During the subsequent repair and restoration period, Lender will have the right to hold such insurance proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction (which may include satisfying Lender's minimum eligibility requirements for persons repairing the Property, including, but not limited to, licensing, bond, and insurance requirements) provided that such inspection must be undertaken promptly. This Section 10 constitutes an absolute assignment and not an assignment for additional security only.
- (b) Notice of Default. To the extent permitted by Applicable Law, if Lender gives notice of Default to Borrower: (i) all Rents received by Borrower must be held by Borrower as trustee for the benefit of cor der only, to be applied to the sums secured by the Security Instrument; (ii) Lender will be entitled to collect and receive all of the Rents; (iii) Borrower agrees to Instruct each Tenant that Tenant is to pay all Rents due and unpaid to Lender upon Lender's written demand to the Tenant; (iv) Borrower will ensure that each Tenant pays all Rents due to Lender and will take what each action is necessary to collect such Rents If not paid to Lender; (v) unless Applicable Law provides otherwise, all Rents collected by Lender will be applied first to the costs of taking control of and managing the Property and collecting the Picture, including, but not limited to, reasonable attorneys' fees and costs, receiver's fees, premiums on receiver's bonds, repair and maintenance costs, insurance premiums, taxes, assessments, and other charges on the Property, and then to any other sums secured by this Security Instrument; (vi) Lender, or any judicially appointed receiver, will be liable to account for only those Rents actually received; and (vii) Lender will be entitled to have a receiver appointed to take possession of and manage the Property and collect the Rents and profits derived from the Property without any showing as to the inadequacy of the Property as security.
- (c) Funds Paid by Lender. If the Rents are not sufficient to cover the costs of taking control of and managing the Property and of collecting the Rents, any funds paid by Lender for such purposes will become indebtedness of Borrower to Lender secured by this Security Instrument pursuant to Section 9.
- (d) Limitation on Collection of Rents. Borrower may not collect any of the Rents more than one month in advance of the time when the Rents become due, except for security or similar deposits.

LOAN #: 2400349014

- (e) No Other Assignment of Rents. Borrower represents, warrants, covenants, and agrees that Borrower has not signed any prior assignment of the Rents, will not make any further assignment of the Rents, and has not performed, and will not perform, any act that could prevent Lender from exercising its rights under this Security instrument,
- (f) Control and Maintenance of the Property. Unless required by Applicable Law, Lender, or a receiver appointed under Applicable Law, is not obligated to enter upon, take control of, or maintain the Property before or after giving notice of Default to Borrower. However, Lender, or a receiver appointed under Applicable Law, may do so at any time when Borrower is in Default, subject to Applicable Law.
- (g) Additional Provisions. Any application of the Rents will not cure or waive any Default or invalidate any other right or remedy of Lender. This Section 10 does not relieve Borrower of Borrower's obligations under Section 6.

This Section 10 will terminate when all the sums secured by this Security Instrument are paid in full.

- 11. Mortgage Insurance.
- (a) Payment of Premiums; Substitution of Policy; Loss Reserve; Protection of Lender, if Lender required Mortgage Insulance as a condition of making the Loan, Borrower will pay the premiums required to maintain the Mortgage insurance in direct. If Borrower was required to make separately designated payments toward the premiums for Mortgage Insurance and (I) the Mortgage Insurance coverage required by Lendor ceases for any reason to be available from the mortgage insure that previously provided such insurance, or (ii) Lender determines in its sole discretion that such mortgage insurer is rolonger eligible to provide the Mortgage insurance coverage required by Lender, Borrower will pay the premiums required to obtain coverage substantially equivalent to the Mortgage insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the Mortgage insurance previously in effect, from an alternate mortgage insurer selected by Lender.

If substantially equivalent Mortgage haurance coverage is not available, Borrower will continue to pay to Lender the amount of the separately designated paymen's that were due when the insurance coverage ceased to be in effect. Lender will accept, use, and retain these payments as a non-refundable loss reserve in lieu of Mortgage Insurance. Such loss reserve will be non-refundable, even when the Loan is paid in full, and Lender will not be required to pay Borrower any interest or earnings on such loss reserve.

Lender will no longer require loss reserve payments if Mortgage Insurance coverage (in the amount and for the period that Lender requires) provided by an insurer selected by Lender again becomes available, is obtained, and Lender requires separately designated payments toward the premiums for Nortyage insurance.

If Lender required Mortgage Insurance as a condition of making the Loan and Borrower was required to make separately designated payments toward the premiums for Mortgage instruction. Borrower will pay the premiums required to maintain Mortgago Insurance in effect, or to provide a non-refundable loss reserve, until Lender's requirement for Mortgage Insurance ends in accordance with any written agreement between Borr wer and Lender providing for such termination or until termination is required by Applicable Law. Nothing in this Section 11 rates a Borrower's obligation to pay interest at the Note rate.

(b) Mortgage insurance Agreements. Mortgage insurance reimburses Lencer for certain losses Lender may incur if Borrower does not repay the Loan as agreed, Borrower is not a party to the Mortgage insurance policy or coverage.

Mortgage insurers evaluate their total risk on all such insurance in force from time to time, and may enter into agreements with other parties that share or modify their risk, or reduce losses. These agreements may require the mortgage insurer to make payments using any source of funds that the mortgage insurer may have available (which may include funds obtained from Mortgage Insurance premiums).

As a result of these agreements, Lender, another insurer, any reinsurer, any other entity, or any affiliate of any of the foregoing, may receive (directly or indirectly) amounts that derive from (or might be characterized as) a portion of Borrower's payments for Mortgage Insurance, in exchange for sharing or modifying the mortgage in urer's risk, or reducing losses. Any such agreements will not: (I) affect the amounts that Borrower has agreed to pay for Mortgage Insurance, or any other terms of the Loan; (ii) increase the amount Borrower will owe for Mortgage Insurance; (iii) entitle Borrower to any refund; or (iv) affect the rights Borrower has, if any, with respect to the Mortgage Insurance under the Homeowners Protection Act of 1998 (12 U.S.C. § 4901 of seq.), as it may be amended from time to time, or any additional or successor federal legislation or regulation that governs the same subject matter ("HPA"). These rights under the HPA may include the right to receive certain disclosures, to request and obtain cancellation of the Mortgage insurance, to have the Mortgage Insurance terminated automatically, and/or to receive a refund of any Mortgage Insurance premiums that were unearned at the time of such cancellation or termination.

LOAN #: 2400349014

- 12. Assignment and Application of Miscellaneous Proceeds; Forfeiture.
- (a) Assignment of Miscellaneous Proceeds. Borrower is unconditionally assigning the right to receive all Miscellaneous Proceeds to Lender and agrees that such amounts will be paid to Lender.
- (b) Application of Miscellaneous Proceeds upon Damage to Property. If the Property is damaged, any Miscellaneous Proceeds will be applied to restoration or repair of the Property, if Lender deems the restoration or repair to be economically feasible and Lender's security will not be lessened by such restoration or repair. During such repair and restoration period, Lender will have the right to hold such Miscelianeous Proceeds until Lender has had an opportunity to inspect the Property to ensure the work has been completed to Lender's satisfaction (which may include satisfying Lender's minimum eligibility requirements for persons repairing the Property, including, but not limited to, licensing, bond, and insurance requirements) provided that such inspection must be undertaken promptly. Lender may pay for the repairs and restoration in a single disbursement or in a series of progress payments as the work is completed, depending on the size of the repair or restoration, the terms of the mostir agreement, and whether Borrower is in Default on the Loan. Lender may make such disbursements directly to Borrower, to the person repairing or restoring the Property, or payable jointly to both. Unless Lender and Borrower agree in writing or Applicable Law requires interest to be paid on such Miscellaneous Proceeds, Lender will not be required to pay Borrower any interest or earnings on such Miscellaneous Proceeds. If Lender deems the restoration or repair not to be economically feasible of the sum applied in Security would be lessened by such restoration or repair, the Miscellaneous Proceeds will be applied to the sum applied in Section 2(b).
- (c) Application of Misceliar yous Proceeds upon Condemnation, Destruction, or Loss in Value of the Property. In the event of a total taking, destruction, or loss in value of the Property, all of the Miscellaneous Proceeds will be applied to the sums secured by this Security instrument, whether or not then due, with the excess, if any, paid to Borrower.

In the event of a partial taking, destruction, or loss in value of the Property (each, a "Partial Devaluation") where the fair market value of the Property immediately before the Partial Devaluation is equal to or greater than the amount of the sums secured by this Security instrument immediately before the Partial Devaluation, a percentage of the Miscellaneous Proceeds will be applied to the sums secured by this Security instrument unless Borrower and Lender otherwise agree in writing. The amount of the Miscellaneous Proceeds the I will be so applied is determined by multiplying the total amount of the Miscellaneous Proceeds by a percentage calculated I y taking (I) the total amount of the sums secured immediately before the Partial Devaluation, and dividing it by (II) the fair market value of the Property Immediately before the Partial Devaluation. Any balance of the Miscellaneous Proceeds will be paid to Borrower.

In the event of a Partial Devaluation where the fair market value of the Property immediately before the Partial Devaluation is less than the amount of the sums secured immediately before the Partial Devaluation, all of the Miscellaneous Proceeds will be applied to the sums secured by this Security Instrument, whether or not the sums are then due, unless Borrower and Lender otherwise agree in writing.

- (d) Settlement of Claims. Lender is authorized to collect and apply the Miscallaneous Proceeds either to the sums secured by this Security instrument, whether or not then due, or to restoration or repair of the Property, if Borrower (i) abandons the Property, or (ii) falls to respond to Lender within 30 days after the date Lender not less Borrower that the Opposing Party (as defined in the next sentence) offers to settle a claim for damages. "Opposing L'arry" means the third party that owes Borrower the Miscellaneous Proceeds or the party against whom Borrower has a right of action in regard to the Miscellaneous Proceeds.
- (e) Proceeding Affecting Lender's interest in the Property. Borrower will be in Default it any action or proceeding begins, whether civil or criminal, that, in Lender's judgment, could result in forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. Borrower can cure such a Default and, if acceleration has occurred, reinstate as provided in Section 20, by causing the action or proceeding to be dismissed with a ruling that, in Lender's judgment, precludes forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. Borrower is unconditionally assigning to Lender the proceeds of any award or claim for damages that are attributable to the impairment of Lender's interest in the Property, which proceeds will be paid to Lender. All Miscellaneous Proceeds that are not applied to restoration or repair of the Property will be applied in the order that Partial Payments are applied in Section 2(b).
- 13. Borrower Not Released; Forbearance by Lender Not a Walver. Borrower or any Successor in Interest of Borrower will not be released from liability under this Security Instrument if Lender extends the time for payment or modifies the amortization of the sums secured by this Security Instrument. Lender will not be required to commence proceedings

LOAN #: 2400349014

against any Successor in Interest of Borrower, or to refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument, by reason of any demand made by the original Borrower or any Successors in Interest of Borrower. Any forbearance by Lender in exercising any right or remedy including, without limitation, Lender's acceptance of payments from third persons, entities, or Successors in Interest of Borrower or in amounts less than the amount then due, will not be a waiver of, or preclude the exercise of, any right or remedy by Lender.

14. Joint and Several Liability; Signatories; Successors and Assigns Bound. Borrower's obligations and liability under this Security Instrument will be joint and several. However, any Borrower who signs this Security Instrument but does not sign the Note: (a) signs this Security Instrument to mortgage, grant, convey, and warrant such Borrower's Interest in the Property under the terms of this Security Instrument; (b) signs this Security Instrument to waive any applicable incheate rights such as dower and curtesy and any available homestead exemptions; (c) signs this Security Instrument to assign any Miscellaneous Proceeds, Rents, or other earnings from the Property to Lender; (d) is not personally obligated to pay the sums due under the Note or this Security Instrument; and (e) agrees that Lender and any other Borrower can agree to extend, modify forbear, or make any accommodations with regard to the terms of the Note or this Security Instrument without such Borrower's consent and without affecting such Borrower's obligations under this Security Instrument.

Subject to the provisions of Section 19, any Successor in Interest of Borrower who assumes Borrower's obligations under this Security Instrument in writing, and is approved by Lender, will obtain all of Borrower's rights, obligations, and benefits under this Securi v i strument. Borrower will not be released from Borrower's obligations and liability under this Security Instrument unless Lander agrees to such release in writing.

- 15. Loan Charges,
- (a) Tax and Flood Determination Fees. Lender may require Borrower to pay (i) a one-time charge for a real estate tax verification and/or reporting service used by Lender in connection with this Loan, and (ii) either (A) a one-time charge for flood zone determination, certification, and racking services, or (B) a one-time charge for flood zone determination and certification services and subsequent charges each time remappings or similar changes occur that reasonably might affect such determination or certification. Borrows will also be responsible for the payment of any fees imposed by the Federal Emergency Management Agency, or any successor agency, at any time during the Loan term, in connection with any flood zone determinations.
- (b) Default Charges. If permitted under Applicable Li,w, Lander may charge Borrower fees for services performed in connection with Borrower's Default to protect Lender's interest in the Property and rights under this Security Instrument, including: (i) reasonable attorneys' fees and costs; (ii) property inspection, valuation, mediation, and loss mitigation fees; and (ili) other related fees.
- (c) Permissibility of Fees. In regard to any other fees, the absence of express authority in this Security Instrument to charge a specific fee to Borrower should not be construed as a prohibition on the charging of such fee. Lender may not charge fees that are expressly prohibited by this Security Instrument or Ly At pilcable Law.
- (d) Savings Clause. If Applicable Law sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the Loan exceed the permitted limits, then (i) any such loan charge will be reduced by the amount necessary to reduce the charge to the permitted limit, and (ii) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borro ver 1 ender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Forrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge (who her or not a prepayment charge is provided for under the Note). To the extent permitted by Applicable Law, Borrower's acceptance of any such refund made by direct payment to Borrower will constitute a waiver of any right of action Borrower might have arising out of such overcharge.
- 16. Notices; Borrower's Physical Address. All notices given by Borrower or Lender in connection with this Security Instrument must be in writing
- (a) Notices to Borrower. Unless Applicable Law requires a different method, any written notice to Borrower in connection with this Security Instrument will be deemed to have been given to Borrower when (I) mailed by first class mall, or (ii) actually delivered to Borrower's Notice Address (as defined in Section 16(c) below) if sent by means other than first class mail or Electronic Communication (as defined in Section 16(b) below). Notice to any one Borrower will constitute notice to all Borrowers unless Applicable Law expressly requires otherwise. If any notice to Borrower required by this Security Instrument is also required under Applicable Law, the Applicable Law requirement will satisfy the corresponding requirement under this Security Instrument.

LOAN #: 2400349014

- (b) Electronic Notice to Borrower. Unless another delivery method is required by Applicable Law, Lender may provide notice to Borrower by e-mall or other electronic communication ("Electronic Communication") If: (I) agreed to by Lender and Borrower in writing; (ii) Borrower has provided Lender with Borrower's e-mail or other electronic address ("Electronic Address"); (iii) Lender provides Borrower with the option to receive notices by first class mail or by other non-Electronic Communication instead of by Electronic Communication; and (Iv) Lender otherwise complies with Applicable Law. Any notice to Borrower sent by Electronic Communication in connection with this Security Instrument will be deemed to have been given to Borrower when sent unless Lender becomes aware that such notice is not delivered. If Lender becomes aware that any notice sent by Electronic Communication is not delivered, Lender will resend such communication to Borrower by first class mail or by other non-Electronic Communication. Borrower may withdraw the agreement to receive Electronic Communications from Lender at any time by providing written notice to Lender of Borrower's withdrawal of such agreement.
- (c) Borrower's Notice Address. The address to which Lender will send Borrower notice ("Notice Address") will be the Property Address unless Borrower has designated a different address by written notice to Lender. If Lender and Borrower have agreed that notice may be given by Electronic Communication, then Borrower may designate an Electronic Address as Notice Address. Borrower will promptly notify Lender of Borrower's change of Notice Address, including any changes to Borrower's Electronic Address if designated as Notice Address. If Lender specifies a procedure for reporting Borrower's change of thothe Address, then Borrower will report a change of Notice Address only through that specified
- (d) Notices to Lender. Any notice to Lender will be given by delivering it or by mailing it by first class mail to Lender's address stated in this Security Instrument unless Lender has designated another address (including an Electronic Address) by notice to Borrower. Any notice in connection with this Security Instrument will be deemed to have been given to Lender only when actually received by Lender of Lender's designated address (which may include an Electronic Address). If any notice to Lender required by this Security in strument is also required under Applicable Law, the Applicable Law requirement will satisfy the corresponding requirement under this Security Instrument.
- (e) Borrower's Physical Address. In addition to the designated Notice Address, Borrower will provide Lender with the address where Borrower physically resides, if different from the Property Address, and notify Lender whenever this address changes.
- 17. Governing Law; Severability; Rules of Construction. This Security Instrument is governed by federal law and the law of the State of Illinois. All rights and obligations comal red in this Security Instrument are subject to any requirements and limitations of Applicable Law. If any provision of this Socurity instrument or the Note conflicts with Applicable Law (I) such conflict will not affect other provisions of this Security insurement or the Note that can be given effect without the conflicting provision, and (II) such conflicting provision, to the extent possible, will be considered modified to comply with Applicable Law. Applicable Law might explicitly or implicitly allow the parties to agree by contract or it might be slient, but such silence should not be construed as a prohibition against agreement by contract. Any action required under this Security Instrument to be made in accordance with Applicable Law is to be made in accordance with the Applicable Law in effect at the time the action is undertaken.

As used in this Security instrument: (a) words in the singular will mean and include the plural and vice versa; (b) the word "may" gives sole discretion without any obligation to take any action; (c) any referer ce to "Section" in this document refers to Sections contained in this Security instrument unless otherwise noted; and (d) the headings and captions are inserted for convenience of reference and do not define, limit, or describe the scope or Intent of this Security Instrument or any particular Section, paragraph, or provision.

- 18. Borrower's Copy. One Borrower will be given one copy of the Note and of this Security Instrument.
- 19. Transfer of the Property or a Beneficial Interest in Borrower. For purposes of this Section 15 on v. If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, Lender will not exercise this option if such exercise is prohibited by Applicable Law.

If Lender exercises this option, Lender will give Borrower notice of acceleration. The notice will provide a period of not less than 30 days from the date the notice is given in accordance with Section 16 within which Borrower must pay all sums

LOAN #: 2400349014

secured by this Security Instrument. If Borrower falls to pay these sums prior to, or upon, the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower and will be entitled to collect all expenses incurred in pursuing such remedies, including, but not limited to: (a) reasonable attorneys' fees and costs; (b) property inspection and valuation fees; and (c) other fees incurred to protect Lender's Interest in the Property and/or rights under this Security Instrument.

20. Borrower's Right to Reinstate the Loan after Acceleration. If Borrower meets certain conditions, Borrower will have the right to reinstate the Loan and have enforcement of this Security instrument discontinued at any time up to the later of (a) five days before any foreclosure sale of the Property, or (b) such other period as Applicable Law might specify for the termination of Borrower's right to reinstate. Lender may require that 3or, ower pay such reinstatement sums and expenses in one or more of the following forms, as selected by Lender: (aaa) cash; (bbb) money order; (ccc) certified check, bank check, treasurer's check, or cashler's check, provided any such check is drawn upon an institution whose deposits are insured by a U.S. federal agency, instrumentality, or entity; or (ddd) Electronic Fund Transfer. Upon Borrower's reinstatement of the Loan, this Security Instrument and obligations secured by this Security incrument will remain fully effective as it no acceleration had occurred.

- 21. Sale of Note. The Note or a partial interest in the Note, together with this Security Instrument, may be sold or otherwise transferred one or more times. Upon such a sale or other transfer, all of Lender's rights and obligations under this Security Instrument will convey to Lender's successors and assigns.
- 22. Loan Servicer. Lender may take any action primitted under this Security Instrument through the Loan Servicer or another authorized representative, such as a sub-service. 23. Notice of Grievance. Until Borrower or Lender has notified the other party (in accordance with Section 16) of an alleged breach and afforded the other party a reasonable period after the giving of such notic a to take corrective action, neither Borrower nor Lender may commence, join, or be joined to any judicial action (either as an individual litigant or a member of a class) that (a) arises from the other party's actions pursuant to this Security Instrument or the Note, cr (b) alleges that the other party has breached any provision of this Security instrument or the Note. If Applicable Law provides a disception of that must elapse before certain action can be taken, that time period will be deemed to be reasonable for purposes of this Section 23. The notice of Default given to Borrower pursuant to Section 26(a) and the notice of acceleration given to Borrower pursuant to Section 19 will be deemed to satisfy the notice and opportunity to take corrective action provisions of this Section 23.

## 24. Hazardous Substances.

As used in this Section 24: (i) "Environmental Law" means any Applicable Laws where the Property is located that relate to health, safety, or environmental protection; (II) "Hazardous Substances" include (A) those substances defined as toxic or hazardous substances, pollutants, or wastes by Environmental Law, and (B) the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, corrosive materials or agents, and radioactive materials; (iii) "Environmental Cleanup" includes any response action, remedial action, or removal action, as defined in Environmental Law; and (Iv) an "Environmental Condition" means a condition that can cause, contribute to, or otherwise trigger an Environmental Cleanup.

Borrower will not do, nor allow anyone else to do, anything affecting the Property that: (I) violates Environmental Law; (ii) creates an Environmental Condition; or (iii) due to the presence, use, or release of a Hazardous Substance, creates a condition that adversely affects or could adversely affect the value of the Property. The preceding two sentences will not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property (Including, but not limited to hazardous substances in consumer products).
- (c) Notices; Remedial Actions. Borrower will promptly give Lender written notice of: (i) any investigation, claim, demand, lawsuit, or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge; (ii) any Environmental Condition, Including but not limited to, any spilling, leaking, discharge, release, or threat of release of any Hazardous Substance; and (iii) any condition clused by the presence, use, or release of a Hazardous Substance that adversely affects the value of the Property. If the Note evidencing the debt for this Loan is electronic, Borrower acknowle iges and represents to Lender that Borrower: (a) expressly consented and intended to sign the electronic Note using an Electronic Signature adopted by Borrower ("Borrower's Electronic Signature") instead of signing a paper Note with Borrower's written pen and ink signature; (b) did not withdraw Borrower's express consent to sign the electronic Note using Borrower's Electronic Signature; (c) understood that by signing the electronic Note using Borrower's Electronic Signature, Borrower promised to pay the debt evidenced by the electronic Note in accordance with its terms; and (d) signed the electronic Note with Borrower's Electronic Signature with the intent and understanding that by doing so, Borrower promised to pay the debt evider and by the electronic Note in accordance with its terms.

NON-UNIFORM COVENANTS. Borrower and Lender fur ner covenant and agree as follows:

#### 26. Acceleration; Remedies.

- (a) Notice of Default. Lender will give a notice of Default to Sorrower prior to acceleration following Borrower's Default, except that such notice of Default will not be sent when Lendar avarcises its right under Section 19 unless Applicable Law provides otherwise. The notice will specify, in addition to any other information required by Applicable Law: (i) the Default; (ii) the action required to cure the Default; (iii) a date, not less than 30 days (or as otherwise specified by Applicable Law) from the date the notice is given to Borrower, by which the Detault must be cured; (iv) that failure to cure the Default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument, foreclosure by judicial proceeding and sale of the Property; (v) Borrower's right to reinstate after acceleration; and (vi) Borrower's right to deny in the foreclosure proceeding the existence of a Default or to assert any other defense of Borrower to acceleration and foreclosure.
- (b) Acceleration; Foreclosure; Expenses. If the Default is not cured on or before the da'e specified in the notice, Lender may require immediate payment in full of all sums secured by this Security instrument without further demand and may foreclose this Security Instrument by judicial proceeding. Lender will be entitled to collect all expenses incurred in pursuing the remedies provided in this Section 26, including, but not limited to: (I) reasonable attorney if tees and costs; (ii) property inspection and valuation fees; and (iii) other fees incurred to protect Lender's interest in the P operty and/or rights under this Security Instrument.

Lender may charge Borrower a fee for releasing this Security Instrument, but only if the fee is paid to a third party for services rendered and the charging of the fee is permitted under Applicable Law.
- 28. Placement of Collateral Protection Insurance. Unless Borrower provides Lender with evidence of the insurance coverage required by Borrower's agreement with Lender, Lender may purchase insurance at Borrower's expense to protect Lender's interests in Borrower's collateral. This insurance may, but need not, protect Borrower's interests. The

coverage that Lender purchases may not pay any claim that Borrower makes or any claim that is made against Borrower in connection with the collateral. Borrower may later cancel any insurance purchased by Lender, but only after providing Lender with evidence that Borrower has obtained insurance as required by Borrower's and Lender's agreement. If Lender purchases insurance for the collateral, Borrower will be responsible for the costs of that insurance, including interest and any other charges Lender may impose in connection with the placement of the insurance, until the effective date of the cancellation or expiration of the insurance. The costs of the insurance may be added to Borrower's total outstanding balance or obligation. # 4. ADJUSTABLE INTEREST RATE AND MONTHLY PAYMENT CHANGES (A) Change Dates

The initial fixed interest rate I will pay will change to an adjustable interest rate on the 1st day of April, 2031, and the adjustable interest rate I will pay may change on the 1st day of the month every 6th month thereafter. The date on which ray initial fixed interest rate changes to an adjustable interest rate, and each date on which my adjustable interest rate could change is called a "Change Date."

(B) The bidex

Beginning with the first Change Date, my adjustable interest rate will be based on an Index that is calculated and provided to the general public by an administrator (the "Administrator"). The "Index" is a benchmark, known as the 30-day Average SOFR index. The Index is currently published by the Federal Reserve Bank of New York. The most recent Index value a 'allable as of the date 45 days before each Change Date is called the "Current Index," provided that if the Current Index is less than zero, then the Current Index will be deemed to be zero for purposes of calculating my Interest rate.

If the Index is no longer available, it will be replaced in accordance with Section 4(G) below.

## (C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding TWO AND THREE-FOURTHS percentage points (2.750 %) (the "Margin") to the Current Index. The Margin row change if the Index is replaced by the Note Holder in accordance with Section 4(4)(2) below. The Note Holder will then round the result of the Margin plus the Current Index to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the Monthly Payment that would be sufficient to repay the unpaid Principal that I am expected to owe at the Change Date on the Maturity Date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my Monthly Payment

### (D) Limits on Interest Rate Changes

The interest rate I am required to pay at the first Change Date will not be greater than 11.250 % or less than 2.750 %. Thereafter, my adjustable interest rate will never be increased or decreased on any single Change Date by more than percentage points (1.000 %) from the

months, and will never be

## (E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new Monthly Payment beginning on the first Monthly Payment date after the Change Date until the amount of my Monthly Payment changes again.

## (F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my initial fixed interest rate to an adjustable interest rate and of any changes in my adjustable interest rate before the effective date of any change. The notice will include the amount of my Monthly Payment, any information required by law to be given to me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

### (G) Replacement Index and Replacement Margin

The Index is deemed to be no kinger available and will be replaced if any of the following events (each, a "Replacement E rent") occur: (i) the Administrator has permanently or indefinitely stopped providing the Index to the general public; or (ii) the Administrator or its regulator issues an official public statement that the Index is no longer reliable or representative.

If a Replacement Event occurs, the Note Holder will select a new index (the "Replacement Index") and may also select a new margin (the "Replacement Margin"), as follows:

- (1) If a replacement index has been selected or recommended for use in consumer products, including residential adjustable-rate mortgages, by the Board of Governors of the Federal Reserve System, the Federal Reserve Bank of New York, or a committee endorsed or convened by the Board of Governors of the Federal Reserve System or the Federal Reserve Bank of New York at the time of a Replacement Event, the Note Holder will select that index as the Replacement Index.
- (2) If a replacement index has not been selected or recommended for use in consumer products under Section (G)(1) at the time of a Replacement Event, the Note Holder will make a reasonable, good faith effort to select a Replacement Index and a Replacement Margin that, when added together, the Note Holder reasonably expects will minimize any change in the cost of

the loan, taking into account the historical performance of the Index and the Replacement Index.

The Replacement Index and Replacement Margin, if any, will be operative inimodiately upon a Replacement Event and will be used to determine my interest rate and Monthly Payments on Change Dates that are more than 45 days after a Replacement Event. The index and Margin could be replaced more than once during the form of my Note, but only if another Replacement Event occurs. After a Replacement Event, all references to the "Index" and "Margin" will be deemed to be references to the "Replacement Index" and "Replacement Margin."

The Note Holder will also give me notice of my Replacement Index and Replacement Margin, if any and such other information required by applicable law and regulation.

1. Until Borrower's initial fixed interest rate changes to an adjustable interest rate under the terms stated in Section A arrove, Section 19 of the Security instrument will read as follows:

Transfer of the Property or a Beneficial Interest in Borrower. For purposes of this Section 19 only, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower to a purchaser at a future date.

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, Lender will not exercise this option if such exercise is prohibited by Applicable Law.

If Lender exercises this option, Lender will give Borrower notice of acceleration. The notice will provide a period of not less than 30 days from the date the notice is given in accordance with Section 16 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to, or upon, the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on

Borrower and will be entitled to collect all expenses incurred in pursuing such remedies, including, but not limited to: (a) reasonable attorneys' fees and costs; (b) property inspection and valuation fees; and (c) other fees incurred to protect Lender's Interest in the Property and/or rights under this Security Instrument.

However, Lender will not exercise this option? Such exercise is prohibited by Applicable Law. Lender also will not exercise this option if (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee, and (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenan congregation in this Security Instrument is acceptable to Lender.

To the extent permitted by Applicable Law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender may also require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender releases Borrower in writing.

If Lender exercises this option to require immediate payment in full, Lender will give Borrower notice of acceleration. The notice will provide a period of not
