Such receiver shall have power to collect the rents, issues and profits of said premises during the pendency of such foreclosure suit and, in case of a sale and a deficiency, during the full statutory period of redemption, whether there be redemption or not, as well as during any further times when First Party, its successors or assigns, except for the intervention of such receiver, would be entitled to collect such rents, issues and profits, and all other powers which may be necessary or are usual in such cases for the protection, possession, control, management and operation of the premises during the whole of said period. The court from time to time may authorize the receiver to apply the net income in his hands in payment in whole or in part of: (a) The indebtedness secured hereby, or by any decree foreclosing this trust deed, or any tax, special assessment or other lien which may be or become superior to the lien hereof or of such decree, provided such application is made prior to foreclosure sale, (b) the deficiency in case of a sale and deficiency.

9. Trustee shall release this trust deed and the lien thereof by proper instrument upon presentation of satisfactory evidence that all indebtedness secured by this trust deed has been fully paid; and Trustee may execute and deliver a release hereof to and at the request of any person who shall, either before or after maturity thereof, produce and exhibit to Trustee the note, representing that all indebtedness hereby secured has been paid, which representation Trustee may accept as true without inquiry. Where a release is requested of a successor trustee, such a successor trustee may accept as the note herein described any note which bears an identification number purporting to be placed thereon by a prior trustee hereunder or which conforms in substance with the description herein contained of the note and which purports to be executed by the persons herein designated as the makers thereof; and where the release is requested of the original trustee and it has never placed its identification number on the note described herein, it may accept as the note herein described any note which may be presented and which conforms in substance with the description herein contained of the note and which purports to be executed by the persons herein designated as makers thereof.

10. Trustee may resign by instrument in writing filed in the office of the Recorder or Registrar of Titles in which this instrument shall have been recorded or filed. In case of the resignation, inability or refusal to act of Trustee, the then Recorder of Deeds of the county in which the premises are situated shall be Successor in Trust. Any Successor in Trust hereunder shall have the identical title, powers and authority as are herein given Trustee, and any Trustee or successor shall be entitled to reasonable compensation for all acts performed hereunder.

11. The Holder of the Note may collect a "late charge" not to exceed five cents (5¢) for each dollar (\$) for each payment more than ten days in arrears, to cover the extra expense involved in handling delinquent payments.

12. First Party agrees that, in order more fully to protect the security of this trust deed, first party will deposit with the holder of the note, on the first day of each month, beginning with first instalment, one twelfth of the amount (as estimated by the holder of the note) which will be sufficient to pay taxes, special assessments and other charges on the real estate that will become due and payable during the ensuing year plus the amount necessary to purchase required insurance for one year. The holder of the note shall hold such monthly deposits in trust, without any allowance of interest, and shall use fund for the payment of such items when the same are due and payable. If at any time the fund so held by the holder of the note is insufficient to pay any such item when the same shall become due, the holder of the note shall advise first party of the deficiency and first party shall, within ten days after receipt of such notice, deposit with the holder of the note such additional fund as may be necessary to pay such items. Failure to make any deposit when due shall be a breach of this mortgage. If at any time there be default in any of the provisions of this mortgage, the holder of the note may at its option apply any money in the fund on any of the mortgage obligations and in such order and manner as it may elect.

13. It is expressly understood and intended that in the event of transfer of title to the note described herein or in the event of the death of the holder of the note, the transferee or transferees shall succeed to the beneficial interest in the trust without first obtaining the written consent of the holder of the Note secured hereby, the transferee or transferees shall be deemed to have accepted the terms hereof and the Note shall then become due and payable in full.

14. First Party hereby waives any and all rights of redemption from sale under any order or decree of foreclosure of this trust deed, on its own behalf and on behalf of each and every person, except decree or judgment creditors of the First Party, acquiring any interest in or title to the premises subsequent to the date of this trust deed.

THIS TRUST DEED is executed by the Palos Bank and Trust Company, not personally but as Trustee as aforesaid in the exercise of the power and authority conferred upon and vested in it as such Trustee (and said Palos Bank and Trust Company, hereby warrants that it possesses full power and authority to execute this instrument), and it is expressly understood and agreed that nothing herein or in said note contained shall be construed as creating any liability on the said First Party or on said Palos Bank and Trust Company personally to pay the said note or any interest that may accrue thereon, or any indebtedness accruing hereunder, or to perform any covenant either express or implied herein contained, all such liability, if any, being expressly waived by Trustee and by every person now or hereafter claiming any right or security hereunder, and then so far as the First Party and its successors and said Palos Bank and Trust Company personally are concerned, the legal holder or holders of said note and the owner or owners of any indebtedness accruing hereunder shall look solely to the premises hereby conveyed for the payment thereof, by the enforcement of the lien created, in the manner and in said note provided or by action to enforce the personal liability of the guarantor or co-makers, if any.

IN WITNESS WHEREOF, Palos Bank and Trust Company, not personally but as Trustee as aforesaid; has caused three presents to be signed by its Assistant Vice-President, and its corporate seal to be hereunto affixed and attested by its Assistant Trust Officer the day and year first above written.
