2. Mortgagors shall pay before any penalty attaches all general taxes, and shall pay special taxes, special assessments, water charges, sewer service charges, and other charges against the premises, when due, and shall upon written request, furnish to Trustee or to holders of the note duplicate receipts therefor. To prevent default hereunder Mortgagors shall pay in full under protest, in the manner provided by statute, any tax or assessment which Mortgagors may desire to contest.

3. Mortgagors shall keep all buildings and improvements now or hereafter situated on said premises insured against loss of damage by fire, lightning or windstorms or similar causes (commonly known as fire and extended coverage insurance) and also insured against such other perils or with such broader coverage under such other policies of insurance as shall be generally obtainable with respect to similar premises in the State of Illinois as the holders of the Note shall require from time to time, all under policies (a) providing for payment by the insurance companies of monies sufficient either to pay the cost of replacing or restoring the same or to pay in full the indebtedness secured hereby; (b) issued by companies satisfactory to the holders of the Note; (c) with proceeds payable, in case of loss or damage, to Trustee for the benefit of the holders of the Note and in case of foreclosure sale to the owner of the certificate of sale, such rights to be evidenced by the standard mortgage clause to be attached to each policy; and (d) shall prohibit cancellation thereof without at least ten (10) days prior notice to Trustee. Mortgagors shall deliver all policies, including additional and renewal policies, to holders of the Note, and in case of insurance about to expire, shall deliver renewal policies not less than ten days prior to the respective dates of expiration.

4. In case of default thereon, Trustee or the holders of the Note may, but need not, make any payment or perform any act hereinbefore required of Mortgagors in any form and in manner deemed expedient, and may, but need not, make full or partial payments of principal or interest on prior encumbrances, if any, and purchase, discharge, compromise or settle any tax lien or other prior lien or title or claim thereon, or redeem from any tax sale or foreclosure affecting said premises or contest any tax or assessment. All monies paid for any of the purposes herein authorized and all expenses paid or incurred in connection therewith, including attorney's fees and any other monies advanced by Trustee or the holders of the Note to protect the mortgage premises and the lien hereof, plus reasonable compensation to Trustee for each matter concerning which action herein authorized may be taken, shall be so much additional indebtedness secured hereby and shall become immediately due and payable without notice and with interest thereon at the rate specified in paragraph 18 hereof. Election of Trustee or holders of the Note shall never be considered as a waiver of any right or remedy to hereon account of any default hereunder on the part of Mortgagors.

5. The Trustee or the holders of the Note making any payment hereby authorized relating to taxes or assessments, may do so according to any bill, statement or estimate procured from the appropriate public officer, without inquiry into the accuracy of such bill, statement or estimate or into the validity of any tax, assessment, sale, forfeiture, tax lien or title or claim therefor.

6. Mortgagors shall pay each item of indebtedness herein mentioned, both principal and interest, when due according to the terms hereof. At the option of the holders of the Note, and without notice to Mortgagors, all said indebtedness secured by this Trust Deed shall, notwithstanding anything in the note or in this Trust Deed to the contrary, become due and payable (a) immediately in the case of default in making any of any installment of principal or interest on the Note, or (b) when such default shall occur and continue for three days in the performance of any other agreement of the Mortgagors contained in the Note or hereon, or in the performance of any instrument described below, and upon to be exercised at any time after expiration of said three day period.

7. When the indebtedness hereby secured shall become due whether by acceleration or otherwise, holders of the Note or Trustee shall have the right to foreclose the lien hereof. In any suit to foreclose the lien hereof, there shall be allowed and included as additional indebtedness in the decree for sale all expenditures and expenses which may be paid or incurred by or on behalf of Trustee or holders of the Note for attorney's fees, broker's fees, appraiser's fees, outlays for documentary and expert evidence, stamp duty, charges, publication costs and costs (which may be estimated as to items to be expended after entry of the decree) of procuring all such abstracts of title, title searches and examinations, guarantee policies, Totten certificates, and similar data which may be reasonably necessary either to prosecute such suit or to evidence to holders at any sale which may be had pursuant to such decree the true condition of the title to or of the premises.

8. All expenses of every nature incurred by the Trustee or the holders of the Note in connection with (a) any proceedings, including but not limited to probate and bankruptcy proceedings to which either of them shall be a party, either as plaintiff, defendant, or otherwise, by reason of this Trust Deed or any indebtedness hereby incurred; (b) preparations for the commencement of any suit for the foreclosure hereof after actual notice to the mortgagor, whether or not actually commenced; or (c) preparations for the defense of any threatened suit or proceeding, which might affect the premises of the mortgagor, shall become or may be so incurred on the part of Mortgagors, and shall become or may be so incurred immediately due and payable with interest thereon at the rate specified in paragraph 18 hereof from the date paid or incurred by Trustee or the holders of the Note.

9. The proceeds of any foreclosure sale of the premises shall be distributed and applied in the following order of priority: First, on account of all costs and expenses incident to the foreclosure proceedings, including all such items as are mentioned in the preceding paragraph hereof; second, all other items which under the terms hereof constitute secured indebtedness additional to that evidenced by the Note, with interest as herein provided; third, principal and interest remaining unpaid on the Note; fourth, any surplus to Mortgagors, their heirs, legal representatives or assigns, as their rights may appear.

10. Upon, or at any time after the filing of a bill to foreclose this trust deed, a court in which such a bill is filed may appoint a receiver of said premises. Such appointment may be made either before or after sale, without notice, without regard to the solvency or insolvency of Mortgagors at the time of application, for such receiver and without regard to the then value of the premises or whether the same shall be then regarded as a homestead or not, and the Trustee or holder may be appointed as such receiver. Such receiver shall have power to collect the rents, issues and profits of said premises during the pendency of such foreclosure suit and, in case of a sale, to collect the same during the full statutory period of redemption, whether there be redemption or not, as well as during any further time when Mortgagors, except for the intervention of such receiver, would be entitled to collect such rents, issues and profits, and all other powers which may be necessary or are used in such course for the protection, possession, control, management and operation of the premises during the whole of said period. The court from time to time may authorize the receiver to apply the net income in his hands in payment in whole or in part of: (1) The indebtedness secured hereby; or by any decree foreclosing this trust deed, or any tax, special assessment or other lien which may be or become superior to the lien hereof or of such decree, provided such application is made prior to foreclosure sale; (2) the deficiency in case of a sale and deficiency.

11. No action for the enforcement of the lien or of any provision hereof shall be subject to any defense which would not be good and available to the party interposing same in an action at law upon the Note.

12. Trustee and the holders of the Note shall have the right to inspect the premises at all reasonable times and access thereto shall be permitted for that purpose.

13. Trustee has no duty to examine the title, location, existence, or condition of the premises, nor shall Trustee be obligated to record this trust deed or to exercise any power herein given unless expressly obligated by the terms hereof, nor be liable for any acts or omissions hereunder, except in case of its own gross negligence or misconduct or that of the agents or employees of Trustee, and it may incur indemnities satisfactory to it before exercising any power herein given.

14. Trustee shall release this Trust Deed and the lien thereof by proper instrument upon presentation of satisfactory evidence that all indebtedness secured by this Trust Deed has been fully paid; and Trustee may execute and deliver a release hereof to and at the request of any person who shall, either before or after maturity thereof, produce and exhibit to Trustee the Note, representing that all indebtedness hereby secured has been paid, which representation Trustee may accept as true without inquiry. Where a release is requested of a successor trustee, such successor trustee may accept as the genuine Note any note which bears a certificate of identification purporting to be issued by a prior trustee hereof or which conforms in substance with the description herein contained of the Note and which purports to be executed by the persons herein designated as the makers thereof; and where the release is requested of the original trustee and it has never assumed a certificate of identification as the Note, it may accept as the genuine Note any note which may be presented and which conforms in substance with the description herein contained of the Note and which purports to be executed by the persons herein designated as makers thereof.

15. Trustee may resign by instrument in writing filed in the office of the Recorder of Titles or Registrar of Titles in which this instrument shall have been recorded or filed. In case of the resignation, inability or refusal to act of Trustee, the then Recorder of Deeds of the county in which the premises are situated shall appoint a Successor in Trust. Any Successor in Trust hereunder shall have the identical title, powers and authority as are herein given Trustee, and any Trustee or successor shall be entitled to reasonable compensation for all acts performed hereunder.

16. This Trust Deed and all provisions hereof, shall extend to and be binding upon Mortgagors and all persons claiming under or through Mortgagors, and the word "Mortgagors" when used herein shall include all such persons and all persons liable for the payment of the indebtedness on any part thereof, whether or not such persons shall have executed the note or this Trust Deed.

17. For the purpose of providing regularly for the prompt payment of all taxes and assessments levied or assessed against the premises and premiums on policies of insurance that will next become due and payable, Mortgagors will deposit with the holders of the Note, less the amount already deposited therefor, divided by the number of such deposits to be made prior to the date when such taxes and assessments will become payable, and when said premiums become due. The monies thus deposited with the holders of the Note are to be held (a) at interest and are to be applied by the holders of the Note to the payment of such taxes, assessments and insurance premiums as they become due and payable; (b) shall not be obligatory upon the holders of the Note to include into the validity or accuracy of any such items before making payment of same, and nothing herein contained shall be construed as requiring the holders to advance or pay monies for said purpose. If at any time the holders of the Note deem the amount deposited insufficient to pay said taxes, assessments and insurance premiums, the Mortgagors will deposit with the holders of the Note any amount necessary to make up the deficiency; provided, however, that nothing in this paragraph contained shall relieve the Mortgagors from the performance of any of the other covenants and agreements contained relative to the payment of taxes and assessments and insurance premiums. In case of default in the payment of any installment of principal or interest or in the performance of any of the covenants and agreements of the Mortgagors herein contained, the holders of the Note may apply any and all sums then on deposit, on account of the indebtedness secured by this Trust Deed.

18. For the purposes of paragraphs 1 and 8 hereof the rate of interest shall be the rate specified in the Note as to unpaid installments of principal then due and payable, reduced to such extent, if any, as shall be necessary to comply with any limitations applicable hereto upon rates of interest which may lawfully be charged, contracted for or received.

19. The Mortgagors warrant and agree that the proceeds of the Note will be used solely for the purposes specified in paragraph 4 (c) of Chapter 74 of the 1953 Illinois Revised Statutes, and that the principal obligation secured hereby constitutes a business loan which comes within the purview of said paragraph. Any other use of the proceeds of the Note shall be a default in this Trust Deed on the part of the Mortgagors.

20. Mortgagors agree that if this Trust Deed or the Note is asserted to be subject to tax under the provisions of the Interest Equalization Tax Act (as set forth in Chapter 41, Subtitle D of the Internal Revenue Code) as presently or hereafter in effect, or any governmental revenue statute now or hereafter in effect, Mortgagors shall use their best efforts to defend against or pay the same and upon failure of Mortgagors to do so Trustee or the holders of the Note may do so and add the amount so paid to the principal indebtedness secured hereby, which said sum, together with interest thereon at the rate provided for in the Note, shall become immediately due and payable.
