Such receiver shall have power to collect the rents, issues and profits of said premises during the pendency of such foreclosure suit and, in case of a sale and a deficiency, during the full statutory period of redemption, whether there be redemption or not, as well as during any further time when First Party, its successors or assigns, except for the intervention of such receiver, would be entitled to collect such rents, issues and profits, and all other powers which may be necessary or are usual in such cases for the protection, possession, control, management and operation of the premises during the whole of said period. 9. Trustee shall release this trust deed and the lien thereof by proper instrument upon presentation of satisfactory evidence that all indebtedness secured by this trust deed has been fully paid; and Trustee may execute and deliver a release hereof to and at the request of any person who shall, either before or after maturity thereof, produce and exhibit to Trustee the note representing that all indebtedness hereby secured has been paid, which representation Trustee may accept as true without inquiry. Where a release is requested of a successor trustee, such successor trustee may accept as the genuine note herein described any note which bears a certificate of identification purporting to be executed by a prior trustee hereunder or which conforms in substance with the description herein contained of the note and which purports to be executed on behalf of First Party; and where the release is requested of the original trustee and it has never executed a certificate on any instrument identifying same as the note described herein, it may accept as the genuine note herein described any note which may be presented and which conforms in substance with the description herein contained of the note and which purports to be executed on behalf of First Party.

10. Trustee may resign by instrument in writing filed in the office of the Recorder or Registrar of Titles in which this instrument shall have been recorded or filed. In case of the resignation, inability or refusal to act of Trustee, the then Recorder of Deeds of the county in which the premises are situated shall be Successor in Trust. Any Successor in Trust hereunder shall have the identical title, powers and authority as are herein given Trustee, and any Trustee or successor shall be entitled to reasonable compensation for all acts performed hereunder.
