THE COVENANTS, CONDITIONS AND PROVISIONS REFERRED TO ON PAGE 1 (THE REVERSE SIDE OF THIS TRUST DEED):

1. Mortgagors shall (1) promptly repair, restore or rebuild any buildings or improvements now or hereafter on the premises which may become damaged or be destroyed; (2) keep said premises in good condition and repair, without waste, and free from encumbrances or other liens or claims for lien not expressly subordinated to the lien hereof; (3) pay when due any indebtedness which may be secured by a lien or charge on the premises superior to the lien hereof, and upon request exhibit satisfactory evidence of the discharge of such lien to Trustee or to holders of the note; (4) complete within a reasonable time any building or buildings now or at any time in process of erection upon said premises; (5) comply with all requirements of law or municipal ordinances with respect to the premises and the use thereof; (6) make no material alterations in said premises except as required by law or municipal ordinance.

2. Mortgagors shall pay before any penalty attaches all general taxes, and shall pay special taxes, special assessments, water charges, sewer service charges, and all other charges against the premises when due, and shall, upon written request, furnish to Trustee or to holders of the note duplicate receipts therefor. To prevent default hereunder Mortgagors shall pay in full under protest, in the manner provided by statute, any tax or assessment which Mortgagors may incur to the extent of any such tax or assessment.

3. Mortgagors shall keep all buildings and improvements now or hereafter situated on said premises insured against loss or damage by fire, lightning or windstorms under policies providing for payment by the insurance companies of moneys sufficient either to pay the cost of replacing or repairing the same or to pay in full the indebtedness secured hereby, all in companies satisfactory to the holders of the note, under insurance policies payable, in case of loss or damage, to Trustee for the benefit of the holders of the note, such rights to be evidenced by the standard mortgage clause to be attached to each policy, and shall deliver all policies, including additional and renewal policies, to holders of the note, and in case of insurance about to expire, shall deliver renewal policies not less than ten days prior to the respective dates of expiration.

4. In case of default therein, Trustee or the holders of the note may, but need not, make any payment or perform any act herebefore required of Mortgagors in any form and manner deemed expedient, and may, but need not, make full or partial payments of principal or interest on prior encumbrances, liens, and purchase, discharge, compromise, or settle any tax lien or other prior lien or title or claim thereon, or redeem from any tax sale or foreclosure affecting said premises or contest any tax or assessment. All moneys paid for any of the purposes herein aforesaid and all expenses paid or incurred in connection therewith, including attorneys' fees, and any other moneys advanced by Trustee or the holders of the note to protect the mortgaged premises and the lien hereof, plus reasonable compensation to Trustee for each matter concerning which action herein authorized may be taken, shall be so much additional indebtedness secured hereby and shall become immediately due and payable without notice and with interest thereon at 12% per annum. Inaction of Trustee or holders of the note shall never be considered as a waiver of any right accruing to them on account of any default hereunder on the part of Mortgagors.

5. The Trustee or the holders of the note hereby secured making any payment hereby authorized relating to taxes or assessments, may do so according to a bill, statement or estimate procured from the appropriate public office without inquiry into the accuracy of such bill, statement or estimate or into the liability of any tax, assessment, sale, foreclosure, tax lien or title or claim thereon.

6. Mortgagors shall pay each item of indebtedness herein mentioned, both principal and interest, when due according to the terms hereof. At the option of the holders of the note, and without notice to Mortgagors, all unpaid indebtedness secured by this Trust Deed shall, notwithstanding anything in the note or in this Trust Deed to the contrary, become due and payable (a) immediately in the case of default in making payment of any installment of principal or interest on the note, or (b) when default shall occur and continue for three days in the performance of any other agreement of the Mortgagors herein contained.

7. When the indebtedness hereby secured shall become due whether by acceleration or otherwise, holders of the note or Trustee shall have the right to foreclose the lien hereof. In any suit to foreclose the lien hereof, there shall be allowed and included as additional indebtedness in the decree for sale all expenditures and expenses which may be paid or incurred by or on behalf of Trustee or holders of the note for attorneys' fees, Trustee's fees, appraiser's fees, surveyor's fees, and expenses of publication costs and costs (which may be estimated as to items to be expended) for entry of the decree or for the recovery of the title or for the value of the premises. All expenses and expenses of appraisers, title searches and examinations, title insurance policies, Torrens certificates, and assurances with respect to title as Trustee or holders of the note may deem to be reasonably necessary either to prosecute such suit or to evidence to bidders at any sale which may be necessary or are usual in such case for the protection, possession, control, management and operation of the premises during the whole of said period. The Court from time to time may authorize the receiver to apply the net income in his hands in payment in whole or in part of (1) the indebtedness secured hereby, or by any decree enforcing this trust deed, or any tax, special assessments or other lien which may be or become superior to the lien hereof or of such decree, provided such application is made prior to foreclosure sale; (2) the deficiency in case of sale and deficiency, and (3) no action for the enforcement of the lien or of any provision hereof shall be subject to any defense which would not be good and available to the party interposing same in an action at law upon the note hereby secured.

8. The proceeds of any foreclosure sale of the premises shall be distributed and applied in the following order of priority: First, on account of all costs and expenses incident to the foreclosure proceedings, including all such items as are mentioned in the preceding paragraph hereof; second, all other items which under the terms hereof constitute secured indebtedness additional to that evidenced by the note, with interest thereon as herein provided; third, all principal and interest remaining unpaid on the note; fourth, any surplus to Mortgagors, their heirs, legal representatives or assigns, as their rights may appear.

9. Upon, or at any time after the filing of a bill to foreclose this trust deed, the court in which such bill is filed may appoint a receiver of said premises. Such appointment may be made either before or after sale, without notice, without regard to the solvency or insolvency of Mortgagors at the time of application for such receiver and without regard to the value of the premises or whether the same shall be then occupied as a homestead or not and the Trustee hereunder may be appointed as such receiver. Such receiver shall have power to collect the rents, issues and profits of said premises during the pendency of such foreclosure suit and, in case of a sale and a deficiency, during the full statutory period of redemption, whether there be redemption as set, as well as during any further times when Mortgagors, except for the intervention of such receiver, would be entitled to collect such rents, issues and profits, and all other powers which may be necessary or are usual in such case for the protection, possession, control, management and operation of the premises during the whole of said period. The Court from time to time may authorize the receiver to apply the net income in his hands in payment in whole or in part of (1) the indebtedness secured hereby, or by any decree enforcing this trust deed, or any tax, special assessments or other lien which may be or become superior to the lien hereof or of such decree, provided such application is made prior to foreclosure sale; (2) the deficiency in case of sale and deficiency, and (3) no action for the enforcement of the lien or of any provision hereof shall be subject to any defense which would not be good and available to the party interposing same in an action at law upon the note hereby secured.

10. No action for the enforcement of the lien or of any provision hereof shall be subject to any defense which would not be good and available to the party interposing same in an action at law upon the note hereby secured.

11. Trustee or the holders of the note shall have the right to enter the premises at all reasonable times and access thereto shall be permitted for that purpose.

12. Trustee has no duty to examine the title, location, existence or condition of the premises, or to inquire into the validity of the signatures or the identity, capacity, or authority of the signatories on the note or trust deed. Trustee or the holders of the note shall not be liable for any act or omission hereunder, except in case of their own gross negligence or misconduct or that of the agents or employees of Trustee, and it may require indemnification satisfactory to it before exercising any power herein given.

13. Trustee shall release this trust deed and the lien thereon by proper instrument, or a representation of satisfactory evidence that all indebtedness secured by this trust deed has been fully paid; and Trustee may execute and deliver a release hereof to and at the request of any person who shall, either before or after maturity thereof, produce and exhibit to Trustee the note, representing that all indebtedness hereby secured has been paid, which representation Trustee may accept as true without inquiry. Where a release is requested of a successor trustee, such successor trustee may accept as the note herein described any note which bears an identification number purporting to be placed thereon by a prior trustee hereunder or which conforms in substance with the description herein contained of the note and which purports to be executed by the persons herein designated as the makers thereof; and where the release is requested of the original trustee and it has never placed its identification number on the note described herein, it may accept as the note herein described any note which may be presented and which conforms in substance with the description herein contained of the note and which purports to be executed by the persons herein designated as makers thereof.

14. Trustee may resign by instrument in writing filed in the office of the Recorder or Registrar. Titles in which this instrument shall have been recorded or filed. In case of the resignation, inability or refusal to act of Trustee, the then Recorder or Registrar of records of the county in which the premises are situated shall be Successor in Trust. Any Successor in Trust hereunder shall have the identical title, powers and authority as are herein given Trustee; and any Trustee or successor shall be entitled to reasonable compensation for all acts performed hereunder.

15. This Trust Deed and all provisions hereof, shall extend to and be binding upon Mortgagors and all persons claiming under or through Mortgagors; and the word "Mortgagors" when used herein shall include all such persons and all persons liable for the payment of the indebtedness or of any part thereof, whether or not such persons shall have executed the note or this Trust Deed. Payments made in excess of this amount will be accepted upon payment of a two (2%) per cent premium during the first three years, one (1%) per cent during the next two years, and of no premium thereafter.

17.
