TOGETHER with all the improvements now or hereafter erected on the property, and all easements, rights, appurtenances, rents, royalties, mineral, oil and gas rights and profits, water, water rights, and water stock, and all fixtures now or hereafter attached to the property, all of which, including replacements and additions thereto, shall be deemed to be and remain a part of the property covered by this Mortgage; and all of the foregoing, together with said property (of the leasehold estate if this Mortgage is on a leasehold) as herein referred to as the "Property".

**9. Condemnation.** The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any applications of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

**10. Borrower Not Released; Forbearance By Lender Not a Waiver.** Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

**11. Successors and Assigns Bound; Joint and Several Liability; Co-signers.** The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

**12. Loan Charges.** If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

**13. Legislation Affecting Lender's Rights.** If enactment or expiration of applicable laws has the effect of rendering any provision of the Note or this Security Instrument unenforceable according to its terms, Lender, at its option, may require immediate payment in full of all sums secured by this Security Instrument and may invoke any remedies permitted by paragraph 19. If Lender exercises this option, Lender shall take the steps specified in the second paragraph of paragraph 17.

**14. Notices.** Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

**15. Governing Law; Severability.** This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

**16. Borrower's Copy.** Borrower shall be given one conformed copy of the Note and of this Security Instrument.

**17. Transfer of the Property or a Beneficial Interest in Borrower.** If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold, assigned or transferred and Borrower is not a natural person) or if Borrower enters into Articles of Agreement for Deed or any agreement for installment sale of the Property or the beneficial interest in Borrower (and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

**18. Borrower's Right to Reinstate.** If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note had no acceleration occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under paragraphs 13 or 17.

**NON-UNIFORM COVENANTS.** Borrower and Lender further covenant and agree as follows:

**19. Acceleration; Remedies.** Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under paragraphs 13 and 17 unless applicable law provides otherwise). This notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument, foreclosure by judicial proceeding and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to assert in the foreclosure proceeding the nonexistence of a default or any other defense of Borrower to acceleration and foreclosure. If the default is not cured on or before the date specified in the notice, Lender at its option may require immediate payment in full

NOTICE: The Security Instrument secures a Note which contains a provision allowing for changes in the interest rate. Increases in the interest rate will result in higher payments. Decreases in the interest rate will result in lower payments.

This Rider is made this 26TH day of SEPTEMBER, 19 95, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust, or Deed to secure Debt (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Note to

(the "Lender") of the same date (the "Note") and covering the property described in the Security Instrument and located at 1660 N LASALLE, CHICAGO, IL 60614

MODIFICATIONS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. Interest Rate and Monthly Payment Changes

The Note has an "Initial Interest Rate" of 12.00%. The Note Interest rate may be increased or decreased on the FIRST day of the month beginning on OCTOBER 1ST, 19 95 and on that day of the month every 120 month(s) thereafter.

Changes in the interest rate are governed by changes in an interest rate index called the "Index". The Index is the: [Check one box to indicate Index.]

- (1) [X] The weekly average yield on United States Treasury securities adjusted to a constant maturity of 10 year(s), as made available by the Federal Reserve Board. In no event over the full term of the Note will the interest rate be increased more than 4.00 percentage points (4.00%) from the Initial Rate of Interest. Before each Change Date the Note Holder will calculate the new interest rate by adding 2.25 percentage points (2.25%) to the Current Index. However, the rate of interest that is required to be paid shall never be increased or decreased on any single Change Date by more than 4.00 percentage points (4.00%) from the rate of interest currently being paid.

(2) [ ]\* Other:

If the interest rate changes, the amount of Borrower's monthly payments will change as provided in the Note. Increases in the interest rate will result in higher payments. Decreases in the interest rate will result in lower payments.

B. Loan Charges

It could be that the loan secured by the Security Instrument is subject to a law which sets maximum loan charges and that law is interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (i) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (ii) any sums already collected from me which exceeded permitted limits will be refunded to me. The Lender may choose to make this refund by reducing the principal I owe under the Note or by making a direct payment to me. If a refund reduces principal, the reduction will be treated as a partial prepayment.

C. Prior Liens

If Lender determines that all or any part of the sums secured by this Security Instrument are subject to a lien which has priority over this Security Instrument, Lender may send Borrower a notice identifying that lien. Borrower shall promptly act with regard to that lien as provided in paragraph 4 of the Security Instrument or shall promptly secure an agreement in a form satisfactory to Lender subordinating that lien to this Security Instrument.

D. Transfer of the Property

If there is a transfer of the Property subject to paragraph 17 of the Security Instrument, Lender may require (1) an increase in the current Note interest rate, or (2) an increase in (or removal of) the limit on the amount of any one interest rate change (if there is a limit), or (3) a change in the Base Index figure, or all of these, as a condition of Lender's waiving the option to accelerate provided in paragraph 17.

By signing this, Borrower agrees to all of the above.

David S. Martin (Seal) Borrower

\*If more than one box is checked or if no box is checked, and Lender and Borrower do not otherwise agree in writing, the first Index named will apply.

**ADJUSTABLE RATE  
MORTGAGE  
CONVERTIBLE RIDER**

**UNOFFICIAL COPY**

**CITICORP SAVINGS**  
Citicorp Savings of Illinois  
A Federal Savings and Loan Association

Loan Number: 000000556736

THIS CONVERTIBLE MORTGAGE RIDER is made this 26TH day of SEPTEMBER, 19 85, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust, or Deed to Secure Debt (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note (the "Note") to

Citicorp Savings of Illinois, A Federal Savings and Loan Association  
(the "Lender") of the same date and covering the property described in the Security Instrument and located at:

1550 N. LA SALLE, CHICAGO, IL 60614  
(Property Address)

The Adjustable Note contains provisions allowing for changes in the interest rate. If the interest rate increases, the Borrower's monthly payments will be higher. If the interest rate decreases, the Borrower's monthly payments will be lower. On every Change Date, Borrower may convert the adjustable rate loan into a fixed rate, level payment, fully amortizing loan or into an adjustable rate loan with a different Change Date period.

**ADDITIONAL COVENANTS.** In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

**A. INTEREST RATE AND MONTHLY PAYMENT CHANGES**

The Note provides for an initial interest rate of 12.000%. Section 4 of the Note provides for changes in the interest rate and the monthly payments, as follows:

**4. INTEREST RATE AND MONTHLY PAYMENT CHANGES**

**(A) Change Dates**

The interest rate I will pay may change on the first day of OCTOBER, 19 85, and on that day every 120 months thereafter. Each date on which my interest rate could change is called a "Change Date."

**(B) The Index**

Beginning with the first Change Date, my interest rate will be based on an Index. The "Index" is the weekly average yield on United States Treasury securities adjusted to a constant maturity of 4 1/2 years, as made available by the Federal Reserve Board. The most recent Index figure available as of the date 60 days before each Change Date is called the "Current Index".

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.

**(C) Calculation of Changes**

Before each Change Date, the Note Holder will calculate my new interest rate by adding TWO AND 25/100 percentage points ( 2.25 %) to the Current Index.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal balance of my loan. I am expected to owe on the Change Date in full on the maturity date at my new interest rate in substantially equal payments. The result of this calculation is called the "Full Payment Amount", and it will be the new amount of my monthly payment, subject to subsection (D) below.

**(D) Limits on Interest Rate Changes**

If checked below, the Note provides for certain limits on interest rate changes:

(i) The rate of interest I am required to pay shall never be increased or decreased on any single Interest Change Date by more than 4.00 % from the rate of interest I have been paying for the preceding 120 months.

(ii) My interest rate will never increase more than 4.00 % from the rate established in Section 2.

**(E) Effective Date of Changes**

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

**(F) Notice of Changes**

The Note Holder will mail or deliver to me a notice of any changes in the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any questions I may have regarding the notice.

**B. BORROWER'S OPTION TO CONVERT**

Borrower may, at Borrower's option, modify the repayment terms of the indebtedness on every Change Date. At that time, Borrower may convert the Adjustable Rate Loan into: (i) a fixed interest rate loan to be fully amortized over a reduced term of 15 years; (ii) a fixed interest rate loan to be fully repaid in equal monthly payments of principal and interest over the remaining term of the loan; or (iii) an Adjustable Rate Loan with a different Change Date period.

Borrower may choose the option to convert if the following conditions are met: (i) the adjustable rate loan is not currently in foreclosure or default; (ii) the adjustable rate loan payments are current as of 45 days prior to the effective conversion date; and, (iii) there have not been two or more late charges in the twelve (12) months prior to the effective conversion date.

In addition, Borrower may only choose the option to convert to a fixed interest rate loan to be fully repaid in equal monthly payments of principal and interest over a reduced term or fifteen (15) years (180 months), upon a review of Borrower's credit information to determine if it meets the Lender's normal credit standards for this type of loan.

**C. LENDER'S NOTICE TO BORROWER**

Lender's Notice of Changes to Borrower pursuant to the Adjustable Rate Note given prior to each Change Date shall also contain the following additional information pertaining to Borrower's option to convert:

- (i) the fixed interest rate payable by Borrower if Borrower converts to one of the fixed interest rate loan, and the amount of Borrower's new monthly payments at the fixed rates of interest; and
- (ii) the interest rates for each alternate adjustable rate loan payable by Borrower if Borrower converts to another adjustable rate loan, and the amount of Borrower's new monthly payment at each interest rate for each adjustable rate loan; and
- (iii) a date, not more than 15 days from the date the notice is given, by which Borrower must execute and deliver to Lender a document in the form required by Lender evidencing the modification of the Note to provide for either a fixed interest rate loan or an adjustable rate loan with a different Change Date period.

**D. SELECTION OF FIXED RATE OR ALTERNATIVE ADJUSTABLE RATE LOAN AND MONTHLY PAYMENT ADJUSTMENT**

Lender shall set the interest rates payable by the Borrower 45 days prior to the Conversion Date as follows:

- (i) the fixed interest rate of loans for the remaining term is the sum of the current Federal Home Loan Mortgage Corporation's Required Net Yield for 60-day delivery of 30 year, fixed rate mortgages plus .375 percentage points (.375%);
- (ii) the fixed interest rate of loans for the remaining term or fifteen (15) years (180 months), whichever is less, is the weekly average yield on United States Treasury securities adjusted to a constant maturity of 7 years, plus ( 2.25 %) as made available by the Federal Reserve Board;
- (iii) the adjustable rate mortgages initial interest rates for the remaining term are the weekly average yield on United States Treasury securities, as made available by the Federal Reserve Board, adjusted to a constant maturity of:

- 1 year(s), plus 2.00 % for a 1 year adjustable rate mortgage. The rate of interest will never increase or decrease on any subsequent Change Date by more than 2.00 % from the rate of interest paid in the preceding 12 months.
- 3 year(s), plus 2.00 % for a 3 year adjustable rate mortgage. The rate of interest will never increase or decrease on any subsequent Change Date by more than 3.00 % from the rate of interest paid in the preceding 36 months.
- 5 year(s), plus 2.00 % for a 5 year adjustable rate mortgage. The rate of interest will never increase or decrease on any subsequent Change Date by more than 3.00 % from the rate of interest paid in the preceding 60 months.
- 7 year(s), plus 2.00 % for a 7 year adjustable rate mortgage. The rate of interest will never increase or decrease on any subsequent Change Date by more than 4.00 % from the rate of interest paid in the preceding 84 months.
- 10 year(s), plus 2.00 % for a 10 year adjustable rate mortgage. The rate of interest will never increase or decrease on any subsequent Change Date by more than 4.00 % from the rate of interest paid in the preceding 120 months.

85216688

The interest rate will never increase by more than 4.00 % from the rate established in Section 2 of Borrower's Adjustable Rate Note.

If any of the indexes are no longer available, the Lender will choose new indexes which are based on comparable information. The new interest rate will become effective on the Conversion Date if the Borrower chooses to convert.

Borrowers monthly payments at the new interest rate will begin as of the first monthly payment after the Conversion Change Date. The monthly payment will be the amount that is necessary to repay in full the principal Borrower is expected to owe on the Conversion Change Date in substantially equal payments by the maturity date at the new interest rate.

**E. BORROWER'S ELECTION NOT TO CONVERT**

Borrower must execute and deliver to Lender the document evidencing the modification of the Note within the period set in Lender's notice as provided in paragraph C above. If Borrower does not do this within the specified date, Borrower can no longer exercise the option to convert. In this case, the terms of Borrower's Note will continue in effect without any change.

**F. CONVERSION FEE**

Borrower agrees to pay the Lender at the time the document evidencing the modification of the Note is executed and delivered to a nonrefundable conversion fee equal to \_\_\_\_\_ percentage points ( 1.00 %) of the unpaid principal balance as of the Change Date or \$ 1500.00, whichever is greater.

**G. EFFECTIVENESS OF PROVISIONS**

Upon Borrower's delivery of the executed modification of the Note, paragraph A above shall cease to be effective.

In Witness Whereof, Borrower has executed this Convertible Mortgage Rider.
