All moneys paid for any of the purposes herein authorized and all expenses paid or incurred in connection therewith, including attorneys' fees, and any other moneys advanced by Trustee or the holders of the note to protect the mortgaged premises and the lien hereof, plus reasonable compensation to Trustee for each matter concerning which action herein authorized may be taken, shall be so much additional indebtedness secured hereby and shall become immediately due and payable without notice and with interest thereon at a rate equivalent to the post maturity rate set forth in the note securing this trust deed, if any, otherwise the prematurity rate set forth therein. Inaction of Trustee or holders of the note shall never be considered as a waiver of any right accruing to them on account of any of the provisions of this paragraph.

2. The Trustee or the holders of note hereby secured making any payment hereby authorized relating to taxes or assessments, may do so according to any bill, statement or estimate procured from the appropriate public office without inquiry into the accuracy of such bill, statement or estimate or into the validity of any tax, assessment, sale, forfeiture, tax lien or title or claim thereof.

3. At the option of the holders of the note and without notice to First Party, its successors or assigns, all unpaid indebtedness secured by this trust deed shall, notwithstanding anything in the note or in this trust deed to the contrary, become due and payable (a) immediately in the case of default in making payment of a installment of principal or interest on the note, or (b) in the event of the failure of First Party or its successors or assigns to do any of the things specifically set forth in paragraph one hereof and such default shall continue for three days, said option to be exercised at any time after the expiration of said three day period.

All expenditures and expenses of the nature in this paragraph mentioned shall become so much additional indebtedness secured hereby and immediately due and payable with interest thereon at a rate equivalent to the post maturity rate set forth in the note securing this trust deed, if any, otherwise the prematurity rate set forth therein, when paid or incurred by Trustee or holders of the note in connection with (a) any proceeding, including probate and bankruptcy proceedings, to which either of them shall be a party either as plaintiff, claimant or defendant, by reason of this trust deed or any indebtedness hereby secured; or (b) preparations for the commencement of any suit for the foreclosure hereof after accrual of such right to foreclose whether or not actually commenced; or (c) preparations for the defense of any threatened suit or proceeding which might affect the premises or the security hereof, whether or not actually commenced.

5. The proceeds of any foreclosure sale of the premises shall be distributed and applied in the following order of priority: First, on account of all costs and expenses incident to the foreclosure proceedings, including all such items as are mentioned in the preceding paragraph hereof; second, all other items which under the terms hereof constitute secured indebtedness additional to that evidenced by the note, with interest thereon as herein provided; third, all principal and interest remaining unpaid on the note; fourth, any overplus to First Party, its legal representatives or assigns, as their rights may appear.

6. Upon, or at any time after the filing of a bill to foreclose this trust deed, the court in which such bill is filed may appoint a receiver of said premises. Such appointment may be made either before or after such foreclosure without regard to the solvency or insolvency at the time of application for such receiver, of the person or persons, if any, liable for the payment of the indebtedness secured hereby, and without regard to the then value of the premises or whether the same shall be then occupied as a homestead or not and the Trustee hereunder may be appointed as such receiver. Such receiver shall have power to collect the rents, issues and profits of said premises during the pendency of such foreclosure suit and, in case of a sale and a deficiency, during the full statutory period of redemption, whether there be redemption or not, as well as during any further times when First Party, its successors or assigns, except for the intervention of such receiver, would be entitled to collect such rents, issues and profits, and all other powers which may be necessary or are usual in such cases for the protection, possession, control, management and operation of the premises during the whole of said period. The court from time to time may authorize the receiver to apply the net income in his hands in payment in whole or in part of: (a) The indebtedness secured hereby, or by any decree foreclosing this trust deed, or any tax, special assessment or other lien which may be or become superior to the lien hereof or of such decree, provided such application is made prior to foreclosure sale; (b) the deficiency in case of a sale and deficiency.

7. Trustee or the holders of the note shall have the right to inspect the premises at all reasonable times and access thereto shall be permitted for that purpose.

8. Trustee has no duty to examine the title, location, existence or condition of the premises, or to inquire into the validity of the signatures or the identity, capacity, or authority of the signatories on the note or trust deed, nor shall Trustee be obligated to record this trust deed or to exercise any power herein given unless expressly obligated by the terms hereof, nor be liable for any acts or omissions hereunder, except in case of its own gross negligence or misconduct or that of the agents or employees of Trustee, and it may require indemnities satisfactory to it before exercising any power herein given.

9. Trustee shall release this trust deed and the lien thereof by proper instrument upon presentation of satisfactory evidence that all indebtedness secured by this trust deed has been fully paid; and Trustee may execute and deliver a release hereof to and at the request of any person who shall, either before or after maturity thereof, produce and exhibit to Trustee the note, representing that all indebtedness hereby secured has been paid, which representation Trustee may accept as true without inquiry. Where a release is requested of a successor trustee, such successor trustee may accept as the genuine note herein described any note which bears an identification number purporting to be placed thereon by a prior trustee hereunder or which conforms in substance with the description herein contained of the note and which purports to be executed by the persons herein designated as the makers thereof; and where the release is requested of the original trustee and it has never placed its identification number on the note described herein, it may accept as the genuine note herein described any note which may be presented and which conforms in substance with the description herein contained of the note and which purports to be executed by the persons herein designated as makers thereof.

10. Trustee may resign by instrument in writing filed in the office of the Recorder or Registrar of Titles in which this instrument shall have been recorded or filed. In case of the resignation, inability or refusal to act of Trustee, the then Recorder of Deeds of the county in which the premises are situated shall be Successor in Trust. Any Successor in Trust hereunder shall have the identical title, powers and authority as are herein given Trustee.

11. The word "note" when used in this instrument shall be construed to mean "notes" when more than one note is used.

12. Before releasing this trust deed, Trustee or successor shall receive for its services a fee as determined by its rate schedule in effect when the release deed is issued. Trustee or successor shall be entitled to reasonable compensation for any other act or service performed under any provisions of this trust deed. The provisions of the "Trust And Trustees Act" of the State of Illinois shall be applicable to this trust deed.

THIS TRUST DEED is executed by the Chicago Title and Trust Company, not personally but as Trustee as aforesaid, in the exercise of the power and authority conferred upon and vested in it as such Trustee (and said Chicago Title and Trust Company, hereby warrants that it possesses full power and authority to execute this instrument), and it is expressly understood and agreed that nothing herein or in said note contained shall be construed as creating any liability on the said First Party or on said Chicago Title and Trust Company personally to pay the said note or any interest thereon which may accrue thereon, or any indebtedness accruing hereunder, or to perform any covenant either express or implied herein contained, all such liability, if any, being expressly waived by Trustee and by every person now or hereafter claiming any right or security hereunder, and that so far as the First Party and its successors and said Chicago Title and Trust Company personally are concerned, the legal holder or holders of said note and the owner or owners of any indebtedness accruing hereunder shall look solely to the premises hereby conveyed for the payment thereof, by the enforcement of the lien hereby created, in the manner herein and in said note provided or by action to enforce the personal liability of the guarantor, if any.

IN WITNESS WHEREOF, Chicago Title and Trust Company, not personally but as Trustee as aforesaid, has caused these presents to be signed by its Assistant Vice-President, and its corporate seal to be hereunto affixed and attested by its Assistant Secretary, the day and year first above written.

## MORTGAGE RIDER

THIS RIDER IS ATTACHED TO AND MADE PART OF THE MORTGAGE DATED  
November 29, 1980 BETWEEN Chicago Title & Trust Co.,  
Trustee u/t 55727, MORTGAGOR(S), AND  
Chicago Title & Trust Co., TRUSTEE.

The loan secured hereby is made in reliance upon the ownership and management by mortgagor of the mortgaged land. Therefore, if mortgagor shall, without consent in writing of the mortgagee, convey all or part of the mortgaged land, including fixtures that are deemed part of the mortgaged land under local law (except to the extent permitted by the terms hereof), but expressly excluding from this Article any articles deemed chattels under local law, or if the management, ownership or control of the mortgagor shall change, so that the present mortgagors shall relinquish or lose their present degree of such management, ownership or control, or in the event and consent a junior or concurrent lien is attached to the mortgaged land, then all debt secured hereby shall at once become due and payable at the option of the holder of the mortgaged debt. In substantial changes, or changes by reason of death, or conveyances or assignments made to members of an owner's family, shall not operate to accelerate the debt, but in the event of such changes this clause shall apply to grantee or assignee as if such assignee were the mortgagor. This provision is inapplicable to transfers or the creation of consensual liens on chattels, since mortgagee chooses to rely on its continuing chattel security in such event, so that mortgagee in such event will not be required to consent or refuse consent to such chattel transaction. This last provision is also inapplicable to leases for two years or less that contain no option to renew or purchase or any pre-emption right. A consent once given under this paragraph does not exhaust this paragraph. Like consents will be needed on future transactions.

Mortgagors shall make deposits with the holder of the Note on each of the due dates of said installments of principal or interest in amounts fixed by the holder of the Note in order to maintain a fund sufficient to enable the holder of the Note to pay the general taxes assessed against the premises described herein as they accrue or become due; said deposits to be made so that the holder of the Note shall have on deposit in advance of the due date of each installment of taxes an amount equal thereto. The holder of the Note shall not be liable for interest on such tax deposits.
