Inaction of Trustee or holders of the note shall never be considered as a waiver of any right accruing to them on account of any of the provisions of this paragraph.

2. The Trustee or the holders of the note hereby secured making any payment hereby authorized relating to taxes or assessments, may do so according to any bill, statement or estimate procured from the appropriate public officer without inquiry into the accuracy of such bill, statement or estimate or into the validity of any tax, assessment, sale, forfeiture, tax lien or title or claim thereon.

3. At the option of the holders of the note and without notice to First Party, its successors or assigns, all unpaid indebtedness secured by this trust deed shall, notwithstanding anything in the note or in this trust deed to the contrary, become due and payable (a) immediately in the case of default in making payment of any installment of principal or interest on the note, or (b) in the event of the failure of First Party or its successors or assigns to do any of the things specifically set forth in paragraph one hereof and such default shall continue for three days, said option to be exercised at any time after the expiration of said three day period.

6. Upon, or at any time after the filing of a bill to foreclose this trust deed, the court in which such bill is filed may appoint a receiver of said premises. Such appointment may be made either before or after sale, without notice, without regard to the solvency or insolvency at the time of application for such receiver, of the person or persons, if any, liable for the payment of the indebtedness secured hereby, and without regard to the true value of the premises or whether the same shall be then occupied as a homestead or not and the Trustee hereunder may be appointed as such receiver. Such receiver shall have power to collect the rents, issues and profits of said premises during the pendency of such foreclosure suit and, in case of a sale and a deficiency, during the full statutory period of redemption, whether there be redemption or not, as well as during any further time when First Party, its successors or assigns, except for the intervention of such receiver, would be entitled to collect such rents, issues and profits, and all other powers which may be necessary or are usual in such cases for the protection, possession, control, management and operation of the premises during the whole of said period. The court from time to time may authorize the receiver to apply the net income in his hands in payment in whole or in part of: (1) the indebtedness secured hereby, or by any decree rendered in this trust deed, or any tax, special assessment or other lien which may be or become superior to the lien hereof or of such decree, provided such application is made prior to foreclosure sale; (2) the deficiency in case of a sale and deficiency.

8. Trustee has no duty to examine the title, location, existence, or condition of the premises, nor shall Trustee be obligated to record this trust deed or to exercise any power herein given unless expressly obligated by the terms hereof, nor be liable for any acts or omissions hereunder, except in case of its own gross negligence or misconduct or that of its agents, employees of Trustee, and it may require indemnities satisfactory to it before exercising any power herein given.

9. Trustee shall release this trust deed and the lien thereon or other instrument upon presentation of satisfactory evidence that all indebtedness secured by this trust deed has been fully paid; and Trustee may execute and deliver a release hereof to and at the request of any person who shall, either before or after maturity thereof, produce and exhibit to Trustee the note representing that all indebtedness hereby secured has been paid, which representation Trustee may accept as true without inquiry. Where a release is requested of a successor trustee, such successor trustee may accept as the genuine note herein described any note which bears a certificate of identification purporting to be executed by a prior trustee hereunder or which conforms in substance with the description herein contained of the note and which purports to be executed on behalf of First Party; and when the release is requested of the original trustee and has never executed a certificate of any instrument identifying same as the note described herein, it may accept as the genuine note herein described any note which may be presented and which conforms in substance with the description herein contained of the note and which purports to be executed on behalf of First Party.

10. Trustee may resign by instrument in writing filed in the office of the Recorder or Registrar of Titles in which this instrument shall have been recorded or filed. In case of the resignation, inability or refusal to act of Trustee the then Recorder of Deeds of the county in which the premises are situated shall be Successor in Trust. Any Successor in Trust hereunder shall have the identical title, powers and authority as are herein given Trustee, and any Trustee or successor shall be entitled to reasonable compensation for all services performed hereunder.

NOTICE TO BORROWER/FIRST PARTY:

THIS LOAN IS PAYABLE IN FULL ON SEPTEMBER 1, 1991. UPON THAT DATE, YOU MUST REPAY THE ENTIRE PRINCIPAL BALANCE OF THE LOAN AND UNPAID INTEREST THEN DUE. THE BANK IS UNDER NO OBLIGATION TO REFINANCE THE LOAN AT THAT TIME. YOU WILL, THEREFORE, BE REQUIRED TO MAKE PAYMENT OUT OF OTHER ASSETS THAT YOU MAY OWN, OR YOU WILL HAVE TO FIND A LENDER, WHICH MAY BE THE BANK YOU HAVE THIS LOAN WITH, WILLING TO LEND YOU THE MONEY. IF YOU REFINANCE THIS LOAN AT MATURITY, YOU MAY HAVE TO PAY SOME OR ALL OF THE CLOSING COSTS NORMALLY ASSOCIATED WITH A NEW LOAN EVEN IF YOU OBTAIN REFINANCING FROM THE SAME BANK.

RIDER A

This rider is attached to and incorporated in a certain note of even date herewith (said note, including any and all riders thereto, referred to hereinafter as "Note"), made by THOMAS G. POLLOCK and JOANNE M. MAY ("Borrower") to the order of Bearer ("Note holder"), and to and in a certain Trust Deed of even date herewith between THOMAS G. POLLOCK and JOANNE M. MAY ("First Party") and CHICAGO TITLE AND TRUST COMPANY, (said instrument, including any and all riders thereto referred to hereinafter as "Security Instrument").

1. Adjustable Rate Provisions.

a. Interest Rate Changes/Index. Subject to the conditions of this paragraph, the interest rate on the Note shall first be increased or decreased beginning on October 1, 1985, and on the same date every 12 months thereafter (the "Change Date") so that the interest rate is two (2) percentage points (the "Margin") above the Index.

27235233

700679

The "Index" is the average of the weekly averages of the bond equivalent yield of a one-year United States Treasury Bill for the four calendar weeks immediately preceding the Change Date.

b. Limit on Interest Rate Changes. Any change in the interest rate effective on any Change Date shall be in increments of one-tenth of one percentage point. The maximum interest rate change at one time will be 2%, and the maximum interest rate change over the life of the loan will be 7%.

c. Monthly Installment Changes. The amount of the monthly installment may change on the first day of the month immediately succeeding each Change Date. The date on which the amount of the monthly installment may change is called the Payment Adjustment Date. Before the Payment Adjustment Date, the Note holder will determine the amount of the new monthly installment by computing the amount of the monthly installment of principal and interest then required to repay the Note at the new interest rate by the amortization maturity date, which is 25 years after the date on which the first payment is due as specified in the Note. The result of this calculation will be the new amount of the monthly installment. Borrower/First Party will pay this new amount each month beginning on the Payment Adjustment Date until said amount is again changed or the entire indebtedness evidenced by the Note is fully paid, except that any remaining indebtedness, if not sooner paid, shall be due and payable on the Final Payment Date.

d. Notice of Change of Level Payment. The Note holder will mail or deliver to Borrower/First Party written notice of any changes in the amount of the monthly installment at least 25 days prior to the Payment Adjustment Date.

2. Incorporation by Reference. All provisions, conditions, covenants, and agreements contained in the Note and in the Security Instrument which secures the Note are incorporated by reference, each into the other. All references to "Borrower," "First Party," and "Borrower/First Party" constitute references each to the other and to one and the same party or, if more than one, parties.

3. Set Off. Upon default, Note holder may also take and apply to the loan evidenced by the Note any and all money, credit or other property of Borrower/First Party which is owed to Borrower/First Party by Note holder, whether by being on deposit or otherwise.

4. Transfer of the Premises or Any Interest Thereunder. If all or any part of the Premises described in the Security Instrument or an interest therein is sold or transferred or, if Borrower/First Party is not a natural person, if any beneficial interest in Borrower/First Party (whether legal or equitable including but not limited to a majority of stock or partnership interest) is sold or in any manner transferred, without Note holder's prior written consent, Note holder may, at Note holder's option, declare all the sums evidenced by the Note and secured by the Security Instrument to be immediately due and payable.

27235233

Property of Cook County Clerk's Office

700679

However, this option shall not be exercised by Note holder if exercise is not authorized by federal law. Note holder may waive such option to accelerate if, prior to the sale or transfer, Note holder and the person to whom the premises is to be sold or transferred reach agreement in writing that the credit of such person is satisfactory to Note holder. As a condition to waiving Note holder's right to accelerate, the loan terms, including the interest rate payable on the sums secured by the Security Instrument and the margin for future interest rate changes shall be subject to modification by Note holder. If Note holder has waived the option to accelerate provided in this paragraph, and if Borrower/First Party's successor in interest has executed a written assumption agreement accepted in writing by Note holder, Note holder shall release Borrower/First Party from all obligations under the Security Instrument and this Note.

5. Release. Upon payment of all sums secured by the Security Instrument and payment of the customary release fee, the Security Instrument shall be released. Borrower/First Party shall pay all costs of recordation, if any.
