The Subordinated Note, Subordinated Mortgage, Subordinated Regulatory Agreement, Subordinated Assignment of Rents and all other documents evidencing, securing and governing the Subordinated Note have been amended by that certain First Amendment to Housing Loan Agreement and Related Financing Documents ("First Amendment") dated _____, 2024 by and between Subordinated Lender and Borrower. The Subordinated Note, Subordinated Mortgage, Subordinated Regulatory Agreement, Subordinated Assignment of Rents, the First Amendment and all other documents evidencing, securing and governing the Subordinated Note are hereinafter collectively referred to as the "Subordinated Loan Documents."

WHEREAS, All obligations of the Borrower to the Senior Lender now existing or hereafter arising, due or to become due, under the Senior Note and the Senior Loan Documents are referred to in this Agreement as the "Senior Liabilities," all obligations of the Borrower to the Subordinated Lender now existing or hereafter arising, due or to become due, under the Subordinated Note and the Subordinated Loan Documents are referred to in this Agreement as the "Subordinated Liabilities."

WHEREAS, The Senior Lender has agreed to make the loan evidenced by the Senior Note on the condition that Subordinated Lender enters into this Agreement.

NOW, THEREFORE, in consideration of the foregoing Recitals and as an inducement to the Senior Lender to make the loan evidenced by the Senior Note, and for other good and valuable consideration, the receipt and sufficiency of which are acknowledged, the parties hereto represent, warrant and agree as follows:

1. **Subordinated Loan Documents.** The Subordinated Loan Documents are described in the Recitals above.

2. **Subordination of Liens.** The Subordinated Lender agrees that the Subordinated Liabilities are and shall be subordinate to the Senior Liabilities and that the liens and security interests created by the Subordinated Loan Documents are and shall be subordinate to the liens and security interests created by the Senior Loan Documents and to any and all amendments,

modifications, extensions, replacements or renewals of the Senior Loan Documents, and to any and all advances heretofore made or hereafter to be made under the Senior Loan Documents pursuant to their terms.

3. Subordination of Payment. Until such time as the date on which the Senior Liabilities have been paid in full, the payment of the Subordinated Liabilities shall be postponed and subordinated to the payment of all of the Senior Liabilities, and the Subordinated Lender shall accept no payments or other distributions whatsoever (including without limitation distributions of casualty insurance or condemnation proceeds) on account of the Subordinated Liabilities, nor shall any property or assets of the Borrower be applied to the purchase or acquisition or retirement of any Subordinated Liabilities. Notwithstanding the foregoing, so long as no notice of default has been given under any document evidencing or securing the Senior Liabilities (except any such notice of default which has subsequently been waived in writing by the party giving such notice), then Subordinated Lender shall retain and Borrower may make regularly scheduled payments to Subordinated Lender (but not prepayments) as provided in the Subordinated Loan Documents; however, no such payment to Subordinated Lender shall be permitted so long as the Subordinated Lender is then in default in the performance of any of its obligations under this Agreement. The Subordinate Note shall be co-terminus with the Senior Note, and in no event shall the Subordinated Note mature prior to that of Senior Note. Any payment due to Subordinated Lender in connection with the maturity of the Subordinated Note shall not be paid to Subordinated Lender prior to the Maturity Date of the Senior Note.

4. Constructive Trust. If the Subordinated Lender receives any payment or other distribution of any kind or character from the Borrower or from any other source whatsoever in respect to any of the Subordinated Liabilities, other than as expressly permitted by the terms of this Agreement, such payment or other distribution shall be received and shall be held by the Subordinated Lender in trust for the Senior Lender and promptly turned over by the Subordinated Lender to the Senior Lender. The Subordinated Lender shall execute such further documents or instruments and take such further action as Senior Lender may reasonably require from time to time to carry out the intent of this Agreement.

5. Waiver by Subordinated Lender. The Subordinated Lender waives (a) notice of the existence, creation or nonpayment of all or any of the Senior Liabilities; and (b) all diligence in collection, protection of or realization upon the Senior Liabilities or any security therefor.

6. Covenants of Subordinated Lender. The Subordinated Lender shall not, without the prior written consent of the Senior Lender, (a) modify, amend or consent to any modification or amendment of any document evidencing or securing the Subordinated Liabilities; (b) commence, or join with any other creditor in commencing, any bankruptcy, reorganization or insolvency proceedings with respect to the Borrower; (c) seek to appoint a receiver for (i) the Development or any part of it, or (ii) the Borrower, or seek to obtain possession of the Development, or seek any accounting from the Senior Lender in connection with the proceeds of the Development; or (d) take any action affecting any lease of the Property in which the Senior Lender claims a security interest (including without limitation any action to subordinate any such

lease to the Subordinated Loan Documents, or any of them).

7. **Bankruptcy of Borrower.** In the event of any dissolution, winding-up, liquidation, readjustment, reorganization or other similar proceedings relating to the Borrower, the Borrower's creditors, or to the Borrower's property (whether voluntary or involuntary, partial or complete, and whether in bankruptcy, insolvency or receivership, or upon an assignment to benefit creditors, or any other marshalling of the assets and liabilities of the Borrower, or any sale of all or substantially all of the assets of the Borrower, or otherwise), the Senior Liabilities shall first be paid in full before Subordinated Lender shall be entitled to receive and to retain any payment or distribution with respect to the Subordinated Liabilities.

8. **Notices of Default.** The Subordinated Lender agrees to give the Senior Lender, contemporaneously with the giving of them to the Borrower, copies of any notices given to the Borrower regarding any default under the Subordinated Loan Documents or which notice would, following the passage of time and failure to cure, result in the occurrence of a "default" or "event of default" under the Subordinated Loan Documents. The Subordinated Lender agrees that the indebtedness evidenced, secured and guaranteed by the Subordinated Loan Documents shall not be accelerated, nor shall any remedies be pursued thereunder unless (a) in the case of default in the payment of a sum of money due under the Subordinated Loan Documents and after expiration of all applicable grace periods, the Senior Lender shall have been given written notice of such failure and the Senior Lender shall have failed to pay or cause to be paid such sum of money within thirty (30) days following such written notice; or (b) in the case of any other default under the Subordinated Loan Documents, the Senior Lender shall fail to cure or cause to be cured such default within the period which is thirty (30) days beyond the longest of the applicable cure period provided to the Borrower to cure such default. The Senior Lender agrees to give to the Subordinated Lender, contemporaneously with the giving of them to the Borrower, copies of any notices given to the Borrower regarding any default under the Senior Loan Documents or which notice would, following the passage of time and failure to cure, result in the occurrence of a "default" or "event of default" under the Senior Loan Documents. The Senior Lender agrees that the indebtedness evidenced, secured and guaranteed by the Senior Loan Documents shall not be accelerated, nor shall any remedies be pursued there under unless (a) in the case of default in the payment of a sum of money due under the Senior Loan Documents and after expiration of all applicable grace periods, the Subordinated Lender shall have been given written notice of such failure and the Subordinated Lender shall have failed to pay or cause to be paid such sum of money within thirty (30) days following such written notice; or (b) in the case of any other default under the Senior Loan Documents, the Subordinated Lender shall fail to cure or cause to be cured such default within the period which is thirty (30) days beyond the longest of the applicable cure period provided to Borrower to cure such default.

9. **Insurance Proceeds and Condemnation Awards.** The Subordinated Lender agrees that in the event of a casualty to the Development, or a condemnation or taking under a power of eminent domain of the Development, or a threat of such a condemnation or taking, all adjustments of insurance claims, condemnation claims and settlements in anticipation of such a condemnation or taking shall be prosecuted, at the Senior Lender's election, by the Senior Lender

and all payment and settlements of insurance claims or condemnation awards or payments in anticipation of condemnation or a taking shall be paid to the Senior Lender. The Subordinated Lender irrevocably assigns to the Senior Lender all of its interests in any such claims, settlements or awards (the "Award") and irrevocably grants to the Senior Lender a power of attorney, coupled with an interest, to execute any and all documents on the Subordinated Lender's behalf necessary in connection with the prosecution or settlement of the Award. If the amount of the Award is in excess of all amounts due under the Senior Liabilities, the Senior Lender agrees that such excess Award shall be paid to or held for the benefit of the Subordinated Lender.

10. Consent to Easements and Plats of Subdivision. If the Borrower requests that the Senior Lender and all other mortgagees or trustees under trust deeds of record execute any easements or plats of subdivision or similar documents in connection with the construction, development, operation or maintenance of the Development, and if Senior Lender executes them, the Subordinated Lender agrees to execute such documents and instruments as its interests appear.

11. Acquisition of Fee Title by Senior Lender. The Subordinated Lender agrees that an acquisition of fee title to the Property by Senior Lender, its nominee, or any other person or entity through a foreclosure of the Senior Mortgage (where such foreclosure does not extinguish the security interests created by the Subordinated Loan Documents) or through a deed in lieu of foreclosure is not a "sale or disposition" and will not constitute an event of default under the Subordinated Loan Documents.

12. Subrogation. Until such time as the Senior Liabilities have been paid in full, the Subordinated Lender waives and releases any and all rights of subrogation which it has against the Development and which subrogation would result in the Subordinated Lender obtaining a priority equal or superior to the priority of the Senior Loan Documents for any funds which Subordinated Lender may advance either to cure defaults under security instruments or pay liens encumbering the Development or otherwise protect the lien of the Subordinated Loan Documents or any of them.

13. Permitted Actions by Senior Lender. The Senior Lender may, from time to time, in its sole discretion and without notice to the Subordinated Lender, take any or all of the following actions: (a) retain or obtain a security interest in any property to secure any of the Senior Liabilities; (b) retain or obtain the primary or secondary obligation of any other obligor or obligors with respect to any of the Senior Liabilities; and (c) release its security interest in, or surrender, release or permit any substitution or exchange for all or any part of the property securing any of the Senior Liabilities, or extend or renew for one or more periods of time (whether or not longer than the original period) or release, compromise, alter or modify any obligation of any nature of any obligor with respect to any such property.

14. Assignment. The Senior Lender may, from time to time, without notice to the Subordinated Lender, assign or transfer any or all of the Senior Liabilities or any interest in them; and notwithstanding any such assignment or transfer or any subsequent assignment or transfer thereof, such Senior Liabilities shall be and remain Senior Liabilities for the purpose of this

Agreement, and every immediate and successive assignee or transferee of any of the Senior Liabilities or of any interest in them shall, to the extent of the interest of such assignee or transferee in the Senior Liabilities, be entitled to the benefits of this Agreement to the same extent as if such assignee or transferee were the Senior Lender; however, unless the Senior Lender otherwise consents in writing, the Senior Lender shall have the unimpaired right prior and superior to that of any such assignee or transferee, to enforce this Agreement for the benefit of the Senior Lender as to those of the Senior Liabilities which the Senior Lender has not assigned or transferred.

15. Successors and Assigns. This Agreement shall be binding upon the Subordinated Lender and its respective successors and assigns, whether immediate or remote.

16. Amendment of Agreement. This Agreement shall not be altered or amended without the prior written approval of all of the parties hereto.

17. No Waiver by Senior Lender. The Senior Lender shall not be prejudiced in its rights under this Agreement by any act or failure to act by the Borrower or the Subordinated Lender, or any non-compliance of the Borrower or the Subordinated Lender with any agreement or obligation, regardless of any knowledge of such agreement or obligation the Senior Lender may have or with which the Senior Lender may be charged; and no action of the Senior Lender permitted under this Agreement shall in any way affect or impair the rights of the Senior Lender and the obligations of the Subordinated Lender under this Agreement. No delay on the part of the Senior Lender in the exercise of any rights or remedies shall operate as a waiver of such rights, and no single or partial exercise by Senior Lender of any right or remedy shall preclude other or further exercise of such right or remedy or the exercise of any other right or remedy; nor shall any modification or waiver of any of the provisions of this Agreement be binding upon the Senior Lender except as expressly set forth in a writing duly signed and delivered on behalf of the Senior Lender.

18. Effect on Due on Sale Provisions. The Subordinated Lender waives any due on sale or due on refinancing provisions of the Subordinated Loan Documents as they relate to the Senior Liabilities.

19. Notices. Any notice, demand, request or other communication that any party may desire or may be required to give to any other party under this Agreement shall be given in writing, at the addresses set forth below, by any of the following means: (a) personal service; (b) overnight courier; or (c) registered or certified United States mail, postage prepaid, return receipt requested.
