Where a release is requested of a successor trustee, such successor trustee may accept the genuine note herein described any note which bears an identification number purporting to be placed thereon by a prior trustee hereunder or which conforms in substance with the description herein contained of the principal note and which purports to be executed on behalf of the corporation herein designated as the maker thereof; and where the release is requested of the original trustee and it has never placed its identification number on the principal note described herein, it may accept as the genuine note herein described any note which may be presented and which conforms in substance with the description herein contained of the principal note and which purports to be executed on behalf of the corporation herein designated as maker thereof.
14. Trustee may resign by instrument in writing filed in the office of the Recorder or Registrar of Titles in which this instrument shall have been recorded or filed. In case of the resignation, inability or refusal to act of Trustee, the then Recorder of Deeds of the county in which the premises are situated shall be Successor in Trust.
