By accepting payment of any sum secured hereby after its due date or by making any payment or performing any act on behalf of Borrower that Borrower was obligated hereunder, but failed to make or perform or by adding any payment so made by Lender to the indebtedness secured hereby, Lender does not waive its right to require prompt payment when due of all other sums so secured or to require prompt performance of all other acts required hereunder, or to declare a default for failure so to pay.

(18) **Modification in Writing.** This Mortgage cannot be changed or modified except as otherwise provided in this Mortgage or by agreement in writing signed by Borrower or any successor in interest to Borrower, and Lender.

Every power or remedy hereby given to Borrower or to Lender or to which either of them may be otherwise entitled, may be exercised from time to time and as often as may be deemed expedient by them, and either of them may pursue inconsistent remedies. If Lender holds any additional security for any obligation secured hereby, it may enforce the sale thereof at its option, either before, contemporaneously with, or after the sale is made hereunder, and on any default of Borrower, Lender may, at its option, offset against any indebtedness owing by it to Borrower, the whole or any part of the indebtedness secured hereby. The Lender is hereby authorized and empowered, at its option, without any obligation so to do, and without affecting the obligations hereof, to apply toward the payment of any indebtedness secured hereby and of the Borrower to the Lender, any and all sums or money which the Lender may have in its possession or under its control, including without limiting the generality of the foregoing, the indebtedness evidenced by any escrow or trust funds.

(21) **Foreclosure of Mortgage.** When the Indebtedness hereby secured shall become due whether by acceleration or otherwise, the Lender shall have the right to foreclose the lien hereof. In any suit to foreclose the lien hereof, there shall be allowed and included as additional indebtedness in the decree of sale all expenditures and expenses which may be paid or incurred by or on behalf of Lender for attorneys' fees, appraisers' fees, outlays for documentary and expert evidence, stenographer's charges, publication cost and costs of procuring all abstracts of title or commitments for title insurance. Such appointment may be made either before or after sale, without notice, without regard to the solvency or insolvency, at the time of application for such receiver, of the person or persons, if any, liable for the payment of the indebtedness secured hereby and without regard to the then value of the property whether the same shall be then occupied as a homestead or not. Such receiver or Mortgagee in possession shall have power to collect the rents, issues and profits of the premises during the pendency of such foreclosure suit, as well as during any further times when Borrower, his successors or assigns, except for the intervention of such receiver, would be entitled to collect such rents, issues and profits, and all other powers which may be necessary or are usual in such cases for the protection, possession, control, management and operation of the property during the whole said period. The court from time to time may authorize the receiver or Mortgagee in possession to apply the net income held by either of them in payment in whole or in part of the indebtedness and other sums secured hereby or in payment of any tax, special assessment or other lien which may be or become superior to the lien hereof or superior to a decree foreclosing this Mortgage, provided such application is made prior to foreclosure sale. In case of a judicial sale, the property, or so much thereof as may then be affected by this Mortgage may be sold in one parcel.

(23) **Waiver of Statute of Limitations.** Time is of the essence in all Borrower's obligations hereunder and to the extent permitted by law, Borrower waives all present or future statutes of limitation with respect to any debt, demand or obligation secured hereunder in any action or proceeding for the purpose of enforcing this Mortgage or any rights or remedies hereunder.

(24) **Inspection and Business Records.** Lender at any time during the continuation of this Mortgage may enter and inspect such property at any reasonable time. Borrower agrees that in the event that such property is now or hereafter used for commercial or residential income purposes, that when requested by Lender, Borrower will promptly deliver to Lender such certified financial statements and profit and loss statements of such types and at such intervals as may be required by Lender which will be in form and content prepared according to the usual and acceptable accounting principles and practices, which statements shall cover the financial operations relating to such property, and Borrower further agrees when requested by Lender to promptly deliver in writing such further additional information as required by Lender relating to any of such financial statements.

(25) **Governing Law: Severability.** The loan secured by this Mortgage is made pursuant to and shall be construed and governed by the laws of the United States and the rules and regulations promulgated thereunder, including the federal laws, rules and regulations for federal savings and loan associations. If any paragraph, clause or provision of this Mortgage or the note or any other notes or obligations secured by this Mortgage is construed or interpreted by a court of competent jurisdiction to be void, invalid or unenforceable, such decision shall affect only those paragraphs, clauses or provisions so construed or interpreted and shall not affect the remaining paragraphs, clauses and provisions of this Mortgage or the note or other notes or obligations secured by this Mortgage.

(26) **Injury to Property.** All causes of action of Borrower, whether accrued before or after the date of this Mortgage for damage or injury to the property described in this Mortgage or any part thereof, or in connection with the transaction financed in whole or in part by the funds loaned to Borrower by Lender, or in connection with or affecting any such property or any part thereof, including causes of action arising in tort or contract and causes of action for fraud or concealment of a material fact, and all claims against Lender, shall be paid to Lender who, after deducting therefrom all its expenses, including reasonable attorney's fees, may apply such proceeds to the sums secured by this Mortgage or to any deficiency under this Mortgage or may otherwise apply such proceeds to any suit, claim or demand and may make any compromise or settlement thereof. Borrower agrees to execute any further assignments and other instruments as from time to time may be necessary to effectuate the foregoing provisions and as Lender shall request.

(27) **Offsets.** Lender to whom secured by this Mortgage may be deemed to have been offset or to be offset or compensated by all or part of any claim, cause of action, counter claim or part of any claim, cause of action or counter claim, or by any other party, whether liquidated or unliquidated, which Borrower now or hereafter may have or may claim, may offset against Lender, and in respect to the indebtedness now or hereafter secured hereby, Borrower waives to the fullest extent permitted by law, the benefit of any applicable law, regulations or procedure which substantially provides that where cross-demands for money have existed between parties to a lawsuit, the time when the demand was first filed by the applicable statute of limitations, and an action is thereafter commenced by the plaintiff against the defendant, the defendant's defense of payment of the debt or demand is compensated so far as they equal each other, the defendant's liability being independent of the defendant's claim, and that the time of filing his answer is barred by the applicable statute of limitations.

(28) **Misrepresentation or Nondisclosure.** Borrower, as made certain written representations and disclosures in order to induce Lender to make the loan evidenced by the note or notes which this Mortgage secures, and in the event that Borrower has made any material misrepresentation or failed to disclose any material fact, Lender, at its option, and without prior notice, shall have the right to declare the indebtedness secured by this Mortgage due and payable on the maturity date specified in the note or notes, immediately due and payable.

(29) **Waiver of Homestead.** Borrower hereby waives a right of homestead exemption in such property.

Principal amount due on this Note may be prepaid in whole or in part, at any time.
Notices of any change in the interest rate or amount of the regular monthly installment shall be deemed given by the holder when deposited in the United States mail, postage prepaid, addressed to the maker, or, if the persons shown on the holder's records as transferees at the time of giving notice.
The amount of the regular monthly principal and interest payments on this Note will be adjusted to amortize the remaining principal balance as of the Due Date at the then current rate of interest. Interest rate increases will not constitute a waiver of the holder's right to invoke a permissible interest rate increase in whole or in part. It will not constitute a waiver of the holder's right to invoke such an increase, subject to the other provisions of this Note.
(e) Alternative published index. If, at any time during the term of this Note, the index is no longer available or is otherwise unpublished, the holder may select an alternative published index over which the holder has no control, in which case such alternative index will become the index provided in paragraph 2 of this Note. Holder shall next determine the adjustment to the loan factor provided in paragraph 2 of this Note based upon the value of the substituted index as of the last preceding interest rate adjustment date on which the prior index was available or the date of this Note, whichever occurs later, such that the sum of the substituted index and the adjusted loan factor set forth in paragraph 2 of this Note as of such factor for purposes of paragraph 2 of this Note.
(f) Notices. Notices of any change in the interest rate or amount of the regular monthly installment shall be deemed given by the holder when deposited in the United States mail, postage prepaid, addressed to the maker, or, if the persons shown on the holder's records as transferees at the time of giving notice.
The principal amount due on this Note may be prepaid in whole or in part, at any time.

(a) Interest Rate Adjustments. Changes in the interest rate on this Note will become effective commencing on June 10, 1986 and on the same date each month thereafter, each of which dates is called a "Payment Adjustment Date". If an interest rate change has been made on an interest rate adjustment date, the amount of the regular monthly principal and interest payments will be adjusted on the next Payment Adjustment Date so as to amortize the remaining principal balance as of the Due Date. Except as provided below, during the 12-month period following the date of the first monthly payment and during each 12-month period thereafter (each of which 12-month period is called a "Loan Year"), the amount of the last regular scheduled payment of the immediately preceding Loan Year in the case of each Loan Year after the first Loan Year, or increase or decrease in a monthly payment will be greater than 7% of (i) the amount of the first regular monthly payment in the case of the first Loan Year, or (ii) the amount of the last regular scheduled payment of the immediately preceding Loan Year in the case of each Loan Year after the first Loan Year.
(c) Principal Balance Adjustments. Any adjustment to the interest rate results in a monthly payment being less than the amount of interest accrued for a month either because of an interest rate adjustment or because of the 7% limitation on increases or decreases in the monthly payment amount, such accrued but unpaid interest will be added monthly to the unpaid principal balance and will thereafter bear interest at the interest rate contained in the preceding sub-paragraph (b), commencing on January 10, 1987 and on the same date every five years thereafter, and on the same date every five years thereafter, the amount of the regular monthly principal and interest payments on this Note will be adjusted to amortize the remaining principal balance as of the Due Date.
(d) Waiver of increases. Interest rate increases will not constitute a waiver of the holder's right to invoke such an increase, subject to the other provisions of this Note.
(e) Alternative published index. If, at any time during the term of this Note, the index is no longer available or is otherwise unpublished, the holder may select an alternative published index over which the holder has no control, in which case such alternative index will become the index provided in paragraph 2 of this Note. Holder shall next determine the adjustment to the loan factor provided in paragraph 2 of this Note based upon the value of the substituted index as of the last preceding interest rate adjustment date on which the prior index was available or the date of this Note, whichever occurs later, such that the sum of the substituted index and the adjusted loan factor set forth in paragraph 2 of this Note as of such factor for purposes of paragraph 2 of this Note.
(f) Notices. Notices of any change in the interest rate or amount of the regular monthly installment shall be deemed given by the holder when deposited in the United States mail, postage prepaid, addressed to the maker, or, if the persons shown on the holder's records as transferees at the time of giving notice.
The principal amount due on this Note may be prepaid in whole or in part, at any time.
