Excerpt from the Statutory Short Form Power of Attorney for Property Law

Sec. 3-4. Explanation of powers granted in the statutory short form power of attorney for property. This Section defines each category of powers listed in the statutory short form power of attorney for property and the effect of granting powers to an agent, and is incorporated by reference into the statutory short form. Incorporation by reference does not require physical attachment of a copy of this Section 3-4 to the statutory short form power of attorney for property. When the title of any of the following categories is retained (not struck out) in a statutory property power form, the effect will be to grant the agent all of the principal's rights, powers and discretions with respect to the types of property and transactions covered by the retained category, subject to any limitations on the granted powers that appear on the face of the form. The agent will have authority to exercise each granted power for and in the name of the principal with respect to all of the principal's interests in every type of property or transaction covered by the granted power at the time of exercise, whether the principal's interests are direct or indirect, whole or fractional, legal, equitable or contractual, as a joint tenant or tenant in common or held in any other form; but the agent will not have power under any of the statutory categories (a) through (o) to make gifts of the principal's property, to exercise powers to appoint to others or to change any beneficiary whom the principal has designated to take the principal's interests at death under any will, trust, joint tenancy, beneficiary form or contractual arrangement. The agent will be under no duty to exercise granted powers or to assume control of or responsibility for the principal's property or affairs; but when granted powers are exercised, the agent will be required to act in good faith for the benefit of the principal using due care, competence, and diligence in accordance with the terms of the statutory property power and will be liable for negligent exercise. The agent may act in person or through others reasonably employed by the agent for that purpose and will have authority to sign and deliver all instruments, negotiate and enter into all agreements and do all other acts reasonably necessary to implement the exercise of the powers granted to the agent.

(a) Real estate transactions. The agent is authorized to: buy, sell, exchange, rent and lease real estate (which term includes, without limitation, real estate subject to a land trust and all

beneficial interests in and powers of direction under any land trust); collect all rent, sale proceeds and earnings from real estate; convey, assign and accept title to real estate; grant easements, create conditions and release rights of homestead with respect to real estate; create land trusts and exercise all powers under land trusts; hold, possess, maintain, repair, improve, subdivide, manage, operate and insure real estate; pay, contest, protest and compromise real estate taxes and assessments; and, in general, exercise all powers with respect to real estate which the principal could if present and under no disability.

(b) Financial institution transactions. The agent is authorized to: open, close, continue and control all accounts and deposits in any type of financial institution (which term includes, without limitation, banks, trust companies, savings and building and loan associations, credit unions and brokerage firms); deposit in and withdraw from and write checks on any financial institution account or deposit; and, in general, exercise all powers with respect to financial institution transactions which the principal could if present and under no disability. This authorization shall also apply to any Totten Trust, Payable on Death Account, or comparable trust account arrangement where the terms of such trust are contained entirely on the financial institution's signature card, insofar as an agent shall be permitted to withdraw income or principal from such account, unless this authorization is expressly limited or withheld under paragraph 2 of the form prescribed under Section 3-3. This authorization shall not apply to accounts titled in the name of any trust subject to the provisions of the Trusts and Trustees Act, for which specific reference to the trust and a specific grant of authority to the agent to withdraw income or principal from such trust is required pursuant to Section 2-9 of the Illinois Power of Attorney Act and subsection (n) of this Section.

(c) Stock and bond transactions. The agent is authorized to: buy and sell all types of securities (which term includes, without limitation, stocks, bonds, mutual funds and all other types of investment securities and financial instruments); collect, hold and safekeep all dividends, interest, earnings, proceeds of sale, distributions, shares, certificates and other evidences of ownership paid or distributed with respect to securities; exercise all voting rights with respect to securities in person or by proxy, enter into voting trusts and consent to limitations on the right to vote; and, in general, exercise all powers with respect to securities which the principal could if present and under no disability.

(d) Tangible personal property transactions. The agent is authorized to: buy and sell, lease, exchange, collect, possess and take title to all tangible personal property; move, store, ship, restore, maintain, repair, improve, manage, preserve, insure and safekeep tangible personal property; and, in general, exercise all powers with respect to tangible personal property which the principal could if present and under no disability.

distributions, proceeds or benefits payable under any insurance or annuity contract; and, in general, exercise all powers with respect to insurance and annuity contracts which the principal could if present and under no disability.

(g) Retirement plan transactions. The agent is authorized to: contribute to, withdraw from and deposit funds in any type of retirement plan (which term includes, without limitation, any tax qualified or nonqualified pension, profit sharing, stock bonus, employee savings and other retirement plan, individual retirement account, deferred compensation plan and any other type of employee benefit plan); select and change payment options for the principal under any retirement plan; make rollover contributions from any retirement plan to other retirement plans or individual retirement accounts; exercise all investment powers available under any type of self-directed retirement plan; and, in general, exercise all powers with respect to retirement plans and retirement plan account balances which the principal could if present and under no disability.

(i) Tax matters. The agent is authorized to: sign, verify and file all the principal's federal, state and local income, gift, estate, property and other tax returns, including joint returns and declarations of estimated tax; pay all taxes; claim, sue for and receive all tax refunds; examine and copy all the principal's tax returns and records; represent the principal before any federal, state or local revenue agency or taxing body and sign and deliver all tax powers of attorney on behalf of the principal that may be necessary for such purpose; waive rights and sign all documents on behalf of the principal as required to settle, pay and determine all tax liabilities; and, in general, exercise all powers with respect to tax matters which the principal could if present and under no disability.

(j) Claims and litigation. The agent is authorized to: institute, prosecute, defend, abandon, compromise, arbitrate, settle and dispose of any claim in favor of or against the principal or any property interests of the principal; collect and receipt for any claim or settlement proceeds and waive or release all rights of the principal; employ attorneys and others and enter into contingency agreements and other contracts as necessary in connection with litigation; and, in general, exercise all powers with respect to claims and litigation which the principal could if present and under no disability. The statutory short form power of attorney for property does not authorize the agent to appear in court or any tribunal as an attorney-at-law for the principal or otherwise to engage in the practice of law without being a licensed attorney who is authorized to practice law in Illinois under applicable Illinois Supreme Court Rules.

(k) Commodity and option transactions.
