together with all improvements, tenements, easements, fixtures and appurtenances now or hereafter thereto belonging, including all heating, air conditioning, gas and plumbing apparatus and fixtures, and every thing appertaining thereto, and all rents, issues and profits thereof or therefrom; hereby releasing and waiving any and all rights under and by virtue of the homestead or otherwise laws of the State of Illinois.

The Grantors covenant and agree: (1) to pay said indebtedness, and all other amounts that may be payable under the Contract, as provided in the Contract or according to any agreement extending the time of payment; (2) to pay, before any maturity attaches, all taxes and assessments against all premises, and on demand to exhibit records therefor; (3) within sixty days of a duly destruction or damage, to rebuild or restore all buildings and improvements on the premises that may have been destroyed or damaged; (4) that waste to the premises shall not be committed or suffered; (5) to keep all buildings and other improvements now or hereafter on the premises insured against such risks, for such amounts and with such companies and under such policies and in such form, as the Grantors reasonably be satisfactory to the legal holder of the Contract, which policies shall provide that loss thereunder shall be payable first to the holder of any prior encumbrance on the premises and second to the Trustee, as their respective interests may appear, and, upon request, to furnish to the Trustee or to the legal holder of the Contract satisfactory evidence of such insurance; and (6) to pay, when due, all indebtedness which may be secured by any prior encumbrances on the premises.

The Grantors further agree that, in the event of any failure so to insure, or pay taxes or assessments, or pay the indebtedness secured by any prior encumbrances, either the Trustee or the legal holder of the Contract may, from time to time, but need not, procure such insurance, or pay such taxes or assessments, or discharge or purchase any tax lien or title affecting the premises, or pay the indebtedness securing any prior encumbrances on the premises, and the Grantors agree to reimburse the Trustee or the legal holder of the Contract, as the case may be, upon demand, for all amounts so paid, together with interest thereon at the highest lawful contract rate from the date of payment to the date of reimbursement, and the same shall be so much additional indebtedness secured hereby.

The Grantors further agree that, in the event of a breach of any of the aforesaid covenants or agreements, or of any covenants or agreements contained in the Contract, the indebtedness secured hereby shall, at the option of the legal holder of the Contract, without demand or notice of any kind, become immediately due and payable and shall be recoverable by foreclosure hereof, or by suit at law, or both, to the same extent as if such indebtedness had been matured by its express terms.

The Grantors further agree that all expenses and disbursements paid or incurred in behalf of plaintiff in connection with the foreclosure herein (including reasonable attorneys' fees, outlays for documentary evidence, stenographer's charges and cost of procuring or preparing abstract showing the whole title of said premises embracing foreclosure decree) shall be paid by the Grantors, and the like expenses and disbursements, occasioned by any suit or proceeding wherein the Trustee or the legal holder of the Contract, as such, may be a party, shall also be paid by the Grantors. All such expenses and disbursements shall be an additional lien upon the premises, and shall be taxed as costs and included in any decree that may be rendered in such foreclosure proceedings, which proceeding, whether decree of sale shall have been entered or not, shall not be dismissed, nor released herefrom given, until all such expenses and disbursements, and the costs of suit, including attorney's fees, have been paid. The Grantors, for the Grantors and for the heirs, executors, administrators, successors and assigns of the Grantors, waive all right to the possession of and income from the premises pending such foreclosure proceedings, and agree that, upon the filing of any complaint to foreclose this Trust Deed, the court in which such complaint is filed may, at once, and without notice to the Grantors, or to any party claiming under the Grantors, appoint a receiver to take possession or charge of the premises with power to collect the rents, issues and profits of the premises.

The Trustee shall, upon receipt of its reasonable fees, if any, for the preparation of such release, release this Trust Deed and the lien thereon by proper instrument upon presentation of satisfactory evidence that all indebtedness secured by this Trust Deed has been fully paid, and the Trustee may execute and deliver a release hereof to and at the request of any person who shall, either before or after the maturity thereof, produce and exhibit to the Trustee the Contract, representing that all indebtedness secured hereby has been paid, which representation the Trustee may accept or refuse without further inquiry.

The lien of this Trust Deed is subject and subordinate to the lien of any prior encumbrance of record on the premises.

The Grantors, as used herein, shall mean all persons signing this Trust Deed and each of them, and this Trust Deed shall be jointly and severally binding upon such persons and their respective heirs, executors, administrators, successors and assigns.

All obligations of the Grantors, and all rights, powers and remedies of the Trustee and the holder of the Contract, expressed herein shall be additional to, and not in limitation of, those provided in the Contract or by law.

WITNESS the hand(s) and seal(s) of the Grantors as of the day and year first above written.
