Such receiver shall have power to collect the rents, issues and profits of said premises during the pendency of such foreclosure suit and, in case of a sale and deficiency, during the full statutory period of redemption, whether there be redemption or not, as well as during any further times when Mortgages, except for the intervention of such receiver, would be entitled to collect such rents, issues and profits, and all other powers which may be necessary or are usual in such cases for the protection, possession, control, management and operation of the premises during the whole of said period. The Court from time to time may authorize the receiver to apply the net income in his hands in payment in whole or in part of: (1) The indebtedness secured hereby, or by any decree foreclosing this Trust Deed, or any tax, special assessment or other lien which may be or become superior to the lien hereof or of such decree, provided such application is made prior to foreclosure sale; (2) the deficiency in case of a sale and deficiency.

11. No action for the enforcement of the terms of any provision hereof shall be subject to any defense which would not be good and available to the party interposing same in an action at law upon the note hereby secured.

12. Trustee or the Holders of the Note shall have the right to inspect the premises at all reasonable times and access thereto shall be permitted for that purpose.

13. Trustee has no duty to examine the title, title insurance, or condition of the premises, nor shall Trustee be obligated to record this Trust Deed or to exercise any power herein given unless expressly obligated by the terms hereof, nor shall Trustee be liable for any acts or omissions hereunder, except in case of its own gross negligence or misconduct or that of the agents or employees of Trustee, and it may require indemnification as aforesaid to it before exercising any power herein given.

14. Trustee shall release this Trust Deed and the lien hereof by proper instrument upon presentation of satisfactory evidence that all indebtedness secured by this Trust Deed has been fully paid, and Trustee may execute and deliver a release hereof to and at the request of any person who shall, either before or after maturity thereof, produce and exhibit to Trustee the Note, representing that all indebtedness hereby secured has been paid, and his representation Trustee may accept as true without inquiry. Where a release is requested of a successor trustee, such successor trustee may accept as the genuine Note herein described any note which bears a certificate of identification purporting to be executed by a prior trustee hereunder or which conforms in substance with the description herein contained of the Note and which purports to be executed by the persons herein designated as the makers thereof; and where the release is requested of the original trustee and it has been executed a certificate on any instrument identifying same as the Note described herein, it may accept as the genuine Note herein described any note which may be presented and which conforms in substance with the description herein contained of the Note and which purports to be executed by the persons herein designated as makers thereof.

17. Without the prior written consent of the Holders of the Note, the Mortgagee shall not convey or encumber title to the Premises. The Holders of the Note may elect to accelerate as provided in the Note or breach of this covenant, and no delay in such election after actual or constructive notice of such breach shall be construed as a waiver of or acquiescence in any such conveyance or encumbrance.

18. Before releasing this trust deed, Trustee or successor shall receive for its services a fee as determined by its rate schedule in effect when the release deed is issued. Trustee or successor shall be entitled to reasonable compensation for any other act or service performed under any provision of this trust deed.
