5. The Trustee or the holders of the note hereby secured making any payment hereby authorized relating to taxes or assessments, may do so according to any bill, statement or estimate procured from the appropriate public office without inquiry into the accuracy of such bill, statement or estimate or into the validity of any tax, assessment, sale, forfeiture, tax lien or title claim thereof.

8. The proceeds of any foreclosure sale of the premises shall be distributed and applied in the following order of priority: First, on account of all costs and expenses incident to the foreclosure proceedings including all such items as are mentioned in the preceding paragraph hereof; second, all other items which under the terms hereof constitute secured indebtedness additional to that evidenced by the note, with interest thereon as herein provided; third, all principal and interest remaining unpaid on the note; fourth, any overplus to Mortgagors, their heirs, legal representatives or assigns, as their rights may appear.

9. Upon, or at any time after the filing of a bill to foreclose this trust deed, the court in which such bill is filed may appoint a receiver of said premises. Such appointment may be made either before or after sale, without notice, without regard to the solvency or insolvency of Mortgagors at the time of application for such receiver and without regard to the then value of the premises or whether the same shall be then occupied as a homestead or not and the Trustee hereunder may be appointed as such receiver. Such receiver shall have power to collect the rents, issues and profits of said premises during the pendency of such foreclosure suit and, in case of a sale and a deficiency, during the full statutory period of redemption, whether there be redemption or not, as well as during any further times when Mortgagors, except for the intervention of such receiver, would be entitled to collect such rents, issues and profits, and all other powers which may be necessary or are usual in such cases for the protection, possession, control, management and operation of the premises during the whole of said period. The court from time to time may authorize the receiver to apply the net income in his hands in payment in whole or in part of: (1) The indebtedness secured hereof, or by any decree foreclosing this trust deed, or any tax, special assessment or other lien which may be or become superior to the lien hereof or of such decree, provided such application is made prior to foreclosure sale; (2) the deficiency in case of a sale and deficiency.

10. No action for the enforcement of the lien or of any provision hereof shall be subject to any defense which would not be good and available to the party interposing same in an action at law upon the note hereby secured.

11. Trustee or the holders of the note shall have the right to inspect the premises at all reasonable times and access thereto shall be permitted for that purpose.

12. Trustee has no duty to examine the title, location, existence, or condition of the premises, nor shall Trustee be obligated to record this trust deed or to exercise any power herein given unless expressly obligated by the terms hereof, nor shall Trustee be liable for any acts or omissions hereunder, except in case of its own gross negligence or misconduct or that of the agents or employees of Trustee, and it may require indemnities satisfactory to it before exercising any power herein given.

13. Trustee shall release this trust deed and the lien thereof by proper instrument upon presentation of satisfactory evidence that all indebtedness secured by this trust deed has been fully paid and Trustee may execute and deliver a release hereof to and at the request of any person who shall, either before or after maturity thereof, produce and exhibit to Trustee the note, representing the indebtedness hereby secured has been paid, which representation Trustee may accept as true without inquiry. Where a release is requested of a successor trustee, such successor trustee may accept as the genuine note herein described any note which bears a certificate of identification purporting to be executed by a prior trustee hereunder or which conforms in all substance with the description herein contained of the note and which purports to be executed by the persons herein designated as the makers thereof; and where the release is requested of the original trustee and it has never executed a certificate on any instrument identifying same as the note described herein, it may accept as the genuine note herein described any note which may be presented and which conforms in substance with the description herein contained of the note and which purports to be executed by the persons herein designated as makers thereof.

14. Trustee may resign by instrument in writing filed in the office of the Recorder or Registrar of Titles in which this instrument shall have been recorded or filed. In case of the resignation, the holder of the note shall be the holder of the note and the Recorder of Deeds of the county in which the premises are situated shall be the Successor Trustee. Any Successor Trustee hereunder shall have the identical title, powers and authority as are herein given Trustee, and any Trustee or successor shall be entitled to reasonable compensation for all acts performed hereunder.

15. In order to provide for the payment of taxes, the undersigned promises to pay monthly in addition to the above payments, one-twelfth of the annual real estate taxes as estimated by the holder of said note, in such manner as the holder may prescribe so as to provide for the current year's tax obligation on the last day of each such year during the term of said obligation. The undersigned promises further to pay monthly pro rata share of all assessments, future hazard insurance premiums, and any other charges that may accrue against the property securing said indebtedness. If the amount estimated to be sufficient to pay said taxes, insurance, assessments, and other charges is not sufficient, the undersigned promises to pay the difference upon demand. It is agreed that such payments may, at the option of the holder (1) be held in trust by it without earnings for the payment of such items; (2) be carried in a borrower's tax and insurance account and drawn by it to pay such items; or (3) be credited to the unpaid balance of said indebtedness as received, provided that the holder advances upon said obligation sums sufficient to pay said items as the same accrue and become payable. If such sums are held in trust or carried in a borrower's tax and insurance account, the same are hereby pledged together with other assets of the undersigned with the holder to further secure said indebtedness and any officer of the holder is authorized to withdraw the same and apply hereon. The holder of said note is authorized to pay said items as charged or billed without further inquiry.

16. This Trust Deed and all provisions hereof, shall extend to and be binding upon Mortgagors and all persons claiming under or through Mortgagors, and the word "Mortgagors" when used herein shall include all such persons and all persons liable for the payment of the indebtedness or any part thereof, whether or not such persons shall have executed the note or this Trust Deed, and shall, if Mortgagor is a land trustee, specifically include all limitations, the beneficiaries of said trust.

17. If all or any part of the Premises or an interest therein is sold or transferred by Mortgagor, with or without prior written consent of the holder of the Note secured hereby (Holder), excluding (a) the creation of a lien or encumbrance subordinate to this mortgage, (b) the creation of a first mortgage security interest for household appliances, (c) a transfer by devise, descent or by operation of law upon the death of a joint tenant, or (d) the grant of any leasehold interest of five (5) years or less not containing an option to purchase, Holder may, at Holder's option, declare all the sums secured by this Mortgage to be immediately due and payable. Holder shall have waived such option to accelerate if, prior to the aforesaid transfer, Holder and the person to whom the property is to be sold or transferred such agreement, in writing, that the credit of such person is satisfactory to Holder and that the interest payable on the sums secured by this Mortgage shall be at such rate as Holder shall request. If Holder waives the option to accelerate provided in this paragraph, and if Mortgagor's successor in interest has executed a written assumption agreement accepted in writing by Holder, Holder shall release Mortgagor from all obligations under this Trust Deed.

If Holder exercises such option to accelerate, Holder shall mail notice of acceleration to Mortgagors, and the Mortgagors shall have not more than thirty (30) days from the date the notice is mailed within which to pay the sums so accelerated. If Mortgagors fail to pay such sums prior to the expiration of such period, Holder may, without further notice demand on Mortgagors, invoke any remedies permitted by law.
