THE COVENANTS, CONDITIONS AND PROVISIONS REFERRED TO ON PAGE 1 (THE REVERSE SIDE OF THIS TRUST DEED)

1. Mortgagors shall (a) promptly repair, restore or rebuild any buildings or improvements now or hereafter on the premises which may become damaged or be destroyed; (b) keep said premises in good condition and repair, without waste, and free from mechanics' or other liens or charges for work done or materials supplied, and pay all taxes, assessments, water charges, sewer service charges, and other charges against the premises when due, and upon request exhibit satisfactory evidence of the discharge of such prior liens to Trustee or to holders of the note; (d) complete within a reasonable time any building or buildings now or at any time in process of erection upon said premises; (e) comply with all requirements of law or municipal ordinances with respect to the premises and the use thereof; (f) make no material alterations in said premises except as required by law or municipal ordinance.

2. Mortgagors shall pay before any penalty attaches all general taxes, special assessments, water charges, sewer service charges, and other charges against the premises when due, and shall, upon written request, furnish to Trustee or to holders of the note duplicate copies thereof. To prevent doubt hereunder Mortgagors shall pay in full under protest, in the manner provided by statute, any tax or assessment which Mortgagors may desire to contest.

3. Mortgagors shall keep all buildings and improvements now or hereafter situated on said premises insured against loss or damage by fire, lightning or windstorm (and flood damage, where the lender is required by law to have its loan so insured) under policies providing for payment by the insurance company or companies sufficient either to pay the cost of replacing or repairing the same or to pay in full the indebtedness secured hereby, all in companies satisfactory to the holders of the note, and insurance policies payable, in case of loss or damage, to Trustee for the benefit of the holders of the note, and the right to collect the same shall be given by the standard mortgage clause to be attached to each policy, and shall deliver all policies, including additional and renewal policies, to holders of the note, and in case of insurance about to expire, shall deliver renewal policies not less than ten days prior to the respective dates of expiration.

4. In case of default therein, Trustee or the holders of the note may, but need not, make any payment or perform any act hereinafter required. Mortgagors in any form and manner deemed expedient, and may, but need not, make full or partial payments of principal or interest, into encumbrances, if any, and purchase, discharge, compromise or settle any tax lien or other prior lien or title or claim thereof, or reduce the rate of interest or sacrifice affecting said premises or contest any tax or assessment. All money paid for any of the purposes herein mentioned and all expenses incurred in connection therewith, including attorney's fees, and any other moneys advanced by Trustee or the holders of the note to protect the mortgaged premises and the lien hereon, plus reasonable compensation for services rendered concerning which action herein authorized may be taken, shall be so much additional indebtedness secured hereby and shall become immediately due and payable without notice and with interest thereon at a rate equivalent to the post maturity rate set forth in the note securing this trust deed, if any, otherwise the prematurity rate set forth therein. Inaction of Trustee or holders of the note shall never be considered as a waiver of any right accruing to them on account of any default hereunder on the part of Mortgagors.

The holders of the note, or the holders of the note hereby authorizing any payment or performance relating to taxes or assessments, may do so according to any bona fide estimate or estimation made by the holder of the note or by the holder of the note without regard to the accuracy of such bill, statement or estimate or to the validity of any tax, assessment, sale, forfeiture, tax lien or title or claim thereof.

5. Mortgagors shall pay each item of indebtedness herein mentioned, both principal and interest, when due according to the terms hereof. At the option of the holders of the note, and without notice to Mortgagors, all unpaid indebtedness secured by this Trust Deed shall, notwithstanding anything in the note or in this Trust Deed to the contrary, become due and payable (a) immediately in the case of default in making payment of any instalment of principal or interest on the note, or (b) when default shall occur and continue for three days in the performance of any other agreement contained in this Trust Deed.

6. When the indebtedness hereby created shall become due, whether by acceleration or otherwise, holders of the note or Trustee shall have the right to foreclose the lien hereon, in any suit to foreclose the lien hereon, there shall be allowed and included as additional indebtedness in the decree for sale all expenditures and expenses, which may be paid or incurred by or on behalf of Trustee or holders of the note for attorney's fees, Trustee's fees, appraiser's fees, outlays in documentary and expert evidence, stenographers' charges, publication costs and costs (which may be estimated as to items to be expended after entry of the decree) of procuring all such abstracts of title, title searches and examinations, title insurance policies, Forgers certificates, and similar data and assurances with respect to title as Trustee or holders of the note may deem to be reasonably necessary either to prosecute suit to foreclose the lien hereon or to defend suit to foreclose the lien hereon or to determine the true ownership of the title to or the value of the premises. All expenditures and expenses of the kind hereinabove mentioned shall be included in so much additional indebtedness secured hereby and immediately due and payable, with interest thereon at a rate equivalent to the post maturity rate set forth in the note securing this trust deed, if any, otherwise the prematurity rate set forth therein, when paid or incurred by Trustee or holders of the note in connection with (a) any proceeding, including probate and bankruptcy proceedings, to which either of them shall be a party, either as plaintiff, claimant or defendant, by reason of (a) its last deed or any indebtedness hereby secured; or (b) preparations for the commencement of any suit for the foreclosure hereof after entry of such right to foreclose whether or not actually commenced; or (c) preparation for defense of any threatened suit or proceeding which might affect the premises or the security hereof, whether or not actually commenced.

7. The proceeds of any foreclosure sale of the premises shall be distributed and applied in the following order of priority: First, on account of all costs and expenses incident to the foreclosure proceedings, including all such items as are mentioned in the preceding paragraph hereof; second, all other items which under the terms hereof constitute secured indebtedness additional to that evidenced by the note, with interest thereon as herein provided; third, all principal and interest remaining unpaid on the note; fourth, any overplus to Mortgagors, their heirs, legal representatives or assigns, as their rights may appear.

In the event of a deficiency in the amount paid to foreclose this trust deed, the court in which such suit is filed may appoint a receiver of said premises. Such appointment may be made either before or after sale, will not mature, without regard to the solvency or insolvency of Mortgagors at the time of application for such receiver and without regard to the then value of the premises or whether the same shall be then occupied as a home or not and the Trustee hereunder may be appointed as such receiver. Such receiver shall have power to collect the rents, issues and profits of said premises during the pendency of such foreclosure suit and, in case of a sale and a deficiency, during the full statutory period of redemption, whether there be redemption or not, as well as during any further times when Mortgagors, except for the intervening period, such receiver will be entitled to collect such rents, issues and profits, with all other powers which may be necessary or are usually given to such receivers for the protection, preservation, sale and operation of the property during such periods. The court in which such receiver is appointed may authorize the receiver to apply the net income in his hands, as a payment in whole or in part, (a) to the indebtedness secured hereby, or by any decree foreclosing that trust deed, or any tax, special assessment or other lien which may be or become superior to the lien hereof or of such decree, provided such application is made prior to foreclosure sale, (b) the deficiency in case of a sale and deficiency.

8. No action for the enforcement of the lien or of any provision hereof shall be subject to any defense which would not be good and available to the party interposing same in an action at law on the note hereby secured.

9. Trustee or the holders of the note shall have the right to inspect the premises at all reasonable times and access thereto shall be permitted for that purpose.

10. Trustee has no duty to examine the title, location, existence or condition of the premises, or to inquire into the validity of the signatures or the identity, capacity, or authority of the signatories on the note or trust deed, nor shall Trustee be obligated to record this trust deed or to exercise any power herein given unless expressly obligated by the terms hereof, nor shall be liable for any acts or omissions hereunder, except in case of its own gross negligence or misconduct or that of the agents or employees of Trustee, and it may require indemnities with respect to it before exercising any such power.

11. Trustee shall release this trust deed and the lien hereon by proper instrument upon presentation of satisfied to a evidence that all indebtedness secured by this trust deed has been fully paid, and Trustee may execute and deliver a release hereof to and, if at request of any person who shall, either before or after maturity thereof, produce and exhibit to Trustee the note, representing that all indebtedness hereby secured has been paid, which representation Trustee may accept as true without inquiry. Where a release is requested of a co-trustee, such co-trustee shall accept as the genuine note herein described any note which bears an identification number purporting to be placed thereon by a co-trustee, provided such co-trustee is not the maker of the note and while the note is to be executed by the persons herein designated as the makers thereof, at such place as the release is requested, at the original trustee and if it has placed its identification number on the note described herein, it may accept as the genuine note herein described any note which may be presented and which conforms in substance with the description herein contained of the note and which purports to be executed by the persons herein designated as makers thereof.

12. Trustee may resign by instrument in writing filed in the office of the Recorder of Deeds in which that instrument shall have been recorded or filed. In case of the resignation, inability or refusal to act of Trustee, the then Recorder of Deeds of the county in which the instrument is recorded shall be succeeded in Trust. Any successor in Trust hereunder shall have the identical title, powers and authority as are herein given Trustee.

13. This Trust Deed and all provisions hereof, shall extend to and be binding upon Mortgagors and all persons claiming under or through Mortgagors, and the word "Mortgagor" when used herein shall include all such persons and all persons liable for the payment of the indebtedness or any part thereof, whether or not such persons shall have executed the note or this Trust Deed. The word "note" when used in this instrument shall be construed to mean "notes" when more than one note is used.

14. Before releasing this trust deed, Trustee or successor shall receive for its services a fee as determined by its rate schedule in effect when the release is made. Trustee or successor shall be entitled to reasonable compensation for any other act or service performed under any provision of this trust deed. The provisions of the "Trust and Trustees Act" of the State of Illinois shall be applicable to this trust deed.
