#### NOTICE

THIS PROJECT IS SUBJECT TO SECTIONS 2-44-080 AND 2-44-090 OF THE MUNICIPAL CODE OF THE CITY OF CHICAGO (THE AFFORDABLE REQUIREMENTS ORDINANCE, AND THE NEAR NORTH/NEAR WEST AFFORDABLE HOUSING PILOT AREA ORDINANCE). THE COVENANTS SET FORTH HEREIN RUN WITH THE LAND, AND ARE BINDING ON AND ENFORCEABLE AGAINST SUCCESSORS AND ASSIGNS, UNTIL THE EXPIRATION OF THE TERM.

THIS AFFORDABLE HOUSING COVENANTAND AGREEMENT (this "Agreement") is made on or as of Novanbue 3, 2022, by and between the CITY OF CHICAGO, an Illinois municipal corporation ("City"), acting by and through its Department of Housing ("Department"), and 1217 W. WASHINGTON LLC, a Delaware limited liability company (together with its successors and assigns, the "Developer") and TIM ANDERSON as the guarantor of Developer ("Guarantor"), personally, and jointly and severally liable with Developer. Capitalized terms not otherwise defined herein shall have the meanings given in Section 1.

#### **RECITALS**

- A. The Developer is the owner of the property located at 1217 West Washington Boulevard, Chicago, Illinois 60607, as legally described on Exhibit A attached horseto (the "Property").
- B. The City Council, by ordinance adopted on September 14, 2021, rezoned the Property from C1-3 Neighborhood Commercial District to DX-5 Downtown Mixed-Use District, and then to Residential-Business Planned Development 1523 ("PD 1523") for the construction of a 19-story, mixed-use building with a total of two hundred and eighty-eight (288) dwelling units and ground floor commercial spaces in Subarea B of PD 1523 (the "Project"). The Developer subsequently reduced the number of units to 287, which the Department approved.
- C. Section 2-44-080 of the Municipal Code (the "Affordable Requirements Ordinance" or the "ARO") obligates the City to impose certain affordability requirements upon developers who undertake residential development projects that include ten (10) or more dwelling units and that

DATE U-23-22 COPIES ON DATE UP TO THE DESCRIPTION OF THE THE PROPERTY OF THE P

receive City assistance in the form of the sale of City land, financial assistance, or approval of certain zoning changes.

- D. The Developer acknowledges and agrees that the Project is a Residential Housing Project (as defined in Section 1 below) within the meaning of the ARO, and that the rezoning of the Property for the Project constitutes Zoning Assistance (as defined in Section 1 below) within the meaning of the ARO, thereby triggering the requirements of the ARO.
- E. The ARO divides the city into three (3) zones for purposes of applying the ARO's affordable housing requirements. The three zones are referred to in the ARO and this Agreement as Low-Moderate Income Areas, Higher Income Areas, and Downtown Districts. The Project is located in a Higher Income Area.
- F. The ARO requires developers of Residential Housing Projects in every zone to (i) set aside 10% of the housing units in the Residential Housing Project as ARO units, or provide the ARO units in an approved off-site location; (ii) pay a fee in lieu of the development of the ARO units; or (iii) any combination of (i) and (ii). This Project, however, is located in the Near North/Near West Pilot Area ('Pilot Area") established by Section 2-44-090 of the Municipal Code (the "Pilot"), and therefore is subject to the Pilot's modified ARO requirements. Among other modifications to the ARO, the Pilot eliminates the option to pay a fee in lieu of the establishment of affordable units and increases the required percentage of affordable units.
- G. The Pilot Area is divided into two zones: the Near West Zone and the Near North Zone. The Property is located in the Near North Zone. In the Near North Zone, the percentage of units in a Residential Housing Project required to be affordable is increased from 10% to 20%. Any developer of a Residential Housing Project in the Near North Zone must provide the first 10% of units required to be affordable (the "First Units") either: (i) in the Residential Housing Project, or (ii) with the approval of the Commissioner, in an off-site location within two miles of the Property and in the same or a different Higher Income Area or Downtown District, or (iii) any combination of (i) and (ii). In addition, the developer must provide the second 10% of units required to be affordable (the "Additional Units") either: (i) in the Residential Housing Project, or (ii) with the Commissioner's approval, in an off-site location anywhere within the Pilot Area, regardless of distance from the project or income area, or (iii) any combination of (i) and (ii).
- H. The Project has a total of 287 housing units. As a result, the Developer's ARO obligation is fifty-seven (57) Affordable Units (20% of 287, rounded down), consisting of twenty-nine (29) First Units and twenty-eight (28) Additional Units. The Developer has agreed to satisfy its affordable housing obligation by providing the First Units and the Additional Units in the Project.
- I. Prior to the issuance of a building permit for any project subject to the ARO, the developer must do one or both of the following, as applicable: (i) execute and record an affordable housing agreement against the project (or off-site location) to secure the developer's obligation to provide Affordable Units, and/or (ii) pay the required In Lieu Fee.
- J. The Developer is executing this Agreement to satisfy the requirements set forth in (i) above relating to the construction of the Affordable Units.

NOW THEREFORE, the Developer and Guarantor covenant and agree as follows:
