6. Mortgagors shall pay each item of indebtedness herein mentioned, both principal and interest, when due according to the terms hereof. At the option of the holders of the note, and without notice to Mortgagors, all unpaid indebtedness secured by this Trust Deed shall, notwithstanding anything in the note or in this Trust Deed to the contrary, become due and payable (a) immediately in the case of default in making payments of any installment of principal or interest on the note, or (b) when default shall occur and continue for three days in the performance of any other agreement of the Mortgagors herein contained.

9. Upon, or at any time after the filing of a bill to foreclose this trust deed, the court in which such bill is filed may appoint a receiver of said premises. Such appointment may be made either before or after sale, without notice, without regard to the solvency or insolvency of Mortgagors at the time of application for such receiver and without regard to the then value of the premises or whether the same shall be then occupied as a homestead or not, and the Trustee hereunder may be appointed as such receiver. Such receiver shall have power to collect the rents, issues and profits of said premises during the pendency of such foreclosure suit and, in case of a sale and a deficiency, during the full statutory period of redemption, whether there be redemption or not, as well as during any further times when Mortgagors, except for the intervention of such receiver, would be entitled to collect such rents, issues and profits, and all other powers which may be necessary or are usual in such cases for the protection, possession, control, management and operation of the premises during the whole of said periods. The Court from time to time may authorize the receiver to apply the net income in his hands in payment, in whole or in part of: (1) the indebtedness secured hereby, or by any decree foreclosing this trust deed, or any tax, special assessment or other lien which may be or become superior to the lien hereof or of such decree, providing such application is made prior to foreclosure sale; (2) the deficiency in case of a sale and deficiency.

12. Trustee has no duty to examine the title, location, existence, or condition of the premises, nor shall Trustee be obligated to record this trust deed or to exercise any power herein given unless expressly obligated by the terms hereof, nor be liable for any acts or omissions hereunder, except in case of its own gross negligence or misconduct or that of the agents or employees of Trustee, and it may require indemnities satisfactory to it before exercising any power herein given.
13. Trustee shall release this trust deed and the lien thereof by proper instrument upon presentation of satisfactory evidence that all indebtedness secured by this trust deed has been fully paid, including Trustee's release fee in accordance with his rate schedule then in effect, and Trustee may execute and deliver a release hereof to and at the request of any person who shall, either before or after maturity thereof, produce and exhibit to Trustee the note, representing that all indebtedness hereby secured has been paid, which representation Trustee may accept as true without inquiry. Where a release is requested of a successor trustee, such successor trustee may accept as the genuine note herein described any note which bears a certificate of identification purporting to be executed by a prior trustee hereunder or which conforms in substance with the description herein contained of the note and which purports to be executed by the persons herein designated as the makers thereof; and where the release is required of the original trustees and it has never executed a certificate on any instrument identifying same as the note described herein, it may accept as the genuine note herein described any note which may be presented and which conforms in substance with the description herein contained of the note and which purports to be executed by the persons herein designated as makers thereof.
14. Trustees may resign by instrument in writing filed in the office of the Recorder or Registrar of Titles in which this instrument shall have been recorded or filed. In case of the resignation, inability or refusal to act of Trustee, the then Recorder of Deeds of the county in which the premises are situated shall be Successor in Trust. Any Successor in Trust hereunder shall have the identical title, powers and authority as are herein given Trustee, and any Trustee or successor shall be entitled to reasonable compensation for all acts performed hereunder.
15. This Trust Deed and all provisions hereof, shall extend to and be binding upon Mortgagors and all persons claiming under or through Mortgagors, and the word "Mortgagors" when used herein shall include all such persons and all persons liable for the payment of the indebtedness or any part thereof, whether or not such persons shall have executed the note or this Trust Deed. This Trust Deed shall further stand as security for any other obligation, now existing or hereafter created, of the Mortgagors or any of them, to the holder hereof.
16. LAKE VIEW TRUST AND SAVINGS BANK personally may buy, sell, own and hold said note or any interest therein, before or after maturity and whether or not in default; and said Bank as holder of said note or any interest therein and every subsequent holder shall be entitled to all the same security and to all the same rights and remedies as are in this indenture given to the holders of said note, with like effect as if said Bank were not the Trustee under this indenture; and no merger of the interest of said Bank as holder of said note and as Trustee hereunder shall be deemed to occur at any time. Any actions or remedies provided in this indenture to be taken by the Trustee or the holders of said note may be taken or had jointly by the Trustees and any holder of said note.
17. Mortgagor agrees that in order more fully to protect the security of this Trust Deed, Mortgagor will deposit with the holder of the note, with each scheduled principal and interest payment, one-twelfth (1/12) of the amount (as estimated by the holder of the note) which will be sufficient to pay taxes, special assessments, and other charges on the real estate that will accrue as a lien from year to year on a calendar basis (January to January), not on a "when issued and payable" basis. The holder of the note shall hold such monthly deposits in trust, without any allowance of interest, and shall use such fund for the payment of such items when the same are due and payable. If, at any time, the fund so held by the holder of the note is insufficient to pay any such item when the same shall become due, the holder of the note shall advise Mortgagor of the deficiency and Mortgagor shall, within ten (10) days after receipt of such notice, deposit with the holder of the note such additional funds as may be necessary to pay such items. Failure to make any deposit when due shall be a breach of this Trust Deed. If at any time there be default in any of the provisions of this Trust Deed, the holder of the note may at its option apply any money in the fund on any of the mortgage obligations and in such order and manner as it may elect. On full payment of the mortgage debt any unused portion of the fund shall be paid over to the owner. On prepayment of the debt, any amount in the fund shall be credited on the indebtedness. Transfer of the legal title to the mortgaged real estate shall automatically transfer to the new owner the beneficial interest in the fund.
