its designee if the agency is a party to the contract, but if the agency is not such a party, the contractor will submit the payrolls to the applicant sponsor, or owner, as the case may be, for transmission to HUD or its designee, the contractor, or the Wage and Hour Division of the Department of Labor for purposes of an investigation or audit of compliance with prevailing wage requirements. It is not a violation of this subparagraph for a prime contractor to require a subcontractor to provide addresses and social security numbers to the prime contractor for its own records, without weekly submission to HUD or its designee. (Approved by the Office of Management and Budget under OMB Control Number 1215-0149.)

(b) Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by the contractor or subcontractor or his or her agent who pays or supervises the payment of the persons employed under the contract and shall certify the following:

(1) That the payroll for the payroll period contains the information required to be provided under 29 CFR 5.5 (a)(3)(ii), the appropriate information is being maintained under 29 CFR 5.5(a)(3)(i), and that such information is correct and complete;

UNOFFICIAL COPY

(2) That each laborer or mechanic (including each helper, apprentice, and trainee) employed on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in 29 CFR Part 3;

(3) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the contract.

(c) The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirement for submission of the "Statement of Compliance" required by subparagraph A.3.(ii)(b).

(d) The falsification of any of the above certifications may subject the contractor or subcontractor to civil or criminal prosecution under Section 1001 of Title 18 and Section 231 of Title 31 of the United States Code.

(iii) The contractor or subcontractor shall make the records required under subparagraph A.3.(i) available for inspection, copying, or transcription by authorized representatives of HUD or its designee or the Department of Labor, and shall permit such representatives to interview employees during working hours on the job. If the contractor or subcontractor fails to submit the required records or to make them available, HUD or its designee may, after written notice to the contractor, sponsor, applicant or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to 29 CFR 5.12.

4. Apprentices and Trainees.

(i) **Apprentices.** Apprentices will be permitted to work at less than the predetermined rate for the work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Office of Apprenticeship Training, Employer and Labor Services, or with a State Apprenticeship Agency recognized by the Office, or if a person is employed in his or her first 90 days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by the Office of Apprenticeship Training, Employer and Labor Services or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice. The allowable ratio of apprentices to journeymen on the job site in any craft classification shall not be greater than the ratio permitted to the contractor as to the entire work force under the registered program. Any worker listed on a payroll at an apprentice wage rate, who

is not registered or otherwise employed as stated above, shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. Where a contractor is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the contractor's or subcontractor's registered program shall be observed. Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the journeymen hourly rate specified in the applicable wage determination. Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination. In the event the Office of Apprenticeship Training, Employer and Labor Services, or a State Apprenticeship Agency recognized by the Office, withdraws approval of an apprenticeship program, the contractor will no longer be permitted to utilize apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(ii) **Trainees.** Except as provided in 29 CFR 5.16, trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S. Department of Labor, Employment and Training Administration. The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration. Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the trainee program. If the trainee program does not mention fringe benefits, trainees shall be paid the full amount of fringe benefits listed on the wage determination unless the Administrator of the Wage and Hour Division determines that there is an apprenticeship program associated with the corresponding journeyman wage rate on the wage determination which provides for less than full fringe benefits for apprentices. Any employee listed on the payroll at a trainee rate who is not registered and participating in a training plan approved by

UNOFFICIAL COPY

the Employment and Training Administration shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In addition, any trainee performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In the event the Employment and Training Administration withdraws approval of a training program, the contractor will no longer be permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(iii) **Equal employment opportunity.** The utilization of apprentices, trainees and journeymen under 29 CFR Part 5 shall be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended, and 29 CFR Part 30.

5. Compliance with Copeland Act requirements. The contractor shall comply with the requirements of 29 CFR Part 3 which are incorporated by reference in this contract.

6. Subcontracts. The contractor or subcontractor will insert in any subcontracts the clauses contained in subparagraphs 1 through 11 in this paragraph A and such other clauses as HUD or its designee may by appropriate instructions require, and a copy of the applicable prevailing wage decision, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all the contract clauses in this paragraph.

7. Contract termination; debarment. A breach of the contract clauses in 29 CFR 5.5 may be grounds for termination of the contract and for debarment as a contractor and a subcontractor as provided in 29 CFR 5.12.

8. Compliance with Davis-Bacon and Related Act Requirements. All rulings and interpretations of the Davis-Bacon and Related Acts contained in 29 CFR Parts 1, 3, and 5 are herein incorporated by reference in this contract.

9. Disputes concerning labor standards. Disputes arising out of the labor standards provisions of this contract shall not be subject to the general disputes clause of this contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR Parts 5, 6, and 7. Disputes within the meaning of this clause include disputes between the contractor (or any of its subcontractors) and HUD or its designee, the U.S. Department of Labor, or the employees or their representatives.

10. (i) Certification of Eligibility. By entering into this contract the contractor certifies that neither it (nor he or she) nor any person or firm who has an interest in the contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of Section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1) or to be

awarded HUD contracts or participate in HUD programs pursuant to 24 CFR Part 24.

(ii) No part of this contract shall be subcontracted to any person or firm ineligible for award of a Government contract by virtue of Section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1) or to be awarded HUD contracts or participate in HUD programs pursuant to 24 CFR Part 24.

(iii) The penalty for making false statements is prescribed in the U.S. Criminal Code, 18 U.S.C. 1001. Additionally, U.S. Criminal Code, Section 1 01 0, Title 18, U.S.C., "Federal Housing Administration transactions", provides in part: "Whoever, for the purpose of . . . influencing in any way the action of such Administration..... makes, utters or publishes any statement knowing the same to be false..... shall be fined not more than \$5,000 or imprisoned not more than two years, or both."

11. Complaints, Proceedings, or Testimony by Employees. No laborer or mechanic to whom the wage, salary, or other labor standards provisions of this Contract are applicable shall be discharged or in any other manner discriminated against by the Contractor or any subcontractor because such employee has filed any complaint or instituted or caused to be instituted any proceeding or has testified or is about to testify in any proceeding under or relating to the labor standards applicable under this Contract to his employer.

B. Contract Work Hours and Safety Standards Act. The provisions of this paragraph B are applicable where the amount of the prime contract exceeds \$100,000. As used in this paragraph, the terms "laborers" and "mechanics" include watchmen and guards.

(1) Overtime requirements. No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which the individual is employed on such work to work in excess of 40 hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hour worked in excess of 40 hours in such workweek.

(2) Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in subparagraph (1) of this paragraph, the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in subparagraph (1) of this paragraph, in the sum of \$10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of 40 hours without payment of the overtime wages required by the clause set forth in subparagraph (1) of this paragraph.

UNOFFICIAL COPY

(3) Withholding for unpaid wages and liquidated damages. HUD or its designee shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contract, or any other Federally-assisted contract subject to the Contract Work Hours and Safety Standards Act which is held by the same prime contractor such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in subparagraph (2) of this paragraph.

(4) Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clauses set forth in subparagraph (1) through (4) of this paragraph and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in subparagraphs (1) through (4) of this paragraph.

C. Health and Safety. The provisions of this paragraph C are applicable where the amount of the prime contract exceeds \$100,000.

(1) No laborer or mechanic shall be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous to his health and safety as determined under construction safety and health standards promulgated by the Secretary of Labor by regulation.

(2) The Contractor shall comply with all regulations issued by the Secretary of Labor pursuant to Title 29 Part 1926 and failure to comply may result in imposition of sanctions pursuant to the Contract Work Hours and Safety Standards Act, (Public Law 91-54, 83 Stat 96). 40 USC 3701 et seq.

(3) The contractor shall include the provisions of this paragraph in every subcontract so that such provisions will be binding on each subcontractor. The contractor shall take such action with respect to any subcontractor as the Secretary of Housing and Urban Development or the Secretary of Labor shall direct as a means of enforcing such provisions.

WELDERS - Receive rate prescribed for craft performing operation to which welding is incidental.

 ** Workers in this classification may be entitled to a higher minimum wage under Executive Order 14026 (\$15.00) or 13658 (\$11.25). Please see the Note at the top of the wage determination for more information.

Note: Executive Order (EO) 13706, Establishing Paid Sick Leave for Federal Contractors applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2017. If this contract is covered by the EO, the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work, up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their own illness, injury or other health-related needs, including preventive care; to assist a family member (or person who is like family to the employee) who is ill, injured, or has other health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is like family to the employee) who is a victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at <https://www.dol.gov/agencies/whd/government-contracts>.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (ii)).

 The body of each wage determination lists the classification and wage rates that have been found to be prevailing for the cited type(s) of construction in the area covered by the wage determination. The classifications are listed in alphabetical order of ""identifiers"" that indicate whether the particular rate is a union rate (current union negotiated rate for local), a survey rate (weighted average rate) or a union average rate (weighted union average rate).

Union Rate Identifiers

A four letter classification abbreviation identifier enclosed in dotted lines beginning with characters other than ""SU"" or ""UAVG"" denotes that the union classification and rate were prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2014. PLUM is an abbreviation identifier of the union which prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. 07/01/2014 is the effective date of the most current negotiated rate, which in this example is July 1, 2014.

Union prevailing wage rates are updated to reflect all rate changes in the collective bargaining agreement (CBA) governing

UNOFFICIAL COPY

this classification and rate.

Survey Rate Identifiers

Classifications listed under the "SU" identifier indicate that no one rate prevailed for this classification in the survey and the published rate is derived by computing a weighted average rate based on all the rates reported in the survey for that classification. As this weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SULA2012-007 5/13/2014. SU indicates the rates are survey rates based on a weighted average calculation of rates and are not majority rates. LA indicates the State of Louisiana. 2012 is the year of survey on which these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. 5/13/2014 indicates the survey completion date for the classifications and rates under that identifier.

Survey wage rates are not updated and remain in effect until a new survey is conducted.

Union Average Rate Identifiers

Classification(s) listed under the UAVG identifier indicate that no single majority rate prevailed for those classifications; however, 100% of the data reported for the classifications was union data. EXAMPLE: UAVG-OH-0010 08/29/2014. UAVG indicates that the rate is a weighted union average rate. OH indicates the state. The next number, 0010 in the example, is an internal number used in producing the wage determination. 08/29/2014 indicates the survey completion date for the classifications and rates under that identifier.

A UAVG rate will be updated once a year, usually in January of each year, to reflect a weighted average of the current negotiated/CBA rate of the union locals from which the rate is based.

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

- * an existing published wage determination
- * a survey underlying a wage determination
- * a Wage and Hour Division letter setting forth a position on a wage determination matter
- * a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour National Office because National Office has responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

 200 Constitution Avenue, N.W.
 Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator
 U.S. Department of Labor
 200 Constitution Avenue, N.W.
 Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

4.) All decisions by the Administrative Review Board are final.

The applicable Executive Order minimum wage rate will be adjusted annually. If this contract is covered by one of the Executive Orders and a classification considered necessary for performance of work on the contract does not appear on this wage determination, the contractor must still submit a conformance request.

Additional information on contractor requirements and worker protections under the Executive Orders is available at <https://www.dol.gov/agencies/whd/government-contracts>.

Note: Executive Order (EO) 13706, Establishing Paid Sick Leave for Federal Contractors applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2017. If this contract is covered by the EO, the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work, up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their own illness, injury or other health-related needs, including preventive care; to assist a family member (or person who is like family to the employee) who is ill, injured, or has other health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is like family to the employee) who is a victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at <https://www.dol.gov/agencies/whd/government-contracts>.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (ii)).

The body of each wage determination lists the classification and wage rates that have been found to be prevailing for the cited type(s) of construction in the area covered by the wage determination. The classifications are listed in alphabetical order of "identifiers" that indicate whether the particular

UNOFFICIAL COPY

rate is a union rate (current union negotiated rate for local), a survey rate (weighted average rate) or a union average rate (weighted union average rate).

Union Rate Identifiers

A four letter classification abbreviation identifier enclosed in dotted lines beginning with characters other than ""SU"" or ""UAVG"" denotes that the union classification and rate were prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2014. PLUM is an abbreviation identifier of the union which prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. 07/01/2014 is the effective date of the most current negotiated rate, which in this example is July 1, 2014.

Union prevailing wage rates are updated to reflect all rate changes in the collective bargaining agreement (CBA) governing this classification and rate.

Survey Rate Identifiers

Classifications listed under the ""SU"" identifier indicate that no one rate prevailed for this classification in the survey and the published rate is derived by computing a weighted average rate based on all the rates reported in the survey for that classification. As this weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SULA2012-007 5/13/2014. SU indicates the rates are survey rates based on a weighted average calculation of rates and are not majority rates. LA indicates the State of Louisiana. 2012 is the year of survey on which these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. 5/13/2014 indicates the survey completion date for the classifications and rates under that identifier.

Survey wage rates are not updated and remain in effect until a new survey is conducted.

Union Average Rate Identifiers

Classification(s) listed under the UAVG identifier indicate that no single majority rate prevailed for those classifications; however, 100% of the data reported for the classifications was union data. EXAMPLE: UAVG-OH-0010

UNOFFICIAL COPY

08/29/2014. UAVG indicates that the rate is a weighted union average rate. OH indicates the state. The next number, 0010 in the example, is an internal number used in producing the wage determination. 08/29/2014 indicates the survey completion date for the classifications and rates under that identifier.

A UAVG rate will be updated once a year, usually in January of each year, to reflect a weighted average of the current negotiated/CBA rate of the union locals from which the rate is based.

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

- * an existing published wage determination
- * a survey underlying a wage determination
- * a Wage and Hour Division letter setting forth a position on a wage determination matter
- * a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour National Office because National Office has responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator
U.S. Department of Labor

UNOFFICIAL COPY

200 Constitution Avenue, N.W.
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.
