- Mortgagors shall (1) promptly repair, restore or rebuild any buildings or improvements now or hereafter on the premises which may become damaged or be destroyed; (2) keep said premises in good condition and repair, without waste, and free from mechanics or other liens or claims for lien not expressly subordinated to the lien hereof; (3) pay when due any indebtedness which may be secured by a lien or charge on the premises superior to the lien hereof, and upon request exhibit satisfactory evidence of the discharge of such prior lien to Trustee or to holders of the note; (4) comply within a reasonable time any building or buildings now or at any time in process of erecting upon said premises; (5) comply with all requirements of law or municipal ordinances with respect to the premises and the use thereof; (6) make no material alterations in said premises except as required by law or municipal ordinance.
- Mortgagors shall pay before any penalty attaches all general taxes, and shall pay special taxes, special assessments, water charges, sewer service charges, and other charges against the premises when due, and shall, upon written request, furnish to Trustee or to holders of the note duplicate receipts therefor. To prevent default hereunder Mortgagors shall pay in full under protest, in the manner provided by statute, any tax or assessment which Mortgagors may desire to contest.
- Mortgagors shall keep all buildings and improvements now or hereafter situated on said premises insured against loss or damage by fire, lightning or windstorm under policies providing for payment by the insurance companies of moneys sufficient either to pay the cost of replacing or repairing the same or to pay in full the indebtedness secured hereby, all in compliance satisfactory to the holders of the note, under insurance policies available in case of loss or damage to Trustee for the benefit of the holders of the note, such rights to be evidenced by the standard mortgage clause to be attached to each policy, and shall deliver all policies, including additional and renewal policies, to holders of the note, and in case of insurance about to expire, shall deliver renewal policies not less than ten days prior to the respective dates of expiration.
- In case of default therein, Trustee or the holders of the note may, but need not, make any payment or perform any act hereinafter required of Mortgagors in any form and manner deemed expedient, and may, but need not, make full or partial payments of principal or interest on prior encumbrances, if any, and purchase, discharge, compromise or settle any tax lien or other prior lien or title or claim thereon, or retain from any tax sale or forfeiture affecting said premises or contest any tax or assessment. All moneys paid for any of the purposes herein authorized and all expenses paid or incurred in connection therewith, including attorneys' fees, and any other moneys advanced by Trustee or the holders of the note to protect the increased indebtedness and the lien hereof, plus reasonable compensation to Trustee for each matter concerning which action herein authorized may be taken, shall be as much additional indebtedness secured hereby and shall become immediately due and payable without notice and with interest thereon at the rate of seven per cent per annum. In action of Trustee or holders of the note shall never be considered as a waiver of any right accruing to them on account of any default hereunder on the part of Mortgagors.
- The Trustee or the holders of the note hereby secured making any payment hereby authorized relating to taxes or assessments, may do so according to any bill, statement or estimate procured from the appropriate public office without inquiry into the accuracy of such bill, statement or estimate or into the validity of any tax, assessment, sale, forfeiture, tax lien or title or claim thereon.
- Mortgagors shall pay each item of indebtedness herein mentioned, both principal and interest, when due according to the terms hereof. At the option of the holders of the note, and without notice to Mortgagors, all unpaid indebtedness secured by this Trust Deed shall, notwithstanding anything in the note or in this Trust Deed to the contrary, become due and payable in full immediately in the case of default in making payment of any installment of principal or interest on the note, when default shall occur and continue for three days in the performance of any other agreement of the Mortgagors herein contained.
- When the indebtedness hereby secured shall become due whether by acceleration or otherwise, holders of the note or Trustee shall have the right to foreclose the lien hereof. In any suit to foreclose the lien hereof, there shall be allowed and included as additional indebtedness in the decree for sale all expenditures and expenses which may be paid or incurred by or on behalf of Trustee or holders of the note for attorneys' fees, Trustee's fees, appraiser's fees, outlays for documentary and court evidence, stenographers' charges, publication costs and costs (which may be estimated as to items to be expended after entry of the decree) of preparing and such abstracts of title, title searches and examinations, plat maps, policies, Torrens certificates, and similar data and documents with respect to titles. Trustee or holders of the note may deem it to be reasonably necessary either to prosecute such suit or to advise to holders of the note of any suit which may be had pursuant to such decree the true condition of the title to or the value of the premises. All expenditures and expenses of the nature in this paragraph mentioned shall become so much additional indebtedness secured hereby and immediately due and payable, with interest thereon at the rate of seven per cent per annum, when paid or incurred by Trustee or holders of the note in connection with any proceedings, including process and backparty proceedings, to which either of them shall be a party, either as plaintiff, claimant or defendant, by reason of this trust deed or any indebtedness hereby secured, or the preparation for the commencement of any suit for the foreclosure hereof after accrual of such right to foreclose whether or not actually commenced, or for preparations for the defense of any threatened suit or proceeding which might affect the premises or the security hereof, whether or not actually commenced.
- The proceeds of any foreclosure sale of the premises shall be distributed and applied in the following order of priority: First, on account of all taxes and expenses incident to the foreclosure proceedings, including all such items as are mentioned in the preceding paragraph hereof; second, all other items which under the terms hereof constitute secured indebtedness additional to that evidenced by the note, with interest thereon as herein provided; third, all principal and interest remaining unpaid on the note; fourth, any surplus to Mortgagors, their heirs, legal representatives or assigns, as their rights may appear.
- Upon, or at any time after the filing of a bill to foreclose this trust deed, the court in which such bill is filed may appoint a receiver of said premises. Such appointment may be made either before or after sale, without notice, without regard to the solvency or insolvency of Mortgagors, at the time of application for such receiver and without regard to the then value of the premises or whether the same shall be then secured as herein provided or not and the Trustee hereunder may be appointed as such receiver. Such receiver shall have power to collect the rents, issues and profits of said premises during the pendency of such foreclosure suit and, in case of a sale, and a judgment during the full statutory period of redemption, which there be redemption or not, as well as during any further time when Mortgagors, except by the intervention of such receiver, should be entitled to collect such rents, issues and profits, and all other powers which may be necessary or are usual in such cases for the protection, possession, control, management and operation of the premises during the whole of said period. The court from time to time may authorize the receiver to apply the net income of the lands in payment of whole or a part of it.
- The indebtedness secured hereby, or by any decree foreclosing hereby, or by any decree foreclosing the same, or any tax, special assessment or other lien which may be or become superior to the lien hereof or of such decree, provided such application is made prior to foreclosure sale of the deficiency in case of a sale and available to the party indebted, same in an action at law upon the note hereby secured.
- No action for the enforcement of the lien or of any provision hereof shall be subject to any defense which would not be good and available to the party indebted.
- Trustee or the holders of the note shall have the right to inspect the premises at all reasonable times and access thereon shall be permitted for that purpose.
- Trustee has no duty to examine the title, location, existence, or condition of the premises, nor shall Trustee be obligated to guard the trust deed or to verify any power herein given unless expressly obligated by the terms hereof, nor be liable for any acts or omissions hereunder, except in case of its own gross negligence or misconduct or that of its agents or employees or Trustee, and it may require indemnities satisfactory to it before exercising any power herein given.
- Trustee shall release this trust deed and the lien thereof by proper instrument upon presentation of satisfactory evidence that all indebtedness secured by this trust deed has been fully paid, and Trustee may execute and deliver a release in said case and at the request of any person who shall, either before or after maturity thereof, produce and exhibit to Trustee the note, representing that all indebtedness hereby secured has been paid, which release Trustee may execute as true without inquiry. Where a release is requested of a successor Trustee, such successor Trustee may accept as the genuine note, herein described any note which bears certificate of identification purporting to be executed by the person designated in the makers' thereof, and where the release is requested of the original Trustee and it has never executed a certificate on any instrument identical in form with the note described herein, may accept as the genuine note herein described any note which bears such certificate of identification in substance as the certificate herein contained of the note and which purports to be executed by the persons herein designated as makers thereof.
- Trustee may resign by instrument in writing filed in the office of the Recorder or Register of Title in which this instrument shall have been recorded or filed. In case of the resignation, inability or refusal to act of Trustee, the then Recorder or Register of Title of the county in which the premises are situated shall be Successor in Trust. Any Successor in Trust hereunder shall have the identical title, powers and authority as are herein given Trustee, and any Trustee or successor shall be entitled to reasonable compensation for all acts performed hereunder.
- This Trust Deed and all provisions hereof, shall extend to and be binding upon Mortgagors and all persons claiming under or through Mortgagors, and the words "Mortgagors" when used herein shall include all such persons and all persons liable for the payment of the indebtedness or any part thereof, whether or not such persons shall have executed the note or this Trust Deed.
