Trust Deed

Dated: March 15, 1985

Executed By:

Leonard P. Indovina, a bachelor

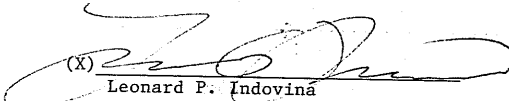

A. As an inducement to First National Bank of Schiller Park ("FNBSB") to make the loan evidenced by the note referred to in this trust deed, National Hospital and Health Care Services Incorporated ("NHC"), has agreed to maintain at FNBSB, a non-interest bearing deposit equal to or greater than 50% of the unpaid principal balance of the note so long as any portion thereof remains unpaid. Such deposit shall be segregated from other deposits of NHC and specifically identified as having been made in accordance with this agreement. Notwithstanding anything to the contrary contained herein, in the event NHC shall fail to maintain such deposit during the term of the note, (the determination of FNBSB being conclusive as to whether such failure has occurred), then at the option of the holder hereof, the Index referred to in the note shall be changed from the prime rate of interest charged by First National Bank of Chicago, Chicago, Illinois, to the Federal Home Loan Bank Board National Index of Contract Rates of Previously Occupied Single Family Homes.

Should the holders of said note elect to change the Index to that referred to in said Rider upon the failure to maintain such non-interest bearing deposit, paragraph 3 of page 1 of said trust deed shall be amended to read as follows:

Prior to each Change Date, the Holders of the Note shall determine any change in the interest rate, and shall calculate the amount of the difference, if any, between the Current Index and the Original Index. In the event that the Current Index exceeds the Original Index, the Holders of the Note may add the difference to the initial rate of interest, rounded off to the nearest one-eighth of 1% per annum. In the event that the Current Index is less than the Original Index, the Holders of the Note shall subtract the difference from the Original Rate of Interest; provided, if the difference in increase or decrease is less than one-sixteenth of 1% per annum, the interest rate shall not change.

Upon any change in the interest rate, the Holders of the Note shall revise the monthly payment on the Note to the extent sufficient to repay the outstanding principal balance in full on May 20, 2013, at the new interest rate in substantially equal payments.

- B. In the event that title to the premises shall be conveyed to any person, firm, corporation or trust other than the Mortgagors, or Articles of Agreement for Deed be executed contemplating such conveyance, then at the option of the holder of the note secured hereby, the entire principal balance of said note then remaining unpaid shall be immediately due and payable.
- C. Notwithstanding anything to the contrary contained in this rider or the Note or Trust Deed referred to herein, the final payment of the unpaid principal balance of the note, interest and other charges, if not sooner paid, shall be due on March 20, 1990 ("the Maturity date").
- D. Upon default of the note secured hereby, the holder thereof shall be entitled to collect interest at the rate of 18 percent per annum. In addition thereto, the holder shall be entitled to collect all reasonable attorney's fees, costs and expenses incurred in the collection of the note and foreclosure of the trust deed. All such fees, costs, and expenses shall be added to the principal balance of the note.
