In order to provide for the payment of taxes, assessments, insurance premiums, and other annual charges upon the property securing this indebtedness, and other insurance required or accepted, the undersigned promises to pay to the Mortgagee a pro rata portion of the current year taxes upon the indebtedness of the loan and to pay monthly to the Mortgagee, in addition to the above payments, a sum estimated to be equivalent to one-twelfth of such sum, which payments may, at the option of the Mortgagee, (a) be held by it without obligation to pay interest thereon and commingled with other such funds or its own funds for the payment of such items; (b) be carried in a savings account and withdrawn by it to pay such items; or (c) be credited to the unpaid balance of said indebtedness as received, provided that the Mortgagee advances upon this obligation sums sufficient to pay said items as the same accrue and become payable. If the amount estimated to be sufficient to pay said items is not sufficient, the undersigned promises to pay the difference upon demand. If such sums are held or carried in a savings account or escrow account, the same are hereby pledged to further secure this indebtedness. E. That it is the intent hereof to secure payment of said note and obligation whether the entire amount shall have been advanced to the Mortgagor at the date hereof, or at a later date, and to secure any other amount or amounts that may be added to the mortgage indebtedness under the terms of this mortgage contract;

F. That in the event the ownership of said property or any part thereof becomes vested in a person other than the Mortgagor, the Mortgagor may, without notice to the Mortgagor, deal with such successor or successors in interest with reference to this mortgage and the debt hereby secured in the same manner as with the Mortgagor, and may forbear to sue or may extend time for payment of the debt, secured hereby, without discharging or in any way affecting the liability of the Mortgagor hereunder or upon the debt secured;
