THE COVENANTS, CONDITIONS AND PROVISIONS REFERRED TO ON PAGE 1 (THE REVERSE SIDE OF THIS TRUST DEED):

SAID PARTY OF THE FIRST PART, for said party, and for the heirs, executors, administrators and assigns of said party, does covenant and agree with the said party of the second part, for the use of the holder or holders of said instalment note, until the indebtedness aforesaid shall be fully paid: to keep said premises in good repair; to pay all taxes and assessments levied or assessed upon said premises, or any part thereof, and not to suffer any part of said premises or any interest therein, to be sold or forfeited for any tax or special assessment whatsoever; nor to suffer any lien of mechanics or material men to attach to said premises; nor to do, or permit to be done, upon said premises, anything that may impair the value thereof, or the security intended to be effected by virtue of this instrument; and in case of the failure of said party of the first part thus to keep said premises in good repair, or to pay such taxes or special assessments before the commencement of the annual tax sale in said county, or to pay any such liens of mechanics or material men, or to prevent the commission of waste on said premises, then said party of the second part or the legal holder or holders of said instalment note may, at his, her or their option, make repairs to said premises, pay such taxes or special assessments, or redeem said premises from any tax sale, or purchase any tax title obtained, or that may be obtained thereon, or pay any sum or sums otherwise necessary to preserve and protect the lien of this trust deed, or pay or settle any and all suits or claims for liens of mechanics or material men, or any other claims for liens that may be made against said premises; and all moneys paid for any such purposes and any other moneys disbursed by the party of the second part, or the legal holder or holders of said instalment note, to protect the lien of this Trust Deed, with interest thereon at the highest rate for which it is then in such case lawful to contract, shall become so much additional indebtedness secured by this Trust Deed, and be included in any decree foreclosing this Trust Deed and be paid out of the rents or proceeds of sale of the lands and premises aforesaid, if not otherwise paid by said party of the first part; and it shall not be obligatory upon said party of the second part or the holder or holders of said instalment note to inquire into the necessity of such repairs or into the validity of such tax deed, taxes or special assessments, or the sales therefor, or into the validity of such mechanics liens, in advancing moneys in that behalf as above authorized; but nothing herein contained shall be construed as requiring the said party of the second part or the legal holder or holders of said instalment note to advance or expend money for any of the aforesaid purposes.

AND AS ADDITIONAL SECURITY for the payment of the indebtedness aforesaid, the said party of the first part, for said party, and for the heirs, executors, administrators and assigns of said party, covenants and agrees to keep all buildings and fixtures that may be upon the said premises, at any time during the continuance of the said indebtedness, insured against loss or damage by fire, lightning, tornado or wind-storm, for the full insurable value of such buildings and fixtures, in such responsible insurance company or companies as may be approved by the party of the second part, or the holder or holders of said instalment note, and to make all sums recoverable upon such policies payable to the party of the second part, for the benefit of the holder or holders of said instalment note, by the usual mortgagee or trustee clause to be attached to such policies, and to deliver all such policies to the said party of the second part, or the holder or holders of said instalment note, and in case of failure to insure as above provided, the party of the second part, or the holder or holders of said instalment note, may procure such insurance, and all moneys paid therefor, with interest thereon at the highest rate for which it is then in such case lawful to contract, shall become so much additional indebtedness secured by this Trust Deed; but it shall not be obligatory upon said party of the second part, or the holder or holders of said note, to advance or pay for such insurance in case of such failure to insure.

AND IT IS FURTHER COVENANTED AND AGREED, that if time of payment of said principal promissory instalment note and instalments thereof be extended by the holder or holders thereof at any time or times, the maker or makers thereof, and the heirs, executors, administrators and assigns of said maker or makers, waive notice of such extension and shall be held to consent to such extension and shall, notwithstanding such extension, continue liable thereon to the holder or holders thereof, and shall pay the same when due, whether due by the terms of such extension agreement or by acceleration of maturity as herein and in said principal promissory instalment note provided.
