3.23 Enforcement of Owner's Representations, Warranties and Covenants

(a) The Owner shall have a continuing obligation to comply with the terms of this Regulatory Agreement. If a violation of any representations or covenants occurs or is attempted, the Owner shall cure the violation immediately. Upon discovery of a violation, the City will send notice of the violation to the Owner. Within 5 business days from receipt of the notice, the Owner may request that the City grant a period of time reasonably necessary to effect a cure of the violation based on circumstances at the Project and the length of time reasonably necessary to effect a cure of the violation. The request must be made in writing and directed to the City in the manner provided for in Section 1 of this Regulatory Agreement. The City, at its sole discretion, may approve or deny the cure period as requested, or it may grant a cure period of its own determination, based upon the time warranted under the circumstances presented at the time the request is made.

The City and its successors and assigns, without regard to whether the City or its successors and assigns is an owner of any land or interest therein to which these covenants relate, may institute and prosecute any proceeding at law or in equity to abate, prevent or enjoin any such violation or attempted violation or to compel specific performance by the Owner of its obligations hereunder. No delay in enforcing the provisions hereof as to any breach or violation shall impair, damage or waive the right of any party entitled to enforce the provisions hereof or to obtain relief against or recovery for the continuation or repetition of such breach or violations or any similar breach or violation hereof at any later time.

(b) Notwithstanding the language of Section 3.23, if the Owner fails to comply with section 2.6, and the Project fails to comply with the Building and Zoning Codes, the appropriate Department of the City may immediately initiate an enforcement action.

(c) All fees, costs and expenses incurred by the City in taking any action to enforce the provisions of this section shall be the responsibility of the Owner at the time that the violation occurred, and/or the responsibility of any subsequent Owner.

(d) If the Owner does not perform its obligations to provide Low and Moderate-Income Units according to the terms of this Regulatory Agreement, the Owner shall pay to the City, as liquidated damages and not as a penalty, an amount sufficient to divest the Owner of all money collected above the Low-Income Rent-Restricted rate applicable to Low-Income Units and/or Moderate-Income Rent-Restricted rate applicable to Moderate-Income Units. UNOFFICIAL COPY

Unit that should have been charged at a Low-Income Rent-Restricted rate or Moderate-Income Rent-Restricted rate applicable under this Regulatory Agreement to the Low and Moderate-Income Units, from the initial payment date for each non-complying Unit for the duration of the lease(s). If the Owner fails to provide the actual contract information as to rents charged for this calculation, the City shall have the right to calculate the amount using an average of the area market rental rates, as determined by the City, using its own information and best estimates. If no proof of the term of occupancy can be determined, the City shall have the right to calculate the amount based upon its own information and best estimates, including but not limited to tenant interviews, and usual and customary practice.

(e) The Owner further specifically acknowledges that the beneficiaries of the Owner's obligations hereunder cannot be adequately compensated by monetary damages in the event of any breach or violation of any of the foregoing representations or covenants. The City shall explicitly have the right to compel specific performance of the Owner's obligations hereunder.

(f) Upon breach by the Owner of its obligations to provide Low and Moderate-Income Units, the City shall have the right to request documentation and proof of income status and leasing information for each new tenant until such time as the number of Low-Income Units and Moderate-Income Units comply with Sections 3.7 and 3.8 hereof.

3.24 Upon the earlier of (i) completion of any initial rehabilitation of the Project and initial lease-up of 75% of the Units in the Project, and (ii) the first anniversary of the Owner obtaining title to the Project, the Owner shall provide the City with a report (the "Initial Report") in the form attached hereto as Exhibit C.

SECTION 4 RELIANCE.

In performing its duties and obligations hereunder, the City may rely upon statements and certificates of the Owner and Low and Moderate-Income Families and upon audits of the books and records of the Owner pertaining to occupancy of the Project. In addition, the City may consult with counsel and the opinion of such counsel shall be evidence that such action or failure to act by the City was in good faith and in conformity with such opinion. It is the Owner's responsibility to determine that each potential tenant for a Low-Income and/or Moderate-Income Unit qualifies as a Low or Moderate-Income Family, and that in making each such determination, the Owner shall exercise due diligence.

SECTION 5 TERM.

5.1 This Regulatory Agreement shall become effective upon its execution and delivery. Except as otherwise provided herein, this Regulatory Agreement shall remain in full force and effect for a term equal to the Project Term, it being expressly agreed and understood that the provisions hereof are intended to survive throughout the Project Term, and that certain provisions shall survive the Project Term.

(b) If the Owner is not in title to the Project on the date this document is executed, and does not have possession and control of the Project, this Regulatory Agreement shall be effective on the earlier of either the date that a deed for the Project is tendered to the Owner or upon the date that the Owner obtains possession and control of the Project.

5.2 If the Project Term shall end on a Foreclosure Date, the occurrence of such Foreclosure Date shall not be construed to permit, during the Three-Year Period, either (i) the eviction or termination of the tenancy (other than for good cause) of an existing tenant of any Low-Income Unit, or (ii) any increase in the rent with respect to any Unit except in accordance with Section 5.2 hereof.

SECTION 6 RIGHT TO INSPECT.

6.1 Physical Inspection

The City shall have the right to perform an on-site inspection of the physical conditions of the Project upon notice by the City to the Owner. This Section 6.1 shall terminate upon a Foreclosure Date, if any.

6.2 Inspection of Records

The Owner agrees that the City shall have the right to perform inspection and review the records maintained by the Owner or its agent as described herein upon notice by the City to the Owner. This Section 6.2 shall terminate as of a Foreclosure Date, except for the responsibility of the Owner to maintain and provide any and all records required to prove continued compliance with the tenants rights provided for in Section 5.2 above. Tender of insufficient or incomplete documents shall be deemed a failure to comply with the terms of this section. Upon notice from the City that documents tendered are insufficient or incomplete, Owner shall have five (5) business days from the receipt of the notice to provide the missing information. The Owner may request that the City grant a period of time to effect a cure of the violation based upon circumstances at the Project and the length of time reasonably necessary to effect a cure of the violation. Said request should be made in writing and directed to the City in the manner provided for in Section 11 of this Regulatory Agreement. The City, at its sole discretion, may approve or deny the cure period as requested, or it may grant a cure period of its own determination, based upon the time warranted under the circumstances presented at the time the request is made.

6.3 Inspections are Independent

Whether the physical inspection provided for in Section 6.1 and the inspection of records provided for in Section 6.2 occur concurrently is solely at the discretion of the City.

6.4 City's Right to Specific Performance for Breach of Section 6

UNOFFICIAL COPY

(a) If the Owner fails to provide access to the Project for a physical inspection as provided for in Section 6.1, and there is reason to believe that the Project is not in compliance with the Building and Zoning Code, the Department of Housing may immediately contact the appropriate City Department, State or Federal Agency and request initiation of a Code enforcement action. It shall not be a defense hereunder to assert that a property manager or any other person or entity purporting to represent or manage Owner's interest in the Project acted without Owner's knowledge or consent in denying the City access to records or to the Project.

(b) The City shall explicitly have the right to compel specific performance of the Owner's obligations hereunder. All fees, costs and expenses incurred by the City incurred in taking any action to enforce the provisions of this section shall be the responsibility of the Owner at the time that the violation occurred, and/or any subsequent Owner.

SECTION 7 RECORDING AND FILING.

7.1 Signatory's Recording Obligations Based on Current Possession of Title

If on the date this document is executed the Signatory is in possession of a deed to the Project, then the Signatory shall cause this Regulatory Agreement and all amendments and supplements hereto to be recorded and filed in the conveyance and real property records of the county in which the Project is located and in such other places as the City may reasonably request. The Signatory shall pay all fees and charges incurred in connection with any such recording. Upon recording, the Signatory shall immediately transmit to the City an executed original of this Regulatory Agreement showing the date and recording number of record.

7.2 [intentionally omitted]

7.3 Enforcement of Section 7, Recording and Filing

(a) If the Signatory to this Regulatory Agreement fails to comply with the requirements of Section 7 and as a result a new purchaser takes title without notice of this Regulatory Agreement, and the new Owner proceeds to manage the Project in violation of the terms of this Regulatory Agreement, then the Signatory shall pay to the City, as liquidated damages and not as a penalty, an amount sufficient to divest the Signatory of all money collected above the value of the Project if sold with the rent restrictions. For purposes of the calculation of this amount, the amount awarded to the City shall be the difference between the actual sale price as reflected in the RESPA (or similar closing or settlement statement) prepared at closing, or the sales contract for the real estate, whichever is higher, and the appraised value of the Project if sold with the rent restrictions in place. The appraised value of the Project shall be determined by an independent licensed appraiser acceptable to the City. The appraisal shall be conducted at the expense of the Signatory. If the Signatory fails to provide the actual contract information as to sale price for this calculation, the City shall have the right to calculate the amount based upon the fair market value, as determined by the City, using its own information and best estimates.

UNOFFICIAL COPY

(b) The Signatory shall be liable to the City for any costs incurred by the City as a result of its efforts to enforce this section.

7.4 Enforcement and Recovery for Failure to Comply with Section 7

(a) If the Signatory fails to comply with the requirements of Section 7 and as a result the City is unable to fulfill any of its monitoring obligations to any state or federal agency, then the City is entitled to recover from the Signatory an amount sufficient to reimburse the City for any fees, penalties or charges imposed upon this City as a result of its inability to monitor the project. Further, in the event of a violation of Signatory's obligations under this section, the City is entitled to recover all costs and expenses, including attorney's fees, incurred as a result of action taken by any state or federal agency as a result of the City's inability to complete any of its monitoring obligations for the project.

(b) The Signatory and/or his assigns are liable for any costs incurred by the City by virtue of any action brought by a third party against the City for failure to monitor or enforce this Regulatory Agreement.

SECTION 8 COVENANTS TO RUN WITH THE LAND.

8.1 The Owner hereby subjects the Project to the covenants, reservations and restrictions set forth in this Regulatory Agreement. The City and the Owner hereby declare their express intent that the covenants, reservations and restrictions set forth herein shall, throughout the Project Term, be deemed covenants, reservations and restrictions running with the land to the extent permitted by law, and shall pass to and be binding upon the Owner's successors in title to the Project throughout the Project Term.

(b) Owner hereby covenants and agrees to provide any requested information regarding any successor in title to the City of Chicago, Department of Housing, for review and approval by City of Chicago, Department of Housing.

You represent and warrant that since the date of public advertisement of the specification, request for qualifications, request for proposals or request for information (or any combination of those requests) or, if not competitively procured, from the date the City approached you or the date you approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

You agree that you shall not: (a) coerce, compel or intimidate your employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse your employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

This provision amends any Other Contract and supersedes any inconsistent provision contained therein.
