1. Mortgagors shall (1) keep said premises in good condition and repair, without waste; (2) promptly repair, restore, or rebuild any buildings or improvements now or hereafter on the premises which may become damaged or be destroyed; (3) keep said premises free from mechanic's liens, or liens in favor of the United States, or other liens or claims for lien, not expressly subordinated to the lien hereof; (4) pay, when due, any indebtedness which may be secured by a lien or charge on the premises superior to the lien hereof, and, upon request, exhibit satisfactory evidence of the discharge of such prior lien to Trustee or to the holder of the note; (5) complete, within a reasonable time, any building or buildings now, or at any time, in process of erection upon said premises; (6) comply with all requirements of law or municipal ordinances with respect to the premises and the use thereof; (7) make no material alterations in said premises, except as required by law or municipal ordinance, or as previously consented to, in writing, by the Trustee or the holder of the note.
2. Mortgagors shall pay, before any penalty attaches, all general taxes, and shall pay special taxes, special assessments, water charges, sewer service charges, and other charges against the premises when due, and shall, upon written request, furnish to Trustee or to the holder of the note the original or duplicate receipts therefor. To prevent default, Mortgagors shall pay in full under protest, in the manner provided by statute, any tax or assessment which Mortgagors may desire to contest.
3. Mortgagors shall keep all buildings, and improvements now or hereafter situated on said premises, insured against loss or damage by fire, lightning and windstorm under policies providing for payment by the insurance companies of moneys sufficient either to pay the cost of replacing or repairing the same, or to pay in full the indebtedness secured hereby, all in companies satisfactory to the holder of the note, under insurance policies payable, in case of loss or damage, to Trustee for the benefit of the holder of the note, such rights to be evidenced by the standard mortgage clause to be attached to each policy, and shall deliver all policies, including additional and renewal policies to the holder of the note, and in case of insurance about to expire, shall deliver renewal policies not less than ten days prior to the respective dates of expiration.
4. In case of default therein, Trustee or the holder of the note may, but need not, make any payment, or perform any act, hereinbefore required of Mortgagors in any form and manner deemed expedient, and may, but need not, make all or partial payments of principal or interest on prior encumbrances, if any, and purchase, discharge, compromise or in any other manner, or otherwise, any lien or claim thereon, or any tax or assessment, or any forfeiture affecting said premises or contest any tax or assessment. All moneys paid for any of the purposes herein authorized and all expenses paid or incurred in connection therewith, including reasonable attorneys' fees, and any other money lawfully due or payable by the holder of the note to protect the mortgaged premises and the lien hereof, plus reasonable compensation to Trustee for each matter concerning which action herein authorized may be taken, shall be so much additional indebtedness secured hereby and shall become immediately due and payable without notice and with interest thereon at the highest lawful rate. Inaction of Trustee or the holder of the note shall never be considered as a waiver of any right accruing to them on account of any default hereunder on the part of Mortgagors.
5. The Trustee, or the holder of the note hereby secured, making any payment hereby authorized relating to taxes or assessments, or to the payment of any bill, statement or estimate procured from the appropriate public office without inquiry into the accuracy of such bill, statement or estimate, or into the validity of any tax, assessment, sale, forfeiture, tax lien or title or claim thereof.
6. Mortgagors shall pay and discharge the indebtedness herein mentioned, both principal and interest, when due according to the terms hereof at the election of the holder of the note, and without notice to Mortgagors, all unpaid indebtedness secured by this Trust Deed shall, notwithstanding anything in the said note or in this Trust Deed to the contrary, become immediately due and payable when default shall occur in payment of any installment of the note, or interest on the note, or the happening of one or more other events specified in the note, or in case default shall occur and continue for three days in the performance of any other covenant, undertaking or agreement of the Mortgagors herein contained.
7. When the indebtedness hereby secured shall become due, whether by the terms of the note, by acceleration, or otherwise the holder of the note or Trustee shall have the right to foreclose the lien hereof and also shall have all other rights provided by the laws of Illinois for the enforcement of a mortgage debt. In any suit to foreclose the lien hereof, there shall be allowed and included as additional indebtedness in the decree for sale all expenditures and expenses which may be incurred, or shall be incurred, by the holder of the note or the Trustee, including attorneys' fees, appraiser's fees, outlays for documents, expert evidence, stenographers' charges, publication costs and costs (which may be estimated as to items to be expended after entry of the decree) of procuring all such abstracts of title, title searches and examinations, title insurance or guarantee policies, "Force" certificates, and similar data and assurances with respect to title, as Trustee or the holder of the note may deem to be reasonably necessary, either to prosecute such suit, or to evidence to bidders at any sale which may be had pursuant to such decree, the true condition of the title to, or the value of, the premises. All expenditures and expenses of the nature in this paragraph mentioned shall become so much additional indebtedness secured hereby and immediately due and payable, with interest thereon at the highest lawful rate, when paid or incurred by Trustee or the holder of the note in connection with (1) any proceeding, including probate and bankruptcy proceedings, to which either of them shall be a party, either as a plaintiff, claimant, defendant, or respondent, by reason of this Trust Deed or any indebtedness hereby secured; or (2) preparations for the commencement of any suit for the foreclosure hereof after accrual of such right to foreclose, commenced or not; or (3) preparations for the defense of any threatened suit or proceeding which might affect the premises, or the security hereof whether or not actually commenced.
8. The proceeds of any foreclosure sale of the premises shall be distributed and applied in the following order of priority: First, on account of costs and expenses incurred in the foreclosure hereof; second, all other items which under the terms hereof constitute secured indebtedness additional to that evidenced by the note, with interest thereon as herein provided; third, on account of the principal and interest, remaining unpaid, on the note, with any overplus to Mortgagors, their heirs, legal representatives or assigns, as their rights may appear.
9. Upon, or at any time after the filing of a complaint to foreclose this Trust Deed, the Court in which such complaint is filed may appoint a receiver of said premises. Such appointment may be made either before or after sale, without notice, and the receiver of said premises during the pendency of such foreclosure suit shall be occupied as a homestead or not, and the Trustee hereunder may be appointed as such receiver. Such receiver shall have power to collect the rents, issues and profits of said premises during the pendency of such foreclosure suit and in case of a sale and a deficiency, during the full statutory period for redemption, whether there be redemption or not, as well as during any further terms when Mortgagors except for the intervention of such receiver, would be entitled to collect such rents, issues and profits, and all other powers which may be necessary or useful in such case for the protection, possession, control, management and operation of the premises during the whole of said period. The Court, from time to time, may authorize the receiver to apply the net income in his or its hands in payment, in whole or in part, of: (1) The indebtedness secured hereby, or by any decree for foreclosure of this Trust Deed, or any tax, special assessment or other lien which may be or become superior to the lien hereof, or of such decree, provided such application is made prior to foreclosure sale; (2) the deficiency in case of a sale and deficiency.
10. No action for the enforcement of the terms of the note, and interest, remaining unpaid, on the note, with any overplus to any defense which would not be good and available to the party interposing same in an action at law upon the note.
11. Trustee or the holder of the note shall have the right to inspect the premises at all reasonable times, and access thereto shall be permitted for that purpose.
12. Trustee has no duty to examine the title, location, existence, or condition of the premises, nor shall Trustee be obligated to record this Trust Deed or to exercise any power herein given unless expressly obligated by the terms hereof, nor be liable for any acts or omissions hereunder, except in case of its own gross negligence or misconduct or that of the agents or agents of Trustee, and it may require indemnities satisfactory to it before exercising any power herein given.
13. Trustee shall release this Trust Deed and the lien thereof by proper instrument, upon presentation of satisfactory evidence that all indebtedness secured by this Trust Deed has been fully paid; and Trustee may execute and deliver a release hereof to, and at the request of, any person who shall either before or after maturity thereof, produce and exhibit to Trustee the installment note, representing that all indebtedness hereby secured has been paid, which representation Trustee may accept as true without inquiry. Where a release is requested of a successor trustee, such successor trustee may accept as the genuine note herein described any note which bears a Certificate of Identification purporting to be executed by a prior trustee hereunder, or which conforms in substance with the description herein contained of the Installment Note and which purports to be executed by the persons herein designated as the makers thereof; and where the release is requested of the original trustee and it has never executed a certificate on any instrument identifying same as the Installment Note described herein, it may accept as the genuine note herein described any note which may be presented and which conforms in substance with the description herein contained of the note and which purports to be executed by the persons herein designated as makers thereof.
14. Trustee may resign by instrument in writing filed in the office of the Recorder of Deeds or Registrar of Titles in which this instrument shall have been recorded or filed. In case of the resignation, inability or refusal to act of Trustee, Chicago Title and Trust Company, an Illinois Corporation, shall be first successor in trust, and in the event of its resignation, inability or refusal to act, the then Recorder of Deeds of the county in which the premises are situated shall be second successor in trust. Any successor in trust hereunder shall have the identical title, powers and authority as are herein given Trustee, and any Trustee or successor shall be entitled to reasonable compensation for all acts performed hereunder.
