All moneys paid for any of the purposes herein authorized and all expenses paid or incurred in connection therewith, including attorneys' fees, and any other moneys advanced by Trustee or the holders of the note to protect the mortgaged premises and the lien hereof, plus reasonable compensation to Trustee for title searches and examinations, title insurance policies, Torrens certificates, and similar data and additional indebtedness secured hereby shall become immediately due and payable without notice and with interest thereon at the rate of seven per cent per annum. The Trustee or the holders of the note hereby secured making any payment hereby authorized relating to taxes or assessments, may do so according to any bill, statement or estimate procured from the appropriate public office without inquiry into the accuracy of such bill, statement or estimate or into the validity of any tax, assessment, lien, forfeiture, tax lien or title or claim thereof.

The Court from time to time may authorize the receiver to apply the net income in his hands in payment in whole or in part of: (1) The indebtedness secured hereby, or by any decree foreclosing this trust deed, or any tax, special assessment or other lien which may be or become superior to the lien hereof or of such decree, provided such application is made prior to foreclosure sale; (2) the deficiency in case of a sale and deficiency.

Where a release is requested of a successor trustee, such successor trustee may accept as the note herein described any note which bears an identification number purporting to be placed thereon by a prior trustee hereunder or which conforms in substance with the description herein contained of the principal note and which purports to be executed by the persons herein designated as the makers thereof, and where the release is requested of the original trustee and it has never placed its identification number on the principal note described herein, it may accept as the principal note herein described any note which may be presented and which conforms in substance with the description herein contained of the principal note and which purports to be executed by the persons herein designated as the makers thereof.

14. Trustee may resign by instrument in writing filed in the office of the Recorder or Registrar of Titles in which this instrument shall have been recorded or filed.
